13. *Retirement of Candidates Before Polling Day.*—If, at any election, after a poll shall have been appointed as aforesaid any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the Returning Officer, not later than four clear days before the day of polling, a notice in the form of the Fourth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the Lismore township a copy of such notice, and the Returning Officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election shall, on the day appointed for the election, declare the remaining candidates duly elected; and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and, if such papers are already printed, shall erase such name therefrom; and such person shall not be capable of being elected at such election.

14. *Polling Booth May be Hired.*—At such election the Returning Officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

15. *Returning Officer to Preside at Polling Booth.*—The Returning Officer or his deputy shall preside at the polling booth for taking the poll.

16. *Scrutineers May be Appointed.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in the polling booth, and the said Returning Officer or his deputy, and the said scrutineers, and any voters not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling booth.

17. *Pencils to be Provided.*—The Returning Officer or his deputy shall provide pencils in the polling booth for the use of the voters, and also a locked box, to be called the ballot-box,

with a cleft or opening therein capable of receiving the ballot-papers, and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked, and shall stand on a table opposite the Returning Officer or Deputy Returning Officer, who shall keep the key of such box.

18. *Mode of Voting.*—The Returning Officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of the Third Schedule hereto, and initialed by the Returning Officer; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the Returning Officer or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out, the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling booth shall be demanded and received by him at one and the same time; and no person having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

19. *Ballot-papers to be Numbered.*—Before delivering any ballot-paper to the voter, the Returning Officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll, and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

20. *Plumping Prohibited—Informal Ballot-papers.*—At every such election every voter shall strike out from the ballot-paper the names of the candidates for whom he does not desire to vote, and if he suffers to remain on the ballot-paper a greater or less number of names not struck out than the number of Commissioners to be elected the vote given on and by the ballot-paper shall be void and of no effect.

21. *What Question May be Asked.*—At any election of Commissioners the Returning Officer may, if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote the question following:—

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

22. *False Answer, Polling Twice, and Personation.*—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once, or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling booth after having received a ballot-paper without having deposited the same in the ballot-box, as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these Regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

23. *Result of Polling—How Ascertained.*—Immediately on the close of the poll, the Returning Officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such Returning Officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the Returning Officer shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll, publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected Commissioners of the Trust and if two or more candidates have received an equal number of votes, the Returning Officer shall determine by lot the candidate to hold office.

24. *Ballot-papers, How Disposed of.*—The Returning Officer shall forthwith after the declaration of the poll endorse with a description of the contents thereof, and sign the sealed parcel of ballot-papers, and forward the same to the secretary of the Trust, to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of three Commissioners of the Trust.

25. *Minister to Determine Question Arising Upon First Election.*—If any question arise as to the due election of any Commissioner at the first election, the Returning Officer shall, at the request of any voter or candidate, submit such question, in writing, to the Minister, who shall decide the same; and such decision shall be final and binding.

26. *Question Arising Upon Subsequent Election to be Determined by the Trust.*—If any question arise as to the due election of any Commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been so determined; and the majority of Commissioners whose election is not in dispute shall form a quorum.

27. *Appeal to Minister from Determination of Trust.*—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioners shall have determined the question and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just; and such determination of the Minister shall be final and binding.

28. *Failure to Elect Deemed to Create Extraordinary Vacancies.*—If at any election of Commissioners any vacancies less than the whole number which should have been filled up at such election are not filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected or appointed to fill such vacancies shall go out of office as if elected at such election.

29. *Expenses of Election to be Paid by the Trust.*—The expenses incurred by the Returning Officer, or under his direction, in connexion with any election shall be defrayed by the Trust.

ADDITIONAL REGULATIONS.

1. The Trustees may—

- (b) Make such rules governing the acceptance or removal of stock taken for grazing as may be necessary to prevent damage to the Park or to ensure that the grazing of stock will not prevent the reasonable use of the Park at all times at which it is open to the public under Regulations for the time being in force.

- (c) Lease for grazing purposes any portions of the said Park not required for the time being for recreation purposes for such periods (not exceeding three years) and upon such terms as may be deemed reasonable.

2. The Trustees may grant the Council of the Borough of Koroit the right—

- (a) To operate in so far as the said Council is empowered to do so under the Local Government Acts 1928, 1934, and 1939, or any other Acts for the time being in force, quarries or scoria pits on such land not exceeding a total surface area of 50 acres.

- (d) To permit any person or corporation to whom the Council cannot by virtue of the Local Government Acts 1928, 1934, or 1939, or any other Acts for the time being in force, sell materials from quarries or pits operated by the said Council to remove from such land under the supervision of an officer appointed for the purpose, earth, gravel, stone, scoria, or similar materials, and to charge to such persons in respect of all such materials removed a royalty of not less than Three pence per cubic yard, and such supervision charges such Council may from time to time determine upon, and to apply all such royalties to the improvement of the Park.

3. All moneys received from royalties or grazing must be paid to a "Tower Hill National Park Trust Account" and must be expended on the improvement of the Park, and all moneys received for the cost of supervision may be paid to the Municipal Fund.

4. In consideration of quarrying rights and free use of materials granted to the Council of the Borough of Koroit by these Regulations, the said Council is to bear the cost of maintaining all tracks or roads in and upon the Park, giving ingress to or egress from any portion thereof, and also to bear the cost of all office salaries or expenses or administrative charges incurred by such Council in the management of the Park.

In all cases the total cost of each item must be extended in the columns provided.

Tenders must be accompanied by the preliminary deposit, as shown above, by bank draft or marked cheque, in favour of the Secretary to the Tender Board. Cheques, Savings Bank deposit books, fixed deposit receipts, Commonwealth Treasury bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits. Preliminary deposits will be returned within ten days to unsuccessful tenderers on their application.

The amount of the preliminary deposit required with each tender must be enclosed, and the amount must be clearly written in and the designation stated, whether marked cheque or bank draft, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board or cash deposit, as the tenderer may elect.
