Mines Act 1928.

REGULATIONS FOR GRANTING CERTIFICATES TO MINING ENGINE DRIVERS.

CERTIFICATES OF COMPETENCY.

1. The certificates of competency to be issued by the Board of Examiners shall be of three classes, viz., first, second, and third.

- (a) A first class certificate may be issued for any one or more of the following forms of motive power, viz., steam, air, water, gas, oil, or electricity, and shall entitle the holder thereof to drive any engine operated by the motive power specified therein and used for mining purposes. A first class certificate may be qualified as provided in clause 2.

- (c) A third class certificate shall entitle the holder thereof to drive any steam engine not being a steam winding engine used for mining purposes, the cylinder of which does not exceed 12 inches in diameter, or which is a double-cylinder engine, with cylinders of a combined area not exceeding that of a single cylinder of not more than 12 inches in diameter, unless the certificate be qualified as provided for in clause 2.

2. Where the applicant has had experience on only one engine or type of engine, the Board may grant a conditional certificate for that engine or type of engine only.

GENERAL REQUIREMENTS TO BE COMPLIED WITH BY ALL APPLICANTS FOR CERTIFICATES OF COMPETENCY.

Such notice shall be given not less than fourteen clear days prior to the date of examination. The notice shall be accompanied by cash, post office order, or postal notes to the amount or value of 10s., together with the documentary evidence of experience required by these Regulations.

Should the applicant pass the prescribed examination, the deposit shall, in each instance, go towards payment of the fee for certificate. In the event, however, of the failure of the candidate to pass the examination or to attend the examination when notified, without a reason satisfactory to the Board, such amount shall be forfeited to the consolidated revenue.

No certificate shall be issued until full payment of the fee required has been made to the Secretary for Mines.
