The allotments in the Parish of Suggan Buggan are at an elevation of from 1,200 to 2,000 feet, are undulating to hilly, and comprise mostly open box country of granite origin suitable for fine wool growing.

The climate is warm with a light rainfall of about 16 inches to 18 inches per annum. Access is by a good road as far as the Township Reserve (old homestead), thence by tracks. All the allotments are watered by a river with the exception of allotment 8, on which water will have to be conserved. The nearest railway station is Nowa Nowa, 70 miles distant.

The allotments in the Parish of Ingeegoodbee are at elevations in the neighbourhood of 3,000 feet, are hilly, and are suitable for grazing for about nine months in the year. These allotments are not served by a road, but are intended to be used as "Summer" country in conjunction with the allotments in the Parish of Suggan Buggan. They are watered by streams.

The term of the lease will be 40 years.

Improvements, if any, to be valued and paid for in addition to the price of the land.

No advances will be granted.

The lease will contain the following special conditions:—

EROSION PREVENTION.

It is a condition of these presents that the lessee his executors administrators and assigns will at all times during the continuance of the term hereby granted so far as he or they are able so to do prevent the erosion (whether by the action of water or of wind) of the surface of the land hereby demised and in particular:—

(b) If and as soon as there occurs on the said land any erosion (however caused) he or they will take all reasonable and practicable measures

(i) to restore the land affected thereby to the state in which it was prior to the occurrence of the erosion, and

(ii) to prevent further erosion.

(c) He or they notwithstanding anything herein contained will as soon as possible after the commencement of the term hereby granted enclose the said land with a substantial and efficient rabbit-proof fence if the land is not already so enclosed and will throughout the said term maintain any such fence in an efficient condition.

(d) He or they will comply with all relevant laws relating to the destruction of rabbits and other vermin and will comply with all relevant provisions of the Forests Acts or the Land Acts for the time being in force relating to the protection and preservation of timber on any land of the Crown adjoining or adjacent to the said land.

(e) He or they will take all reasonable steps to maintain the surface of the said land in good condition by the encouragement of a strong growth of pasture on all parts of the said land which are not otherwise cultivated.

(f) He or they will not cut down injure destroy or remove any trees or shrubs (not being a noxious weed within the meaning of the *Vermin and Noxious Weeds Act 1928* or any Act substituted therefor) growing in or upon any river stream creek or watercourse upon or adjoining the said land nor any trees or shrubs growing within 33 feet of the level at which any such river stream creek or watercourse when in flood would overflow its banks.

(g) He or they will refrain from cutting injuring or in any way destroying and will endeavour to preserve and keep growing all trees or shrubs growing on the said land at the commencement of the term hereby granted or thereafter planted thereon except such trees and/or shrubs for the destruction or removal of which he or they shall first have obtained the consent in writing of the Secretary for Lands subject to the right of the lessee to any live or dead timber that may be required by him for fencing building or domestic purposes.

(h) He or they will forthwith on receipt thereof obey all orders in writing given by the Secretary for Lands directing that he or they shall refrain from cultivating or in any way breaking the surface of the said land or any part thereof except to the extent (if any) and then only in the manner (if any) directed by the said Secretary and all other such orders in writing by the said Secretary for the prevention of erosion of the said land as the Secretary thinks fit.

(3) **EMPLOYMENT.—WEEKLY WAGES.**—(a) Employees may be engaged by the week, and when so engaged must be available ready, and willing to perform such work as the employer shall from time to time require on the days and during the hours usually worked by the class of employees affected.

(b) Employment for the first two weeks of service shall be from day to day at the weekly rate fixed.

(c) Any weekly employee not attending for duty shall lose his or her pay for the actual time lost unless he or she produces or forwards within 24 hours of the commencement of such absence satisfactory evidence to the employer that his or her non-attendance was due to personal ill-health or accident necessitating such absence, but such employee shall not be entitled to payment for non-attendance on the grounds of personal ill-health or accident for more than six days in each year commencing from the 21st December.

(d) An employee is not to be entitled to more than six days' payment in any year for such non-attendance notwithstanding that he or she may be employed during the year by more than one employer.

(4) **HOURS OF WORK.**—(a) The hours of employment without payment for overtime shall not exceed 44 per week. Except as to shift workers ordinary hours shall be worked in 5 days of 8 hours, and one day (Saturday) of 4 hours, or in 5 days of 8 hours, 48 minutes each, continuously, except breaks for meals, between 7 a.m. and 5.30 p.m. on Monday to Friday inclusive, and 7 a.m. to noon on Saturday, at the discretion of the employer. Provided that the spread of hours herein prescribed may be altered by mutual agreement between an employer and the Manufacturing Grocers Employees' Federation of Australia.

(b) The employer shall fix the starting and finishing times, provided that no change in such fixed times shall be made except by agreement between the employer and the Manufacturing Grocers Employees' Federation of Australia, and provided further that one week's notice of any such change shall be given to the employees.

(5) **OVERTIME.**—All work performed outside the starting and finishing times, provided for in clause 4 or fixed pursuant to an agreement under clause 11 (d) of this Determination, or in excess of 44 hours per week, shall be paid for at the rate of half time in addition to ordinary time. Overtime rates shall be paid on the basis of a quarter of an hour. A fraction of a quarter of an hour shall be paid for as a quarter of an hour. Piece-work done outside the starting and finishing times shall be paid for with the addition of a half rate to the ordinary rate.

(6) **SPECIAL RATES.**—(a) Employees shall receive payment at double time rate for work done on Sunday, and shall receive payment at ordinary rate in addition to the full weekly rate for work done on Christmas Day, Boxing Day, New Year's Day, Australia Day (26th January), Labour Day, Good Friday, Easter Saturday, Easter Monday, King's Birthday; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, the special rate shall only be payable for work done on the day so substituted.

(b) When Christmas Day, Boxing Day, or New Year's Day, or a proclaimed substitute therefor falls on a day other than Sundays and payment of wages is not included in the weekly wage in consequence of the Christmas holidays having been taken as provided for in sub-clause (f) hereunder, then employees shall receive payment for each of such days calculated as eight hours.

(c) All employees on time work off duty on any of the above-mentioned holidays, other than Sunday, shall be paid for such days at ordinary rate. Piece-workers shall be paid for such holidays and Sundays at the rate payable to employees on time work doing the same class of work.

(d) Where an employee is absent from his or her work on the day before or the day after a public holiday without reasonable excuse, or without the consent of the employer, the employee shall not be entitled to payment for such holidays.

(e) Where the majority of the employees of any establishment or of any department agree with the employer to work part time for any period, or to close down for any period on the days other than the prescribed holidays, the weekly rate shall not apply.

CHRISTMAS HOLIDAYS.—(f) On or before the 14th December in each year the employer shall be given or may obtain notice of the number and names of his adult employees who do not elect to work on the working days between Christmas Day and New Year's Day. If more than 33 per cent. of such of the adult employees in any particular establishment as come within the classification in this Determination indicate to the employer their election not to work on such days, then the employer may if he chooses, close down his establishment on such days, provided that on or before the 21st December he gives notice to his employees of his intention to do so. Where such number is 33 per cent. or under, then the employer shall keep his establishment open for work on such days, or, if he closes it, he shall pay the ordinary wage to those employees who have declared themselves ready and willing to work on such days and who have not been dismissed in conformity with this Determination.

(g) Where the business is kept open for work, the employer may require the employees presenting themselves for work to work in any capacity he may appoint, provided the employees shall be paid at their ordinary rates for such work as they are called on to do.

(h) If any employee has not indicated to the employer on or before the 14th December that he does not intend to work on the days in question, and absents himself from work when the business is open for work on such days, then such employee shall receive no pay therefor.

(7) **TERMINATION OF EMPLOYMENT.**—(a) Seven days' notice of termination of employment shall be given on any day of the week by either employer or employee provided that such notice given to an employee solely for the purpose of avoiding payment for prescribed holidays shall not deprive such employee of payment for holidays occurring between such notice and re-engagement, if any.

(b) Nothing contained in this Determination shall affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, or to deduct payment for any day on which the employee cannot usefully be employed because of a strike, or stoppage of work for which the employer cannot reasonably be held responsible.

(c) In the event of such dismissal, wages shall be paid up to the time of such dismissal. If an employee's services be terminated during the course of a week he shall be paid all money due to him at the termination of his services, or such money shall be forwarded to him by post within 24 hours thereafter.

(8) **PAYMENT OF WAGES.**—Wages shall be paid weekly on a week day other than Saturday.

(9) **MEAL TIMES.**—A lunch period of at least one half-hour for each employee shall be fixed in each factory between 12 noon and 2 p.m. for other than shift workers. No employee shall be required to work more than five hours from the starting of work in the morning without a break for lunch.

(b) Work performed during the usual meal hours shall be paid for at the rate of time and a half, but where the total hours worked (including time worked during such meal time) do not exceed the prescribed daily number of hours then such time shall be deemed to mean an additional payment at half ordinary rate only for such meal time. Such employee shall be allowed time for a meal.

(10) **REST PERIOD.**—Women workers on time work shall be allowed an interval of ten minutes between 10 a.m. and 11 a.m. for rest, and such interval shall be observed at times convenient to the employer. Such intervals shall count as time worked.

(11) **SHIFT WORKERS.**—(a) Shift workers shall have a break for meals without deduction of pay.

(b) Shift workers engaged on a second or third shift daily, other than overtime, shall receive payment at ordinary time plus 5 per cent.

(c) Shift workers on a second or third shift who are unable to travel to and from work on workmen's tickets shall be paid 1s. 6d. per week in addition to their ordinary rate of pay.

(d) Shift work, including overlapping shifts, may be arranged by agreement between the employer and the Manufacturing Grocers Employees' Federation of Australia.

(12) **SUPPLY OF MATERIALS.**—The undermentioned materials shall be provided free of charge by every employer—

(a) All necessary tools of trade, which shall be kept in good repair by the employer.

(b) Uniforms and caps required by the employer to be worn by the employees.

(c) Goggles for employees engaged in work injurious to the eyes.

(13) **TEA MONEY.**—Any employee required to work overtime for any period in excess of one hour after the usual hour of ceasing duty shall either be supplied with a meal at the employer's expense, or be allowed 2s. for each meal required if the expense is incurred. Provided that this clause shall not apply where the employee was notified the previous day of the intention to work overtime. Provided further that where the employee was notified the previous day of the intention to work overtime and such overtime was not worked he shall be entitled to the meal allowance herein provided.

The provisions of this clause shall not apply in the case of boys under sixteen years of age or women or girls employed in factories whose conditions regarding overtime are governed by section 38 of the *Factories and Shops Act 1928* (No. 3677).

(14) **PIECEWORK.**—The Board determines under Section 150 of the *Factories and Shops Act 1928* (No. 3677) that the employer may fix his or her own piecework rates, provided such prices enable an employee of average capacity working under like conditions to earn at least 10 per cent. above the minimum weekly wage in their respective classes. The same piecework prices shall be paid to all pieceworkers doing the same operation in the factory, whether they be improvers or juveniles on piecework or otherwise.

(b) Pieceworkers who are requested to wait on or about the employer's premises for work on any one day for more than half an hour shall be paid for such waiting time at the rate based on the minimum weekly wage.

(c) A weekly pieceworker shall be allowed in each week sufficient piecework to enable such employee to earn at least the prescribed rate fixed in this Determination for the class of work performed. If such work is not provided, and the employee is ready and willing to perform all work provided, then such employee shall be paid the minimum wage applicable to the employee so employed.

(d) Pieceworkers working overtime for less than 15 minutes, or any fraction of 15 minutes, shall have their payment computed on the basis of an average amount of work done in 15 minutes.

(15) **DESTRUCTION OF CLOTHING.**—Where satisfactory evidence is produced by an employee that, when dissolving caustic soda, using solutions of caustic soda or mineral acids, his or her clothing has been destroyed through no fault of such employee, reparation shall be made by the employer.

(16) **WEIGHT CARRYING.**—No woman worker over the age of 18 years shall be required to carry a greater weight than 30 pounds. Section 207 of the *Factories and Shops Act 1928* (No. 3677) provides that no person employing any girl under the age of 18 years in a factory shall permit such girl while so employed to lift or carry a greater weight than 25 pounds.

(17) **TEMPORARY WORK.**—A temporary employee shall mean a person employed for 24 hours or less in any one week, but no employee shall be deemed to be a temporary worker where after employment for at least one week he is dismissed before he has worked 24 hours in the succeeding week, or where his non-employment for more than 24 hours is wholly attributable to causes over which the employer has no control.

Temporary workers unless dismissed for misconduct shall be paid at the rate of time and a third for all work performed.

(18) **DEFINITION.**—For the purpose of this Determination, year shall mean a period of twelve calendar months commencing on the 21st December in each year.
