A preliminary deposit of £5 by marked cheque or bank draft, payable to the order of the Secretary to the Tender Board (private cheques will in no case be received), must accompany each tender, such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of tender or in the event of the successful tenderer failing to sign and complete his contract within the period specified. Deposits will be returned to unsuccessful tenderers within ten days of acceptance of tenders, on their application.

Security of £10 for each schedule will be required, either in bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenders may be accepted for each schedule separately. Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

Full particulars, forms of tender, conditions of contract, &c., may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, C.2; or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

##### CONDITIONS OF CONTRACT.

1. The rates tendered cover all charges, including labour, bags, hire of cranes or other appliances, and weighbridge charges required in the performance of the service. Bags must be removed by the contractor when empty, and if not removed within a reasonable time or within the time named by the officer requiring the service, no claim will be entertained for cost of same.

2. No subletting shall be allowed; all work must be carried out by the contractor, and every person engaged in the cartage tendered for in this schedule shall be paid such wages and employed subject to such labour conditions as are or may be determined by any Federal Arbitration Court award or any State Wages Board determination, and a copy of such labour conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

3. Accounts in all cases shall be rendered *monthly* to the Department requiring the service, and must be supported by weighbridge tickets or railway consignment notes, and in the case of coal, the mine consignment notes. In the event of a weighbridge ticket or consignment notes not being available or obtainable, the weight vouched for by the Department requiring the delivery shall be accepted by the contractor as the weight of the particular consignment. Accounts shall be subject to any deductions for goods lost or damaged whilst in the custody of the contractor.

4. In the event of material forwarded by rail or steamer not being unloaded within reasonable time, and in accordance with the Railway Department or Harbor Trust Regulations relating to same, the contractor shall be held liable for such charges, including cost of demurrage, as may accrue, the amount thereof to be deducted as provided in clause 2.

5. The contractor shall take and make delivery within ordinary working hours. No claims for detention shall be entertained, but should the contractor be subjected to unreasonable delay, the cause of delay, if reported, shall be investigated.

6. The contractor must have an office connected by telephone and within a radius of 6 miles of the Melbourne (Elizabeth-street) Post Office.

7. Four hours will be deemed sufficient notice, and in the event of the contractor failing to perform the service when ordered, and to the satisfaction of the officer requiring same, such service will be performed at his risk and expense, and any extra expense incurred shall be deducted as provided in clause 2. No services performed under this contract shall be deemed to be of a special nature, provided that the contractor be given four hours' notice that his services shall be required, and no increase in the contract rates shall be allowed.

8. The vehicles in which the material is carried must be in thorough working order, and, if required, provided with good waterproof covers. Horses to be perfectly sound, and subject to the approval of the officer requiring the service.

9. The contract shall not be considered broken, infringed, or vitiated by the Government using its own labour or vehicles for the cartage of any material set forth in the contract, or in the event of urgency or emergency, performing the service.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. A refusal to execute orders, irregularity or delay in delivering the material when required, or failure to produce weighbridge tickets or consignment notes on delivery in accordance with clause 3, or any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct as the Treasurer may direct, and the amount may be deducted as provided in clause 2. It will also be in the power of the said Treasurer upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

13. In the event of any dispute arising as to matters or things contained in the contract or schedule the same shall be settled by the Tender Board, and the Board's decision shall be binding, final, and conclusive.
