COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the
twenty-seventh day of May, 1941.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Hyland | Sir George Goudie.
Sir John Harris

ORDER APPROVING OF A NEW MAIN ROAD IN THE
SHIRE OF BROADMEADOWS.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Sydney-road in the Shire of Broadmeadows should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

✓ All that piece of land in the Parish of Will Will Rook, and being a road widening area generally 80 feet wide, the western boundary of which commences at a point on the eastern boundary of lot 8 on plan of subdivision, No. 15271, lodged in the Office of Titles, and being part of Crown portion 3 of the said parish, the said point being distant 345 deg. 4 min. 75 ft. 4 in. from the south-eastern angle of the said lot; thence north-westerly through the said Crown portion and Crown portion 4 of the said parish to the north-western angle of lot 1 on plan of subdivision, No. 5423, lodged in the Office of Titles, and being part of the said Crown portion 4.

✓ Also, all that piece of land in the Parish of Will Will Rook, the boundaries of which are as follow:—Commencing at the south-western angle of lot 5 on plan of subdivision, No. 12734, lodged in the Office of Titles, and being part of Crown portion 4 of the said parish; thence by lines bearing respectively 344 deg. 58 min. 114 ft. 11½ in., 37 deg. 14 min. 12 ft. 3 in., 89 deg. 29½ min. 124 ft. 3½ in., and 222 deg. 58 min. 153 ft. 3½ in. to the point of commencement—which said pieces of land are more particularly delineated and shown coloured red on survey plans, Nos. 4530 and 4537, lodged in the Office of the Country Roads Board.

ORDER APPROVING OF A NEW MAIN ROAD IN THE
SHIRE OF BET BET.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Avoca-Bealiba road in the Shire of Bet Bet should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Nattyallock, the boundaries of which are as follow:—Commencing at the north-western angle of subdivision A of allotment 14, section 2, of the said parish; thence by lines bearing respectively 214 deg. 44 min. 2.036 links, 25 deg. 0 min. 850.8 links, and 41 deg. 35 min. 1.206 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan, No. 4538, lodged in the office of the Country Roads Board.

DECLARATION OF A DEVIATION FROM THE
DAYLESFORD-TRENTHAM ROAD IN THE SHIRE OF
GLENLYON.

WHEREAS by section 58 of the *Country Roads Act 1928* (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has by Resolution declared a deviation to be a main road the said Board may also declare that such deviation shall be in lieu of any existing road or part thereof named in such Resolution and that on publication in the *Government Gazette* of the Order confirming such Resolution the existing road or part thereof shall cease to be a main road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a main road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to the said Resolution and that such part of the said existing road as is described in the Third Schedule shall be discontinued: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

(a) the diseases known as anchylostomiasis, anthrax, bilharziasis, cholera, cerebro-spinal meningitis, diphtheria, dysentery (bacillary), dysentery (amoebic), encephalitis (lethargic), helminthiasis (due to infestation with *Taenia saginata* or with *Taenia solium*), hydatids, influenza, leprosy, malaria, measles, paratyphoid fever, plague, poliomyelitis, psittacosis, puerperal fever, scarlet fever, small pox, tetanus, trachoma, tuberculosis, typhoid fever, typhus fever, undulant fever, whooping cough, yellow fever; and

(b) any disease or infective condition which is declared by proclamation to be an infectious disease.

“Isolation” means the segregation and the separation from and interdiction of communication with others of persons who are infected or suspected of being infected with the infection of any infectious disease; and “isolated” has a corresponding interpretation.

“Medical officer of health” means a medical practitioner being a medical officer of health of a Council, and includes any medical practitioner authorized by a Council to carry out any duty in relation to infectious disease.

“Medical surveillance” means the keeping of a person under the supervision of the medical officer of health or other authorized officer.

“Notifiable infectious disease” includes—

(a) the diseases known as anchylostomiasis, anthrax, bilharziasis, cholera, cerebro-spinal meningitis, diphtheria, dysentery (bacillary), dysentery (amoebic), encephalitis (lethargic), helminthiasis (due to infestation with *Taenia saginata* or with *Taenia solium*), hydatids, leprosy, malaria, paratyphoid fever, plague, poliomyelitis, psittacosis, puerperal fever, scarlet fever, small pox, tetanus, trachoma, tuberculosis, typhoid fever, typhus fever, undulant fever, yellow fever; and

(b) any other infectious disease declared by proclamation to be a notifiable infectious disease.

“Parent” includes guardian and every person who is liable to maintain or who has the actual custody of any child, and any person with whom a child resides or who is the occupier of a house in which a child resides.

“Patient” means any person suffering from or convalescing from any infectious disease, and includes a carrier.

“Pathologist” means a pathologist approved by the Commission, and includes bacteriologist, parasitologist, and serologist.

“Proprietor” includes owner, occupier, or person in control of any premises.

“School” includes State school and any school within the meaning of Part VI. of the *Education Act 1928*.

PART II.—INFECTIOUS DISEASES—GENERAL PROVISIONS

6. Every head teacher or person in charge of a school, on learning that a child attending school is absent owing to being infected with an infectious disease, or to the existence of any such disease at the house where such child resides, shall, when such disease is one of those mentioned in the first column of the First Schedule to these Regulations, prevent every such infected person, and where so provided by the said Schedule the contact of any such infected person, from attending school as therein provided.

7. When the parent of a child attending school becomes aware that there is a patient in the house in which such child resides he shall forthwith give notice in writing to the Council and to the head teacher or person in charge of the school which such child is attending, and (when the disease from which the patient is suffering is one of those mentioned in the first column of the First Schedule to these Regulations) prevent such child from attending school as provided by the said Schedule; and such notices shall contain the name, age, and sex of the patient, and (if known) the nature of the disease.

8. The occupier of every house or part of a house, and the person in charge of every orphanage or similar institution or other premises wherein there is a patient, shall forthwith on becoming aware of the existence of infectious disease report the occurrence to the Council, giving the age and sex of the patient and (if known) the nature of the disease; and shall state in such report whether any inmate of such house, orphanage, institution, or premises is attending school: Provided that if the occupier or other person knows that the case has already been reported to the Council it shall not be necessary for such occupier or person to do so.

9. The occupier of every house from which a patient has removed or has been removed shall forthwith, after the removal of such patient, inform the Council of the district in which such house is situated of the removal of such patient, and supply the particulars prescribed hereunder:—

- (a) Name, age, and sex of such patient;
- (b) The nature of the disease;
- (c) The address of the place from which such patient has removed or has been removed; and
- (d) The address of the place to which such patient has removed or has been removed when such address is known to him.

10. Every patient who has removed or who has been removed from one municipal district to another shall immediately after such removal inform or cause to be informed the Council of the municipal district to which he has removed or has been removed of the fact of such removal, and shall supply the particulars required by paragraphs (a), (b), (c), and (d) of the last preceding Regulation: Provided that where such patient has removed or has been removed into such last-mentioned district for the purpose of entering a public hospital for infectious diseases and has in fact entered such a hospital, the provisions of this Regulation shall not apply.

11. When a Council receives information that a patient has removed or has been removed from a house within its district to a house in another municipal district it shall forthwith inform the Council of that district of the fact of such removal, and shall so far as it is in possession of the information supply all such particulars relating to such patient as will enable such last-named Council to safeguard the public health.

12. The provisions of Regulations 6 to 11 shall not apply to the infectious diseases known as anchylostomiasis, bilharziasis, hydatids, malaria and tetanus.

13. (1) Every patient and contact shall submit to such examination as the medical officer of health deems necessary, and shall carry out such instructions as the said medical officer of health may give and for such period of time as he may direct.

(2) Every person shall truly answer all questions put to him by the medical officer of health, or any officer specially authorized thereto by the Council, for the purpose of tracing the source or preventing the spread of infectious disease, and for that purpose shall give all information and produce all documentary or other evidence which may be required of him by such medical officer of health or authorized officer.

14. (1) The Council by order in writing under the hand of its medical officer of health may cause—

- (a) any contact to be placed under medical surveillance; or
- (b) any contact, patient, or premises to be isolated.

(2) Such order shall be in such one of the forms of the Second Schedule hereto as is applicable.

15. (1) Every contact placed under medical surveillance shall, as frequently and at such times as may be required and set forth in the order placing him under medical surveillance present himself for inspection and examination by the medical officer of health signing such order.

(2) Every contact placed under medical surveillance shall, immediately on the appearance in himself of any signs or symptoms of illness or disease, report the facts or cause them to be reported to the medical officer of health signing the order.

(3) The parent of any child placed under medical surveillance shall cause such child to observe the provisions of these Regulations relating to medical surveillance.

(4) No contact under medical surveillance shall leave or change his place of residence without the permission of the medical officer of health who has signed the order placing him under medical surveillance.

16. Every Council shall—

(a) provide for the treatment, medical attendance, and nursing care of all indigent patients suffering from infectious disease who are unable to gain admission to a hospital; and

(b) provide all such substances and appliances as may be necessary for the prevention of the spread of any infectious disease.

17. The parent of a patient who has been prevented from attending school in pursuance of these Regulations, and the parent of every child of or under school age who is a contact, shall not during the period of exclusion from school suffer or permit any such patient or child to enter or remain in any public conveyance or to attend or visit any cinematograph hall, public meeting, public place of amusement, public place of assembly, church, or place of worship, or Sunday school, whether in respect of any of such places admission thereto is gained by payment or otherwise.

18. Where any duty or obligation is imposed on any child under these Regulations it shall be the duty of the parent to cause the child to carry out such duty or obligation, and if the child is unable by reason of age or infirmity to carry out any such duty or obligation it shall be the duty of the parent so to do on his behalf.

19. Every medical officer of health, for the purpose of preventing the spread of any infectious disease, or for more adequately safeguarding the public health, may carry out, or cause to be carried out, such clinical, chemical, bacteriological, and other examinations as may be necessary to ascertain whether any contact or any person reasonably suspected of being a contact is suffering from any infectious disease, and whether any patient has ceased to be liable to convey infection.

20. For the purpose of enforcing the provisions of these Regulations relating to medical surveillance, isolation of patients, contacts, or premises, the Council may use such guards or force as may be necessary.

21. The Council shall in respect of all patients whose discharges or excretions are infective take such action as may be necessary to secure the disinfection or destruction of such discharges or excretions.

PART III.—NOTIFIABLE INFECTIOUS DISEASES.

Division 1.—General Provisions.

22. Every medical practitioner who becomes aware that any person visited or professionally attended by him is suffering from a notifiable infectious disease or who by post-mortem examination or otherwise becomes aware that any person has died of a notifiable infectious disease shall immediately—

(a) inform the head of the household or the occupier of the premises and any person nursing or in immediate attendance on the patient of the infectious nature of the disease and the precautions to be taken to prevent its conveyance to others; and

(b) furnish a written certificate of notification thereof to the municipal clerk of the Council for the municipal district in which such person is discovered or has died.

23. The written certificate required to be furnished by paragraph (b) of the immediately preceding Regulation shall include the following particulars:—

- (a) Name in full;
- (b) age and sex;
- (c) address;
- (d) occupation or school attended;
- (e) nature of disease;
- (f) duration of illness; and
- (g) signature of notifier.

24. When a medical practitioner becomes aware that any person visited or professionally attended by him is suffering from cholera, leprosy, plague, small-pox, or yellow fever, as the case may be, or that any person has died of any such disease, he shall immediately by the speediest practicable means notify the Commission, and the Council of the municipal district in which such person is discovered or has died, that such person is suffering from or has died of such disease, as the case may be; and such notification shall include the full name, age, sex, address, and occupation of the patient or of deceased, and the duration of the illness from which such patient is suffering or deceased has died:

Provided that where such notification has in the first instance been communicated orally to the Commission or to the Council the medical practitioner communicating the same shall, in addition, also furnish the Commission and the Council with a written and signed certificate of notification as prescribed by Regulation 23.

25. The fee payable by the Department of Public Health to a medical practitioner for every notification to a Council of a case of notifiable infectious disease shall be—

- (a) where such notification relates to a case in private practice, One shilling and sixpence; and
- (b) where such notification relates to a case in a public hospital or public institution, One shilling:

Provided that such fees shall not be paid unless such notification contains the particulars required by Regulation 23, and is sent forthwith on diagnosis being made, nor unless the claims for such notifications are rendered within twelve months of the notification to the Council.

26. (1) Every Council shall in respect of notification of notifiable infectious diseases received from medical practitioners furnish weekly returns to the Commission containing the particulars hereunder prescribed—

- (a) name and address of patient;
- (b) age and sex of patient;
- (c) nature of disease;
- (d) date of notification and date of receipt;
- (e) duration of illness;
- (f) occupation of patient;
- (g) place of occupation or school attended;
- (h) source of patient's milk supply; . . .
- (i) name of notifier.

(2) Every such return shall be in respect of the seven days ending at midnight on Saturday, and shall be posted or otherwise sent to the Commission not later than the Monday following the period covered by the return.

(3) In the event of no notification being received in respect of any week the Council shall post or otherwise send to the Commission a "nil" return.

27. Every Registrar of Deaths shall, on registering every death due to a notifiable infectious disease, forthwith report such death to the Council of the district in which the deceased person resided, and also to the Commission, and supply the particulars hereunder prescribed—

- (a) name of deceased;
- (b) place of residence;
- (c) cause of death;
- (d) duration of illness;
- (e) age and sex;
- (f) date and place of death;
- (g) date of registration;
- (h) medical attendant.

28. The fee payable by the Department of Public Health to a Registrar of Deaths for reporting a death due to a notifiable infectious disease to the Commission and to a Council shall be One shilling for each death reported in accordance with the provisions of the preceding regulation.

29: (1) The municipal clerk on receipt of notification of any case of notifiable infectious disease shall immediately forward such notification to the medical officer of health or other authorized officer.

(2) The medical officer of health or other authorized person shall forthwith on receipt of such notification visit the address furnished in the notification, and make such inquiries and obtain such particulars as will enable him to trace the source of infection and to carry out such measures as are necessary to prevent the spread of infection.

(3) The Council shall cause such action to be taken as in the circumstances is necessary to safeguard the public health.

30. Immediately a Council becomes aware or has reason to believe that any person who has been notified as suffering from any notifiable infectious disease has acquired the disease in or usually resides or works in another municipal district such Council shall inform the Council of such district of the facts of the case.

31. The Council shall cause the premises where a case of notifiable infectious disease has occurred to be disinfected in whole or in part, and in such manner and at such time or times as the medical officer of health recommends.

32. Every proprietor of a dairy or dairy farm on whose premises a case of notifiable infectious disease occurs or carrier has been discovered shall—

- (a) when so ordered in writing by the medical officer of health immediately discontinue the sale for human consumption of dairy produce from such dairy or dairy farm until authorized by such medical officer to resume such sale;
- (b) on becoming aware of the existence of such case forthwith inform the Council and the Chief Veterinary Inspector, Department of Agriculture, Melbourne, of the facts relating thereto; and
- (c) on demand by the medical officer of health or other authorized officer give the names and addresses of customers supplied, and such other relevant particulars as the said medical officer or authorized officer may require.

33. Where any Council has reasonable grounds for believing that dairy produce produced in another municipal district is a factor in spreading infection in its own district such Council shall inform the Council of the district wherein such dairy produce is produced of the circumstances, and such latter Council shall forthwith direct its medical officer of health to investigate the matter and take such action as is necessary to safeguard the public health.

34. Where the medical officer of health has reasonable grounds for believing that the milk produced at any dairy farm or distributed at or from any dairy is contaminated or likely to become contaminated with the infection of any infectious disease he shall order in writing the proprietor of such dairy farm or dairy to boil or pasteurise all milk produced or received.

Division 2.—Special Provisions.

ANCHYLOSTOMIASIS.

35. On receipt of any notification of a case of anchylostomiasis the medical officer of health shall take such action as is necessary—

- (a) to ascertain whether the contacts of such case are suffering from the disease;
- (b) where premises are not sewered to secure the disinfection of the faecal discharges of the infected persons;
- (c) to secure that the closet on the premises is constructed and maintained in accordance with the General Sanitary Regulations;
- (d) to secure that the faecal matters from all persons on the premises are disposed of in such manner as to be harmless; and
- (e) to keep the patient under sanitary surveillance until faeces are free from ova.

ANTHRAX.

36. (1) On receipt of notification of a case of anthrax the medical officer of health shall investigate the circumstances and take such action as is necessary to trace the source of infection and to destroy or disinfect same and to report the result of his investigation to the Commission.

(2) If the source of infection proves to be an animal or any part of an animal the Council shall immediately inform the Chief Veterinary Inspector, Department of Agriculture, Melbourne, of the circumstances.

BILHARZIASIS.

37. (1) The medical officer of health shall give every person suffering from bilharziasis, and the occupier of the premises wherein such patient is, such instructions as are necessary to secure that the faeces and urine of such patient are destroyed or disinfected, and such patient and occupier shall carry out such instructions.

(2) Every patient shall be deemed to be infective until examinations of his urine and faeces shall prove the absence of ova.

(3) Every patient who has been declared non-infective and who subsequently develops symptoms of the disease shall forthwith, on becoming aware of the occurrence of such symptoms, report such occurrence to the medical officer of health of the municipal district in which he then is.

(4) The occupier of premises wherein there is or has recently been a patient shall take all necessary steps to destroy all snails in or about all buildings forming part of the premises occupied by such patient.

CEREBRO-SPINAL MENINGITIS.

38. (1) The Council shall cause every person suffering from cerebro-spinal meningitis to be isolated and detained in isolation until a medical certificate is produced that he is no longer liable to convey infection.

(2) The Council shall cause—

- (a) all contacts attending school and all contacts under school age to be isolated for a period of at least ten days; and
- (b) all other contacts to be kept under surveillance by the medical officer of health for such period of time as he deems necessary.

CHOLERA.

39. The Council shall cause—

- (a) every person suffering from cholera to be isolated until the medical officer of health is satisfied that the faecal discharges of such person are free from vibrios;
- (b) all contacts to be isolated until their faecal discharges are examined for the presence of vibrios;
- (c) all contacts whose faecal discharges contain vibrios to be isolated until such discharges are free from vibrios;
- (d) all contacts whose faecal discharges are free from vibrios to be released on surveillance;
- (e) the faecal discharges of all patients and carriers to be disinfected by heat forthwith after collection.

DIPHTHERIA.

40. (1) The Council shall cause every person suffering from diphtheria and every carrier to be isolated until at least two swabs taken at an interval of not less than 48 hours are declared negative by a pathologist.

(2) In the case of any carrier above school age remaining positive after the expiration of one month from date of isolation the medical officer of health may release him from isolation subject to such conditions as such medical officer of health may impose.

(3) In the case of any carrier where diphtheria germs have been found to be non-virulent by a pathologist, such carrier shall be deemed to be non-infective.

(4) The Council shall cause—

- (a) all contacts attending school and all contacts under school age to be isolated in accordance with the relevant conditions prescribed in the First Schedule hereto; and
- (b) all other contacts to be kept under surveillance by the medical officer of health for such period of time as he considers necessary.

DYSENTERY (BACILLARY) AND DYSENTERY (AMOEBIC).

41. The Council shall cause every person suffering from dysentery to be isolated until the discharges of such patient are free from the infecting organisms.

HYDATIDS.

42. (1) For the purpose of preventing hydatid disease in man and of preventing the infestation of dogs with taenia echinococcus the Council shall take such action as is practicable to prevent dogs getting access to diseased meat or viscera at abattoirs, and to destroy all such meat or viscera.

(2) No person shall feed any animal with meat or viscera affected with hydatid disease.

LEPROSY.

43. The Council shall cause all persons suffering from leprosy to be isolated under such conditions as the medical officer of health considers necessary until removed to a quarantine station or other suitable place in accordance with the provisions of section 114 of the *Health Act 1928*.

MALARIA.

44. (1) The Council shall forthwith, on receiving notification of a case of malaria, or of recurrence of symptoms, cause the patient to be effectually screened from mosquitoes until the medical officer of health is satisfied that there are no longer any infective parasites in the blood of the patient.

(2) Every person subject to malarial attacks shall forthwith, on becoming aware of the recurrence of symptoms, report such occurrence to the medical officer of health of the municipal district in which he is at the time of the attack.

(3) The Council shall cause the occupier of every house where a case of malaria occurs to take such action as is necessary to protect the patient from mosquitoes, and to destroy all mosquitoes and their breeding places in or about the premises occupied by the patient.

PLAGUE.

45. (1) In respect of plague, unless inconsistent with the context or subject-matter—

“Contact” includes any person who—

- (a) resides on the same premises as a patient; or
- (b) resides or works on any infected premises.

“Disinfection” includes the destruction of all rats, mice, and insects which may be in or upon any infected premises or things, and “disinfected” has a corresponding meaning.

“Infected premises” means any premises wherein any plague-infected animal (including an insect) is discovered or where any case of pneumonic plague has occurred.

“Insect” includes flea, bug, louse, and every insect capable of containing or conveying the germs of plague.

“Patient” means any person suffering from plague.

“Plague” includes bubonic plague, pneumonic plague, and septicaemic plague.

(2) (a) On receipt of notification of a case of plague the Council shall immediately cause the patient to be examined by the medical officer of health, and such medical officer of health shall make such inquiries and obtain such particulars as will enable the Council to take such action as is necessary to prevent the spread of the disease and to carry out any duty imposed on it by the Health Acts or Regulations.

(b) The medical officer of health shall, immediately after such examination and inquiry, report fully the result thereof to the Council, and the Council shall immediately furnish the Commission with a report of the whole of the facts and circumstances connected with or bearing upon the case of every such patient.

(3) The Council shall cause every patient to be isolated in some hospital or suitable place of isolation, and detained in isolation until he is no longer a source of infection.

(4) The Council shall cause—

(a) every person who is a contact by reason of residence on the same premises as a patient suffering from bubonic plague or septicaemic plague or of residence or employment on infected premises to be placed under medical surveillance for a period of not less than seven days subject to such conditions as may be specified in the order by the medical officer of health; and

(b) every person who is a contact by reason of residence on the same premises as a patient suffering from pneumonic plague to be isolated for a period of not less than seven days, either in a hospital or other suitable place of isolation.

(5) Every contact placed under medical surveillance shall submit to such treatment and carry out such instructions as the medical officer of health specifies in the order.

(6) (a) Immediately on learning of the existence of "infected premises" the Council shall—

- (i) take all necessary steps to remove the occupants from such premises to a hospital or place of isolation;
- (ii) cause every such occupant and his clothing to be so treated as to kill all insects which may be upon such person or his clothing; and
- (iii) cause such premises to be disinfected.

(b) No occupant shall re-enter such premises until he has been treated as required by this Regulation and has the permission of the medical officer of health to do so nor until such premises have been disinfected, and no other person shall enter such premises without such permission.

(c) For the purposes of this Regulation "occupant" includes the person in personal occupation, any person residing on or employed on such premises, and every guest, visitor, or trespasser on such premises.

(7) (a) The Council may order any infected premises to be isolated, and any person then being in or upon such premises shall thereupon be subject to all the provisions of these Regulations relating to contacts.

(b) Such order shall remain in force until the premises therein described are free from infection or can be released from isolation without danger to the public health.

(8) Every Council, on being thereto required by the Commission, shall transmit and continue to transmit to the Commission, until otherwise required, on every Monday a report setting out in respect of its municipal district and in respect of the preceding week ending at midnight on Sunday—

- (a) the number and species of rats destroyed;
- (b) whether any examinations of such rats have been made, and if so with what results;
- (c) whether there has been amongst rats or mice any sickness or disease of an unusual character, and if so what steps, if any, have been taken to ascertain the nature of such sickness or disease and with what results.

POLIOMYELITIS, POLIOENCEPHALITIS, AND ENCEPHALITIS (LETHARGIC).

46. The Council shall cause—

- (a) every person suffering from poliomyelitis, polioencephalitis, or encephalitis (lethargic) to be isolated, and detained in isolation, until the medical officer of health is satisfied that such person is no longer liable to convey infection;
- (b) all contacts attending school and all contacts under school age to be isolated for a period of at least 21 days after the commencement of the patient's illness; and
- (c) all other contacts to be kept under surveillance by the medical officer of health for such period of time as he considers necessary.

PUERPERAL FEVER.

47. (1) The Council shall cause every woman suffering from puerperal fever to be isolated to the satisfaction of the medical officer of health, and detained in isolation until such medical officer is satisfied that such woman is no longer liable to convey infection.

(2) No nurse or other person in nursing attendance on any patient shall attend on any other person until the medical officer of health is satisfied that such nurse or person is not liable to convey infection.

SCARLET FEVER.

48. The Council shall cause—

- (a) every person suffering from scarlet fever to be isolated, and detained in isolation, until the medical officer of health is satisfied that such person is no longer liable to convey infection;
- (b) all contacts attending school and all contacts under school age to be isolated for a period of not less than seven days after the last exposure, after which period the contact may be released if apparently in good health and free from sore throat or discharge from nose or ears; and
- (c) all other contacts to be kept under surveillance by the medical officer of health for such period of time as he considers necessary.

SMALL-POX.

49. (1) On receipt of notification of a case of small-pox the Council shall immediately cause the patient to be examined by the medical officer of health, and such medical officer shall make such inquiries and obtain such particulars as will enable the Council to take such action as is necessary to prevent the spread of the disease and to carry out any duty imposed on it by the Health Acts or Regulations.

(2) Such medical officer of health shall immediately after such examination and inquiry report fully the result thereof to the Council, and the Council shall immediately furnish the Commission with a report of the whole of the facts and circumstances connected with or bearing upon the case.

(3) The Council shall cause every person suffering from small-pox to be isolated either in the house wherein he is discovered or in some suitable hospital or place of isolation, and detained in isolation until he is no longer liable to transmit infection.

(4) The Council shall cause every contact to be isolated for such period as the medical officer of health deems necessary, or placed under medical surveillance.

(5) The Council shall in the case of contacts take such action as is necessary in accordance with the circumstances hereunder set forth:—

(a) Where a contact is efficiently protected against small-pox by vaccination or by having suffered from small-pox he shall be released subject to such disinfecting processes as may be considered necessary by the medical officer of health.

(b) Where a contact is not protected against small-pox by vaccination or a previous attack of the disease he shall be detained in isolation until all risk of his developing small-pox is over.

(c) Where in the opinion of the medical officer of health the circumstances are such as not to justify isolation the contact may be released on medical surveillance.

TETANUS.

50. Whenever a case of tetanus is notified the Council shall cause inquiries to be made as to how the infection was contracted and take such action as is necessary or desirable under the circumstances.

TRACHOMA.

51. The Council shall cause—

(1) every child attending school and every child under school age suffering from trachoma to be isolated until no longer liable to convey infection; and

(2) all other persons suffering from trachoma to be kept under surveillance by a medical officer of health for such period of time as he considers necessary.

TUBERCULOSIS.

52. (1) Every person suffering from pulmonary tuberculosis shall expectorate into a special receptacle, and such receptacle and the contents thereof shall be disinfected or destroyed by heat by such patient or by the person in nursing attendance upon or in charge of such patient.

(2) The medical officer of health shall keep every patient under surveillance by inquiry and inspection with a view to ascertaining whether the precautionary measures are being observed.

(3) If the medical officer of health is of the opinion that any patient is so helpless or so negligent as to be a danger to the health of others he shall take action in accordance with the provisions of section 115 of the *Health Act 1928*.

TYPHOID FEVER (INCLUDING PARATYPHOID).

53. (1) The Council shall cause—

(a) every person notified as suffering from typhoid fever to be isolated and kept in isolation until the faecal discharges are negative: Provided that the medical officer of health may, subject to such restrictions as he may deem necessary, release any patient while the faecal discharges are positive;

(b) all carriers to be kept under medical surveillance and to carry out the instructions of the medical officer of health.

(2) No carrier shall prepare food for consumption by others.

TYPHUS FEVER.

54. The Council shall cause—

- (a) every person suffering from typhus fever to be isolated until the medical officer of health is satisfied that such person is no longer in an infective state, and shall take such action as is necessary to destroy all lice and fleas that may be on the premises;
- (b) every contact to be isolated until a medical certificate is produced that he is not liable to contract or spread the disease.

YELLOW FEVER.

55. (1) On receipt of notification of a case of yellow fever the Council shall immediately cause the patient to be examined by the medical officer of health, and such medical officer shall make such inquiries and obtain such particulars as will enable the Council to take such action as is necessary to prevent the spread of the disease and to carry out any duty imposed on it by the Health Acts or Regulations.

(2) Such medical officer shall immediately after such examination and inquiry report fully the result thereof to the Council, and the Council shall immediately furnish the Commission with a report of the whole of the facts and circumstances connected with or bearing on the case.

(3) The Council shall cause every person suffering from yellow fever to be isolated either in the house wherein he is discovered or in some suitable hospital or place of isolation until a medical certificate is produced that he is not liable to spread the disease.

(4) The Council shall cause every contact to be isolated for six days or such lesser period as the medical officer of health deems necessary or placed under medical surveillance.

(5) The Council shall cause—

- (a) every patient to be effectually screened from mosquitoes;
- (b) the occupier of every house where a case of yellow fever occurs to take such action as is necessary to destroy all mosquitoes and their breeding places on or about the premises.

PART IV.—NON-NOTIFIABLE INFECTIOUS DISEASES.

56. The parent of every child suffering from chicken pox, influenza, German measles, measles, mumps, or whooping cough shall cause such child to be effectually isolated and detained in isolation until the child is no longer liable to convey infection.

57. No child who has suffered from chicken pox, German measles, measles, mumps, or whooping cough shall attend school unless the provisions of the First Schedule hereto relating to such diseases have been complied with.

58. No contact of any person suffering from measles or whooping cough shall attend school unless the provisions of the First Schedule hereto relating to contacts have been complied with.

PART V.—SUPPLEMENTARY.

59. The Council of every municipality shall superintend and see to the execution of these Regulations, and shall at its own cost do and provide all such acts, matters, and things as are necessary for that purpose.

60. Any person doing any act forbidden to be done, or failing to do any act directed to be done by these Regulations, shall be guilty of an offence against these Regulations, and shall be liable to a penalty of not more than Twenty pounds; and in the case of a continuing offence a further daily penalty of not more than Five pounds; but so that the total of such penalties shall not exceed One hundred pounds.

PART VI.—SCHEDULES.

First Schedule.

EXCLUSION OF PATIENTS AND CONTACTS FROM SCHOOL.

(1) For the purpose of this schedule—

“Contact” means child of school age or pre-school age living in the same house as the patient.

MELBOURNE.—Sale of Right to Lease of Crown allotments will be held at the AUCTION ROOMS of BAILLIEU, ALLARD PTY. LTD., 360 Collins-street, Melbourne, on WEDNESDAY, the 25th day of JUNE, 1941, at ELEVEN o'clock a.m. To be conducted by S. L. V. SMITH, Land Officer. Auctioneers: BAILLIEU, ALLARD PTY. LTD.

The Right to Lease, under section 125 of the *Land Act* 1928, as extended by section 5 of the *Land Act* 1932, the Crown land hereinafter described will be offered for sale by public auction at the auction rooms of Baillieu, Allard Pty. Ltd., 360 Collins-street, Melbourne, on Wednesday, the 25th day of June, 1941, at Eleven o'clock in the forenoon, for any purpose or purposes which may be authorized under the provisions of the above-mentioned sections.

W. McILROY,
Secretary for Lands.

CONDITIONS OF LEASE.

The lease will be subject to the statutory provisions of the *Mines Acts* and the *Mines (Petroleum) Act* 1935, and the under-mentioned conditions:—

1. The term shall be forty (40) years for lot 1, and thirty (30) years for lot 2, commencing on 26th June, 1941, unless modified by condition 16.
2. The rent shall be payable quarterly in advance. (If the term of the lease be for longer than ten years, the rent shall be re-appraised at the end of every ten-year period.)
3. The lessee shall pay all taxes, rates, duties, charges, assessments, &c., payable in respect of the land and premises.
4. The land shall not (unless with the consent of the Secretary for Lands) be used for any other purpose than that declared by the purchaser.
5. Plans of all buildings proposed to be erected on the land shall be submitted to the Board of Land and Works for its consideration, and work shall not be commenced until approval is given.
6. No advertising matter or medium will be permitted on the land or premises or fencing, provided however, that the Minister of Lands may permit a sign or other advertisement which refers solely to the purpose for which the lease is granted.
7. The buildings and other improvements shall be maintained throughout the term of the lease in good order and repair to the satisfaction of the Board of Land and Works, which reserves the right of entry for inspection, and in case of default, to make good any defects at the lessee's expense.
8. The lessee shall keep all buildings insured in the name of the Secretary for Lands for an amount fixed by the Surveyor-General, and the policy and the renewal receipts in respect thereof shall be deposited with the Secretary for Lands, Melbourne.
9. The site shall not be used for the storage of dynamite, gunpowder, kerosene, or other combustible or inflammable manufactured materials unless and until an application has been submitted and consented to by the Minister of Lands in office at the date of the application.
10. Arrangements must be made for the prevention of nuisance, for the observance of decency, and for sanitary measures generally.
11. The lessee shall not assign, sub-let, mortgage, or transfer the land, or any part thereof, without the consent of the Governor in Council.
12. At the expiration or sooner determination of the term of the lease, the land and all improvements (except machinery and appliances which can be removed without material injury to the land or buildings), shall revert to the Crown.
13. The Governor in Council has the right to resume the whole or any portion of the land for public purposes on payment of compensation for the lessee's interest in the unexpired term of the lease in respect of the resumed area.
14. The lease shall be voidable for failure to use the land bona fide for the purpose for which it has been demised, or for non-payment of rent or interest on rent in arrear, or for breach of any condition, or if the affairs of the lessee be wound up, or in the event of bankruptcy of the lessee.
15. The lessee shall, by the 24th December, 1941, have erected buildings (the walls of which shall be of brick, concrete, or other material agreed to by the Minister of Lands) and/or other permanent improvements to the value of £7,000 on lot 1 and £5,320 on lot 2, in accordance with plans and specifications approved by the Board of Land and Works.
16. If the purchaser be other than the present licensee, valuation of improvements, which will be announced at the sale, must be paid for within seven days of the date of the sale, and possession will be given within three months of the sale.

Tenders to be addressed to the Honorable the Commissioner of Public Works, and envelope containing tender marked "Tender for _____, due _____."

GEO. L. GOUDIE,
Commissioner of Public Works.

Melbourne, 28th May, 1941.

TENDERS FOR GRAZING.

(Section 121, Land Act 1928.)

For the period 1st July, 1941, to 30th September, 1942, renewable annually for a further period where stated.

Tender Forms and all particulars can be obtained on application to the Lands Department, Melbourne, or any of the Lands Offices in the Country.

Tenders should be placed in the Lands Department Tender-box, State Treasury Buildings, Melbourne, C.2, at or before Noon on Thursday, 19th June, 1941.

TENDERS are invited and must be lodged at the Lands Department, Melbourne, at or before Noon on Thursday, 19th June, 1941, for the right to depasture stock on the following unappropriated portions of lands subject to the Regulations approved by the Governor in Council and also the subjoined conditions.

CONDITIONS.

1. The period of occupation will be for fifteen (15) months from 1st July, 1941, to 30th September, 1942, renewable annually for a further period as stated.

2. The rent for fifteen months—for which the licence will be issued, and the licence fee of 7s. 6d.—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. The licensee shall pay shire rates and all other charges for the period of occupation.

4. Separate tenders must be lodged for each block.

5. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name, occupation, and ordinary postal address.

8. Where permission to fence has been granted, the outgoing tenant has the option to remove any existing fencing owned by him within one month, or he may arrange with the incoming tenant to pay for it in accordance with the provisions of section 124, Land Act 1928.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.

In addition to the foregoing conditions, the following will apply to lots 12, 13, 14, and 15:—

The Minister may grant permission to cultivate.

No advances will be made by the Board of Land and Works with respect to these areas.

Existing improvements, including clearing, to be maintained to the satisfaction of the Minister.

The Board of Land and Works reserves the right to sell or remove from each lot the surplus houses or other buildings not required for the reasonable working of the areas.

The Minister may grant permission to the licensee to remove any internal fencing to complete the boundary fences.

NOTE.—No provision has been made for the supply of water; consequently each licensee will be required to make his own arrangements.

A. E. LIND,

Commissioner of Crown Lands and Survey.

Department of Lands and Survey,
Melbourne, 23rd May, 1941.

BOROUGH OF PORTLAND.

BY-LAW No. 66.

NOTICE is hereby given that the Council of the Borough of Portland has passed By-law No. 66 under Part VII. of the *Local Government Acts*.

Summary of the contents and provisions of the said By-law is as under:—

(a) Regulating, restricting, restraining, or prohibiting the erection, construction, use, occupation, conversion, and alteration of and any addition to buildings or erections, and regulating, restraining, or prohibiting the erection and construction of hoardings or of fences abutting on or within 10 feet of any street or road.

(b) Requiring the pulling down and removal of buildings, erections, or hoardings or of fences abutting on or within 10 feet of any street or road.

(c) Authorizing the Council to pull down and remove buildings, erections, or hoardings or fences erected or constructed contrary to any By-law or not pulled down or removed as required by or under any such By-law, and to sell the materials and apply the proceeds in reimbursing the expenses of pulling down and removing such buildings, erections, hoardings, or fences and in paying into the municipal fund any fees or penalties due by the owner thereof.

(d) Appointing fees which may be charged and received by the Council for any act done or to be done by any of its officers under such regulations and for any permit or licence to be issued by the Council.

(e) Prohibiting on from and after a date specified in the By-law the erection or placing against or in front of any house or building abutting upon any public footway in any street or part thereof specified in the By-law of any verandah over or across such footway unless such verandah is supported by cantilevers, brackets, or projecting supports and not otherwise.

(f) Requiring the pulling down or removal before a date specified in the By-law (not being less than ten years after the coming into operation of the By-law) of all verandahs before the first-mentioned date erected or placed against or in front of any house or building abutting upon any such public footway which verandahs are upon over or across such footway, and are supported otherwise than by cantilevers, brackets, or projecting supports; and

(g) For other purposes to implement the carrying out of the general tenor and effect of the said By-law.

A true copy of the By-law is open for inspection, free of charge, during office hours, at the Town Hall, Portland.

Dated this 28th day of May, 1941.

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 7d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for. Subscribers do not receive the Acts of Parliament with the Gazette.

ADVERTISEMENTS are charged at the rate of EIGHT PENCE per line single column, and ONE SHILLING and FOUR PENCE per line double column.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines as a heading.

On an average, eleven words make a line. Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and FIVE p.m. at double rates, on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are Six pence, posted Seven pence, each.

No GAZETTES prior to January, 1926, in stock.

***ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
