NURSES BOARD.

ADDITIONS AND AMENDMENTS TO THE NURSES REGULATIONS 1935.

THE Nurses Board of the State of Victoria, by virtue of the powers conferred by section 29 of the *Nurses Act* 1928, doth hereby make the following amendments and additions to the Regulations which shall come into force on 1st January, 1940, provided however that Part III., 10, shall come into force as from 1st September, 1938.

In Part I., 3, after the words "subject matter" add "After Care Hospital" means the Melbourne District Nursing Society's Hospital at Collingwood.

In Part I., 3, delete the word "Incurables" and substitute therefor "Chronic Diseases".

In Part I., 3, add after interpretation of "Intermediate Hospital" the following:—

"Part-time Training School" means any approved hospital which provides part of the course of training in accordance with the prescribed requirements.

In Part I., 3, add after interpretation of "The Regulations":—

"Royal Melbourne Hospital" means the Royal Melbourne Hospital at Melbourne.

"St. Vincent's Hospital" means St. Vincent's Hospital, Melbourne.

In Part I., 3, add after "*Nurses Act* 1931" "and the *Nurses Act* 1936".

In Part II.—

To Regulation 4, sub-section (e), after "female" add "adult and children".

In Regulation 4, repeal sub-section (g) and substitute therefor—

"(g) (1) That proper facilities are available to ensure that trainees thereat shall attend a systematic course of lectures and receive instruction from legally qualified medical practitioners, and from the Matron or other registered Nurse in accordance with the curriculum of study set forth in Part A of the Second Schedule to these Regulations and pass the necessary examinations.

(2) That all courses of lectures shall be arranged to commence as set forth in the Second Schedule hereto."

In Regulation 4, repeal sub-section (i) and substitute therefor—

“In any General Training School for Nurses—

1. Any trainee, prior to entering upon training, shall have attained the age of 17 years and shall have been personally interviewed by the Matron and selected by her after satisfying her as to his or her medical fitness.

2. The probationary period of training in the wards for any trainee shall not exceed seven months, at the end of which period the Matron shall make a recommendation to the Committee as to suitability or otherwise of such trainee.

3. Any period spent in a preliminary school by any person who subsequently becomes a trainee shall thereupon be deemed to be part of the period of training of such trainee.

4. Every trainee before commencing training shall be enrolled and the Matron shall forward a form of enrolment in Form 17 of the First Schedule and shall produce to the Board the Certificate of Education referred to in Regulation 12 hereof; and the trainee's birth certificate.”

To Regulation 4, add the following sub-section:—

“(l) That the staff shall maintain a proportion of not less than one registered Nurse for every five trainees.”

In Part II., repeal Regulation 8 and substitute therefor:—

“(8) (a) Every hospital approved as a General Training School for Nurses shall at any time upon being required to do so by notice in writing from the Board to the Committee of Management through the Matron or Secretary, or to the person in charge of such hospital, receive trainees in accordance with the methods of affiliation as set forth in Part III. of these Regulations, and shall preserve a fixed number of vacancies for trainees of an affiliated hospital.

(b) Affiliation shall be made according to a list approved from time to time.

(c) Every hospital approved as a General Training School for Nurses shall as soon as may be after the thirtieth day of June but not later than the thirty-first day of August in each year, forward a report to the Board, signed by the Matron and by the Medical Superintendent or Senior Medical Officer or Secretary, made up to the thirtieth day of June, and giving the particulars and in the form set forth in Form 2 of the First Schedule hereto.”

In Part III., Regulation 10, insert after “Nurses” “including a period not exceeding two months, served in the Preliminary School.”

Repeal Regulation 10, sub-section (1), and substitute therefor the following:—

“1. (a) In a Hospital having not less than a daily average of 40 beds occupied and approved as a General Training School for Nurses—3 years.

(b) In a Hospital having not less than a daily average of 40 occupied beds, and approved as a Part-time Training School—3 years, provided it is affiliated with a General Training School in accordance with the Board's requirements.

(c) In a Hospital having less than a daily average of 40 occupied beds and approved as a Part-time Training School—3½ years, provided it is affiliated with a General Training School in accordance with the Board's requirements.”

In Part III., repeal sub-sections II., III., IV., V., VI., VII. of Regulation 10, and substitute therefor the following:—

“Regulation 10.

Sub-section II.—In a Hospital (other than Hospitals referred to in sub-sections III., IV., V., VI., VII., VIII., IX., X., XI., XII. of this section) with a daily average of less than 40 occupied beds, approved as a Part-time Training School—

3½ years. Sub-section XI.—At a Tuberculosis Sanatorium, approved by the Board as a Part-time Training School—1 year, together with a subsequent 2½ years in a General Training School.

3 years. Sub-section XII.—Male Nursing. At a hospital or institution approved for the training of Male Nurses—not less than 3 years, or 1 year at such hospital and a subsequent 2 years in the service of the Navy, Army, or Air Force Hospitals. The curriculum of training in Male Nursing is as set forth in the Second Schedule hereto, provided, however, that Male Nurses are required to obtain experience in Male Genito-Urinary Diseases, including Venereal Diseases, and have exemption from experience in Gynaecology and Cookery."

In Regulation II., for the words "of the above-mentioned hospitals" substitute "approved hospitals", and after "Training Schools" insert "and with the approval of the Board, provided that no transfer shall be effected prior to passing the First Examination of the Board." Delete the words from and including "In such cases" to "reduce such period."

Repeal Regulation 15, and substitute therefor—

"15. Every trainee shall before the end of the first year of his or her course of training receive a course of instruction in elementary anatomy and physiology and other subjects prescribed in Part A and B of the Second Schedule hereto, and shall pass the Board's examination in those subjects. But a candidate who fails to obtain a pass in the First Professional Examination may sit for a Supplementary Examination in the subject or subjects in which he or she fails, but in the event of failure to pass in such Supplementary Examination the Board may require him or her to discontinue training."

In Regulation 16, after the words "undergone during" insert "the first year of."

PART IV.—EXAMINATIONS.

Repeal Regulation 17, sub-sections (a), (b), and (c), substitute therefor—

“17. An examination shall be held at the end of the first year, and at the completion of training.

No person shall be entitled to enter for examination at the end of the first year, unless:—

- (a) He or she has deposited with the Registrar a certificate signed by the Matron, Medical Superintendent, or other responsible officer of the institution or institutions in which his or her training or instruction was given or carried out, that he or she has completed one year of training, and that he or she has attended a course of lectures in the subjects prescribed in Regulation 13 of these Regulations for the First Professional Examination, and has undergone practical instruction in the wards in the subjects therein prescribed for that examination; such certificate shall be in the form or to the effect of Form 4 (Green), in the First Schedule hereto.
- (b) He or she has paid the prescribed fee.

17B. No person shall be eligible for the Final Examination unless:—

- (a) He or she has passed the Board's First Professional Examination.
- (b) He or she has completed the course of training for the period and in the manner prescribed in Part III. of these Regulations.
- (c) He or she has produced a certificate or certificates, signed by the Matron of the hospital or hospitals where he or she has received his or her training, that he or she has duly completed his or her course of training in accordance with these Regulations. Such certificates shall be in the form or to the effect of Form 4 (White), in the First Schedule hereto.
- (d) He or she has paid the prescribed fee.

Provided that:—

- (a) In the event of the date of completing his or her period of the course of training falling between two examinations, the Board may permit him or her to present himself or herself at the examination next preceding the date of completion of his or her period of course of training, but in that event he or she must complete his or her period of course of training and produce his or her certificate or certificates to that effect before he or she is entitled to registration; and
- (b) when a course of study approved by the Board is taken within two years next preceding the commencement of training, the Board may permit the candidate to present himself or herself for Part I. of the First Professional Examination before commencing training, or grant credit for passing an approved examination of equal standard after such a course of study, and may grant exemption from the lectures in the subjects of Part I. during training, and from any written examination in these subjects.

SUPPLEMENTARY EXAMINATION.

Candidates, who have been granted a deferred examination, shall qualify in both the written and oral or practical portion of the subject in which they failed to satisfy the examiners, and shall not be permitted to present themselves for more than one subsequent examination in that subject.”

Repeal Regulation 18, and substitute therefor:—

“18. The subjects of examination shall be—

- (a) First Professional Examination, Part I.—Elementary Anatomy and Physiology, Hygiene, which shall consist of one written paper, set and corrected by medical practitioners, who are examiners appointed by the Board.

Part II.—Junior General Nursing, which shall consist of a written, oral, and practical examination. The examiners in this part of the examination shall be registered nurses appointed by the Board.

(b) Final Examination—

- (1) General nursing.
- (2) Medical nursing.
- (3) Surgical nursing."

In Regulation 19, insert after the words "throughout the State, and" "the final examination."

Repeal Regulation 21, and substitute therefor—

"The First Professional Examination shall be held in the months of March, June, September, and December in each year, and the Final Examination shall be held in the months of March, July, and November of each year, or at such times as the Board may determine."

In Regulation 27, after the word "practical" insert "part of the final."

Part V., Regulation 33, sub-section (e)—

Insert at the commencement the words "before commencing training," and after the word "also" insert "prior to the completion of the first year of training," and at the end of sub-section add—"provided however that male nurses shall not be required to produce a certificate of efficiency in cookery."

Part VI., II., in sub-section (f)—

Substitute for the word "an" the words "the Board's first," and for the words "in Anatomy and Physiology" the words "in subjects," and for the word "eighteen" the word "twelve." Delete the words "or produce a certificate if they have already passed such examination."

Regulation 36—

Repeal Part II., sub-section (g), and substitute therefor the following:—

- "9. (1) That proper facilities are available to ensure that trainees thereat shall attend a systematic course of lectures and receive instruction from legally qualified medical practitioners, and from the Matron or other registered Nurse in accordance with the Curriculum of Study set forth in Part A of the Second Schedule to these Regulations, and pass the necessary examinations.
- (2) That all courses of lectures shall be arranged to commence as set forth in the Second Schedule hereto."

Regulation 36, Part II., in sub-section (l)—

Insert after the words "during the" the words "first year of the."

Regulation 36, Part II., repeal sub-section (j), and substitute therefor the following:—

"In any Part-time Training School for Nurses—

- (j) 1. Any trainee, prior to entering upon training, shall have attained the age of seventeen years, and shall have been personally interviewed by the Matron and selected by her after satisfying her as to his or her medical fitness.
2. The probationary period of training in the wards for any trainee shall not exceed seven months, at the end of which period the Matron shall make recommendation to the Committee as to the suitability or otherwise of such trainee.
3. Any period spent in a preliminary school by any person, who subsequently becomes a trainee, shall thereupon be deemed to be part of the period of training of such trainee.
4. Every trainee, before commencing training, shall be enrolled in Form 17 of the First Schedule, and the Matron shall forward a form of enrolment and shall produce to the Board the Certificate of Education referred to in Regulation 12 hereof; and the trainee's Birth Certificate."

Regulation 36, Part II., add to sub-section (m) the words "and shall maintain a proportion of not less than one registered nurse for every five trainees."

Add to 36, Part II., the following sub-section:—

"(n) When a Part-Time Training School is affiliated with a General Training School the trainee shall complete the first period of twelve months at the Part-time Training School and proceed to the General Training School for the prescribed period of training therein, upon completion of which he or she shall, subject to the Board's approval, serve the final period of her training at the Part-time Training School."

In the First Schedule, Form I.—In the heading omit the word "General" and insert after the word "General" "or Part-time", and after "medical" delete the word "and," and insert after "surgical" the words "and Children's". After "Daily average of Surgical cases" insert "Daily average of Children's cases."

Delete 8 and 9, and substitute therefor—

MOE WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1940.

THE Moe Waterworks Trust, in pursuance and exercise of powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes, otherwise than by measure, of Two shillings in the pound of the net annual valuation (municipal) of lands and tenements liable to be rated within the Moe Urban District.

Provided that in no case shall the amount of the rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of any land on which there is no building, less than Ten shillings.

Such rates are made, and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of January, 1940, and shall be payable on the first day of January, 1940, at the office of the said Trust.

For water supplied by the Trust for domestic as well as for other than domestic purposes by measure (except in case of special agreement with the Trust) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge at One shilling per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of Three pence per 1,000 gallons. The charge for water supplied by measure shall be payable on demand.

MOOROOPNA WATERWORKS TRUST.

RATING BY-LAW FOR 1940.

THE Commissioners of the Mooroopna Waterworks Trust, in pursuance of the powers conferred by the Water Acts, do hereby make the following By-law:—

The following are the rates and charges which the occupiers or owners of land and tenements liable to be rated within the district of the Mooroopna Waterworks Trust shall pay for water supplied by the Trust:—

1. A rate of One shilling and eleven pence in the pound on the annual municipal valuation of the said land and tenements, provided that in no case shall the amount of the rate payable be less than One pound seven shillings and six pence.

2. For water sold by meter by the Trust the sum of Nine pence halfpenny per 1,000 gallons shall be charged, except in the case of water supplied to the Mooroopna Hospital by meter, when the charge shall be Eight pence halfpenny per 1,000 gallons.

3. For every public water trough supplied by the Trust the sum of One pound per annum shall be charged.

4. The minimum quantity of water to be charged for in each case where the water is supplied by measurement shall be the quantity for which the charge of Nine pence halfpenny per 1,000 gallons would be equal to the amount of the assessed water rate if the water were supplied otherwise than by meter.

5. The above rates and charges are made for the year ending on 31st December, 1940, and the rates shall be payable in advance on the 1st day of January, 1940.

6. Such person or persons as the Mooroopna Waterworks Trust may appoint for the purpose shall be authorized to demand, collect, and receive the said rates and charges.

Dated and passed this 26th day of October, 1939.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the sixth day of November, 1939.

PRESENT:

His Excellency the Governor of Victoria.
 Sir John Harris | Mr. Martin.
 Mr. Tuckett

DECLARATION OF THE NEW TORQUAY ROAD IN THE SHIRES OF BARRABOOL AND SOUTH BARWON.

WHEREAS by section 21 of the *Country Roads Act 1928* (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has taken the land necessary for constructing a road or deviation it shall as soon as it thinks such road or deviation is fit to be used as a public highway by Resolution declare the road or deviation to be a main road or part thereof and that upon publication in the *Government Gazette* of the Order of the Governor in Council confirming such Resolution such road or deviation shall thereupon be a main road or part thereof within the meaning of the said Act: And whereas the said Board has by Resolution declared the road on the land described in the Schedule to such Resolution to be part of a main road: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for Declaration of a New Main Road under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the Country Roads Act for the purpose of constructing such new road which new road has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as part of a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 21 of the *Country Roads Act 1928* doth by this Resolution hereby declare the said new road the course of which is described in the Schedule hereto with the commencing and terminating points thereof respectively specified to be part of the main road within the meaning and for the purposes of the Country Roads Act.

SCHEDULE.

ORDER APPROVING OF A DEVIATION FROM A MAIN ROAD IN THE SHIRE OF HAMPDEN.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Camperdown-Cobden road in the Shire of Hampden (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 1st April, 1914, on page 1547) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map, plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Colongulac, the boundaries of which are as follow:—Commencing at an angle in the eastern boundary of allotment 1, section 9, of the said parish, formed by the intersection of lines bearing 181 deg. 10 min. and 225 deg. 8 min.; thence by lines bearing respectively 225 deg. 8 min. 793 links, 225 deg. 33 min. 1,136 links, 30 deg. 45 min 485 links, 45 deg. 26 min. 963.8 links, 33 deg. 40 min. 338.1 links, 19 deg. 41 min. 334 links, 7 deg. 6 min. 795.6 links, and 181 deg. 10 min. 1,080 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan No. 4255, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A DEVIATION FROM A MAIN ROAD IN THE SHIRE OF HUNTLY.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Goornong-Colbiniabbin road in the Shire of Huntly (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 1st June, 1938, on page 1668) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Nolan, the boundaries of which are as follow:—Commencing at the north-eastern angle of allotment 6, section 6, of the said parish: thence south-westerly by the eastern boundary of the said allotment (Campaspe River reserve) a distance of approximately two chains; thence by lines bearing respectively 291 deg. 3 min 851 links and 98 deg. 39 min. 825 links to the point of commencement—which said piece of land is more particularly delineated and shown coloured red on survey plan No. 4250, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A DEVIATION FROM A MAIN ROAD IN THE SHIRE OF YACKANDANDAH.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Dederang road in the Shire of Yackandandah (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published

in the *Government Gazette* of the 22nd July, 1931, on page 2084) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

C. W. KINSMAN,
Clerk of the Executive Council.

LOCAL GOVERNMENT ACT 1928 (No. 3720).

At the Executive Council Chamber, Melbourne, the sixth day of November, 1939.

PRESENT:

His Excellency the Governor of the State of Victoria.
Sir John Harris | Mr. Martin.
Mr. Tuckett

REGULATIONS FOR THE STORAGE OF PETROLEUM, ETC., IN TOWN OF ARARAT.

WHEREAS by section 656 of the *Local Government Act 1928* (No. 3720) it is enacted that the Governor in Council may make Regulations applicable to the whole of Victoria, or to such municipal districts (including the City of Melbourne and the City of Geelong) as are specified therein or to any specified part or parts of any such municipal district, for or with respect to regulating the keeping and storage of petroleum, or any product of petroleum (including kerosene), turpentine, or other volatile or inflammable liquids, and carbide or other combustible substances: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the powers conferred by the said section of the said Act and all other powers enabling him in that behalf, doth hereby make the following Regulations, and doth provide that the said Regulations shall apply and have application throughout the whole of the municipal district of the Town of Ararat, and furthermore that such Regulations shall be deemed to be in substitution of any By-law or By-laws made by the Council of the said municipality for the purposes for which these Regulations are now made and shall take effect from the date of publication in the *Government Gazette*.

REGULATIONS.

Storage of More than 50 Gallons of Petrol, &c., or More than 250 Gallons of Kerosene, &c.

1. Every person who shall keep, store, or retain in or upon or about any buildings or premises more than 50 gallons in the aggregate of the volatile fluids mentioned in the Schedule hereto, or more than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test shall comply with the following requirements:—

- (1) The site of all buildings shall be first approved of by the Council.
- (2) The buildings shall be constructed with walls of brick, concrete, iron, or other non-inflammable material, except that in the case of a galvanized iron structure the lower portion of the walls must be in brick.

- (3) The floor of such buildings shall be made of earth, concrete, or brick. The roof of such buildings shall be constructed of incombustible material.
- (4) To prevent outflow the lower portion of all walls to be without break or opening, the capacity of such enclosed space to be at least 25 per cent. of the total volume of volatile fluids kept, stored, or retained in any such buildings.

Storage of Less than 50 Gallons of Petrol, &c., or Less than 250 Gallons of Kerosene, &c.

2. Every person who shall keep, store, or retain in or upon or about any buildings or premises less than 50 gallons in the aggregate of the volatile fluids mentioned in the Schedule hereto, or less than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test shall comply with the following requirements:—

- (1) In quantities not exceeding 50 gallons in the aggregate of any of the volatile fluids mentioned in the Schedule hereto if such volatile fluids are kept in substantial vessels of metal or other approved material, including winchesters, so securely closed that neither liquid nor vapour can escape therefrom and if all due precautions are taken to prevent accident by fire or explosion and to prevent the escape of any such volatile fluids into a sewer or drain, and if the position of storage is free from other easily combustible goods and will not menace exits, stairways, or adjoining premises except that a reasonable quantity not exceeding 12 gallons in the aggregate of the said volatile fluids may be kept in separate glass or earthenware vessels each containing not more than one pint so securely closed or stopped that neither liquid nor vapour can escape therefrom, and if the position of storage is free from other easily combustible goods and will not menace exits or stairways.
- (2) In quantities not exceeding 250 gallons of petroleum or any product of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test provided such volatile fluids are kept in substantial vessels of glass, earthenware, or metal, and are suitably closed or stopped, and the position of storage will not menace exits, stairways, or adjoining premises.

Precaution to be Taken when Volatile Fluids are Stored in Bulk Containers.

3. Every tank or other container used for the purpose of the storage or keeping of any volatile fluids shall when not in use be kept tightly closed to prevent the escape of such fluids or any vapour or gas emitted therefrom.

Precautions to be Observed in Buildings.

4. Whenever any person shall have in or upon or about any building or premises more than 50 gallons (or more than 12 gallons if kept in glass or earthenware vessels each containing not more than 1 pint) of the volatile fluids mentioned in the Schedule hereto, or more than 250 gallons of petroleum, or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test he shall observe the following precautions against fire:—

- (1) One 2-gallon carbon tetra-chloride or other approved chemical fire extinguisher shall be kept in such a position as to be easy of access at all times in the event of fire and to be under the supervision of the Country Fire Brigade where practicable.
- (2) At least two iron buckets or other suitable containers each having a capacity of not less than a quarter of a cubic foot, filled with dry sand, shall be kept in position in different parts of the building so as to be easy of access at all times in the event of fire.
- (3) Dry sand shall be used for absorbing all volatile fluids spilt or thrown upon the floor and shall after being so used be forthwith removed from the premises.
- (4) The use of sawdust for absorbing the said volatile fluids is prohibited.

Containers to be Labelled for Retail Sale.

5. Any person who for retail sale fills into small containers on premises any of the volatile fluids mentioned in the Schedule hereto shall have the fire fighting appliances as mentioned in the preceding section and shall clearly label such small containers with the name of the contents and with the following words:—"Highly inflammable. Beware of the vapours. Keep fire away."

Regulations Not to Apply to Storage of Alcoholic Spirits.

6. Nothing herein contained shall apply to the storing of alcoholic (other than methylated) spirits.

Conditions to be Observed in the Construction of Tanks.

7. Every person who shall erect or construct any storage tank for the storage of more than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids shall comply with the following requirements:—

- (1) The site of all storage tanks other than underground tanks not exceeding 1,000 gallons capacity shall be first approved by the Council for that purpose.
- (2) Underground tanks not exceeding 1,000 gallons capacity shall be constructed of galvanized steel plate not less than 14 gauge, and be placed not less than 2 feet below the surface of the ground or the lowest floor of any building. Sand shall be filled in over the tank to the level of the ground or floor as the case may require. Tanks shall be adequately ventilated and fitted with safety device to the satisfaction of the engineer. Filling pipes may be placed where the engineer approves, but so as not to cause any obstruction to the traffic when the tanks are being filled.
- (3) Storage tanks which are erected upon or above the surface of the ground or partly below and partly above the surface of the ground shall be enclosed by a wall of brick, stone, or concrete, or an earthen dam of approved construction; such wall or dam shall be in no case of less height than 2 feet higher than the level to which the oil would rise should it escape from the tanks. An opening may be made in the enclosing wall to permit access to the tank, but such opening shall contain a liquid-tight door either sliding or opening inward, made of incombustible material, and of sufficient strength to resist any pressure which may be brought to bear on such door by the bursting of the tank enclosed in such wall.

Power to Enter and Inspect.

8. Any officer authorized by the Council may for the purpose of securing the due observance of and compliance with the provisions of these Regulations enter and inspect any building or erection at all reasonable times and do therein all such acts and things as are reasonably necessary for the purpose aforesaid, and any persons who shall in any manner interfere with such officer in the execution of his duty shall be guilty of an offence.

Offence.

9. Every person who shall contravene or fail to comply with any of the provisions of these Regulations shall be guilty of an offence.

Penalty.

10. Every person guilty of an offence under these Regulations shall be liable to a penalty not exceeding Twenty pounds, and in the case of a continuing offence to a further penalty of Two pounds for each succeeding day after a written notice of the offence from the Council.

Exemptions May be Made by the Council.

The Council may, if it considers reasonable care will be observed, exempt from any one or more of these Regulations inflammable liquids when kept for private use, provided the store is exclusively used for inflammable liquids, and not less than 50 feet intervene between the store and other buildings or an adjoining property boundary.

NOTE.—Private use does not include inflammable liquids kept for sale or for purely business activities.

Definitions.

In these Regulations, unless inconsistent with the context, "approved" means approved in writing by the engineer for the time being of the said Town of Ararat, or any deputy appointed by the Council of the said municipality to act for him. "Council" means the Council of the said municipality. "Person" includes firm, corporation, or company; and "volatile fluid" includes any of the volatile fluids mentioned in the Schedule hereto, and also includes petroleum or any products of petroleum, turpentine, or other volatile fluids mentioned in these Regulations that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test, if such are stored in immediate contiguity with the volatile fluids mentioned in the Schedule.

Schedule.

Methylated spirits, benzene, petrol, naphtha, or any other products of petroleum or other volatile fluids that will flash or emit an inflammable vapour below a temperature of 73 deg. Fah. Abel close test.

And the Honorable Sir George Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions accordingly.

APPRENTICESHIP COMMISSION OF VICTORIA.

At the Executive Council Chamber, Melbourne, the
 sixth day of November, 1939.

PRESENT:

His Excellency the Governor of Victoria.
 Sir John Harris | Mr. Martin.
 Mr. Tuckett |

AMENDMENT OF PLASTERING REGULATIONS (No. 2).

WHEREAS, in pursuance of the *Apprenticeship Act 1927* (No. 3546) the Governor in Council did, on the 12th day of February, 1929, make Regulations entitled *Plastering Regulations (No. 2)*: And whereas it is expedient to amend the said Regulations: Now, therefore, in pursuance of the powers conferred upon him by sub-section (3) of section 29 of the *Acts Interpretation Act 1928*, and of any other powers him thereunto enabling, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby amend the said Regulations as follows, that is to say:—

Trade Experience Required of an Apprentice.

For paragraph (c) of Regulation 12 of the said *Plastering Regulations (No. 2)* substitute the following paragraph:—

“(c) The trade experience to be obtained by an apprentice in his apprenticeship course shall include gradual and complete instruction to the satisfaction of the Commission in all of the processes in one of the following subdivisions of the *Plastering trade*:—

(i) The proper methods of mixing and preparing the materials for all kinds of plastering work; the correct use of the tools employed in the trade; lathing for plaster work.

Rendering, floating, and setting in connexion with internal and external plastering and cementing (plain and decorative) in all kinds of materials generally used in the trade.

The running and fixing of mouldings and cornices. Setting out for and fixing of plaster and pressed cement ornaments and enrichments.

Setting out and working in plaster or cement arches, columns, pediments, panels, niches, and diminished mouldings.

(ii) The proper methods of mixing and preparing the under-mentioned materials and the correct use of the tools employed therewith.

The rendering and finishing of internal and external work, plain and decorative, connected with the making and laying of marble mosaic, granolithic, ironite, terrazzo, and similar compositions, or flooring of which cement forms part or laying of magnesite flooring. The manufacturing and fixing of all pre-cast or moulded work, the running and fixing of mouldings, cornices, columns, and setting out for same in the afore-mentioned materials.

And the employer shall, by the best means in his power, teach and instruct or cause to be taught and instructed the apprentice in the said processes.”

And the Honorable Edwin Joseph Mackrell, His Majesty's Minister of Labour for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
 Clerk of the Executive Council.

LIST OF CROWN LANDS AVAILABLE.

THE under-mentioned areas are available for application as provided by various sections of the Land Act 1928, and all applications received on or before Wednesday, 6th December, 1939, will be deemed to have been simultaneously made, but any application lodged after such date may be considered if received in time for inclusion in the advertisement of the cases to be heard at the Local Land Board. Applications on proper form, accompanied by 5s. duty stamp uncancelled (registration fee), may be delivered or forwarded by post to the Local Land Officer or to any Crown Lands Office in Victoria. Applicants may obtain from Local Land Officers, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a return ticket at concession fares to enable them to inspect available areas or to attend Local Land Boards. When an applicant is granted an allotment he may, if travelling by rail, obtain reduced fares for his family and also freight concessions in regard to some of his effects.

Subject to the approval of the Minister, when the survey fee exceeds £10, a deposit of £5 may be paid, and the balance over six years in half-yearly instalments. Marked plans of any particular area, application forms, and any further information may be obtained from the Enquiry Office, Lands Department, Melbourne, and Land Officers, Bairnsdale, Billarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Melbourne, Omeo, Redcliffs, Sale, Seymour, and St. Arnaud.

Schedule as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

In all cases the total cost of each item must be extended in the columns provided.

Tenders must be accompanied by the preliminary deposit, as shown above, by bank draft or marked cheque in favour of the Secretary to the Tender Board. *Cheques, Savings Bank deposit books, fixed deposit receipts, Commonwealth Treasury bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits.* Preliminary deposits will be returned within ten days to unsuccessful tenderers on their application.

The amount of the preliminary deposit required must be enclosed, and the amount must be clearly written in and the designation stated, whether marked cheque or bank draft, as the case may be.

Security will be required, either in Bank Guarantee (Bank to be approved by the Tender Board), Commonwealth Treasury Bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for _____" (as the case may be) written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

The conditions of contract are those published in the *Victoria Government Gazette* of 8th March, 1939, pages 836, 837, and 838.

SHIRE OF FERNTREE GULLY.

BY-LAW No. 40.

A By-law of the Shire of Ferntree Gully made under the Local Government Acts and numbered 40 for regulating, restricting, restraining, or prohibiting the erection, construction, use, occupation, conversion, and alteration of, and any addition to, buildings and erections, and for other purposes.

IN pursuance of the powers conferred by the Local Government Acts, and of any and every other power it thereunto enabling, the President, Councillors, and Ratepayers of the Shire of Ferntree Gully Orders as follows:—

(1) This By-law shall apply to and have operation throughout the whole of the Municipal District.

(2) In clause 4 of By-law No. 35 of the Shire of Ferntree Gully (hereinafter called the principal By-law) the definition of "Parapet Wall" shall be deleted and the following definition substituted therefor, namely:—

"Parapet Wall" means that portion of any wall or party wall of a building which is carried up to a height of at least 2 feet above the level of the roof of such building at the point where such parapet wall projects through such roof."

(3) Clauses 10, 11, and 12 of the principal By-law are hereby repealed.

(4) No person shall commence to erect, construct, alter, or add to any building or erection without first delivering to the Surveyor—

(a) In the case of the erection or construction of a building a notice, in writing, signed by such person, in the form set out in the First Schedule to the principal By-law.

(b) In the case of any alteration of or addition to a building a notice, in writing, signed by such person, setting out the situation of the building which it is proposed to alter or add to, the nature of the proposed alterations or additions, and the purpose for which such building is to be used when so altered or added to.

(c) In the case of the erection, construction, or alteration of, or any addition to, any erection other than a building, a notice, in writing, signed by such person of his intention to commence the erection, construction, or alteration thereof, or the addition thereto.

(d) In the case of the erection, construction, or alteration of, or any addition to a building or erection, the following plans, namely:—

(1) Properly prepared and complete plans and sections (drawn to a scale stated thereon, not being less than 1 inch to 8 feet) of the erection, construction, or alteration of or addition to such building or erection showing the position, plan, elevation, form, and dimensions of such building or erection, or of such alteration of or addition to such building or erection (as the case may be), and of the several parts thereof.

(2) A properly prepared block plan (drawn to a scale stated thereon, not being less than 1 inch to 40 feet) of the allotment of land upon which it is proposed to erect such building or erection, or alteration of or addition to a building or erection (as the case may be) showing the boundaries and dimensions of such allotment of land, the position thereon, and dimensions of the building or erection which is proposed to be erected or constructed, or the building or erection which is proposed to be altered or added to, and the proposed alterations or additions thereto (as the case may be), and the position and distance of such building or erection, and such alterations and additions (if any) in relation to the boundaries of such allotment of land, and to any existing buildings or erections on the same and all adjoining allotments of land.

(e) A complete specification, in writing, for the erection, construction, or alteration of, or addition to such building or erection, setting forth in detail the proposed manner and method of erection and construction thereof, and of every part thereof, and of the size, kind, and nature of all materials which it is intended to use therein.

(f) A complete copy of all such plans, sections, and specifications for permanent record, save in any case where the Surveyor, by writing under his hand, dispenses therewith.

(5) No person shall hereafter begin or commence to erect, construct, alter, or add to, any building or erection without having first obtained from the Council a permit, in writing, so to do, or without having first paid to the Council the appropriate fee for such permit prescribed by the Fourth Schedule to the principal By-law.

(6) No person shall hereafter erect, construct, alter, or add to any building or erection contrary to or not in conformity with this By-law or the principal By-law, or contrary to or not in conformity with the notice, plans, sections, specifications, and other particulars delivered to the Surveyor in connexion with such building or erection, pursuant to clause 4 of this By-law.

(7) No person shall, without the previous consent, in writing, of the Council, use any building hereafter erected, altered, or added to, for any purpose other than the purpose stated in the notice lodged with the Surveyor in connexion with such building, pursuant to clause 4 of this By-law.

(8) The principal By-law shall be amended by adding immediately after clause 20 thereof the following clause, namely:—

"21. Tank stands shall be erected with 4-in. x 4-in. red gum or jarrah stumps, spaced at not more than 3 feet, centres resting on continuous sole-plates of the same material at least 4 inches wide and 3 inches thick, with 4-in. x 3-in. approved messmate or jarrah bearers on edge, and a decking of red gum, jarrah, or messmate at least 2 inches thick. Stumps projecting more than 2 feet out of the ground shall be effectively braced in each direction.

(9) In paragraph (a) of clause 39 of the principal By-law, for the expression "168 square feet" there shall be substituted the expression "120 square feet", and for the expression "12 feet" there shall be substituted the expression "10 feet".

(10) Clause 44 of the principal By-law shall be deleted, and the following clause substituted therefor:—

"44. No person shall, in any of the areas mentioned in the Third Schedule hereto, erect or commence to erect, any building (hereinafter called the new building) within 8 feet from any other building (hereinafter called the existing building) unless—

(a) the whole of the external wall of the new building which is nearest to the existing building is constructed of brick or concrete, and is in the case of brick at least 9 inches, and in the case of concrete at least 6 inches, in thickness;

(b) such external wall is carried up to form a parapet wall; and

(c) if a straight line drawn from either end of such external wall to the nearest end of the existing building makes with such external wall an angle greater than 90 degrees such external wall shall, at such end, be extended in a straight line to a distance of 6 feet beyond the limits of the new building, and such extension shall be constructed of the same kind of material as that used in the remainder of such external wall, and shall be of the same thickness and height as such external wall.

44A. No person shall, in any of the areas mentioned in the Third Schedule hereto, erect or commence to erect, any building within 4 feet from any side boundary of the land upon which such building is erected, unless—

(a) the whole of the external wall of such building which is nearest to such side boundary is constructed of brick or concrete, and is in the case of brick at least 9 inches, and in the case of concrete at least 6 inches in thickness; and

(b) such external wall is carried up to form a parapet wall.

(In this clause the words "side boundary" shall mean any boundary of the land to which they refer, except any boundary between such land and any street or road.)

(11) In the Fifth Schedule to the principal By-law for the words and figures "Ridges, hips, valleys, barge boards, and fascias, 9-in. x 14-in. oregon or hardwood" there shall be substituted the words—

"Ridges 7-in. x 14-in oregon or hardwood.
Hips, valleys, barge boards, and fascias, 9-in. x 14-in. oregon or hardwood."

The resolution for passing this By-law was agreed to by the Council on the 13th day of June, 1939, and confirmed on the 10th day of July, 1939.

The corporate seal of the President, Councillors, and Ratepayers of the Shire of Ferntree Gully was hereunto affixed in the presence of—

(SEAL) G. L. CHANDLER, President.
J. C. TYRRELL, Councillor.
CHAS. C. DANCF, Shire Secretary.

Approved by the Governor in Council, 23rd October, 1939.—

CITY OF MOORABBIN.

BY-LAW No. 81.

A BY-LAW of the City of Moorabbin, made under section 197 of the *Local Government Act 1928*, as amended by section 9 of the *Local Government Act 1938*, and numbered 81, for the purpose of amending By-law No. 79 of the said City of Moorabbin.

1. This By-law shall be read and construed as one with By-law No. 79 of the City of Moorabbin.

2. Clause 1 of the said By-law No. 79 is hereby repealed, and the following clause substituted:—

"1. No person shall, on any land situate within the municipal district of the City of Moorabbin, commence or carry on any excavating operations (other than quarrying or blasting operations or excavating operations connected with works commenced before the 10th day of November, 1938) for the removal of rock, stone, gravel, clay, soil, or sand from such land unless such person is the holder of and, except within the limits of a current permit so to do issued to him by the Council of the City of Moorabbin, prescribing—

(a) the area to which the permit relates;

(b) the duration of the permit; and

(c) the depth above sea level to which excavating operations may be carried on upon the area described in the permit (such depth to be ascertained by reference to and on the basis of the levels shown on contour survey plans published by the Melbourne and Metropolitan Board of Works)."

3. This By-law shall apply to and have operation throughout the whole of the municipal district of the City of Moorabbin.

4. This By-law shall come into operation and have effect immediately on its publication in the *Victoria Government Gazette*.

Resolution for passing this By-law agreed to by the Council on the 4th day of September, 1939, and confirmed the 2nd day of October, 1939.

The common seal of the Mayor, Councillors, and Citizens of the City of Moorabbin was hereto affixed this 2nd day of October, 1939, in pursuance of a resolution of the Council, and in the presence of—
