COLAC WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1936.

THE Colac Waterworks Trust, in pursuance and exercise of the powers conferred by the *Water Act 1928*, doth hereby make a rate for the supply of water for domestic purposes otherwise than by measure of One shilling in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Colac Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Twenty shillings, and in respect of any land on which there is no building, less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the first day of January, 1936, and shall be payable on the 15th day of July, 1936, at the office of the said Trust.

Water supplied to cricket, bowling, or tennis clubs, and to Government Departments, mechanics' institutes, churches, showgrounds, cattle-yards, and similar properties shall be charged for by measurement at Sixpence per 1,000 gallons, provided that the minimum quantity to be charged for shall not be less than 40,000 gallons per annum.

For water supplied by the Trust for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Trust) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of One shilling per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of Ninepence per 1,000 gallons.

The charge for water supplied by measure shall be payable on demand.

Passed this 2nd day of December, 1935.

(SEAL) C. STEWART, Chairman.  
ALLAN MCKENZIE, Secretary.

ROMSEY WATERWORKS TRUST.

RATING BY-LAW FOR 1936.

THE Commissioners of the Romsey Waterworks Trust, the Waterworks District of which has been proclaimed an Urban District, in pursuance of the powers conferred by the *Water Act 1928*, do hereby make the following By-law:—

The rates and charges herein specified are those which the occupiers and owners of lands and tenements situated within the aforesaid district, and liable to be rated, shall pay for the year 1936 in respect of water supplied for domestic purposes.

A rate of One shilling and sixpence in the pound sterling on all lands and tenements of the annual municipal valuation of Fifteen pounds and upwards. On lands and tenements of the municipal valuation of less than Fifteen pounds, a sum of One pound two shillings and sixpence.

The above rates are made for the year ending 31st December, 1936, and are payable, in advance, on the 1st day of January, 1936.

Such person or persons as the Trust may appoint for the purpose are hereby authorized to demand, receive, collect, and recover the said rates and charges.

Dated the twenty-ninth day of January, 1936.

(SEAL) JAMES A. ROBB, Chairman.  
H. C. WHITE, Secretary.

WINCHELSEA WATERWORKS TRUST.

RATING BY-LAW No. 22.

THE Winchelsea Waterworks Trust, in pursuance and exercise of the powers conferred by the *Water Act 1928*, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of One shilling and ninepence (1s. 9d.) in the £1 on the net annual municipal valuation of lands and tenements within the Winchelsea Waterworks District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Two pounds ten shillings (£2 10s.), and in respect of land on which there is no building, less than One pound (£1). The minimum quantity of water to be charged for where water is supplied by measurement shall be the quantity which, at One shilling and sixpence per thousand gallons, equals the amount of assessed rate which would be payable for premises so supplied, and for water in excess of such minimum there shall be a charge of One shilling and sixpence per thousand gallons.

For every meter supplied there shall be a rental charge of Eight shillings per annum.

The above rate is made for the year commencing the 1st day of January, 1936, and ending on the 31st day of December, 1936, and shall be payable on the 1st day of January, 1936, at the office of the said Trust, Shire Hall, Winchelsea.

Interest at the rate of 6 per cent. per annum shall be chargeable from the 1st day of January, 1936, on any rate not paid on or before the 30th day of June, 1936.

Passed this 8th day of January, 1936.

(SEAL) JOHN F. ALSOP, Chairman.  
J. W. HALL, Secretary.

BOROUGH OF INGLEWOOD WATER SUPPLY DISTRICT.

RATING BY-LAW FOR THE YEAR 1936.

THE Inglewood Borough Council, in pursuance and exercise of the powers conferred by the *Water Act 1928*, doth hereby make a rate for the supply of water for domestic purposes otherwise than by measure of One shilling and eightpence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Borough of Inglewood Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty-five shillings, and in respect of any land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the first day of January, 1936, and shall be payable in two equal instalments—first day of January, 1936, and the first day of July, 1936, at the office of the said Council.

For water supplied by the Council for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Council) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of One shilling per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Council in excess of such aforesaid quantity shall be charged for at the rate of One shilling per 1,000 gallons. The charge for water supplied by measure shall be payable on demand.

Passed this 29th day of January, 1936.

(SEAL) A. L. NIXON, Mayor.  
G. E. PORTER, Councillor.  
DAVID COOPER, Town Clerk.

The foregoing By-laws made by the Colac, Romsey and Winchelsea Waterworks Trusts, and the Borough of Inglewood Water Supply District, were approved by the Governor in Council on the 11th February, 1936.

C. W. KINSMAN,  
Clerk of the Executive Council.

## EXPLOSIVES ACT 1928.

*At the Executive Council Chamber, Melbourne, the  
eighteenth day of February, 1936.*

## PRESENT:

His Excellency the Governor of Victoria.  
Mr. Old | Mr. Tuckett.

REGULATIONS RELATING TO THE MANUFACTURE OF  
EXPLOSIVES.

**H**IS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof and in pursuance of the provisions of Section 5 of the *Explosives Act 1928*, doth hereby repeal the Regulations made on the 12th day of October, 1909, respecting the manufacture of explosives, and in lieu thereof doth make the following Regulations (that is to say):—

1. Application for a licence for the manufacture of explosives shall be made to the Chief Inspector of Explosives.
2. There shall be specified in the application the situation, character and construction of all buildings, mounds and works existing or proposed on the site of or connected with the factory, and such of the following matters as are applicable:—
  - (a) The nature of and the place at which each process of manufacture and each description of work is to be carried on,
  - (b) The places at which explosives and ingredients of explosives and any articles which are inflammable or otherwise dangerous are to be kept,
  - (c) The amount of explosives and ingredients thereof, wholly or partially mixed, to be allowed at any one time in any building or machine or in any process of manufacture,
  - (d) The maximum number of persons to be employed in each building or room, and
  - (e) Any special conditions.
3. The application shall be accompanied by a plan, drawn to scale, of the proposed factory.
4. After examination of the application, and having regard to the nature of the operations, the locality and the situation and construction of buildings or works, the conditions of the proposed licence shall be prepared by an Inspector of Explosives and submitted to the Minister.
5. The Minister may refuse the application or may approve of it with or without modification of or addition to the conditions.
6. On the approval of an application for a licence the applicant shall complete the factory and the arrangement thereof in accordance with the conditions of the proposed licence and to the satisfaction of an Inspector of Explosives before the licence is actually issued.
7. Neither the factory nor any part thereof shall be used for any purpose whatever not in accordance with the licence.
8. The conditions of the licence shall be duly observed, and any breach of or non-compliance with any of such conditions shall be deemed to be a breach of these Regulations.
9. The factory and every part thereof shall be kept and maintained strictly in accordance with the licence, and no material alteration whatsoever in the factory shall be made without the written approval of an Inspector of Explosives.
10. The quantity of any explosive or ingredients that may be placed or stored at any one time in any factory or in any part thereof shall not exceed such quantity as may be prescribed in the licence.
11. Every factory magazine shall be used only for the keeping of such explosives and of such ingredients thereof as may be specified in that behalf in the licence, and tools or implements for work connected with the keeping of such explosives and ingredients.
12. The manufacture or keeping or any process in or work connected with the manufacture or keeping of explosives shall not be carried on except under conditions approved of by an Inspector of Explosives.

13. Every building in which explosive, or any ingredient thereof which by itself is possessed of explosive properties or which when mixed with any other ingredient or article also present in such building is capable of forming an explosive mixture or an explosive compound, is kept or present, or in the course of manufacture is liable to be, shall, unless specially exempted by the licence or by an order of an Inspector of Explosives, be deemed to be a danger building, and the interior of every such building and the fittings and equipment in such building shall be so constructed as to avoid unnecessary risks and shall, so far as is reasonably practicable, be kept free from grit and otherwise clean.

14. Before any repairs are effected to any part of a danger building, that part shall, so far as practicable, be cleaned under skilled supervision by the removal of all explosive and ingredients thereof and by the thorough washing of such part or by any other suitable process; and such part of the building, after being so cleaned, shall not be deemed to be a danger building within the meaning of these Regulations until explosive or any ingredient thereof is again taken into it.

15. There shall be constantly affixed to every danger building, in such manner as to be easily read, a statement showing the maximum number of persons and the maximum quantities of explosive or ingredients allowed to be in the building at any one time, the distinguishing number of the building as shown in the licence, and a copy of such conditions, rules or regulations as may be required by an Inspector of Explosives to be so affixed.

16. If required by an Inspector of Explosives, suitable and efficient lightning conductors shall be erected and maintained on the factory or any part thereof.

17. All tools and other implements used in a danger building shall be made only of wood or copper or brass, or some soft metal or material, or shall be covered with some safe and suitable material, and shall be limited to the actual working requirements of the room.

18. The outer clothing of all workpersons engaged in any danger building shall be of woollen or other unflammable material and due provision shall be made, by the use of suitable working clothes without pockets, suitable shoes, searching, and otherwise or by some of such means, for preventing the introduction into any danger building of any iron, steel, or grit, or other article likely to cause explosion or fire.

19. Wherever danger may arise from foreign matter being present with the explosive or any ingredient thereof, all ingredients to be made or mixed into explosive shall, before being so made or mixed, be carefully examined, sifted, and otherwise treated for the purpose of removing therefrom, or excluding, so far as practicable, all such dangerous foreign matter.

20. No person shall smoke in any part of the factory except in such part as may be allowed by the Special Rules.

21. All persons before entering the factory shall examine their clothes to see that they have no matches or other dangerous articles in their pockets or about their persons, and the occupier shall satisfy himself that such examination is carefully carried out and that all persons employed in the factory are duly searched from time to time.

22. No person under the age of sixteen years shall be employed in or enter any danger building except in the presence or under the supervision of some responsible person.

23. Any carriage, boat or other receptacle in which explosive, or any ingredient thereof which by itself is possessed of explosive properties or which when mixed with any other ingredient or article also present in such carriage, boat or receptacle is capable of forming an explosive mixture or an explosive compound, is conveyed from one part of a factory to any other part or to a place outside of such factory, shall, unless specially exempted by the licence or by an order of an Inspector of Explosives, be constructed without any exposed iron or steel in the interior thereof, and shall be closed or otherwise properly covered over; and the explosive and ingredients shall be so conveyed with all due diligence and with such precaution and in such manner as will sufficiently guard against any accidental ignition or explosion: Provided that so much of this Regulation as applies to the exclusion of iron and steel shall not be obligatory in the case of a carriage, boat, or other receptacle in which no explosive other than explosive of the First Division of the Sixth (Ammunition) Class is conveyed.

24. Every ingredient in course of manufacture into explosive, which by itself is possessed of explosive properties or which when mixed with any other ingredient or article also present in any working building is capable of forming an explosive mixture or an explosive compound, shall

be removed with all due diligence from such working building so soon as the process connected with those ingredients which is carried on in such building is completed, and all finished explosive shall with all due diligence be either removed to a factory magazine or conveyed from the factory.

25. All explosives intended for conveyance from a factory shall be packed and marked in accordance with the rules in the schedule hereto.

26. No broken or defective cases or boxes containing explosives shall be admitted into a factory magazine.

27. The doors of every magazine shall be kept securely locked except at such time as explosives are being placed into such magazine or are being removed therefrom.

28. The keys of all danger buildings in connexion with the factory shall remain in charge of a person duly authorized in writing by the occupier, and shall be at any time available if required by an Inspector of Explosives.

29. On the approach of a thunderstorm the magazines and other danger buildings shall be closed and every person engaged in and about them shall be withdrawn therefrom.

30. The occupier of and every person employed in and about the factory shall take all due precaution for the prevention of accidents by fire or explosion in or about such factory, and for preventing unauthorized persons having access to the factory or any part thereof or to the explosives therein, and shall abstain from any act whatever which tends to cause fire or explosion and is not reasonably necessary for the purpose of the work in such factory.

31. The person who applies for and to whom a factory licence is issued shall be deemed the occupier.

32. The expression "factory magazine" means a building for keeping the finished explosive made in the factory, and includes, if such explosive is not gunpowder, any building for keeping the partly manufactured explosive or the ingredients of such explosive which is mentioned in that behalf in the licence.

33. Wherever in these Regulations an explosive is distinguished as belonging to a particular class or division of a class, reference is made to the classification of explosives contained in an Order in Council made in pursuance of section 53 of the *Explosives Act 1928*

#### SCHEDULE.

1. In this schedule, unless the context otherwise requires—

The expression "Outer package" means a box, barrel, case, or cylinder of wood, metal, or other solid material of such strength, construction, and character that it will not be broken or accidentally opened, nor become defective or insecure whilst being conveyed, and will not allow any explosive to escape.

The expression "Inner package" means a substantial case, bag, canister or other receptacle, made and closed so as to prevent any explosive from escaping.

The expression "Authorized Explosive" means exclusively an explosive enumerated in the classification of explosives contained in an Order in Council made in pursuance of section 53 of the *Explosives Act 1928*.

The expression "Propellant" means an authorized explosive of Class III. adapted and intended exclusively for use as a propelling charge in cannon or small arms.

The expression "Special Authority" means a written authority granted by an Inspector of Explosives to which may be attached such conditions as may in the opinion of the Inspector be necessary to meet the special requirements of the case.

2. The interior of every package shall be free from grit and otherwise clean.

3. Save as hereinafter provided there shall not be any iron or steel in the construction of any package unless the same is covered with suitable material so as effectually to prevent the exposure of such iron or steel.

4. Every package when actually used for the packing of one explosive shall not be used for the packing of any other explosive or of any other article or substance.

Provided that this rule shall not prohibit the packing of inner packages containing a propellant in an outer package with inner packages containing gunpowder or another propellant.

Provided also that this rule shall not prohibit the packing of any article which is not of an inflammable or explosive nature, or liable to cause fire or explosion, in the same package as explosive of the First Division of the Sixth (Ammunition) Class.

5. Subject to the foregoing provisions, the following shall be the method of packing Authorized Explosives of the various classes respectively and the maximum amounts which may be in any one package:—

Class.	Method of Packing.	Amount in any one Outer Package.	Amount in any one Inner Package.
Class I. . . . .	When the quantity in any one consignment does not exceed 5 lb. in amount, a single outer package; otherwise a double package, the inner and outer packages being as above defined	100 lb. Provided that where gunpowder and propellant are packed together the amount shall not exceed 50 lb.	100 lb. 25 lb.
Class II. . . . .	As for Class I. . . . .	50 lb.	50 lb.
Class III.— Division 1, other than propellants	As for Class I., provided that either the outer or inner package shall be thoroughly waterproof, and that no metal shall be used in the construction of the packages except that (1) nails of brass, zinc, or other soft metal or coated with the same may be used for securing the outer package, and (2) wire stitching may be used for securing the inner package if the wire is effectively prevented from coming into contact with the explosive by means of a sheet of stout cardboard or otherwise	50 lb.	5 lb.
Cordite or other propellant adopted by His Majesty's Government	As for Class I., except that for the inner package there may be substituted such arrangement or contrivance as may in the opinion of an Inspector of Explosives secure adequate safety	120 lb.	120 lb.
Other propellants of Division 1	As for Class I. . . . .	50 lb.	50 lb.
Division 2, other than Picric Acid and Wet Guncotton	As for Class I. . . . .	50 lb.	50 lb.
Picric Acid Guncotton so wetted with water as to be absolutely uninflammable	As for Class I. . . . . As for Class I., provided that the inner or outer package, or both of them, shall be of such a nature, and so closed, as to prevent any material loss of moisture during conveyance	Unlimited Unlimited	Unlimited Unlimited
Class IV.— Division 1	As for Class III., Division I, other than propellants	50 lb.	5 lb.
Division 2	As for Class I. . . . .	50 lb.	50 lb.
Class V. . . . .	Packed in water. A treble package, the innermost package being a bag permeable to water enclosed in a case containing sufficient water to ensure the explosive being kept constantly wet; and the outer package containing sufficient water constantly to surround the case. Both the case and the outer package shall be of such construction as will not allow water to escape. If the explosive is of such character that it cannot be packed in a thoroughly wet condition it shall be packed in accordance with conditions set forth in a Special Authority	200 lb.	25 lb.
Class VI.— Division I, other than Pin Fire Cartridges for pistols	A single outer package, provided that the above Rule No. 3 shall not apply to explosives of this Division. Provided also that bullet cartridges of a calibre exceeding 0.5 inch and belonging to this Division shall be packed in such a manner that the point of any bullet cannot come in contact with the cap of another cartridge	Unlimited	

SCHEDULE—continued.

Class.	Method of Packing.	Amount in any one Outer Package.	Amount in any one Inner Package.
Class VI.— Pin Fire Cartridges for pistols	(a) Not exceeding 50 in number in any one consignment :—So packed in a single package that the bases lie alternately in opposite directions. The bases and pins shall be so fitted into perforations in millboard or other suitable material as to prevent the firing of any one of the said cartridges by an explosion in any other of the said cartridges (b) Exceeding 50 in number :—In an inner and outer package, the cartridges being packed in inner packages with millboard as above required	50 in number	
Division 2	Explosives made up into cartridges or charges for cannon, shells, torpedoes, mines, blasting or other like purposes, shall be packed in such manner and in such quantity as is required for the same explosives when not so made up; provided that where a double package is required, the enclosing case of such cartridges or charges may, if it satisfy the conditions required for an inner package, be held to be such inner package		
Division 3, other than Detonators and Electric Detonators	Other ammunition of this Division : A single outer package As for Class I. . . . . Provided that bulleted cartridges of a calibre exceeding 0.5 inch and belonging to this Division shall be packed in such a manner that the point of any bullet cannot come in contact with the cap of another cartridge	100 lb.	2 lb. or 10 in number whichever be the greater
Detonators	(a) Not exceeding 1,000 in any one consignment :—As for Class I., provided that the detonators and the spaces between the same, and between the sides of the inner package and the said detonators shall all be filled as far as practicable, with fine sawdust or other similar material; a layer of felt or other soft yielding material shall be placed between both ends of all the detonators and the interior of the inner package in which the same are placed, in such manner and so secured that both ends of the detonators will rest upon the said felt or other material: every inner package, if of metal, to be lined throughout with paper or other soft material; (b) Exceeding 1,000 detonators :— The detonators shall be packed in inner packages, with sawdust and felt as above described. Such inner packages shall be placed inside a substantial case of wood or metal, made and closed so as to prevent any of the inner packages escaping therefrom, and such case shall be placed inside an outer package in such manner and so secured as to leave a clear space of not less than three inches between the case and every part of the interior of the said outer package, notwithstanding that such clear space may, if preferred, be filled with sawdust, straw, or other similar material or may contain a light framework or battens of wood to keep the case aforesaid in position in the outer package; (c) Where the number of detonators exceeds 5,000 such outer package shall be provided with handles or other contrivance by means of which it can be safely and conveniently carried	1,000 in number	100 in number
		10,000 in number	100 in number

## SCHEDULE—continued.

Class.	Method of Packing.	Amount in any one Outer Package.	Amount in any one Inner Package.
Class VI.— Electric Detonators	As for Class I., provided that where the number in any outer package exceeds 3,000, such outer package shall be provided with handles or other contrivance, by means of which it can be safely and conveniently carried	5,000 in number	100 in number
Class VII.— Division 1	Double package, the inner package being hermetically closed, and contained in an outer package as above defined	20 lb.	1 lb.
Division 2	Single outer package, provided that the above Rule No. 3 shall not apply to explosives of this Division	100 lb.	

6. Nothing in this schedule shall be deemed to prohibit the use of an additional package whether inner or outer, provided that such additional package shall not be of such character as shall have been prohibited in writing by an Inspector of Explosives.

7. An explosive which is not an authorized explosive shall be packed and marked in such manner as may be directed by a Special Authority with reference to such explosive.

8. On the outermost package there shall be affixed in conspicuous characters by means of a brand or securely attached label or other mark the word "Explosive," the name of the explosive, the number of the Class and Division to which it belongs, and the name of the manufacturer or sender.

In the case of explosives of Classes III. and IV., there shall be added the date of manufacture or issue from the factory, or such sign indicating such date as may be approved by an Inspector of Explosives.

Provided that in the case of cartridges or charges for cannon, shells, mines, blasting or other like purpose which do not contain their own means of ignition, the marking shall be as for the explosive when not so made up.

Provided also that in the case of explosives of Class VI., Division 1, there shall be added the words "Not liable to explode in bulk."

Provided also that in the case of Pin Fire Cartridges for pistols there shall be added the words "Pin Fire Cartridges."

Provided also that in the case of Gunpowder the word "Explosive" and the number of the Class and Division may be omitted.

Provided also that where an outer package contains more than one explosive, the marking above required shall be affixed separately in respect of each explosive so contained.

9. To meet special cases exemption may be granted by Special Authority from the observance of any one or more of the conditions imposed by these rules.

And the Honorable M. W. J. Bouchier, His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## SEEDS ACTS 1928 AND 1935.

At the Executive Council Chamber, Melbourne, the  
eleventh day of February, 1936.

## PRESENT :

His Excellency the Governor of Victoria.

Mr. Lind		Mr. Old
Mr. Bussau		Dr. Harris.

## REGULATIONS.

UNDER the powers in that behalf conferred by the Seeds Acts 1928 and 1935, to make Regulations as to any matters whatsoever not being contrary to the provisions of the said Acts, necessary to give effect to the said Acts, the Governor of the State of Victoria by and with the advice of the Executive Council, doth hereby repeal the Regulations made on the 17th July, 1916, and in lieu thereof doth order as follows:—

1. *Foreign Ingredients* shall be substances of the character following:—  
Weeds or seeds of weeds.  
Non-germinable seeds.  
Seeds other than those specified in the invoice.

*Inert Matter* as defined hereunder:—

- (a) (i) All seeds of the kind under examination (except clovers and grasses) undeveloped or so severely damaged as in the opinion of a botanist of the Department of Agriculture or his deputy examining the seed to be incapable of germination.
- (ii) In the case of clovers. A seed in which the germ is absent or in which the germ part is broken or seeds perceptibly broken or split through to the germ or otherwise damaged only so far as in the opinion of a botanist of the Department of Agriculture or his deputy examining the seed they are incapable of germination.

Provided that undeveloped seeds with the germ intact shall not be considered inert matter and pieces of the cotyledons greater than one half with the germ intact shall not be considered inert matter.

- (iii) In the case of grasses (except *Paspalum dilatatum*, *Danthonia* spp. *Chloris gayana*, and *Alopecurus pratensis*) sterile flowers and glumes not containing a caryopsis.
- (b) Portions of seeds or fruits, stones, chaff, sand, grit, soil, fragments of roots, stems of flowers, empty glumes, single pales, sterile flowers of grasses, seeds without a germ, decorticated seeds of legumes, sprouted seed, parts of insects, dead insects, scales, clusters of beet and mangel seeds, wholly devoid of seeds, which pass through a sieve having holes of 2-mm. diameter, and any other matter not seeds.
- (c) Seeds containing harmless parasites or diseases.

2. The weights of seeds to be taken as samples, for the purpose of examination, shall be not less than as mentioned and set forth in the second column of Schedule 3 hereto.

3. The seeds of weeds named in Schedule 1 hereto are totally prohibited.

4. The proportion or amount of "Foreign Ingredients" which may be contained in any kind of seeds shall not exceed the proportion or amount set forth opposite the name of each kind of seed in Schedule 4 hereto.

5. In respect of seeds included in Schedule 2 hereto, the number of weed seeds which may be contained in any kind of seeds shall not exceed that prescribed opposite each weed named in the said schedule, subject to the conditions (a) and (b) set out at the head of the said schedule.

6. The fee for examination of each sample of seed made under the Act shall be two shillings and sixpence.

## PENALTIES.

7. The penalty for any contravention of these Regulations shall be a sum not exceeding Ten pounds.

ORDER APPROVING OF A DEVIATION FROM A  
 DEVELOPMENTAL ROAD IN THE SHIRE OF BULN  
 BULN.

WHEREAS the Country Roads Board constituted under  
 the *Country Roads Act 1928* (No. 3662) has repre-  
 sented to His Excellency the Governor in Council that it  
 appears to it desirable that the deviation hereinafter referred  
 to from the existing Rokeby-North Jindivick road in the Shire  
 of Buln Buln (declared to be a developmental road under the  
 said Act which declaration was confirmed by the Order in  
 Council published in the *Government Gazette* of the 29th  
 January, 1919, on page 222) should be made by the said  
 Board: And whereas the said Board in accordance with the  
 requirements of section 19 of the said cited Act has caused  
 to be prepared a map plan and estimate showing the points  
 between which and on and through what land the said devia-  
 tion is proposed to be made and the cost of acquiring the land  
 and constructing the said deviation: And whereas on an in-

The Closer Settlement Act 1928, Part 1.

MOUNTAINOUS AREAS SCHEME.

THE Farm Allotment mentioned in the Schedule hereunder is hereby proclaimed available for application, and may be taken up under Conditional Purchase Lease, subject to the mountainous areas provisions:—

TERMS, CONDITIONS, ETC.

Applications must be made on the prescribed form and lodged with the Secretary, Closer Settlement Commission, Public Offices, Melbourne, or with the officer conducting the Inquiry Board. An applicant may apply for more than one allotment, but only one can be granted to any one person.

The capital value, including interest at 4½ per cent. per annum, is repayable by half-yearly instalments of 6 per cent. per annum over a term of 31½ years. The first ten years will be free as provided hereunder and term of lease extended accordingly.

Improvements must be effected to the value of at least two instalments of the purchase money before the end of the first year from the date of lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on his allotment until the land becomes freehold. A Crown grant may issue after twelve years, provided the full amount of the purchase money is paid, if the conditions of lease have been complied with.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first three years of the lease.

MOUNTAINOUS AREAS PROVISIONS.

No instalment of purchase money shall be payable during the first ten years, provided the lessee complies with conditions and the allotment is satisfactorily worked. The lessee shall during each and every year of the free period reduce at least one-tenth part of the allotment to a state of clean grass or cultivation and maintain same.

Interest at the rate of 4½ per cent. per annum shall be added to the capital value of the allotment and shall be repaid as part of the instalments of purchase money, and notwithstanding any provisions in any Act, no transfer of the interest in the lease shall be approved by the Board unless the deferred interest to the date of transfer has been paid.

Dated this seventeenth day of February, 1936.

JOHN S. HARRIS, Manager.

Witness to signature—LESLIE COHEN.

I, JOHN SAMUEL HARRIS, do solemnly and sincerely declare that—

1. I am the manager of the said intended company.  
2. The above statement is, to the best of my belief and knowledge, true in every particular; and I make this solemn declaration, conscientiously believing the same to be true, and by virtue of the provisions of an Act of the Parliament of Victoria rendering persons making a false declaration punishable for wilful and corrupt perjury.

JOHN S. HARRIS.

THE "VICTORIA GOVERNMENT GAZETTE."

**SUBSCRIPTIONS.**—The Subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 7d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the Gazette.

ADVERTISEMENTS are charged at the rate of EIGHTPENCE per line single column, and ONE SHILLING and FOURPENCE per line double column.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines, as a heading.

On an average, eleven words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

Signatures (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before TWO p.m. at ordinary rates, and late advertisements between TWO p.m. and FIVE p.m. at double rates, on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are Sixpence, posted Sevenpence, each.

NO GAZETTES prior to January, 1921, in stock.

\*.\* ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
