In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miner's rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1928* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1928* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

20. The licensee shall pay shire rates and all other charges for the period of occupation.

SPECIAL CONDITIONS.

2. The rent for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or he may arrange with the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1928*.

This does not apply to cases where the land was the subject to an expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1928*, provides—

1. Where a licensee under section 121 of the *Land Act 1928* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

(4) OVERTIME.—All time worked before or after the usual times of beginning and ending work, or in excess of nine hours per day, shall be paid for at the rate of time and one half for the first four hours and double time thereafter, provided that all time worked between the hours of 9 p.m. and 7.30 a.m. shall be paid for at double time.

All work done outside the times of beginning and ending work on any holiday specified in clause (12) shall be paid for at the rate of double ordinary time.

No person under the age of seventeen years shall be permitted to work more than four hours' overtime in any week.

(5) TEA MONEY.—All employees required to work beyond the usual time of ending work shall be allowed 2s. tea money in addition to overtime rates as prescribed for in this Determination when the usual time of ending work is exceeded by two hours.

(6) TERMS OF ENGAGEMENT.—Except as herein in this Determination provided, all employees shall be employed by the week. Employees to become entitled to the weekly wage prescribed by this Determination must be available and ready and willing to perform such work as the employer shall from time to time require on the days and during the hours usually worked by the class of employees affected. Where the majority of the employees of any establishment or of any department of such establishment agree to work part time for any period or to close down for any period on days other than the prescribed holidays, the provisions of the weekly wage shall not apply to any employee of such establishment or department during such periods.

Employment for the first two weeks of service at any time shall be from hour to hour at the weekly rate fixed.

(7) TERMINATING EMPLOYMENT.—Employment to be terminated only by a week's notice on either side, and such notice may be given at any time during the week. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, or to deduct payment for any time the employee cannot be usefully employed because of any strike, or through any breakdown of machinery, or any stoppage of work by any cause for which the employer cannot reasonably be held responsible.

An employer shall not terminate the employment of an employee for the purpose of evading payment for the holidays prescribed by this Determination.

Where an employee is dismissed within seven days prior to any such holiday the re-engagement of such employee within seven days after such holiday shall be prima facie evidence that the employment was terminated for the purpose of evading payment for such holiday.

Where the employer terminates the employment within one week of a day on which a holiday occurs, the employee shall be paid for such holiday or holidays prescribed by this Determination, provided that such employee has been employed by the employer for a period of at least one week prior to the termination of the employment.

Should an employee be dismissed during the course of a week, any wages due to him shall be paid to him forthwith or shall be posted to him within 24 hours.

(8) SPECIAL RATES FOR SUNDAYS AND HOLIDAYS.—Any employee who is employed on any holiday specified in clause (12) shall be paid for at the rate of the ordinary time in addition to the usual rate.

All work done on Sundays shall be paid for at the rate of double time.

(9) MIDDAY MEAL.—An interval of not less than 30 minutes shall be allowed for the midday meal between the hours of 12 noon and 2 p.m.

(10) MATERIALS TO BE PROVIDED.—Any person employed in wholly or partly preparing or manufacturing any article of furniture or in preparing any new or second-hand article of furniture shall be paid 8d. per hour in addition to the lowest rate fixed by this Determination, unless the following are provided by the employer if required in the performance of the work:—Benches, wood or iron clamps over 2 ft. 6 in., hand screws (in excess of four), glue pots, and glue brushes and varnish brushes. Any employee engaged at french polishing shall be supplied with all materials, including rags, brushes, and kit-box.

(11) ALLOWANCES FOR TRAVELLING TIME AND BOARD.—All time reasonably occupied by an employee in travelling to or from work outside the factory and outside ordinary hours and in travelling to and from work in a country district if engaged in the Metropolitan District for employment in a country district shall be treated as time of duty and paid for at ordinary rates up to a maximum of eight hours for the journey, except on Sundays, when time and a half rates shall be paid up to a maximum of eight hours for the journey. Provided that, where an employee proceeds direct from his home to a job outside the factory, he shall be paid for all time reasonably occupied in travelling to the job in excess of the time usually taken to go from his home to the factory.

All fares and reasonable travelling expenses incurred by an employee in such travelling, including the cost, if any, incurred for meals—together with the reasonable cost of board and lodging if the employee has to be away from his home for a night—shall be paid to the employee.

The fares allowed shall be first class where the employee has to travel all night in connexion with his employer's business and in other cases the fares shall be second class.

The foregoing travelling and accommodation allowances shall be paid additional to the usual rates for the time employees are working.

When it is more convenient for the employee to go direct to the job from his home he shall do so, and start and cease work at the usual times customary at the factory, provided that any extra expense incurred by him in travelling shall be borne by the employer.

(12) HOLIDAYS.—All weekly wage employees shall be granted the following holidays without deduction of pay:—The days observed as New Year's Day, Australia Day (26th January), Good Friday, Easter Monday, Labour Day, Anzac Day, King's Birthday, Christmas Day, and Boxing Day.

All employees working on piece-work or task-work shall be granted the same holidays as are granted to weekly wage workers, and they shall, subject as hereinafter provided, be paid for such holidays the amount for each holiday based on the minimum weekly wage as set out in this Determination for the class of work performed.

If any of the above holidays occur on a Sunday or Saturday and are not observed on any other day, then employees shall not be paid for such Sunday, and shall be paid for such Saturday as for a half day, but not otherwise.

All other weekly employees shall be paid for the above holidays an amount for each holiday based on the actual weekly wages paid to them by the employer.

Any employee absenting himself from work on any portion of the working day preceding a holiday provided for herein other than Boxing Day and New Year's Day without permission from the employer, or without having reasonable cause for having absented himself from work, shall not be entitled to payment for such holiday.

(13) SICKNESS, ACCIDENTS.—Any employee not attending duty shall lose his pay for the actual time of non-attendance unless he produces or forwards within 24 hours of the beginning of his absence evidence satisfactory to the management that his non-attendance was due to personal accident arising out of or in the course of his employment or to personal ill health sufficient to incapacitate him for his usual work.

An employee shall not be entitled to payment for non-attendance on the ground of accident or ill health for more than six days in each year.

For the purpose of this clause a year shall mean a period of twelve months commencing on the 17th day of August in each year.

(14) PAY DAY.—All employees shall be paid weekly on any other day than Saturday.

No employer shall hold more than two days pay in hand.

Any employee kept waiting for his pay on pay day for more than a quarter of an hour after the usual time for ceasing work shall be paid overtime rates after that quarter of an hour and as for a quarter of an hour at least.

(15) PRICE WORK.—The employer may fix his own piece-work prices or task rates, provided such prices or rates enable an employee of average capacity working under like conditions to earn at least 10 per cent. more than the minimum weekly wage prescribed for the class of work performed. The same piece-work prices shall be paid to all piece-workers doing the same operation in the factory, whether they be apprentices or improvers on piece-work, or otherwise.

All piece-workers who are available and ready and willing to work during the ordinary working hours shall be paid in each week, not less than 69s.
