On or before 31st August, 1938—

(b) By every person domiciled in Victoria (other than a company) whose gross income from all sources, both in and out of Victoria, derived wholly or partly from a source which is a business in the ordinary acceptance of that term, including a professional business, was not less than £100.

- Notification that stripping operations have been commenced must be forwarded, in writing, to the officer in charge within 48 hours from date thereof.
- Offers must be at a price per ton, irrespective of the species of wattle, and the bark must be weighed at the weighbridge named in each case, or at a weighbridge approved by the officer in charge, and at the expense of the licensee. Duplicate weighbridge tickets must be provided, and, if so directed by him, the bark must be weighed in the presence of the officer in charge.
- Satisfactory arrangements must be made with the Commission for payment of royalty prior to removal of the bark.

- All stripping must cease by 31st March following the date of signing this contract, and all bark, stripped or otherwise, remaining on the area after that date shall become the property of the Crown.
