Factories and Shops Acts.

DETERMINATION OF THE CEMENT ARTICLES BOARD.

Adjusted pursuant to section 21 of the Factories and Shops Act 1934 (No. 4275).

NOTE.—This Determination applies to the whole of the State of Victoria.

FRANCIS ANTHONY MARZORINI, in pursuance of the powers contained in the Factories and Shops Acts and in consequence of the provisions contained in a Determination made on the 31st March, 1938, by the Cement Articles Board, and published in the Government Gazette on the 12th April, 1938, hereby issue an adjusted Determination showing the adjusted wages rates to be paid, as from the beginning of the first pay period to commence in June, 1939, to any persons (other than persons under the jurisdiction of the Fibrous Plasterers Board) employed in the trade of making portable articles of cement or concrete.

- (2) ALLOWANCES.—The following allowances in addition to the rates provided in clause 1 (b) shall be paid :—
 - (a) Lumpers of coment or concrete articles (in and out of tanks) 2d. per hour in respect of such time actually spent in tanks containing water.
 - (b) For work done away from the employer's place of business-
 - (i) The fares, exceeding 3d. per day, necessarily expended in going from and to the employee's residence to and from his work.
 - (ii) For work done at a distance from the employer's place of business if the employee is unable to return to his home the same night, 6s. per day extra for the first seven days, and thereafter 30s. per week extra.
- (3) Time of Beginning and Ending Work-

Time of Beginning.

1 p.m. on Saturdays, or the day on which the half-holiday is locally observed. 7 a.m. .. 5.30 p.m. on each of the other five working days of the week. 7 a.m.

No. 100.-6064/39.

- (4) OVERTIME.—The following rates shall be paid for all work done, except where shifts are worked:—
 - (a) Outside the hours fixed as the times of beginning and ending work
 (b) Within the hours fixed as the times of beginning and ending work in excess of the maximum number of hours fixed as a week's work •• `
- (5) Shifts.—Where a person is employed on shift work outside the hours of beginning and ending work he shall for each hour while so employed be paid 1½d. an hour in addition to above rates.
- (6) TIME WAGES.—Any person employed on time wages for less than the number of hours fixed for an ordinary week's work shall be paid, for each hour worked up to 22 hours, as follows:—

and for each hour worked beyond the 22 hours aforesaid shall be paid the ordinary wages rate up to but not exceeding ordinary wages rates for an ordinary week's work.

- (7) Mixed Functions.—An employee engaged for not less than half of one day or shift on duties carrying a higher rate than his ordinary classification shall be paid the higher rate for such day or shift. If for less than half of one day or shift he shall be paid the higher rate for the time so worked.
- (8) Special Rates.—Double time shall be the rate payable for all work done on Sundays, New Year's Day, 26th January (Australia Day), Good Friday, Easter Monday, Labour Day, King's Birthday, Christmas Day, or Boxing Day; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, the special rate shall be payable only for work done on the day so substituted.
- (9) The Money.—An allowance of 2s. for tea money shall be made where work extends for more than two hours beyond the usual time of ending work provided the employer has not given notice the day before of intention to work overtime.
- (10) Tools, Boots, Etc.—The employer shall supply the employee with all requisite tools and gloves for the performance of his duties, and when the employee is called upon to work in water he shall be provided with suitable boots and waders.

F. A. MARZORINI, Secretary for Labour.

Melbourne, 15th May, 1939.
