PRESENT :

His Excellency the Governor of Victoria.

Mr. Dunstan

Mr. Lind

Mr. Tuckett.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, in pursuance of the provisions of Section 5 of the *Audit Act 1928* (No. 3640), make the following General Regulations respecting Public Accounts, to come into operation on and from the 21st day of January, 1937, in lieu of all other General Regulations then in force, which are hereby revoked.

I.—FINANCIAL YEAR.

1. The financial year commences on the First day of July and ends on the Thirtieth day of June as prescribed by Section 23 of the *Acts Interpretation Act 1928*.

II.—BASIS OF ACCOUNTS.

2. The Annual Estimates of Revenue transmitted to the Legislative Assembly, the Special Appropriations under the various Acts, and the Annual Votes under the Appropriation Act shall form the basis of the Public Accounts for each year. The Trust Funds Receipts and Expenditure shall be stated under the respective heads according to law, together with the balance of each description of account. The moneys raised by Loan and the expenditure thereout shall be set forth under the respective Acts by which authorized.

III.—REVENUE.

3. All moneys received by Receivers of Revenue and brought to account in the Treasury at Melbourne on and between the first and last days of the financial year shall be deemed and taken to be the receipts for and on account of such financial year.

4. Collectors of Imposts and all other persons in the Public Service who may collect moneys for the Public Account shall, in the event of the notification under section 18 of the *Audit Act 1928* not being received by them, pay their collections on the last day of each month to the Receiver of Revenue at the Treasury, Melbourne.

5. Collectors of Imposts and other persons entrusted with the collection of Public Moneys shall on every day on which the Bank is open pay into such bank as the Treasurer may from time to time appoint all such moneys as have been received by them up to the time of lodgment. Particulars of all lodgments shall be endorsed on the duplicate pay-in slips.

6. Collections of revenue and of other public moneys shall not in any circumstances be lodged in any bank to a private account, or be mixed up with private funds.

7. The full amount of all collections, deducting only charges legally payable therefrom, shall be paid into the Treasury, accompanied with the Statements to be rendered under sections 19 and 21 of the *Audit Act 1928*, known as **A** and **C**, and hereinafter designated "Statements of Collections."

8. Every Receiver of Revenue, Collector of Imposts, or other person who may be entrusted with the collection of public revenue, or other moneys, or with the custody of public property, on being relieved of his trust, either permanently or temporarily, shall pay in his collections to date and make up and duly transmit all returns and statements required from him under the *Audit Act*, or under these or

other Regulations. He shall hand over to the relieving officer all licence forms, books, stores, and furniture in his charge belonging to the Government, and also any cash that may have been received subsequent to his making up his statements, together with a return of the same signed by himself; and a copy of so much of the said return as relates to cash, licence forms, and miners' rights, signed by himself and by the relieving officer, shall be forwarded to the Treasurer.

9. In all cases where it is proposed to appoint any officer a Collector of Imposts, or to change any officer who has been appointed or acts as a Collector of Imposts, the Treasurer is to be specially advised.

TRUST MONEYS, ETC.

10. All moneys collected by any persons in the Public Service for the use or benefit of any other person shall be dealt with and accounted for as directed in sections 25, 26, and 27 of the *Audit Act* 1928.

11. Collections on account of loans, funds, or special accounts shall be paid over and accounted for as nearly as possible in all respects as moneys received on account of revenue.

SURCHARGES AND SHORT COLLECTIONS.

12. When an officer is called upon to satisfy any surcharge which he cannot remove by satisfactorily explaining, he shall forthwith make good the amount thereof by paying the same to the Receiver of Revenue at the Treasury, Melbourne.

IV.—PREPARATION OF STATEMENTS OF COLLECTIONS.

13. The Statements to be furnished by Collectors of Imposts and Receivers of Revenue under sections 19 and 21 of the *Audit Act* 1928 shall be respectively on the Forms **A** and **C** annexed, and shall be prepared as follows:—

- (a) The collections on account of revenue shall be arranged and classified so as to accord with the annual Estimates of Revenue, and shall be shown in totals under the several sub-heads, and carried out in a grand total; collections on account of loans, funds, or special accounts must be carried out in separate totals.
- (b) When any moneys are received for the sale of public property, the said Statements shall be accompanied with account sales and other documents relating to the sale.
- (c) When moneys are received in satisfaction of surcharges or to be credited to advances or in reduction of expenditure, the Statements shall be accompanied with Form **D** annexed, duly completed.
- (d) The Revenue Statements shall be so prepared as to ensure ready identification of the particulars therein given and shall be accompanied by any necessary particulars for showing the correctness of the sums collected and the sources whence they were derived; and should any moneys be paid in under a surcharge or an inspection report, a note is to be made on the Statement which will connect the collection with the query or the report concerned.

14. In cases where a deduction from collections is made, the full particulars thereof shall be given, the authority under which the deduction is made shall be quoted, and the acquittance for the amount deducted shall be furnished.

15. When no collections payable to a Receiver are made by a Collector for the period for which he has to make payment of his collections, the Statement shall nevertheless be transmitted to the Receiver at the proper time, with the word "Nil" written across the face of it.

16. When no money is collected during any month, the Collector shall nevertheless furnish the "Declared Return" at the proper time to the Auditor-General in the form prescribed by section 24 of the *Audit Act* 1928 with the word "Nil" written across the face of it.

17. When moneys are tendered to a Collector of Imposts or Receiver of Revenue, if he should be in doubt as to the manner in which they or any part of them should be credited, or as to whether they are properly payable to him, or if he should observe any irregularity in relation to them of a character to require explanation,

he may receive the moneys, giving a properly qualified receipt, place the amount in his Statement of Collections to the credit of "Trust Fund," and take immediate steps to obtain and transmit to the Treasurer such further information as will enable him to transfer the amount in the Treasury books to the proper head of account.

18. Should a Receiver observe that a Statement of Collections furnished by any Collector is defective or not prepared in a proper manner, he shall note the irregularity at the foot of the document for the Treasurer's information, and call upon the Collector to forward an amended Statement.

19. The provisions of these Regulations relating to the collection and disposal of public moneys shall with such modifications as may be necessary apply to officers of the State Rivers and Water Supply Commission, the Forests Commission, the Closer Settlement Commission, teachers of the Education Department, and such other officers or classes of officers as the Treasurer may from time to time appoint for the collection of revenues for transmission to the Accountant of their respective departments.

20. Except in the case of the Railways Department and as specifically provided in any Act of the Legislature, revenues due to the Crown shall not be abandoned without the approval of the Treasurer.

V.—LICENCES, Etc.

21. Receivers of Revenue, Collectors of Imposts, and other persons duly authorized to issue licences and miners' rights shall issue such licences and rights only from books of forms to be supplied for the purpose from the Treasury, and in no case may an acknowledgment for the money received be given in lieu of any such licence or right. Full particulars of the licence or right issued shall be entered upon the counterpart of the form, and the counterpart shall be initialed by the Issuer and carefully preserved for reference and audit.

22. When Licence forms are required by a department or its branches, a requisition shall in the first place be made by the Department upon the Treasury.

Licence forms are to be printed only on requisitions approved by the Treasury.

23. Receivers of Revenue, Collectors of Imposts, and other duly authorized officers shall in no case, where money is tendered to them in their official capacity, issue manuscript receipts or acknowledgments for such moneys, but shall make use of forms of acknowledgment which have been printed by the Government Printer. In cases where it becomes necessary to cancel receipt or licence forms, they are to be left attached to the butts for inspection purposes. Duplicate receipts are not to be issued without the sanction of the Director of Finance.

24. When receipt books are issued to Receivers of Revenue or other duly authorized officers, a notification of such issues must be forwarded forthwith to the Auditor-General.

VI.—EXPENDITURE AND DISBURSEMENTS.

VARIATION OF AMOUNTS OF ITEMS OF A SUBDIVISION IN THE ANNUAL APPROPRIATION ACT.

25. Every Order in Council under section 35 of the *Audit Act* 1928 shall be obtained through the Treasurer, who shall notify the Auditor-General on the Form I annexed, and no liability is to be incurred until the requisite authority has been so obtained.

AUTHORITY FOR EXPENDITURE.

26. Any liability incurred in pursuance of any law or order of the Governor in Council, or under a contract entered into by the Government and duly gazetted as hereinafter directed, and any other expenditure sanctioned in writing by the proper Minister of the Crown, may, if funds are legally available therefor, be defrayed upon the certificate of the officers appointed, or who may be hereafter appointed by the Governor in Council, to certify to the accounts of their respective departments.

Nothing contained in this Regulation shall warrant any officer incurring any liability or defraying any expenditure contrary to any law, Order in Council, contract, Ministerial or other authority governing such expenditure, or without having first obtained the necessary sanction in manner herein laid down.

27. Full particulars regarding all appointments, promotions, and transfers, except in the case of promotions and transfer in the Railways Department, the dates thereof, and the rates of pay in connexion therewith shall be promptly forwarded to the Auditor-General. The provisions of this Regulation shall apply in the case of officers whose positions are specifically set out in the Divisions of the annual Appropriation Act relating to the Railways Department and the State Coal Mine. All authorities for pensions, superannuation allowances, gratuities, and compensation for loss of office, except such authorities under the Superannuation Act, shall be obtained by the Treasurer. All authorities for pensions, &c., shall be referred to the Auditor-General for notation.

28. All contracts entered into on behalf of the Government and all Orders in Council authorizing the construction of any public works without contract shall be published in abstract in the *Government Gazette* as early as practicable. The provisions of this clause shall not apply to the Public Works Department or the Railways Department as regards contracts the expenditure in connexion with which does not exceed One hundred pounds.

29. Except in the case of the Railways Department accounts for the payment of extras on contracts shall not be paid or passed for payment until—

- (a) in the case of extras exceeding £1 and not exceeding £5, the approval of the Treasurer of Victoria shall have been obtained.
- (b) in the case of extras exceeding £5, the approval of the Governor in Council shall have been obtained.

30. Tenders shall be publicly invited and contracts taken for all works and for the supply of all goods, tools, materials, machinery, &c., the cost of which shall exceed the sum of one hundred pounds, unless the expenditure be specially authorized by the Governor in Council.

The provisions of this clause shall not apply to:—

- (a) The Railways Department or the State Coal Mine except as regards works of construction.
- (b) The Public Health Department as regards infectious and contagious diseases, and other matters of urgency under the Health Act.
- (c) The Government Printing Office as regards expenditure on gum and printing ink.
- (d) The Mines Department as regards all parts, repairs and alterations of boring machines, drills, drilling tools and batteries (testing plants).
- (e) The State Rivers and Water Supply Commission.
- (f) The Forests Commission.
- (g) All Departments as regards the purchase of goods, tools, materials, machinery, &c., in cases where the Tender Board has approved of the purchase after three or more quotations where practicable have been obtained.
- (h) All purchases or transfer of properties between departments.

Notwithstanding anything contained in the Stores and Transport Regulations, the approval of the Tender Board must be obtained when purchases of a recurring nature are made and the total thereof exceeds £5 in value.

This regulation shall also apply to purchases of stores and materials purchased by the Public Works Department for Unemployment Relief works, the cost of which exceeds £50 in value.

31. Accounts for expenditure for the several Departments and Services shall be certified by the officers permanently or temporarily holding any position which shall, from time to time, be approved as that of a certifying officer by the Governor in Council on the recommendation of the Treasurer.

The officer so certifying must, in each instance, state the capacity in which he certifies, and if occupying the position in an acting capacity only, must prefix the word "Acting."

32. No expenditure shall be incurred by any Royal Commission or Board of Inquiry until the maximum expenditure to be incurred in connexion therewith has

been fixed by the Legislative Assembly, if Parliament be in session, or sanctioned by the Governor in Council if Parliament be not in session. The amount so authorized shall not be exceeded except upon a resolution of the Legislative Assembly, or, if Parliament be not in session, until an Order in Council approving of such increase has been obtained. Every Order in Council fixing or increasing expenditure shall be gazetted within fourteen days of the making thereof, and shall be laid upon the table of the Legislative Assembly within fourteen days of its next meeting. The Treasurer and the Auditor-General shall be specially advised of the maximum expenditure authorized to be incurred by any Royal Commission or Board of Inquiry.

PAYMENT OF ACCOUNTS.

33. (a) Claims against the Public Account will be paid by the Paymaster, Melbourne, through the post or on application by the payee and, in certain cases by Heads of Departments or other officers, from advances to be made to them as hereinafter provided.

(b) All cheques drawn on the Public Account or on any Departmental Account and transmitted through the post to payees shall be made payable to order and crossed "Not Negotiable," and in cases other than where payment is made through the post, the cheques must be similarly made payable to order and crossed "Not Negotiable" wherever practicable.

34. Accounts for payment by the Treasury shall be forwarded by the proper officer direct to the Treasury, and shall in no circumstances be handed to the claimant for presentation or transmission.

35. When a Department has for payment four or more accounts wholly chargeable to one appropriation, such accounts shall be listed in duplicate on a Schedule in the Form **E** and forwarded to the Treasury for payment. Schedules shall be prepared in accordance with instructions which may be issued from time to time by the Treasury.

36. The actual payment of an account and the signature to the acquittance (when required) shall be verified, whenever practicable, by the signature of a witness other than the payer; the "mark" of a person unable to write shall invariably be so verified, such verification not to be by the certifying officer.

37. Payment to others than principals may be made:—

(a) To holders of the Form **H** annexed, or the Form **Hc** annexed, signed by the person who signed the certified account as claimant, and such order shall be attached to the account before payment, but no such payment shall be made by the Paymaster or payer to himself.

Orders on these forms will only be recognized if made out for the full amount of the account or accounts submitted by the claimant for payment, unless an equitable assignment has been made by the claimant for portion of the claim. Where any doubt arises as to whether a document or associated documents constitute an assignment the matter must be referred to the Crown Solicitor for his decision.

Nevertheless payment of salaries, wages, and fixed allowances may not be made to others than principals, except when the acquittance of the principal cannot be obtained, owing to his absence on leave or through sickness, or some other unavoidable cause. In every such case the order for payment to the agent must be initialed by the Head of the Branch or Department to which the officer signing it is attached; but this Regulation is not to apply to orders which may be given by—

(1) Officers of the various State Departments in connexion with the payment of salaries and allowances provided that an Order in the Form **Hb** annexed is given to an officer authorized by the Head of the Department concerned. In all such cases payment must be made by "Not Negotiable" cheque.

- (b) To holders of Form **Ha** annexed hereto in connexion with the payment of salaries, wages, and allowances of employees of the Railways Department who are absent on leave or on duty or who have left the service.
- (c) To holders of Form **Hd** annexed in connexion with the payment by the Paying Officer of Pensions at the State Treasury, Melbourne, of pensions and superannuation allowances.
- (d) To holders of a power of attorney, on production of the power or a copy certified by the Registrar-General, and, after registration of the same, by the Department concerned, by the Treasury and by the Auditor-General. This regulation is not to apply in cases of refunds where the Commissioner of Taxes has certified that the amount is legally payable to the Attorney, or to accounts on which the Master in Equity, the Curator of Estates of Deceased Persons, or the Crown Solicitor has certified that the amount is legally payable to the Attorney.
- (e) To executors and administrators, on production of probate of will or letters of administration, and after registration of the documents as in the case of powers of attorney. This Regulation is not to apply in cases of refunds where the Commissioner of Taxes has certified that the amount is legally payable to the executor or administrator, or to accounts where the Curator of Estates of Deceased Persons, the Crown Solicitor, or the Master in Equity has certified that the amount is legally payable to the executor or administrator.
- (f) Upon such other conditions as the Treasurer or on his behalf the Director of Finance the Accountant to the Treasury or the Chief Clerk may in each case sanction in writing.

The powers conferred on the Treasurer by this clause may be exercised by the Comptroller of Accounts, or the Assistant Comptroller of Accounts, Railways Department, so far as they relate to the payment of balances of salaries or wages due to officers and employees of that Department.

38. When payment is made to liquidators under the Companies Act, trustees under the Bankruptcy Act, or to other persons appointed by Statute to control the affairs of the principal, a reference to the appointment shall be made on the account.

39. Every Paymaster or other officer, before making payment under any of the instruments named, shall satisfy himself as to the identity of the person claiming thereunder, and, in the case of a power of attorney, that it has not been revoked; and before making the first payment to a claimant under power of attorney, probate of will, or letters of administration, shall record the documents, state on the documents that they have been exhibited and noted, and obtain and witness the signature of the claimant.

40. Heads of Departments, Accountants, and other officers in the Government service shall not, without the special permission of the Minister, act as agents or attorneys for the receipt of moneys due for services rendered for their respective Departments. This Regulation does not apply in cases where Order Form **Ha** is given by officers of the Railways Department in connexion with the payment of their salaries, wages, and allowances, or in departments where moneys are collected in or towards satisfaction of accounts due by the claimant to the Consolidated Revenue or to other funds under the control of the Treasurer.

41. An "Advice to Payee" in the Form **Y** annexed must accompany each claim rendered on a "Postal Payment" account form transmitted by the Departments to the Treasury for payment. Particulars of the services for which payment is being made must be shown on the Advice, in sufficient detail, to clearly identify the payment. Where the amount of the claim has been altered particulars of such alteration are to be shown on the Advice to Payee unless the claimant has been otherwise notified.

ADVANCES.

42. Heads of Departments and other officers authorized by the Minister of the Department concerned may be supplied by the Treasurer in the manner hereinafter mentioned with funds by way of advances to enable them to defray salaries, allowances, wages, departmental contingencies, and other expenditure which it may be deemed desirable to defray from such funds.

Salaries, wages, &c. (except those of His Excellency the Governor and His Majesty's Ministers) shall be paid fortnightly. In all Departments other than the Railways Department and the State Coal Mine (except in the case of the administrative staff) the day of payment shall, where practicable, be the second Friday in the fortnight, and the period for which payment is to be made shall be inclusive of the following Saturday. In the case of the Railways Department, salaries, wages, &c., shall be paid on each alternate Thursday or such other day subsequent to the end of the pay period as the Commissioners approve, and the amount of each payment shall, except in the case of officers or employees of the Railways Department who are granted leave, be for the period ending on the previous Saturday. The day of payment of employees, other than the administrative staff, of the State Coal Mine shall, wherever practicable, be the second Friday in the fortnight, and the amount of each payment shall be for the period ending on the Wednesday week prior to the date of payment. For the purpose of this clause the Railways Department shall not include the Railway Construction Branch.

Should a public holiday fall on a fixed pay day payment shall be made upon the last preceding day upon which the Government offices are open for business. Payment of salary, &c., which would ordinarily be made during the period of his absence may, however, be made to any officer, who has been granted leave of absence, on the last day of his attendance on duty prior to commencing his leave. In the case of the Railways Department the payment of salary, wages, &c., may be made to any officer or employee who has been granted leave of absence, on the last day of his attendance on duty prior to commencing his leave, for the period he is to be on annual leave.

Where wages are payable at an hourly, daily, or weekly rate, they may be paid, as the Head of the Department directs, either weekly or fortnightly on the last working day of the term.

As regards the Railways Department, the amount of the fortnightly or other periodical payment shall in every case be ascertained by multiplying the annual rate of salary by the number of days to be paid for and dividing the result by the number of days (excluding Sundays) in the financial year (i.e., 312, 313, or 314, as the case may be). Wherever it becomes necessary to calculate a daily or hourly rate the daily rate shall be ascertained by dividing the annual salary by the number of week days in the financial year and the hourly rate by dividing twelve times the daily rate by the number of the ordinary hours of duty per fortnight. The first and last days of all periods shall be included.

Variations of the provisions of this section can be made only with the approval of the Treasurer.

43. Fortnightly rates of payment other than those of the Railways Department shall be determined by multiplying the annual rates of salary by 14 and dividing the results by 365½, and in broken periods each day's pay shall be one-fourteenth of a fortnight's pay.

Daily wages, except where payment is to be made for working days, are to be calculated at per week of seven days.

44. At the commencement of the financial year, or earlier, if funds are legally available, schedules in the Form **LL** annexed, and under the signature of the responsible Minister, shall be transmitted to the Treasurer, setting forth the amount required by each Head of Department or other duly authorized officer as an "Annual Advance"; and the amount may, with the consent of the Treasurer, be advanced to the officer authorized to receive the same.

45. If the exigencies of the service demand it, special advances may be made, with the consent of the Treasurer, upon an application approved by the responsible Minister in the Form **L1a** annexed. Such application shall specify the name of the officer who is to be entrusted with the advance, and the special grounds upon which the application is made.

46. Officers who receive annual or special advances shall, in order to maintain themselves in funds for the purposes of their respective Departments or services during the financial year, apply to the Treasurer, as often as may be necessary, for a reimbursement of the amount paid out of such advances; but no account shall be withheld from the Treasury for a longer period than one month after payment, except in cases where it is impossible to obtain the necessary vouchers for reimbursement within that time. The application for reimbursement shall be made in the Form **Lb 1** annexed, and shall be accompanied by vouchers for the payments made, completed in every respect in accordance with these Regulations.

47. When moneys have been withdrawn for the payment of services, and have remained unclaimed for seven days, they shall be immediately repaid to the credit of the Departmental Advance Account at the Bank, and the voucher reduced accordingly, with an endorsement setting out full particulars of the repayment. The maximum period prescribed by clause 46 for withholding vouchers from the Treasury should not be exceeded under any circumstances.

48. With the prior approval of the Treasurer, accounts for less than £1 may be paid from advances on the **L2a** Form by non-negotiable cheque, on the certificate of the officer authorized to operate the Advance Account. All such approvals shall be notified by the Treasurer to the Auditor-General.

49. Advances shall be adjusted by transmitting, under Form **Lc** annexed, to the Treasury vouchers completed in every respect in accordance with these Regulations, and by repaying the amount unexpended (if any) into the Treasury. Special advances shall be adjusted on or before the date mentioned in the applications upon which they are made; and annual advances within fourteen days after the close of the financial year, or earlier if required.

50. No officer shall use his advance for the payment of any service other than that for which the advance has been made without the special authority of the Treasurer.

VII.—PREPARATION OF ACCOUNTS.

51. The forms of accounts to be used shall be those herein prescribed or forms to the like effect, and any forms of account at present employed which are not inconsistent with these Regulations. No alteration in any such form of account shall be made without the consent of the Treasurer, and every alteration approved by the Treasurer shall be notified by him to the Auditor-General.

52. No forms of account except those printed at the Government Printing Office shall be used for claims on the Public Account.

53. (a) Accounts submitted must be on the prescribed forms, and the writing thereon must be in ink. Accounts must be duly vouched and not be vitiated by erasures, interlineations, or in any other manner. Material alterations must be initialed by the Certifying Officer. In the case of the Railways Department, alterations may be initialed by either the Certifying Officer or the Accounting Officer.

(b) The particulars inserted in the body of an account must be sufficient to fully support the payment, and to indicate the proper funds chargeable with the expenditure. The exact dates or periods of service, and particulars of services and rates thereof, must be set forth in such a manner as will permit of the calculations being readily checked.

(c) Except as otherwise provided in clause 53 (d), each account must be signed by the proper claimant or by an agent acting under power of attorney or by an employee duly authorized on his behalf. In the cases of public institutions and bodies,

companies registered under the Companies Act, partnerships, firms registered under the Business Names Act, Municipalities, and corporate bodies generally, accounts may be signed by an officer or employee on behalf of such institutions, bodies, &c.

(d) In the following cases it will not be necessary for accounts to be signed by or on behalf of claimants:—

- (1) Payments to the Commonwealth Government and to the Governments of the States of the Commonwealth, Municipalities, and Statutory Bodies.
- 2) Where the claim is supported by a printed form of invoice or statement of account, such document to be attached to the prescribed form.
- (3) Claims of a recurring nature for stores and materials in respect of the Railways Department.
- (4) In such other cases as the Treasurer approves.

(e) The mark of a claimant unable to write must be properly vouched in the manner prescribed by clause 36 of these Regulations.

(f) The name and address of the claimant must be written legibly in the proper place on accounts. Departmental and sub-departmental accounts, however, must be made out in the name of the Department or sub-Department concerned, and not in the name of an officer.

(g) The financial year, Department, Head of Service, Vote, Appropriation, or fund to be charged must be inserted in the places provided on accounts.

(h) The amount of an account must be written in words at length opposite to the total, and any blank space between the words must be filled in by drawing a line across it.

(i) In all cases where expenditure has been incurred under gazetted contracts, approved requisition, agreement, or other authority, reference to such authority must be made on the account.

54. Accounts for service of a year prior to the current financial year, when to be charged to a vote of the current year for a similar service, shall bear an endorsement by the certifying officer of the circumstances which have occasioned the delay in rendering the accounts. As regards accounts of the Railways Department, the endorsement shall be made by the certifying officer or the accounting officer concerned.

55. Every account passed for payment which is defective in any material particulars shall be accompanied by a statement of the grounds on which credit is claimed for the amount represented by such defective account.

56. Duplicate accounts must not be prepared, except when the original account has been lost or destroyed.

In case it shall become necessary to certify a "duplicate" account, the certifying officer shall explain on the back thereof the reason of the non-production of the original, and shall certify, after due inquiry, that the claim has not been paid or *passed for payment*. Such duplicate account shall have the words "duplicate, see endorsement" written in red ink or legibly stamped across the face of it.

57. Accounts for salaries, wages, &c., shall be prepared in the following form or forms to the like effect:—

For single salaries, &c., on Form **L 1a** or **LL 1a** annexed hereto.

For salaries, &c., of two or more persons, except as hereinafter provided, on Form **L 1** or Form **L 1c** annexed hereto.

For salaries, &c., of officers or employees of the Railways Department, on Form **L 1b** or **LL 1b** annexed hereto.

For salaries, &c., of employees of the Government Printing Office, Mental Hygiene, and Penal Departments, General Division, on Form **L 1c** or Form **L 1d** annexed hereto.

For salaries, &c., of officers, of the Taxation Office, on Form **L 1f** annexed hereto.

Accounts for contingencies shall be prepared on Form **L 2** or Form **L 2a** annexed hereto.

Accounts for Police salaries and allowances shall be prepared on Form **L 1g** annexed hereto.

For salaries, &c., of officers of State Coal Mine on Form **L 1h** annexed.

58. With the view of diminishing the number of accounts, Government officers having claims for salaries and allowances which relate to one Department and are due at the same time, may include such claims in one account provided that the items in the account are classified in accordance with the terms of appropriation funds or accounts to which the claims are severally chargeable.

59. When two or more accounts are rendered to a Department by the same claimant for payment by the Treasury Pay Office they are to be summarized upon one Form **L 2a**, so as to admit of one posting and of one cheque being drawn; the summary to show the charges under respective heads, and to be signed by the certifying officer, who will also certify the original accounts, which are to be attached, and to have the words "Sub-voucher" stamped or printed in block letters obliquely across the space provided for the paying officer's certificate or acquittance of payee.

60. Petty expenditure not requiring minute description, such as car hire, railway or tram fare, &c., should, as far as practicable, be included in one account in the Form **L 4** annexed; and when not exceeding Five shillings in any one payment, may be passed upon the certificate of the Head of the Branch or Department or other responsible officer without further acquittance. Petty expenditure should, for the purposes of this clause, be limited to amounts less than £1.

61. Accounts for refunds from revenue other than those in respect of Land Tax, Income Tax, Unemployment Relief Tax, Special Tax, and State Accident Assurance Refunds shall be prepared upon the Form **L 5** or **L 5a** annexed, and the directions given on the form are to be strictly followed. Accounts for payments from the Trust Funds must give reference to the credit, and shall be in such form as the Treasurer shall direct.

62. Accounts for pension, under the South Africa Contingents Pensions Acts No. 1997, shall be prepared upon Forms **L 8** or **L 9** whichever is applicable.

63. Officers are **STRICTLY FORBIDDEN** to obtain signatures to blank forms of account, or to orders for payment, or to acquittances which are not duly and properly filled in. Accounts claiming instalment of grant in aid of charitable institutions or free libraries may, however, be rendered by the institutions with the amounts left blank.

64. It will not be necessary for accounts to be submitted for pensions other than those under Act No. 1997. Such payments will be made fortnightly by means of "not negotiable" cheques, payable to the order of the persons concerned, and a certificate signed by the paying officer and countersigned by another officer on a schedule of such payments that "not negotiable" cheques have been forwarded to the persons shown therein shall be sufficient receipt for the payment thereof. The paying officer shall obtain the paid cheques from the bank and compare the endorsements thereon with specimen signatures in his office.

In such other cases as the Treasurer approves payment may be made without requiring accounts to be submitted by claimants, and in such cases the afore-mentioned provisions relating to pensions with any necessary adaptations shall also apply.

VIII.—BOOKS.

65. The forms of books to be used shall be those herein prescribed or books to the like effect, and any forms of books at present employed which are not inconsistent with these Regulations. No alteration in any such forms of books shall be made without the consent of the Treasurer, and every alteration approved by the Treasurer shall be notified by him to the Auditor-General.

66. The account books and forms of account for the service generally shall harmonize with and be considered subsidiary to the system of Treasury accounts; and with the view of securing this uniformity, the Accountant to the Treasury shall from time to time inspect, or cause to be inspected, the account books and forms of the various branches of the service and report to the Treasurer the result of such inspection.

67. Every Collector of Imposts shall keep a Collector's Cash Book in the Form **N** annexed, in which he shall enter the amount of his collections daily, and also the periodical disposal thereof.

68. Every Receiver of Revenue shall keep a Receiver's Cash Book in the Form **O** annexed, in which he shall enter daily on the one side the total amount received by him from each collector, and the total amount of his own collections, and on the other the disposal thereof.

69. The Receiver of Revenue at Melbourne shall keep a list of all Collectors of Imposts whose collections shall have been made payable into his hands, and shall report to the Treasurer every case in which any such collector fails, within three days (or in the case of city and suburban collections within one day) after the date appointed for the payment of his collections, either to pay over his collections or to transmit his revenue statement. Upon subsequent receipt of collections or statement, the Receiver shall report the fact by letter to the Treasurer.

70. The Receiver and Paymaster, Melbourne, shall keep the following books, namely:—

- (a) A Register of all orders on the Public Account which may be transmitted to him under section 34 of Audit Act, and of the cheques paid under such orders; and such book shall be in the Form **P** annexed.
- (b) A Register of accounts, in which he shall enter all accounts which he certifies for refunds either from revenue or trust funds, and such register shall be in the Form **Q** annexed.
- (c) A Register for recording powers of Attorney, probates, and letters of administration under which claims are made upon the Treasury, or upon which deeds are delivered.

71. Every person entrusted with the disbursement of public moneys shall keep a Cash Book in Form **S** annexed, in which shall be entered all cash transactions in connexion therewith, and each head of a Department will cause such records to be kept as will provide an adequate safeguard against a double payment for the same services being made.

72. Refund Accounts must not be certified to unless the amount has been marked off against the original entry in the cash book.

73. Each head of Department shall cause to be kept clear and accurate records of expenditure out of each item of appropriation or funds placed under his control, and such records are to be reconciled at least once a quarter with the Treasury records, also a register of all salaries, wages, and allowances of his Department in the Form **T** annexed, or other suitable form approved of by the Treasurer; and an alphabetical register in the Form **U** annexed, for the entry and course of every official account relating either to revenue or expenditure.

IX.—MISCELLANEOUS.

74. When any officer in the Government service has sold or disposed of, or has been directed to sell or dispose of, any public property, the responsible Minister shall notify, in the Form **K** annexed, to the Auditor-General full particulars of the property sold or to be sold.

The provisions of this clause shall not apply to the—

- (a) Forests Commission or any officer thereof.
- (b) Railways Commissioners or any employees thereof.

75. When the Permanent Head of a Department inflicts a fine on an officer, a report thereof shall forthwith be made to the Treasurer, in order that arrangements may be made for the necessary deduction from the officer's salary, as provided in section 179 of the *Public Service Act* 1928. A copy of such report shall be forwarded forthwith to the Auditor-General.

76. Special instructions will be given by the Treasurer to all officers who may be entrusted with special duties in respect of which the Regulations herein contained may be insufficient or inapplicable.

77. Officers are required to acquaint themselves with these Regulations. Heads of various Branches and Departments are directed to send in requisitions for copies of these Regulations for the use of the officers under their control.

78. Not later *than the tenth* of each month a return in the Form **X** annexed, containing full particulars of all sick leave of absence (and other leave of absence where salary is affected), granted to officers (except teachers attached to the Department of Public Instruction) during the previous month shall be forwarded by the head of the Department concerned to the Auditor-General.

X JOURNAL ENTRIES.

79. Accounts due by one Department to another shall be prepared on the Form **J** annexed.

No alteration in any such form shall be made without the consent of the Director of Finance.

L 2 or **L 2a** Forms must not be used for Journal Entries.

80. Clause 53 of these Regulations regarding the preparation of accounts shall, wherever practicable, apply to Journal Entries.

81. Crediting Departments when forwarding Journal Entries to other Departments must see that they are returned duly debited within a reasonable time.

82. Debit and Credit entries of a similar nature are to be summarized so as to obviate unnecessary postings in the Treasury.

83. Crediting Departments, before forwarding entries to the Treasury, must endorse thereon that credit has been noted.

XI CONTRACTORS SECURITIES, ETC.

84. Securities, as under, to be negotiable by the Department concerned, may be accepted in connexion with contractors deposits, guarantees, &c.—

Bank Fixed deposit Receipts.

Bank Guarantees.

State Savings Bank Pass Books.

Commonwealth Savings Bank Pass Books.

Commonwealth Treasury Bonds.

And such other securities as the Director of Finance may, in writing, approve.

85. All securities lodged with a Department in connexion with the performance of a contract or as a guarantee, &c., shall be immediately deposited with the Receiver and Paymaster, who shall keep a register of such securities at the Treasury, Melbourne.

A list of such securities shall be prepared in triplicate, on Form **Va** annexed. Two copies shall accompany the securities lodged at the Treasury, and one copy shall, at the same time, be forwarded to the Auditor-General. The Receiver shall acknowledge receipt of the securities on the forms received by him, one copy to be forwarded to the Auditor-General and one to be returned to the Department.

86. Application for return of securities must be made on Form **Vb** annexed, and vouchers forwarded to the Auditor-General monthly.

The return of securities to claimants resident outside the State of Victoria shall be made in such manner as is authorized, in writing, by the Director of Finance. Such authorization shall be forwarded to the Auditor-General.

87. When it is desired to withdraw securities from the Treasury for renewal purposes an application signed by the certifying officer of the Department shall be made to the Receiver and Paymaster.

Advice of such withdrawal shall be promptly furnished to the Auditor-General by the Department concerned.

When renewed the security shall be lodged with the Receiver and Paymaster as provided in clause 85, and a reference made on the form that such lodgment is a renewal.

88. The provisions of clauses 84 to 87 inclusive shall not apply to the Railways Department.
