25. *Motions to be Moved in Order.*—Except by leave of the Commissioners, motions shall be moved in the order in which they have been received and recorded by the Trust secretary in the notice of motion book, and if not so moved or postponed, shall be struck out.

26. *Motions not to be Proceeded with in the Absence of the Mover.*—No motion entered in the notice of motion book shall be proceeded with in the absence of the Commissioner who gave notice of the same, unless by some other Commissioner producing written authority from him to that effect.

32. *Mover and Not the Seconder held to have Spoken.*—A Commissioner moving a motion shall be held to have spoken thereon; but a Commissioner merely seconding a motion shall not be held to have spoken upon it.

33. *Motions to be in Writing.*—At every meeting of the Commissioners, all motions, whether original motions or amendments, shall, if required by the chairman, be reduced to writing, signed by the mover, and be delivered to the chairman immediately on their being moved and seconded.

34. *Amendments re Motion in Writing.*—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

35. *Amendment to Become the Question.*—If an amendment be carried, the question or amendment as amended shall become itself the question, whereupon any further amendment upon any portion of the question coming after such first-mentioned amendment may be moved.

36. *Second Amendment May be Moved.*—If an amendment be negatived, then a second may be moved to the question to which the first-mentioned amendment was moved, but only one amendment shall be submitted to the Commissioners for discussion at one time.

38. *Adjournment, Motion for.*—No discussion shall be allowed on any motion for adjournment of the Commissioners, but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice-paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment be made.

39. *Protest, Commissioners May.*—Any Commissioner may protest against any resolution of the Commissioners, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against, and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Commissioners by the protesting Commissioner in a book to be kept for that purpose in the Trust secretary's office, and signed by such Commissioner, and shall also be entered in the minutes of the meeting at which notice of intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Commissioners to be not in accordance with truth or in its terms disrespectful to the Commissioners.

40. *Legal Questions.*—If a debate or any motion moved and seconded be interrupted by the number of Commissioners present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted on motion upon notice.

41. *Order of the Day to be Restored.*—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-book for a future day, on motion upon notice; and then such debate may be resumed at the point where it was so interrupted.

42. *Voting.*—Whenever a division shall be demanded by any Commissioner, those voting in the affirmative shall first hold up their hands, and then those voting in the negative shall hold up their hands, and the result be declared by the chairman. PROOF OF FITNESS TO BE GIVEN.

(22) Before any such licence shall be granted by the Trust, the person applying for same shall satisfy the Trust that he is a competent plumber, and that he is thoroughly conversant with the provisions of the By-laws of the Trust relating to water supply, and with the Water Acts so far as they apply to town supplies. The Trust may, if it so sees fit, refuse to grant such licence.

PLUMBERS TO REPORT.

(23) Each licensed plumber shall report to the Trust Secretary the completion of any new work, extensions, or repairs in connexion with any service within twenty-four hours of effecting same.

(25) If any meter in use ceases registering, or be reported by a duly authorized officer of the Trust as out of repair, or registering inaccurately, the Trust will estimate and charge for the water consumed during the period such meter was not in working order, and until it is repaired and re-fixed, either by taking an average of the quantity used during the previous quarter or during the corresponding period of the

previous year, on the basis of subsequent consumption after repairing, or the Trust may insert a check meter on the service pipe and charge upon estimates from the registering thereof. Every meter removed through being out of order must be repaired, adjusted, and submitted for test, and re-fixed with the least possible delay by a licensed plumber employed for this purpose. For any unnecessary delay in re-fixing the meter, such licensed plumber shall be guilty of an offence.

For any meter of larger size than $\frac{3}{4}$ -in., the rent per annum shall be at the rate of 10 per centum upon the cost of such meter, fixed complete.

Such rent shall be exclusive of, and in addition to, the amount of rate chargeable for the recorded consumption of water, and shall be due and must be paid half-yearly in advance on the 1st day of January and 1st day of July in each year, and first payments to be made as from the date of installation to the end of the then current half-year. (28) In the event of the hirer being dissatisfied with the registering of a meter hired from the Trust, he may, by notice in writing, require the Trust to cause such meter to be removed and tested: and, together with such notice, shall forward the sum of Ten shillings, which, if the meter be found to register correctly, shall be applied in paying the cost of the removing, testing, and replacing, and the balance, if any, shall be returned to him; but if such meter be found to fail to register, or be found to register incorrectly, it shall be repaired and replaced, or another meter shall be placed instead thereof, at the cost of the Trust, and the amount deposited by the hirer shall be returned to him. Any person so hiring a meter from the Trust who shall cease to occupy the premises on which such meter is fixed without having previously given, in writing, at least six days' notice to the Trust of his intention to do so, shall be guilty of an offence.
