## ACTS OF PARLIAMENT.

### PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

I, THE Governor of the State of Victoria, in the Commonwealth of Australia, do hereby declare that I have this day assented, in His Majesty's name, to the Bills passed by the Parliament of the said State, the titles whereof are hereunder set forth, that is to say:—

- No. 4806. "An Act to amend Part B of the Fourth Schedule to the *Melbourne and Metropolitan Tramways Act 1928*."
- No. 4807. "An Act to apply out of the Consolidated Revenue the sum of Five hundred and sixty-nine thousand and sixty-four pounds to the service of the year One thousand nine hundred and forty and One thousand nine hundred and forty-one."
- No. 4808. "An Act to apply out of the Consolidated Revenue the sum of One million four hundred and eighty-two thousand one hundred and thirty-two pounds to the service of the year One thousand nine hundred and forty-one and One thousand nine hundred and forty-two."
- No. 4809. "An Act to alter the Constitution of the Farmers' Debts Adjustment Board, and for other purposes."
- No. 4810. "An Act to provide for the Punishment of Persons giving False Alarms of Fire."
- No. 4811. "An Act to authorize the Treasurer of Victoria to guarantee the Payment to the Commonwealth Bank of Australia by the Amalgamated Freezing Company (Victoria) Proprietary Limited of Moneys advanced by the said Bank to the said Company by way of Overdraft for the purposes of its Undertakings at Ballarat Bendigo and Donald during the Financial Year 1941-1942, and the Payment of Interest on such Moneys."
- No. 4812. "An Act to continue the Operation of the *National Security (Emergency Powers) Act 1939*."

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twelfth day of August, in the year of our Lord One thousand nine hundred and forty-one, and in the fifth year of the reign of His Majesty King George VI.

(L.S.)

WINSTON DUGAN.

By His Excellency's Command,

A. A. DUNSTAN.

GOD SAVE THE KING!

## PUBLIC HIGHWAY.—CITY OF ST. KILDA.

### PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Local Government Act 1928* (No. 3720), section 518, it is amongst other things enacted that it shall be lawful for the Governor in Council at any time, and from time to time, upon the request of the Council of any municipality, by notice in the *Government Gazette*, to declare any land reserved, used, or by purchase or exchange acquired for a street, road, highway, thoroughfare, bridge, square, court, alley, or right-of-way to be a public highway, and that such land shall thereupon and thenceforth from the date of such Proclamation become and be absolutely dedicated to the public as a public highway within the meaning of any law then or thereafter in force: And whereas the Council of the City of St. Kilda has requested that the land hereinafter mentioned be so declared to be a public highway: Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do by this Proclamation declare the land hereinafter described, and situated within the City of St. Kilda aforesaid, to be a public highway within the meaning of the said Act, viz.:—

## PUBLIC HIGHWAY.—CITY OF ST. KILDA.

### Marlton-crescent.

All that piece of land situate in the Parish of Prahran, County of Bourke, being part of Crown allotment A, portion 67, commencing at a point on the south boundary of Wellington-street distant 183 ft. 5½ in. easterly from the east boundary of Crimea-street; thence by lines bearing south 312 ft. 1 in., east 1 ft. 4½ in., south 86 feet, east 50 feet, and north 0 deg. 5 min. east 396 ft. 9 in. to a point on the south side of Wellington-street; and thence along Wellington-street north 88 deg. 27 min. west 50 ft. 6½ in. to the commencing point.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twelfth day of August, in the year of our Lord One thousand nine hundred and forty-one, and in the fifth year of the reign of His Majesty King George VI.

(L.S.)

WINSTON DUGAN.

By His Excellency's Command,

GEO. L. GOUDIE,  
Commissioner of Public Works.

GOD SAVE THE KING!

## Land Act 1928.

## AREAS OF LANDS COMPRISED IN CERTAIN CLASSES DIMINISHED OR INCREASED.

## PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Land Act 1928* it is amongst other things enacted that the Governor in Council may, by Proclamation to be published in the *Government Gazette*, at any time diminish or increase the area of land comprised in any of the classes mentioned in Part I., Division 1, section 5, of the said *Land Act 1928*, but that the area of lands which may be sold by auction (Class 6) shall not be increased except as in certain cases in the said Act provided: Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in accordance with the provisions of sections 94 and 117 of the *Land Act 1928* aforesaid, do hereby diminish or increase (as the case may be) the areas of Crown lands comprised in Classes 1, 2, 6, and 7 of the classes mentioned in section 5 of the *Land Act 1928* aforesaid to the extent set forth in the subjoined Schedule (that is to say):—

Schedule referred to.

## CLASSES DIMINISHED OR INCREASED.

County.	Parish.	Allotment.	Section.	Area.	Diminished.	Increased.	Description.
					Class.	Class.	
Ripon .. ..	Ararat .. ..	13L	14	A. R. P. 2 0 12	7	6	North-west of the Town of Ararat. Corr. No. J23821.

## The Fisheries Acts.

## MINIMUM LENGTH FOR QUINNAT SALMON.

## PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

I, THE Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of the provisions of the Fisheries Acts and all other powers me enabling in that behalf, do by this Proclamation add Quinntat Salmon to the Second Schedule to the *Fisheries Act 1928*, and set opposite thereto the length of fifteen inches.

The length of such fish shall be ascertained by measuring overall, that is, from the tip of the snout to the end of the tail.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twelfth day of August, in the year of our Lord One thousand nine hundred and forty-one, and in the fifth year of the reign of His Majesty King George VI.

(L.S.)

WINSTON DUGAN.

By His Excellency's Command,

H. S. BAILEY,  
Chief Secretary..

GOD SAVE THE KING!

Proclamation declare the plant named hereunder to be a noxious weed for the purposes of the above Act within the Shire of Corio, viz.:—

*Bassia quinquecupis* F.v.M. ("Five-spined Saltbush").

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twelfth day of August, in the year of our Lord One thousand nine hundred and forty-one, and in the fifth year of the reign of His Majesty King George VI.

(L.S.)

WINSTON DUGAN.

By His Excellency's Command,

H. J. HYLAND,  
for Commissioner of Crown Lands and Survey.  
GOD SAVE THE KING!

## DEPARTMENT OF LAW.

## APPOINTMENTS:—ORDER AMENDED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth by an Order made on the 12th day of August, 1941, hereby amend the Order in Council of the 28th day of July, 1941, and published in the *Gazette* of the 30th idem, appointing certain persons to Keep the Peace in the Central Bailiwick of the said State, by the substitution of the name "Neil Garnsworthy Wishart" for that of "Neil Gainsworthy Wishart" appearing therein.

*Marketing of Primary Products Act 1935.*

## NOTICE TO PERSONS HOLDING OR HAVING UNDER THEIR CONTROL STOCKS OF CHICORY.

IN pursuance of the powers in that behalf conferred on me by section 33 of the *Marketing of Primary Products Act 1935* (No. 4337), I, Edmond John Hogan, Minister of Agriculture in the State of Victoria, do by this notice require all persons holding or having under their control on any day during the period from the 31st day of January, 1941, to the 31st day of July, 1941, more than half a ton of chicory to furnish within seven days from the date of publication of this notice in the *Government Gazette* to the Secretary, Chicory Marketing Board, 375 Collins-street, Melbourne, C.I., a return setting forth the following information in respect of such chicory:—

(a) The quantity of chicory held by them or under their control on the 31st day of January, 1941.

(b) The quantity of chicory received by them or coming under their control between the 31st day of January, 1941, and the 31st day of July, 1941; and, in the case of persons other than producers of chicory—

1. The name and address of the producer or other person from whom such chicory was received.

2. The quantity so received.

3. The dates on which such chicory was received.

4. The method of transport of each quantity so received.

5. The name and address of the carrier or other person transporting such chicory.

6. Where such carrier or other person is acting as agent for a principal, such principal's name and address.

(c) The quantity of such chicory as is disposed of as roasted and ground (processed) chicory, between the 31st day of January, 1941, and the 31st day of July, 1941, in the usual course of trade.

(d) The quantity of such chicory as is disposed of as kiln dried chicory between the 31st day of January, 1941, and the 31st day of July, 1941, together with—

1. The names and addresses of the persons to whom such chicory has been delivered.

2. The quantities so delivered to each such person.

3. The date of such delivery.

4. The method of transport of such delivery.

5. The name and address of the carrier or other person effecting such delivery.

6. Where such carrier or other person is acting as agent for a principal, such principal's name and address.

(e) The quantity of chicory held by them or under their control on the 31st day of July, 1941.

Any person who fails to comply fully and sufficiently with the requirements of this notice, or wilfully furnishes any false or misleading return, shall be guilty of an offence against the *Marketing of Primary Products Act*.

E. J. HOGAN,  
Minister of Agriculture.

In the Supreme Court.—In the matter of EDNA FRANCES ISAACS, and in the matter of an Application by the Honorable the Attorney-General, pursuant to section 33 of the *Supreme Court Act 1928*.

Before His Honour Mr. Justice Macfarlan.

Monday, the 21st day of July, 1941.

UPON motion made unto this Court on behalf of the Honorable the Attorney-General on Friday, the 18th day of July, 1941, and this day, pursuant to notice of motion dated the 10th day of July, 1941, and filed herein: Upon reading the said notice of motion and the affidavits of Joseph Davis, Edward Alexander Cook, and Thomas Augustine Keely, sworn and filed in support of same, and the affidavit of the above-named Edna Frances Isaacs, sworn the 16th day of July, 1941, and filed herein, and the Notice of Set-off filed herein on the 16th day of July, 1941, by the above-named Edna Frances Isaacs: And upon hearing Mr. Gowans, of counsel on behalf of the Attorney-General, and the plaintiff in person, this Court being satisfied that the said Edna Frances Isaacs has habitually and persistently and without any reasonable ground instituted vexatious legal proceedings in this Court against different persons, this Court doth order, pursuant to section 33 of the *Supreme Court Act 1928*, that from and after the date of this Order no legal proceedings shall, without the leave of the Supreme Court or a Judge thereof, be instituted by the said Edna Frances Isaacs in any Court.

Duty Stamp £1.
Cancelled 1.8.41. H.D.

(L.S.)

By the Court.

## MILDURA URBAN WATER TRUST.

ON 10th July, 1941, in accordance with the approved estimates, the following rates were declared by the Mildura Urban Water Trust upon the lands and tenements within its district:—

(a) A rate of Thirty-five shillings (35s.) on each allotment or tenement fronting a main or supplied by pipe.

(b) A rate of Ten shillings (10s.) on each allotment or tenement neither fronting a main nor supplied by pipe.

(c) On villa lots (for irrigation purposes only), a rate of Sixty shillings (60s.) per acre on planted land or land receiving water.

The above rates to be payable in one amount on the 30th September, 1941, and if not paid by 30th November, 1941, to bear interest at the rate of Six per cent. (6%) per annum from 30th September, 1941, to the date of payment.

The common seal of Mildura Urban Water Trust was hereto affixed, by direction of the said Trust, by—

G. HUGHES, Secretary.

in the presence of—

(SEAL) H. W. BOWRING, Commissioner.  
J. S. SHILLIDAY, Commissioner.

Approved by the Governor in Council,  
12th August, 1941.

C. W. KINSMAN,  
Clerk of the Executive Council.

## MILDURA URBAN WATER TRUST.

MILDURA Urban Water Trust, pursuant to and in exercise and execution of the powers conferred on it by the Mildura Irrigation and Water Trusts Acts and the Water Acts, doth hereby make the By-law following:—

That for water used in excess of the allowance on any allotment or tenement within the district of the Trust, there shall be a charge of Six pence per thousand gallons, which shall be payable on demand.

The allowance for any allotment or tenement shall be 80,000 gallons for a full year, and shall be *pro rata* for any portion of a year.

The foregoing By-law was made and passed by Mildura Urban Water Trust, and its common seal was hereto affixed by authority of the said Trust, on 10th July, 1941, by—

G. HUGHES, Secretary,

in the presence of—

(SEAL) H. W. BOWRING, Commissioner.  
J. S. SHILLIDAY, Commissioner.

Approved by the Governor in Council,  
12th August, 1941.

C. W. KINSMAN,  
Clerk of the Executive Council.

*Farmers' Debts Adjustment Act 1935.*

## CANCELLATION OF STAY ORDERS.

NOTIFICATION is hereby given that the Stay Orders issued to the under-mentioned farmers, have been cancelled by the Farmers' Debts Adjustment Board, such cancellation to take effect on and from 13th August, 1941:—

*Stay Order; Name; Address.*

3041; Blood, Patrick; Gordon.

200; Conway, Martin; Yarragon.

1113; Cooper, Arthur Robert James; Nullawil.

1205; Cooper, Flora; Nullawil.

1500; Cussen, Jean Wright and Gerald Robert; Pakenham East.

2407; Martin, Edward; Pompapier.

3082; Smilie, Mary Jane, John James, and William; Kyabram.

NOTIFICATION is hereby given that the Stay Order issued to the under-mentioned farmer has been cancelled by the Farmers' Debts Adjustment Board, such cancellation to take effect on and from 25th August, 1941:—

*Stay Order; Name; Address.*

3034; MacDougall, Hector; Minyip.

W. R. MANN, Secretary,  
Farmers' Debts Adjustment Board.

12th August, 1941.

## TRARALGON SEWERAGE AUTHORITY.

BY-LAW No. 1.—RELATING TO CONSENTS, LICENCES, ETC., ALSO LEVELS, DIMENSIONS, CONSTRUCTION, MAINTENANCE, VENTILATION AND CLEANSING OF SEWERS AND OTHER MATTERS RELATING TO HOUSE CONNEXION WORK.

**T**HE Traralgon Sewerage Authority, pursuant to and in exercise of the powers and authorities conferred on it by the Sewerage District Acts and of any and every other power or authority in any wise enabling it in that behalf, doth hereby make and prescribe the following By-law, that is to say:—

In the construction and interpretation of this By-law, unless inconsistent with the context or subject-matter—

“Acts” means the Sewerage District Acts and any amendment thereof, and any Act incorporated therein, or amendment of such Acts.

“Anti-siphonage vent” (or “back vent”) means any vent pipe from any individual trap to the open air, or a main or branch vent pipe having for its purpose the prevention of loss of water seal in the trap.

“Approved” means to the approval of the Engineer when referring to workmanship or materials.

“Authority” means the Traralgon Sewerage Authority.

“Bore,” “diameter,” or “size,” in reference to any pipe, drain, or sewer means the nominal internal diameter thereof, in accordance with accepted trade practice.

“Building” means any building used as a work place, residence, place of business, place of amusement, or place of human habitation, or for the storage of food intended for human consumption, but does not include outbuildings unless such are used for any of the above purposes.

“Combined pipe system” means that type of plumbing installation in which disconnector traps are omitted and both soil and waste pipes are connected directly to the drain or to a common pipe taking both soil and waste discharges, and in which a common system of venting is used for all classes of pipe.

“Combined waste pipe” means any pipe which receives the discharges from both soil and waste fixtures and conveys the same to the drain. Combined waste pipes are connected directly to the drain and are used only in connexion with the “combined pipe system.”

“Disconnector trap” means a trap for isolating or disconnecting waste pipes from the house drain and soil pipes and providing inlet ventilation to the waste pipe or pipes discharging into it.

“Drain” or “house drain” means that portion of a drainage system, not vested in the Authority, which conveys the discharge from soil, waste, and other drainage pipes from any premises to the sewer. The drain may be used for the drainage of one building only or of premises within the same curtilage, and includes any drain for draining any group or block of houses by a combined operation under the order of the Authority.

“Educt vent” means an opening or pipe for the exit of air from and the induction of draught in a soil pipe, waste pipe, or house drain.

“Engineer” means the Engineer of the Authority, and shall also include any officer or person appointed by the Authority for the purpose of discharging the duties or exercising the powers of the Engineer.

“External closet” means any sanitary convenience which is not entered directly from nor has an opening into any building; direct access being had to the closet from the open air.

“Fittings” mean all apparatus or appliances, together with their necessary appurtenances and connexions, for use in connexion with the plumbing or drainage system of any property, with the exception of fixtures and straight piping.

For the purpose of computing fees payable under this By-law “Fitting” includes any sanitary or plumbing fixture or each piece of equipment which is connected to or discharges its waste water through a waste outlet or to a common outlet.

“Fixtures” means all apparatus or appliances, together with their necessary appurtenances and connexions, which may be attached to the plumbing or drainage system of any property, and which are intended for the collection or retention of any wastes or waste waters for ultimate discharge into the sewerage system.

“Flat” means a suite of rooms used, or intended or adapted for use, as a separate habitation and comprised in a building containing one or more similar suites.

“Induct vent” means an opening or pipe for the admission of air to a soil pipe, waste pipe, or house drain.

“Interceptor trap” (or “boundary trap”) means a trap for preventing the passage of air or gases from the sewer to the house drain at some point between the sewer and the lowest inlet to the house drain.

“Internal closet” means any closet which is entered from or has an opening into, any building.

“Occupier” means the person for the time being in actual or constructive occupation of the premises.

“Owner” includes the person for the time being who receives or is entitled to receive the rent of the lands or premises in connexion with which the word is used, whether on his own account or as an agent of or as trustee for any other person, or who if such lands or premises were let to a tenant at a rack rent would be entitled to receive the rack rent from the occupier thereof.

“Premises” includes any house and any building whatsoever and any part of any house or building and any garden, stable yard or offices used together or in connexion with any house or building and every part thereof.

“Responsible officer” means any officer or his deputy or person authorized by the Authority to act as its representative in the particular matter to which the reference is made.

“Sewer” means any conduit for the carriage of sewage which is vested in the Authority.

“Sewerage district” means any portion of the Town of Traralgon and Township of Traralgon and Parish of Traralgon to which the Acts apply and which under any Acts is proclaimed the sewerage district of the Authority, and includes any area which is added to and forms part of such sewerage district.

“Sewered property” means, as well as any sewered land or premises, any land or premises which have been declared by a general notice given by the Authority under the Acts to be deemed and taken to be a sewered property within the meaning of the Acts.

“Sewerage system” includes all sewers, fittings, fixtures, appliances, plant, machinery, and any other sewerage works vested in the Authority.

“Slop sink” means any fixture other than a closet pan or urinal used for the discharge of soil or urine waters and provided with a flushing apparatus in accordance with Division 33 of this By-law.

“Soil pipe” means any pipe which conveys the discharge from water closets, slop sinks, or urinals to the house drain.

“Stack” means any vertical line of soil, waste or vent piping with its offsets, if any.

“Trade waste” means the liquid refuse from any business trade or manufacturing property, other than domestic sewage, storm water, or unpolluted water.

“Trap” means any fitting designed to retain a quantity of water to arrest the passage of air or gases through such fitting.

“Waste pipe” means any pipe which conveys the discharge from any fixture (except water closets, slop sinks, or urinals), to a disconnector trap.

“Water seal” or “trap seal” means the vertical distance between the dip and the crown weir of a trap.

## INTERPRETATION.

In the construction of this By-law the meaning which, in the Acts, is assigned to any word shall be the meaning of the same word where occurring in this By-law, unless inconsistent with the subject-matter or context.

## PART I.—GENERAL REGULATIONS.

## DIVISION 1.—APPLICATIONS FOR CONSENTS, ETC.

**Section 1.**—Application for the Authority's consent to connect with the sewerage system, or to do plumbing and drainage work connected therewith, must be made in writing by the owner of the property to be so connected, or by his authorized agent.

**Section 2.**—Such application shall give the precise location of the property, the name of the owner, and the name of the person employed to do the work, and shall be in the form prescribed by the Authority. For any wilful misrepresentation in such application the owner or authorized agent as aforesaid shall be guilty of an offence against this By-law. No consent given by the Authority shall be deemed to authorize anything not stated in the application nor to confer or grant the right to lay a drain through any land intervening between the sewer of the Authority and the land proposed to be connected, and every owner or agent applying for the Authority's consent shall satisfy himself as to his legal right to drain through such intervening land and he shall be solely responsible for any trespass or damage thereon or thereto.

**Section 3.**—Consents to make connexions with the sewerage system will be issued only when the plumbing and draining in the property to be connected is planned to be made in accordance with the rules for plumbing and draining herein-after prescribed, and after such plan has been inspected and approved of by the responsible officer appointed by the Authority for the purpose, or, in the case of new buildings, when a proper plan of the plumbing and of the drainage of the building into the branch, of which the Authority shall have fixed the position, has been approved of in writing by the Authority. All connexions with drains or sewers and all plumbing and drainage connexions therewith, shall be made under the direction of the responsible officer of the Authority. No person shall be engaged or employed as a workman in the actual performance of any plumbing or drainage work unless he is the holder of a licence or permit issued by the Authority.

authorizing him to do such work. Any person who shall at any time or at any place make up, form, affix, alter, or repair, any fitting, pipe, bend, trap, or other thing connected or intended to be connected with the Authority's sewerage system unless he be the holder of a licence or permit from the Authority authorizing him to do such work shall be liable to a penalty not exceeding Ten pounds.

If any person, whether he is or is not the holder of a Plumber's Licence or Permit from the Authority, alters, removes, or in any way interferes with any drain, fitting, pipe, bend, trap, or other thing, which drain, fitting, pipe, bend, trap, or other thing is connected with the Authority's sewerage system, he shall, unless he has previously received consent, in accordance with the provisions of this section for the execution of such work, and such consent is in full force and effect, be guilty of a breach of this By-law and shall be liable to a penalty of not more than Ten pounds.

**Section 4.**—Where the sanction, permission, authority, consent, approval, satisfaction, order, direction, opinion, indication, or notice of, or from the Authority is necessary, whether specified in writing or otherwise, with regard to any act, matter, or thing mentioned in the By-law, the same may be given by and under the hand of the chairman of the Authority, or of the responsible officer, personally or through an inspection officer appointed under him, who severally shall be competent to give the same and be authorized on behalf of the Authority to prescribe any conditions attaching thereto, and subject to and in accordance with which only the same shall be deemed to have been given.

**Section 5.**—If, after the receipt of a written application from the owner for modification or alteration of the By-law, the Authority shall be of the opinion that a compliance with any of the provisions of this By-law would in any particular case be vexatious or be needless in the interest of public health, it shall be lawful for the Authority, by resolution, to dispense with or forbid such compliance in whole or in part as it shall think fit, or to authorize or direct such a modification or alteration of such provisions as shall, in its opinion, most nearly adapt the principle of those provisions to the particular case. It shall be unlawful to comply with any provision, or part of any provision, with which compliance shall have been forbidden, or to act contrary to or otherwise than as directed by such modification or alteration.

Notwithstanding the above stipulation no technical provision or requirement of the By-law shall be modified or waived except on the written recommendation of the Engineer.

#### DIVISION 2.—VARIATION OF BY-LAW.

**Section 6.**—Any permission for or approval of any variation of any of the provisions of this By-law which may be given by the Authority will be given only before the work in respect of which the variation is proposed has been commenced.

#### DIVISION 3.—PENALTIES, RECOVERY OF COST OF WORK, ETC.

**Section 7.**—Where anything is by this By-law directed to be done or forbidden to be done, or where any power is given to the Authority or any of its officers to direct or forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, then, and in every such case, the person making default as to the said direction or prohibition respectively shall be guilty of an offence against this By-law.

**Section 8.**—Every person guilty of an offence against this By-law, not otherwise specially provided for by or under the authority hereof, shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in this By-law or the Acts, to a penalty not exceeding Ten pounds, and to a further penalty of One pound for each day during which such offence is continued by such person after notice of the offence shall have been given by the Authority to him; and such penalty shall be recoverable notwithstanding that the Authority may not have chosen to exercise any power given to it by the Acts or by this By-law to remedy such default.

#### DIVISION 4.—HOUSE DRAINAGE PLANS—ALTERATIONS.

**Section 9.**—Copies of the Authority's plans and/or designs of individual house drainage will be furnished by the Authority upon application and payment for the same and subject to such conditions as follows:—

- (a) (i) Where the Authority designs the work and has same carried out for the owner, a charge shall be made equal to Ten per centum (10 per cent.) on the capital cost of the work for designing, specifying, letting contract, and supervising all details in connexion with such work.
- (ii) Consent for additions to and/or amendments of approved plans or to works previously approved will be made only on the application of the owner or his authorized agent, and on payment of a fee of Five shillings (5s.).

(b) When the Authority designs the work for the owner and the owner then carries out his own work—

- (i) For plan of design a fee of Twenty shillings (20s.), plus Two shillings and six pence (2s. 6d.) for each fitting.
- (ii) For making and/or examining any alterations or additions to a plan previously issued or approved by the Engineer, a fee of Five shillings (5s.) shall be made by the Authority for each fitting or drain altered or added.
- (iii) For inspecting drains and testing by the Authority's inspector a fee of Ten shillings (10s.), plus Five shillings (5s.) for each additional inspection necessary owing to faulty work.
- (iv) For inspecting plumbing by the Authority's inspector a fee of Ten shillings (10s.) for each ten (10) fittings or part of ten fittings in the installation, plus Five shillings (5s.) for each additional inspection necessary owing to faulty work.
- (v) For the final inspection by the Authority's Engineer and charting the work on the Authority's plans a fee of Ten shillings (10s.) for each ten fittings or part of ten fittings in the installation, plus Five shillings (5s.) for each additional inspection necessary owing to faulty work.
- (vi) The Engineer may during construction of the work order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work.

The house connexion will not be passed until the installation together with the amendments ordered have been completed to the Engineer's satisfaction.

(c) Where an owner designs and carries out his own work—

- (i) For the supply of a block plan a fee of Two shillings and six pence (2s. 6d.).  
For tenements exceeding 4,000 square feet in ground floor area and/or properties exceeding 2 acres in extent an additional fee of Two shillings and six pence (2s. 6d.) shall be charged for each additional 4,000 square feet or part thereof and/or for each additional 2 acres or part thereof.
- (ii) The owner shall submit for examination a properly drawn design on tracing cloth or good quality paper and a typewritten specification. The design and specification shall be supplied to the Authority in triplicate. The work shall not proceed until the owner's design and specification have been approved by the Engineer and the third copy returned to him with the official endorsement.
- (iii) For the examination of the owner's plan of design and specification a fee of Ten shillings (10s.) for each plan of from one to five fittings, plus Two shillings and six pence (2s. 6d.) for every fitting over five.
- (iv) For examining any alterations or additions to a plan previously issued or approved by the Engineer a fee of Two shillings and six pence (2s. 6d.) shall be made by the Authority for each fitting or drain altered or added.
- (v) For inspecting drains and testing by the Authority's inspector a fee of Ten shillings (10s.), plus Five shillings for each additional inspection necessary owing to faulty work.
- (vi) For inspecting plumbing by the Authority's inspector a fee of Ten shillings (10s.) for each ten (10) fittings or part of ten fittings in the installation, plus Five shillings (5s.) for each additional inspection necessary owing to faulty work.
- (vii) For the final inspection by the Authority's Engineer and charting work on the Authority's plans a fee of Ten shillings (10s.) for each ten fittings or part of ten fittings in the installation, plus Five shillings (5s.) for each additional inspection necessary owing to faulty work.
- (viii) The Engineer may during construction of the work order the owner to carry out such additions and/or amendments as may be necessary for the satisfactory completion of the work.  
The house connexion will not be passed until the installation together with the amendments ordered have been completed to the Engineer's satisfaction.

#### DIVISION 5.—MAINTENANCE AND DEFECTIVE WORK.

**Section 10.**—Any drain pipe, soil pipe, trap, water closet, urinal, sink, grease trap, or other fitting laid, used, or constructed otherwise than in accordance with this By-law, or which shall in the opinion of the Authority, be or become bad or of defective quality, shall, upon notice in writing from the Authority to the owner or occupier of the property, be by such owner or occupier removed or repaired in the manner determined and within the time fixed by the Authority, and in each case such owner or occupier fails to comply with the requirements of the notice, he shall be liable to prosecution and a penalty for an offence against the Acts, or the Authority may, if it think fit, remove or repair the said defective fitting and

charge such owner or occupier of the premises with the cost so incurred, and will proceed for recovery of the same in a manner provided by the said Acts.

#### DIVISION 6.—LICENCES AND PERMITS.

**Section 11.**—(1) All plumbing work for sewerage shall be done and carried out only by Licensed Plumbers and/or by the persons in this section 11 hereinafter mentioned, but subject in all things to the conditions and terms of the said section.

(2) The Authority may, if it thinks fit, and subject to the provisions of sub-sections (3), (4), (7), and (8) of this section, issue a Plumber's Licence to any person who is the holder of a Certificate of Competency issued by the Sanitary Plumbers Examination Board of Victoria.

(3) The Authority, before issuing such Plumber's Licence, may require the applicant to satisfy it that he possesses the requisite knowledge of the Laws, By-laws, and Regulations relating to the sewerage system of the Authority, and it shall appoint officers to examine the said applicant as to his knowledge, and, after the consideration of the report thereon of such officers, may refuse to grant such licence, if, in its opinion, the applicant has not the requisite knowledge of such Laws, By-laws, and Regulations.

(4) Every person to whom a Plumber's Licence is to be issued shall, before the Licence is issued to him, sign in a register, to be kept by the Authority, a declaration that he will conform to and comply with the conditions of the Licence hereinafter contained and the By-laws and Regulations of the Authority.

(5) The Authority may, if it thinks fit, and subject to the provisions of sub-sections (7) and (10) of this section, issue a permit to work as a plumber to any person who has passed the practical examination of the Sanitary Plumbers Examination Board of Victoria.

(6) In the event of the holder of a Permit to work as a plumber being granted a Certificate of Competence by the Sanitary Plumbers Examination Board of Victoria, the Authority may issue a Plumber's Licence to him subject to the provisions of sub-sections (3), (4), and (7), of this section and upon his returning his Permit.

(7) The Authority may refuse to grant a Licence or Permit to any person, or may suspend or cancel any Licence or Permit previously granted, if, in its opinion—

- (a) such person has been guilty of an offence against the By-laws and Regulations of the Authority;
- (b) such person has failed to comply with the instructions issued by any responsible officer of the Authority;
- (c) such person at any time or place has so conducted himself as to warrant, in the opinion of the Authority, the refusal, suspension, or cancellation of such Licence or Permit.

(8) On application for renewal, the Authority may renew any such Licence or Permit.

(9) No person, other than a Plumber's Apprentice, Plumber's Improver, the holder of a Permit to work as a Plumber, or the holder of a Plumber's Licence, shall be engaged or employed as a workman in the actual performance of any of the plumbing work for sewerage.

(10) No such Plumber's Apprentice, Plumber's Improver, or holder of a Permit to work as a Plumber, shall be permitted to work in the actual performance of, or to do, any plumbing work for sewerage except under the supervision of a Licensed Plumber, who shall be responsible for such work and for compliance with the By-laws and Regulations of the Authority in respect thereof.

(11) "*Drainer's Licence*".—The Authority may issue a "*Drainer's Licence*" to any person who is to the satisfaction of the Authority competent to carry out the work of drainer, and for that purpose may require such person to satisfy it as to his competency by passing an examination conducted by the Engineer and such other examiners as the Authority may appoint or in such other manner as the Authority may determine, or in any particular case may decide that he has a thorough knowledge of the following subjects:—

*Plans.*—The reading of plans and the meaning of scales and of elevation, plan, and section drawing.

*Levelling.*—The use of the straight-edge, spirit-level, and boning rods.

*Excavation, Timbering, and Refilling.*—The use of tools for excavation, the protection of trenches by timbering, the treatment of different soils, tunnelling, and tunnel timbering, precautions near buildings, and manners of refilling trenches and tunnels.

*Drain-laying.*—The preparation of the bottom of trenches, the laying and jointing of stoneware, cement, concrete, and cast-iron pipes, cement, bitumen, lead, and self-fitting joints, laying of drains under houses and in soft ground, and the depth of drains below surface.

*Drainage Details.*—Junctions to sewers, diminishing of sizes of pipes, yard gullies, grease and other traps, inspection openings, and cast-iron drainage details.

*Drainage Works.*—Knowledge of the provisions of the By-law and of the Acts, insofar as same relate to the work and duties of drainers in regard to the construction, maintenance, and protection of the sewerage system and the construction and use of drains and drainage traps.

Candidates for Drainers' Licences shall give notice in writing to the Authority of their intention to submit themselves to examination, and this examination shall be at such a time and at such a place as shall be appointed by the Authority. Candidates must provide themselves with their own tools and materials, and pay a fee of 7s. 6d. for each examination.

**Section 12.**—The conditions upon which all Plumbers' Licences and Permits and Drainers' Licences will be issued are—

- (1) That every Licence and Permit will be subject to suspension or cancellation at the will of the Authority, and that all such Licences or renewals thereof will expire on the 31st day of December next following.
- (2) That every holder of a Licence from the Authority who shall have received the consent of the Authority to execute any works in connexion with sewerage or drainage, or who shall (where such consent of the Authority is not required before the execution of any such works) have notified the Authority of his intention to carry out such works—
  - (a) shall obtain permission when necessary for the execution of such works on, over, or through any private property, or any streets, roads, parks, reserves, or other public places or properties; and
  - (b) shall pay any fees demanded by the Municipal Authority for opening any street, road, or thoroughfare, or otherwise in connexion with the work; and
  - (c) shall execute such works in accordance with the provisions of the Acts and of the By-laws made thereunder, and of any special directions or orders given or issued by the Authority or its responsible officer; and
  - (d) shall use materials of good quality only and free from defects; and
  - (e) shall employ only competent operatives or assistants; and
  - (f) shall execute such works in a thorough and tradesman-like manner to the satisfaction of the Authority as expeditiously as practicable, and leave site clean and undefaced; and
  - (g) shall in the execution of such works take such proper and necessary precautions that no accident or damage or unnecessary inconvenience may be directly or indirectly occasioned thereby; and
  - (h) shall restore any part of any street, road, or thoroughfare interfered with by the work to the satisfaction of the Municipal Authority having control thereof upon the completion of the work; and
  - (i) shall restore any other property interfered with by the work to the satisfaction of the responsible officer of the Authority; and
  - (j) shall in all cases notify the responsible officer immediately upon completion of any work in hand, promptly amend any defects therein, and again at once notify the said officer, and subsequently take steps forthwith to secure the certificate of satisfactory completion, and give the same to owner; and
  - (k) shall not interfere, remove, cut, or in any way damage any portion of any electrical, gas, water, telephone installation, and/or any other municipal or public utility or service. When portion of any such installations, including earthwires, connexions, pipes, &c., interferes with properly laying house connexions and sewerage plumbing, the plumber shall communicate with the secretary or engineer of the utility or service concerned in order to arrange for that portion of the electrical, gas, water, telephone installation, &c., to be so located as not to cause further interference; and
  - (l) shall, when so directed by the Authority, make good at his own expense any defect found within twelve months of the date of completing of any such work which, in the opinion of the Engineer is due to faulty workmanship, or defective material.

**Section 13.**—Prior to the issue of any Licence or Permit the person to whom the same is to be issued shall pay to the Authority the fee named hereunder:—

	s.	d.
For every Plumber's Licence ..	10	0
For every Permit to Work as a plumber ..	7	6
For every Drainer's Licence ..	7	6
For the Renewal of any Licence ..	2	6

## DIVISION 7.—NEW BUILDINGS, ADDITIONS, ETC.

*Section 14.*—Every person who shall intend to erect a building on any property within the Sewerage District, or to rebuild or to make any alterations or additions to any such buildings shall, before commencing such work, give to the Authority fourteen (14) days' notice in writing of such intention and obtain a permit from the Authority; and such notice shall be accompanied by plans and sections of such intended buildings, alterations, or additions, showing their positions, dimensions, depths, and levels of foundations, cellars, or basements, all appurtenant walls and fences, the intended lines of drainage, and the boundary of the land, which plans, &c., shall become the property of the Authority.

## DIVISION 8.—GENERAL.

*Section 15.*—Any work or thing in respect of or in connexion with sewerage under the Acts that is not specifically mentioned in this By-law shall be performed in accordance with the directions of the Authority.

## PART 2.—GENERAL REGULATIONS.

## DIVISION 9.—USE OF SEWERS AND DRAINS—PROHIBITION OF CERTAIN DISCHARGES.

*Section 16—Use of Sewers and Drains.*—The owner and the occupier of any sewered property shall discharge into the sewerage system (a) all faecal matter, urine, household slops and household liquid refuse from such property, and such other polluted water from stables, washing areas, manure bins, basements, cellars, and roofed yards, and

(b) such trade or manufacturing liquid refuse as the Authority may authorize, subject in each and every case to such conditions as it may impose.

*Section 17—Prohibited Discharges.*—The deposition or discharge of any of the following substances into any drain is prohibited:—

- (a) Any animal matter other than is specified in section 16, fleshings, wool, hair, dead animal, grease, dust, ashes, rubbish, garbage, offal, vegetable and fruit or their parings, rags, oil, silt, mud, sand, gravel, or like substances, or any other substance which is in the opinion of the Authority or its responsible officer, liable to be injurious to any part of the sewerage system or to employees of the Authority engaged in the operation or maintenance of same.
- (b) Any petrol or other inflammable or explosive substance, whether solid, liquid, or gaseous.
- (c) Any rain, roof, surface, or flood waters, except by special permission of the Authority.
- (d) The contents of any night-soil cart, cesspool, or privy.
- (e) Any liquid, trade waste or other substance which has not been neutralized to the approval of the responsible officer of the Authority, or which is above the temperature of 100 deg. Fahrenheit, or such lower temperature as may be prescribed by the Authority, having regard to the special circumstances of the case.
- (f) Any liquid which contains such percentage of common salt or any other mineral, salt, acid, or gas, as is, in the opinion of the responsible officer of the Authority, injurious to, or liable to form compounds injurious to, any part of the sewerage system or to employees of the Authority engaged in the operation or maintenance of same.

## DIVISION 10.—TRADE WASTES.

*Section 18—Conditions of Discharge.*—No person shall discharge any trade or manufacturing liquid, refuse, or waste into any sewer, unless and until the following conditions are complied with:—

- (a) Application for permission to discharge any such trade wastes shall be made in writing and accompanied by plans and specifications of the work to be done and of the apparatus to be used, and shall include such details concerning the nature of the waste and the quantity and rates of discharge of the proposed effluent as considered necessary by the responsible officer of the Authority.
- (b) The permission of the Authority in writing shall be obtained and an agreement containing a covenant to comply with the By-law and with any further stipulations required by the Authority, shall be executed. The volume of liquid refuse or waste discharged shall, if ordered, be measured and determined by meter or by some other approved means of measurement. The maximum daily aggregate quantity of effluent which may pass from any trade premises into a sewer, the maximum permissible rate of such discharge, the size and capacity of the drain or pipe for conveying such effluent from the trade premises to the sewer, and the hours during which such flow will be permitted shall be determined by the Authority.

(c) All such liquid refuse or waste shall be passed through such settling, screening, and/or neutralizing chambers and/or such other appliances and/or otherwise treated as ordered or approved by the Authority to ensure that the resulting effluents shall comply with the conditions of the agreement.

(d) Every settling, screening, neutralizing, or other chamber, appliance, or apparatus for the treatment of trade wastes in accordance with this By-law shall be cleansed, operated, and maintained by the occupier at his own expense and at such intervals as may be considered necessary by the Authority or its responsible officer to ensure the efficient operation of such chamber, appliance, or apparatus and in no case shall such chamber, appliance, or apparatus be altered without the approval in writing of the Authority first being obtained.

## DIVISION 11.—SUB-SOIL WATER.

*Section 19.*—The discharge of sub-soil water into sewers shall be prohibited except by permission of, and under conditions approved by, the Authority.

## DIVISION 12.—INSPECTION TESTS AND MAINTENANCE.

*Section 20—Notice.*—The owner or his authorized agent, or the plumber, drainer, or contractor, shall give at least 48 hours' notice to the Authority, in writing, of his intention to commence work and of work ready for inspection. All work shall be left uncovered and accessible for examination until inspected and approved.

The contractor carrying out any work shall, within seven (7) days of the completion of such work, file in the office of the Authority on forms furnished for this purpose, a correct statement of the work done and the cost thereof. Such statement shall be countersigned by the responsible officer of the Authority, and a certificate embodying such statement shall be forwarded to the contractor.

*Section 21—Inspection.*—All drains, wastes, fittings, joints, fixtures, &c., will be inspected by the responsible officer of the Authority to ensure compliance with the By-law and approved plan.

*Section 22—Tests.*—Drains, whether laid by the Authority's workmen or others, must be thoroughly tested in every case before being passed by the Authority's officers. The responsible officer of the Authority may require the application of the water or smoke test, or such other tests as he may order or approve.

*Section 23—Water Test.*—The water test may be applied to the drainage and/or plumbing systems and their fittings in their entirety or in sections. It shall be applied by hermetically sealing all openings below the top of the section to be tested. The system shall then be filled with water to a height of 6 feet above the highest point of the section, or, if considered necessary to such additional height as the responsible officer may order, and every joint carefully examined for leaks.

In testing drains the water shall be maintained at this height for a period of fifteen minutes by the addition of a measured quantity of water as required. The amount of water added in the fifteen minutes shall not exceed 2 gallons for every 50 joints of 4-inch drain or sewer, and must not exceed 3 gallons, for every 50 joints of 6-inch drain or sewer, or proportionately for a lesser or greater number of joints.

*Section 24—Smoke Test.*—The smoke test shall be applied by hermetically sealing all openings into the section to be tested, and forcing into the system thick smoke to a pressure equivalent to 1 inch of water, by means of a smoke test apparatus. Every joint shall then be carefully examined for leaks.

*Section 25—Equipment, &c.*—The equipment, material, power and labour necessary for the inspection and tests shall be furnished by the contractor, plumber, or drainer.

*Section 26—Defective Work.*—Any pipes, fittings, fixtures, or other materials or apparatus found to be defective shall be removed and replaced by sound materials or apparatus; and all defective workmanship shall be made good to the satisfaction of the Engineer or his representative, and to comply in all respects with the provisions of the By-laws. Should the contractor fail to replace such defective materials or to make good such defective work within fourteen (14) days of his having been ordered in writing by the Engineer so to do, the work or replacement may be carried out by the Authority at the contractor's expense.

*Section 27—Maintenance by Contractor.*—Every person who holds a licence from the Authority and who executes any works in connexion with sewerage, drainage, and/or sanitary plumbing, shall make good within fourteen (14) days and at his own expense, when directed by the Engineer so to do, any defects which occur in such works within twelve months of the date of their completion, and which are, in the opinion of the Engineer, attributable to faulty workmanship or materials.

**Section 28—Maintenance by Owner or Occupier.**—The owner or occupier of every premises shall, at his own expense, maintain in efficient working order and in a clean and hygienic condition the whole house connexion work, including all traps, neutralizers, or other appliances installed on such premises. Should the owner or occupier of any premises fail or neglect satisfactorily to maintain and cleanse such appliances, the Authority may, after twenty-four (24) hours' notice in writing, have the necessary work carried out at the expense of the owner or occupier.

#### DIVISION 13.—MATERIALS AND WORKMANSHIP.

**Section 29—Materials.**—All materials, pipes, bends, junctions, fittings, fixtures and apparatus shall be of the best of their respective kinds, sound and free from defects, and shall be approved by the responsible officer.

**Section 30—Testing.**—All materials, pipes, bends, junctions, fittings, fixtures, and apparatus shall be submitted for examination and/or test, and shall not be placed in position until passed and stamped by the Authority. Such testing of materials shall be paid for by the person submitting same, whether passed or rejected, and shall be done at such time and place and at such rates, as may from time to time be fixed by the Authority.

**Section 31—Workmanship.**—All work shall be executed in a thorough and workmanlike manner and to the satisfaction of the responsible officer.

**Section 32—Precautions.**—Adequate precautions shall be adopted by the person carrying out the work to prevent injury to workmen, property, or the public, and the Authority will accept no responsibility for claims for injury arising from the inadequacy of such precautions.

**Section 33—Concrete.**—Concrete, unless otherwise ordered, shall consist of 1 part Portland cement, 2 parts clean, sharp sand, and 4 parts hard metal, shingle, or gravel properly graded from 4-in. to not exceeding 1-in. gauge, and shall be thoroughly mixed with clean water to such consistency as ordered or approved by the Engineer of the Authority.

The cement, sand and aggregate shall be thoroughly mixed and the whole batch completely turned over three times in the dry and turned over again at least three times while the water is being added. If a concrete mixer is used the minimum time of mixing in the machine after all the materials have been added shall be two minutes. All concrete shall be placed within 20 minutes of the time of mixing.

**Section 34—Cement Mortar.**—Cement mortar, unless otherwise ordered, shall consist of 1 part Portland cement and 2 parts clean sharp sand, properly mixed with an approved proportion of clean water. Cement mortar shall be used within 20 minutes of the time of mixing. Re-tempering is forbidden.

#### PART 3.—DRAINAGE.

##### DIVISION 14.—DRAINAGE, GENERAL.

**Section 35.**—(1) Every premises shall be separately drained unless a combined drain shall have been ordered or approved by the Authority. Owners desiring to have the drainage of their properties combined must sign a request for a combined drain, and obtain the approval of the Authority. In any case in which it appears to the Authority that any properties may be drained more advantageously in combination than separately the Authority may order that those properties be drained by a combined operation.

(2) In any case where a combined drain serves two or more properties the Authority, with the consent of the owners of the properties served by such combined drain, may take over such combined drain, and thereafter such combined drain shall be and remain a sewer of the Authority.

(3) In every case of a combined drain the Authority will determine as between the respective owners and occupiers of the properties drained thereby, the proportions in which the cost of such combined drain shall be paid. In every case of the occurrence of an obstruction in a combined drain the Authority will also determine by whom and in what proportion the cost of removing such obstruction and/or effecting any necessary repairs to drains shall be paid.

(4) Owners and occupiers of premises are responsible for clearing stoppages in drains within their premises, or between their premises and the sewers into which the branches lead, but must employ only licensed plumbers or drainers to clear same.

(5) Before a licensed plumber or drainer commences to clear a stoppage in a drain he must notify the Authority in writing of the time when he intends to clear the stoppage, so that the Authority's proper officer may attend and pass the work in accordance with the provisions of the Acts.

**Section 36—Size of Drains.**—Every drain shall be of adequate size for the drainage of the property to be served, in accordance with the requirements of section 88, with a minimum diameter of 4 inches.

**Section 37—Materials.**—All drain pipes, bends, junctions, and fittings used shall be of glazed stoneware, concrete, cast iron or other approved material, provided that the responsible officer of the Authority may prohibit the use of any of the above-mentioned where the circumstances or conditions are considered unfavorable.

**Section 38—Cast-iron Pipes.**—Cast-iron drainage pipes and their fittings shall comply with the standard approved by the Authority for cast-iron pipes and their fittings of similar diameter, but in the event of the issue by the Standards Association of Australia of an Australian Standard Specification for such pipes, and of the acceptance of such Standard Specification by the Authority, all cast-iron pipes and fittings shall be in accordance with this Standard Specification from a date to be fixed by the Authority.

**Section 39—Interceptor Traps.**—Where directed by the Authority, but not otherwise, an interceptor trap shall be fixed in the drain laid from any property to the sewer. Such trap shall be fixed as near as practicable to the boundary, and wherever practicable shall be within the boundaries of the property. The interceptor trap shall be provided with an inspection cap on the sewer side of the trap. If ordered, an approved manhole shall be provided for the trap.

**Section 40—Inspection Chambers.**—All drains shall, wherever considered necessary by the Authority, join in an inspection chamber at least 3 feet long by 2 feet wide. The portions of the drains crossing the floor of the inspection chamber shall be connected either in a straight line or by curved junctions in the floor of the chamber. All inspection chambers shall be cement rendered (two parts sand and one part cement) to a smooth surface, and made watertight. The inspection chamber must be provided with a closed cover of approved type and special ventilation must also be provided if considered necessary by the Engineer.

**Section 41—Inspection Openings.**—Every line of drain shall be provided with an inspection opening inside and within 5 feet of the boundary line, at each junction not provided with an inspection chamber, at each change of direction, at each fixture, and nowhere greater than 30-feet intervals, and in paved areas these shall, if considered necessary by the responsible officer of the Authority, be brought to the surface and furnished with approved airtight covers. The area of an inspection opening shall not be less than the area of the drain. Inspection openings, inspection junctions, or branches are to be set in an approved manner to facilitate rodding.

**Section 42—Grating.**—Every inlet to a drain other than from a water closet shall be effectively protected by an approved grating of ample area. The aggregate area of the apertures in any grating covering a ventilation opening shall be not less than the sectional area of the pipe or drain ventilated by such grating. Every opening for ventilation shall be kept perfectly free at all times from obstruction.

**Section 43—Drain Openings Not in Use.**—The ends of all house drains and junctions not immediately connected with the plumbing fixtures and all inspection openings shall be securely closed with watertight imperishable materials. If the drain is of stoneware or cement concrete, a stoneware, cement concrete, or cast-iron disk must be cemented in; if wrought iron, a plug must be screwed on the end; if cast iron, a cast-iron plug must be caulked in with lead.

**Section 44—Replacing or Inserting Pipes.**—Where it becomes necessary to remove a pipe to clear a stoppage or to insert a pipe or branch in an existing drain, such pipe so removed shall be replaced by an inspection pipe or inspection junction of the same length by one of the following methods under the direction of a responsible officer.

- The top half of the socket of the new pipe and of the existing down-stream pipe may be removed, but the bottom half shall always be left intact and the joints surrounded with concrete not less than 3-in. thick.
- An approved split pipe with double collar surrounded with concrete 3-in. thick may be used.
- A length of not less than three pipes may be removed, the centre pipe replaced by an inspection pipe, and the pipes dropped back into place without springing or cutting.

Junctions in existing metal pipes shall not be made unless an approved closure pipe is used in each case. Springing pipes into position shall not be resorted to or allowed.

**Section 45—Use of Concrete.**—Portland cement concrete brought to a smooth surface must be used in each of the following cases:—

- Round and under gully basins where also the exposed surfaces shall be rendered in cement mortar, consisting of two parts sand, one part cement.
- Round the tops of vent pipe sockets and for 6 inches below the surface of the ground.
- Round the tops of disconnector traps and for 6 inches below the surface of the ground.
- Under and around bends rising vertically, off oblique branches, and under all drainage traps.

##### DIVISION 15.—BASEMENT AND CELLAR DRAINAGE.

**Section 46—Fixtures.**—No water-closet, urinal, and/or other fixture shall be placed in any cellar or basement, or on any floor below ground level, unless by consent of the Authority, and then only when, in the opinion of the responsible officer, other provision cannot be made. The owner shall submit such plans and/or other information as the responsible officer may require, and shall undertake in writing to accept all risk of

damage that may occur. If satisfied that the ventilation and lighting provided are in accordance with this By-law, and all other conditions have been complied with, the Authority may give its consent; provided always that such consent may be revoked by the Authority at any time, and that upon fourteen (14) days' notice of revocation such fixture shall be abolished by the owner.

**Section 47—Risk of Back Flow.**—Where such cellar, basement, or floor below ground level is at such a level as may, in the opinion of the responsible officer, involve risk of back flow in the event of the sewer becoming overcharged, the sewage from all fixtures therein shall be raised by ejector, syphon, or other approved mechanical appliance to such height as ordered and discharged into the sewer as and where directed.

**Section 48—Seepage Drains.**—In no case shall seepage drains from cellars, basements, or any floor below ground level be discharged into a sewer without the consent of the Authority. Where such discharge is permitted, the seepage shall be raised by ejector, syphon, or other approved mechanical appliance to such height as ordered, and discharged into the sewer or elsewhere as and where directed.

#### DIVISION 16.—POLLUTED AREAS.

**Section 49—Connexion.**—The Authority may, if it thinks fit, authorize or require that any of the following places, namely, stables, cow sheds, dairies, market places, abattoirs, areas for washing vehicles, and any other polluted place, be connected with the sewers, subject to such conditions as the Authority may impose.

**Section 50—Conditions Governing Connexion.**—No such connexion shall be made unless the following conditions have been complied with:—

- (a) The place to be connected shall, if required, be so roofed as to prevent the entry of rain water from it to the sewers, and in no case shall rain water be permitted to discharge on to such place from adjoining surfaces.
- (b) The place to be connected shall be paved above the level of the yard with approved materials, and graded to the satisfaction of the responsible officer of the Authority.
- (c) The drain from any such place shall be provided with an approved silt trap with a removable grating and connected with the drain inside the boundary line of the property. A water tap connected with a satisfactory water service shall be provided in a suitable position over the area.

**Section 51—Manure Bins.**—(a) Manure bins must be provided for all stables or cow yards, where the local Municipal By-laws demand their construction, or where the locality is closely built on.

(b) All the manure bins must have the inside surfaces rendered with cement mortar, and must be impervious throughout, and provided with an approved close-fitting cover. Walls of new manure bins must, unless otherwise approved by the Engineer, be at least 9 inches in thickness, built of brickwork laid in cement mortar. If an outlet pipe be provided for a manure bin, it must be properly connected with the Authority's sewers. Branches in house drains must be provided in all cases where manure bins exist, for their connexion whenever the Authority shall deem it necessary.

#### DIVISION 17.—PIPE TRENCHES.

**Section 52.**—The trench for the house drain from any property shall be so dug as to meet the Authority's sewer at the position provided or to be provided for the connexion.

The material from the trench shall be so placed as to cause the least possible obstruction and inconvenience to the public. Proper barriers and lights shall be maintained where necessary to guard against accident during the progress of the work.

In refilling the trench selected refilling shall first be deposited around and over the pipe to a depth of 12 inches and carefully consolidated, after which the remainder of the trench shall be filled in layers and rammed or flooded, as ordered or approved.

No stone shall be used in refilling until earth or gravel has been placed over the pipe to a depth of 1 foot, or more if directed.

On no account shall any water, sand, earth, &c., be allowed to enter the sewer during the progress of the work.

On completion of refilling the surface shall be restored as nearly as possible to the same condition as it was in before operations were commenced, unless the owner in writing otherwise requires.

#### DIVISION 18.—LAYING DRAINS, ETC.

**Section 53—Position and Line.**—Every drain and every fitting, &c., connected therewith shall be laid and fixed where directed by the responsible officer of the Authority. As far as possible all drains shall be laid in straight lines; where changes of direction occur they shall be made in manholes, or by a suitably curved pipe with an inspection opening on each straight pipe next adjoining the curve, or by installing an inspection branch in the curve itself, or by such other means as the responsible officer may direct.

**Section 54—Oblique Junctions.**—Where any drain joins another drain, or a sewer, the junction shall be made obliquely at an angle of not greater than 45 degrees with the direction of flow of such drain or sewer.

**Section 55—Connexion to Sewer.**—The position of the Authority's connexion to any premises shall be located prior to the commencement of any drain excavation. The disk stopper at the point of connexion to the sewer shall be carefully removed so as not to injure the socket or allow any debris to enter the sewer.

The first length of the drain at the branch shall be an inspection opening.

**Section 56—Gradients.**—All drains shall be laid on an even grade, and, except by special permission in writing, from the responsible officer, such gradients shall not be less than the following:—

4-in. diameter	..	..	1 in 40.
6-in. diameter	..	..	1 in 60.
9-in. diameter	..	..	1 in 80.

In cases where the grades of drains are steeper than 1 in 15, concrete anchorage blocks shall be placed at intervals of not more than 30 feet.

Such blocks shall be let into the sides of the trench at least 6 inches on each side and shall extend not less than 3 inches above and below the barrel of the pipe and for a length of 12 inches along the pipe.

**Section 57—Depth of Drains.**—Drains of stoneware or concrete pipe, unless bedded on and encased in concrete of not less than 4 inches thick over any part of the drain, shall be laid at a depth to the top of the socket of the pipe of not less than the following:—

- (a) In public thoroughfares, rights-of-way, or other open spaces subject to vehicular traffic—2 feet.
- (b) In private property not subject to vehicular traffic—1 foot.

No person shall alter the surface over any drain, so as to deprive it of the minimum depth of cover specified by the preceding paragraph, unless approved measures are adopted to protect the drain.

**Section 58—Laying Drains.**—All pipes shall be laid to such lines and grades as may be shown on the plans or directed, and, except where otherwise ordered shall be bedded on approved sand or other approved bedding material up to one-third of the diameter of the pipe and so that there shall be at least 2 inches of the bedding material below the barrel of the pipe in the case of earth bottomed trenches and up to the horizontal diameter of the pipe, and so that there shall be at least 3 inches of the bedding material below the barrel of the pipe where laid in trenches in rock.

In water-charged ground, or where the foundation is bad, or near the roots of trees, or where directed, the drain shall be formed of cast-iron pipes or, if of stoneware or concrete pipes, they shall be bedded on and encased in concrete as ordered, and if ordered, supported upon approved timber foundations as directed. The thickness of concrete encasing and the form of concrete haunching shall be as directed by the responsible officer.

Drops or bends in vertical or inclined drains shall have a concrete support placed under and round the drain as directed.

#### DIVISION 19.—DRAINS UNDER BUILDINGS.

**Section 59.**—Every drain shall, as far as practicable, be so constructed as not to pass under any building or out-building. When a drain does pass under a building or out-building it shall, if practicable, be laid in a direct line for the whole distance beneath such building or out-building, and shall have approved means of access for rodding outside the walls of the building or out-building and also, if directed, beneath the building or out-building. The pipes used shall be of stoneware or concrete, surrounded by not less than 4 inches of concrete, or of cast-iron.

In any case in which pipes pass through or under walls, approved provision shall be made to prevent injury to the pipes by settlement and, in outer walls, to prevent the ingress of vermin.

#### DIVISION 20.—JOINTS, DRAINAGE.

**Section 60—Stoneware and Cement Pipes.**—Joints of stoneware and cement pipes shall be filled in solidly with cement mortar neatly splayed off, or with other approved material. After each joint is made the interior of the joint shall be wiped clear of surplus mortar before the next pipe is laid.

**Section 61—Cast-iron Pipes.**—All joints in cast-iron pipes must be stemmed with approved gaskets and so filled and caulked with lead or other approved material as to make them gas and watertight.

All connexions between stoneware or concrete pipes and cast-iron pipes shall be made as for joints in stoneware or concrete pipes.

## DIVISION 21.—DRAINAGE TRAPS.

**Section 62—Trapping of Inlets.**—Every inlet to any drain other than inlets provided for ventilation in accordance with the By-law shall be provided with an approved trap. No inlets to any drain connecting directly with a sewer shall be constructed within a building or out-building other than such inlets necessary for the apparatus of any water-closet, urinal, or slop sink.

**Section 63—Classes of Traps.**—Five classes of traps shall be used:—

- (a) "Traps" for intercepting gases only, which shall be of round section and self-cleansing form, but not such as to empty by momentum or suction.
- (b) "Silt traps" for intercepting both gases and solids, which have slightly tapered sides, flat bottom, and rounded angles, and which shall be provided with approved means for catching and removing solids.
- (c) "Grease traps" for solidifying and collecting grease, fatty domestic wastes, and other semi-fluid or viscous material liable to foul the pipes. The grease trap shall be designed for the requirements of the particular drain. The design and capacity shall be to the approval of the Engineer. The interior surfaces shall be tiled, and it shall be equipped with non-corrodible baffles, the whole trap being designed for easy cleaning.
- (d) "Acid traps" or "Neutralizers" for neutralizing acid or other aggressive water prior to its entering the house drains.
- (e) "Oil traps" for collecting all kinds of oil, which shall be of such form as approved.

The term "yard gully" is applied to traps (a) where they are used externally and fitted with dished tops and gratings. The tops of inlets of all disconnector traps must be at least 6 inches above the surface of the surrounding ground.

**Section 64—Water Seal.**—Every trap must have a water seal of at least half the diameter of the outlet pipe, but in no case of less than 2 inches.

**Section 65—Provision of Yard Gullies.**—A yard gully shall, wherever practicable, be provided in the yard of every property as near as practicable to the kitchen or back door, with a water tap connected with a satisfactory water service placed over it at a height of not less than 2 feet. No yard gully shall be situated within a building or out-building. Where it is not practicable to provide a yard gully, a slop sink must be provided within the building or out-building.

**Section 66—Details of Yard Gullies.**—Yard gullies shall be fitted with dished tops and gratings, the dished top being in one piece with the trap or jointed thereto by spigot and faucet, or as otherwise approved.

The depth of the dished top to the grating must not be less than 6 inches. The grating to every gully trap must not be less than 6½ inches over all, and the grating to every disconnector trap shall be convex in section, with an opening of suitable outlet capacity. Every grating must be fixed down in an approved manner with bitumen or wedges of lead.

**Section 67—Kerbing, &c., to Yard Gullies.**—Yard gully basins and the dished tops of silt traps must be so surrounded with an approved impervious kerbing as to prevent the access of surface water to the drains, and, if directed, the wall at the rear of the gully or silt trap, if of brick or stone, must be cement rendered to the height of the top over same, and if of wood the wall must be provided with an approved galvanized sheet-iron apron. The internal diameter of kerbing around gully traps measured from the face of cement rendering must not be less than 15 inches, and must be neatly rounded to meet the gully top.

## DIVISION 22.—VENTILATION.

**Section 68—Vents of Main Drain.**—The main drain shall be ventilated at its upper end by a pipe ventilator erected vertically, and such ventilator may be a soil pipe.

If the drain is provided with an interceptor trap there shall be in addition a ventilator connected to the interceptor trap shaft. In such cases there shall, wherever practicable, be a difference in height of not less than 6 feet between the tops of the vents at the upper and lower ends of the drains respectively.

**Section 69—Vents of Branch Drains.**—Branch drains need not be vented if the drainage traps are within 20 feet from the main house drain, measured along the line of pipes, including the drop, if any, from the centre line of the main drain to the centre of the outlet side of the water seal of the drainage trap, unless otherwise ordered by the responsible officer, in which case they must be vented as directed.

**Section 70—Size of Drainage Vents.**—Drainage vent pipes shall, unless otherwise ordered, be of not less than 4-in. diameter in the case of educt vents and not less than 3-in. diameter in the case of induct vents, with the provision that where more than one educt vent is provided the vent on the

longest line of drain shall be of not less than 4-in. diameter, and all others of not less than 3-in. diameter; but in no case shall a drainage vent be of smaller diameter than necessary to comply with the requirements of section 89.

Unless otherwise ordered or approved every such vent pipe shall be without return bend and provided with basket and/or educt or induct cowls as directed.

**Section 71—Materials, &c.**—Drainage vent pipes situated wholly outside of buildings or out-buildings shall be of cast-iron, galvanized wrought-iron, double galvanized sheet-iron, or other approved material above ground and of stoneware or concrete beneath the surface of the ground. Galvanized sheet-iron vent pipe shall not be less than—22 gauge for 1½-in. to 2½-in. diameter vent pipes, 20 gauge for 3-in. and 4-in. diameter vent pipes, 18 gauge for 6-in. diameter vent pipes; and where ordered the first 6 feet above ground shall be of cast-iron or other approved material. Drainage vent pipes inside a building or out-building shall, unless otherwise approved, be of cast-iron or of galvanized wrought-iron. The circumferential joints of galvanized sheet-iron vent pipes shall be riveted and soldered. All galvanized sheet-iron vent pipe used to ventilate the drainage system, or used as anti-siphonage pipes to soil or waste pipes from closets, slop sinks, or urinals, must be coated with hot tar or asphaltum inside before erection.

**Section 72—Induct Vents.**—Every induct vent shall be securely supported in an approved manner.

**Section 73—Materials for Vents of Soil or Waste Pipes.**—Vent pipes, if inside a building or out-building, shall always be of cast-iron, wrought iron, lead, copper, or brass. Grooved, welded, or riveted double galvanized sheet-iron vent pipes may be used where they are entirely outside a building or out-building, and shall be connected to the traps or waste or soil pipes by brass ferrules or by other means approved by the responsible officer of the Authority.

**Section 74—Soil Vent Pipes.**—The upward extension from the soil pipes for ventilation shall always pass in as direct a manner as possible above, and, if necessary, through the roof.

**Section 75—Anti-siphonage Vents.**—Traps must be prevented from siphoning by proper ventilation, in accordance with the requirements of section 89. Such anti-siphonage vents from fixtures shall be carried above the eaves of the building, or jointed to the branch or main vent above the level of the fixture, unless special permission to the contrary is granted.

These vent pipes shall be connected to the waste or soil pipe at a point not less than 3 inches, nor more than 12 inches, from the crown of the trap, and on the opposite side of the water seal to the fixture.

**Section 76—Height of Vents.**—Every vent pipe extending upwards from a soil or drain pipe shall be carried not less than 6 feet higher than any window or door within a distance of 30 feet thereof, and always at least 21 feet above ground level and 6 feet above the level of the eaves or coping, or to such additional height as may be necessary to prevent effectually the escape of foul air into any building or out-building within the vicinity.

Where the vent pipe extends into a gable of the building or out-building, it shall further be carried at least 2 feet above the point of intersection with the roof.

Such pipe shall, where necessary, be provided with sufficient clips or stays to support it effectively.

**Section 77—Chimneys.**—No chimney shall be used as a ventilator to any drain, soil, or waste pipe.

**Section 78—Vents near Chimneys.**—Vents must, as far as possible, be kept away from chimneys and ventilating air shafts. Where a ventilator pipe terminates six feet or more from a chimney opening or ventilating air shaft, the requirements of section 76 shall apply, but where the distance is less than six feet the vent pipe shall, unless otherwise ordered, terminate not less than two feet below the top of such chimney or air shaft.

**Section 79—Vent Pipe Grades.**—All vertical lines of vent pipes shall connect, full size, at their bases with a soil, waste, or drain pipe at an angle of not less than 45 degrees to the horizontal, and shall extend in undiminished size above the roof, or be connected to the soil, waste, or vent stack, in compliance with the requirements of section 80, on a grade sufficient to avoid the collection of water.

All intermediate bends or offsets shall be at a grade of not less than 45 degrees to the horizontal.

Vent pipes shall not be used as waste or soil pipes.

**Section 80—Combining of Vents.**—The various vents may be combined by branching together those which serve traps of the same class. The vent pipes may be branched into a soil or waste pipe of the same class above the level of the highest fixture.

**Section 81—Galvanized Sheet-iron Vent Branches.**—Where a branch is required to a galvanized sheet-iron vent pipe, a brass saddle piece bolted and soldered to the vent shall be used.

**Section 82—Vents in Sheds, &c.**—Galvanized sheet-iron vent pipes may be used inside stables or open sheds, except where liable to damage.

**Section 83—Pipe Clips, &c.**—There shall be at least one pipe clip to each 6-ft. length of vent pipe.

For cast-iron or wrought-iron pipe approved coated wrought-iron clips and for galvanized sheet-iron pipe 1½-in. x 14-gauge galvanized band iron clips shall be provided. Wherever it is necessary to fix pipes clear of the wall approved extension clips shall be used.

Clips for cast-iron pipes must be placed tight up against the head or underside of collar.

**Section 84—Attachment to Walls.**—Where a galvanized sheet-iron pipe, with or without offset, is carried up above the brick wall of a building or out-building a galvanized wrought-iron clip must be used, leaded into the wall near the top wherever possible and bolted against the vent pipe.

All band iron clips of vent pipes to brick walls shall be fastened with nuts and bolts, leaded in, or by means of T-headed bolts passed through the brick joints and turned at right angles to the joints.

**Section 85—Supporting Vents.**—Wherever a vent pipe with offset is not more than 9 feet long above such offset it need not be stayed; if longer, it shall be stayed as directed with ½-in. galvanized wrought-iron piping.

An unsupported length of 15 feet above highest clip of straight vent pipe without offset will be permitted.

**Section 86—Vents Adjoining High Buildings.**—In any case in which a building or out-building is erected next to a previously existing building or out-building of less elevation and any windows of the new building or out-building are located within 30 feet of any existing vent stack on the lower building or out-building, the owner of such new building or out-building shall defray the cost of or shall himself make such alterations to the vent of the previously existing building or out-building as necessary, to conform with section 76.

The owner of the lower or existing building or out-building shall make such alterations upon the receipt of money, or security therefor sufficient for the purpose, from the owner of the new or higher building or out-building, or shall permit at the election of the owner of the new or higher building or out-building, the making of such alteration by the owner of such new or higher building or out-building.

#### PART 4.—PIPE CAPACITIES.

##### DIVISION 23.—CAPACITIES OF SOIL, WASTE, DRAIN, AND VENT PIPES.

**Section 87—Fixture Units.**—For the purpose of determining the size of any drain, waste, soil, or vent pipe, the following equivalent fixture units shall be adopted, unless otherwise directed, and the nominal outlet diameter shown hereunder shall be the minimum allowed for each of the respective fittings.

Fixture.	Nominal Outlet Diameter.	Fixture Unit.
One lavatory basin .. ..	1½ inches ..	1
For each lavatory basin over twenty served by such pipe	..	½ for each basin
One kitchen sink (up to 6 inches depth to overflow)	2 inches ..	3
One bath (with or without overhead shower)	1½ inches ..	4
One wash trough, set with common trap	2 inches ..	5
One urinal or group of urinals draining to a common trap	2 inches ..	3
One slop sink .. ..	3 inches ..	4
One shower compartment .. ..	2 inches ..	3
One water closet .. ..	4 inches ..	6
Group of fixtures contained in one apartment—		
Bath and lavatory basin .. ..	..	6
Bath, lavatory basin, and shower ..	..	6
Bath, lavatory basin, shower, and water closet	..	6

For fixtures, other than those shown, the equivalent fixture units to be adopted shall be determined by the Engineer on the basis that one fixture unit produces a rate of discharge equal to 1 cubic foot per minute.

**Section 88—Sizes of Soil, Waste, and Drain Pipes.**—Except by special permission the required sizes of soil, waste, and drain pipes shall be determined on the basis of the total

number of fixture units drained, or likely to be drained, in accordance with the following table:—

PERMISSIBLE MAXIMUM NUMBER OF FIXTURE UNITS.

Diameter of Pipe (Inches).	Grade not less than—			
	Minimum Permissible Grade.*	1 in 40.†	1 in 12.‡	1 in 4.§
1½	6	..	6	9
2	9	..	12	17
2½	14	..	20	28
3	20	..	30	40
4	100	100	150	210
6	420	490	820	1,150

\* See Sec. 106.

† Corresponds to 85° fittings.

‡ Corresponds to 88½° fittings.

§ Corresponds to 75° fittings.

Provided that—

- Waste, combined waste, and soil pipes shall not be diminished in the direction of flow.
- The diameter of trap, waste, combined waste, or soil pipe receiving the discharge from any fixture shall in no case be less than the nominal outlet diameter of such fixture, with a minimum of 1½ inch, nor shall any soil pipe be less than 3 inches in diameter.
- Not more than two slop sinks shall discharge into any 3-in. graded soil pipe.
- For the purpose of this section, offsets in vertical stacks may be treated as though vertical, provided the length of offset does not exceed 5 feet measured horizontally.
- Where 45-deg. fittings are used throughout for connexions to any stack, the "permissible maximum number of fixture units for vertical stacks" in the above table may be increased by 50 per cent.
- Not more than one-half of the total permissible number of fixture units for a vertical stack, in accordance with the above table, shall be connected to such stack in any 8-ft. length thereof.
- Soil, combined waste, and waste pipes shall be as direct and free from bends as practicable; where bends are unavoidable, approved provision shall, if necessary, be made to safeguard fixtures connected immediately above or below such bends.

##### Section 89—Sizes of Vents.

(1) **Length of Vent.**—For the purpose of this section 89 the length of any vent shall be defined as follows:—

- Length of main vent shall be the height of the building, in stories, above the floor on which are situated the lowest fixtures served by such vent.
- Length of branch vent shall be the height of the building, in stories, above the floor on which are situated the lowest fixtures served by such vent, plus an additional story for each 12 feet, or part of 12 feet, in the length of the branch vent, measured horizontally from the main vent to the fixture in question.

(2) **Main and Branch Vents.**—The sizes of main and branch vents shall be not less than the sizes determined from—

- the size of soil, waste, or combined waste pipe or stack to be vented;
- the total number of fixture units served by the main vent, or by that portion of the branch vent under consideration; and
- the length of vent—

in accordance with the following table:—

MINIMUM PERMISSIBLE SIZES OF MAIN OR BRANCH VENTS (INCHES).

Diameter of Soil, Combined Waste or Waste Pipe.	Total Number of Fixture Units Served.	Total Length of Vent in Stories.									
		1.	2.	3.	4.	5.	6.	7.	8.	9.	10 and over
Inches											
1½	Up to 8	1½	1½	1½	1½	1½	..	..	..	..	..
	9-14	1½	1½	1½	..	..	..	..	..	..	..
2	Up to 12	1½	1½	1½	1½	2	2	2	..	..	..
	13-18	1½	1½	1½	1½	2	2	2	..	..	..
	19-24	1½	1½	1½	1½	2	2	2	2	2	2

	1,301-2,100	4	5	5	5	5	5	5	5	5	5

## Provided that—

- (i) No vent shall be less than 1½ inches in diameter, and in no case shall a main or branch vent have a diameter less than one-half that of the soil, combined waste, or waste pipe which it serves.
- (ii) For 2-in. and 2½-in. waste pipes the main or branch vent shall have a diameter of not less than 1½ inches.
- (iii) No branch vent need be larger in diameter than the soil, combined waste, or waste pipe which it serves.
- (3) *Individual Anti-siphonage Vents.*—The sizes of individual anti-siphonage vents shall be not less than the sizes determined from the diameter of the fixture trap served, in accordance with the following table:—

Diameter of Fixture Trap.	Minimum Permissible Size of Anti-Siphonage Vent.	Diameter of Fixture Trap.	Minimum Permissible Size of Anti-Siphonage Vent.
Inches.	Inches.	Inches.	Inches.
1½	1½	3	2
2	1½	4	2
2½	2		

## PART 5.—PLUMBING.

## DIVISION 24.—GENERAL.

*Section 90—Waste Pipes.*—Except as provided in section 97, separate waste pipes shall be provided for each of the following classes of polluted water, viz.:—

- (a) Dirty water from baths, sinks, lavatory basins and wash troughs, and other water containing a small proportion of soap and/or dirt.
- (b) Greasy water from kitchen and scullery sinks or other fixtures, in such cases where grease traps are ordered or required.

*Section 91—Soil Pipes.*—Soil pipes shall be provided for soil water from closets and other water containing faecal matter, and for urinal waters from slop sinks and urinals and, where directed, for discharges from operating theatres and mortuaries, and in no case shall such waters be discharged into any waste pipe as defined by this By-law, except by permission of the Authority.

*Section 92—Connections to Drains.*—Except as provided in section 97 all waste pipes shall discharge under the grating of a yard gully or into a disconnector trap. All soil pipes, including those for urinals and slop sinks, must be connected direct to the drain. No waste pipe shall be laid in the ground outside any building or outbuilding unless by special permission.

*Section 93—Flashing, &c.*—All troughs, sinks, and other fixtures which are placed less than 3 inches, and all baths fixed less than 6 inches clear from any wall, shall be flashed with 5-lb. sheet lead, 24-gauge copper, bronze, brass, nickel-silver, or monel metal, or other approved material. Twenty-four-gauge sheet galvanized iron may be used for fixtures other than sinks.

All such flashings shall be turned up the walls at least 4 inches, except where the walls are tiled, when the flashings shall be carried up at least 1 inch behind the tiles. Baths and other fixtures having turned-up flanges for use against tiled walls in lieu of sheet-metal flashing shall be properly supported to prevent settlement, and the tiles shall be brought hard down on to the surface of the fixture. Such tiles or sheet materials shall be securely bedded upon cement mortar in an approved manner for a height of at least 3 inches above the fixture. The flange of the fixture shall lap behind the tiles or sheet materials not less than ½ inch where the fixture is supported on brick or concrete walls carried up from permanent foundations, and not less than ¾ inch if the fixture is supported on material other than brick or concrete. All flashing shall be properly secured and made watertight, and shall be bedded for a width of not less than 1 inch along the edge nearer the fixture in red or white lead.

*Section 94—Fixtures Not to Abut Against Walls.*—Unless otherwise directed or permitted sinks, tubs, and similar fixtures situated in buildings, other than private houses, where food for human consumption is prepared, manufactured, or stored for sale, and draining boards, slabs, and plates used in connexion with such fixtures, shall not abut against any wall, but shall have a clear space not less than 6 inches between such fixtures and any wall surfaces or obstructions.

*Section 95—Bib-cocks.*—Internal bib-cocks shall not be permitted unless a sink, lavatory basin, or other approved fixture, or a properly drained impervious floor, is provided underneath.

*Section 96—Pipes through Roof.*—Where any vent, waste, or soil pipe passes through any roof, a suitable lead collar or approved flashing shall be soldered or otherwise fixed to the pipe and also to the roof in such a manner as will make the roof perfectly watertight.

*Section 97—Combined Wastes—Combined Pipe System.*—The Authority may approve of the adoption of the combined pipe system for plumbing installations, subject to the following conditions and such other conditions as it may think necessary in any particular case, viz.:—

- (a) Application shall be made in writing by the owner or his authorized agent.
- (b) Plans shall be in accordance with section 9.
- (c) The size and arrangement of all soil, waste, combined waste, and vent pipes shall be approved by the Authority.

## DIVISION 25.—SOIL, WASTE, AND VENT PIPES.

*Section 98—Materials.*—Except by permission of the Engineer, no material shall be used for soil pipes, other than cast-iron, 7-lb. lead, brass, stoneware, or ceramic ware, and for waste pipes, other than wrought-iron, cast-iron, 6-lb. lead, brass, copper, stoneware, or ceramic ware.

*Section 99—Lead Pipes.*—The minimum permissible weight of lead for soil pipes shall be 7 lb. per square foot, and for waste pipes 6 lb. per square foot.

*Section 100—Wrought-iron Pipes.*—All wrought-iron or wrought-steel pipes and their fittings shall be approved standard weight and quality and galvanized or lined to the approval of the Engineer.

*Section 101—Cast-iron Pipes.*—All cast-iron pipes shall be sound, free from holes and cracks, and coated with approved bituminous composition, or lined with glass enamel or other approved material.

Cast-iron pipes and their fittings, where laid in the ground, shall comply with the standard approved by the Authority for cast-iron water pipes and their fittings of similar diameter. Cast-iron pipes for use in other situations shall have a minimum thickness of 3.16 inches measured in the case of lined pipes without the lining, and their fittings shall correspond with them in weight and quality. All junctions shall be curved; right-angled junction shall not be made.

*Section 102—Height of Soil Pipe above Fixture.*—Where lead, copper, brass, or cast-iron soil or waste pipes are fixed outside a wall for upstairs fixtures, the lead, copper, brass, or cast-iron pipes shall be carried at least 2 feet above the level of the highest fixture attached to the pipe.

*Section 103—Copper and Brass Soil Pipes, &c.*—Copper or brass pipes for soil, combined waste, or waste pipes shall be seamless, solid drawn tube connected in accordance with the provisions herein, and shall be of a diameter and thickness not less than those given in the table hereunder.

Nominal Internal Diameter.	Minimum Permissible Actual Internal Diameter.	Minimum Permissible Wall Thickness (S.W.G.)		British Standard Pipe Thread for Screwed Connections.
		Screwed Connections.	Braced or Compression Joints.	
Inches.	Inches.			Inches.
1½	1½	12	16	1½
2	1¾	11	16	2
2½	2¼	11	14	2½
3	2½	10	14	3
4	3¼	8	12	4

*Section 104—Use of Lead Pipes.*—Lead pipes shall not be used where, in the opinion of the Engineer, such pipes would be liable to damage.

*Section 105—Supporting Lead Pipes.*—Lead pipes shall be supported by cast lead tacks of approved dimensions, wiped on to the pipe or by other approved fastenings, and such fastenings shall be arranged as nearly as possible thus—

4-in. vertical lead pipes—2-ft. 6-in. centres.

4-in. horizontal lead pipes—2-ft. centres.

Less than 4-in. vertical pipe—3-ft. centres.

Less than 4-in. horizontal pipe—2-ft. 3-in. centres.

Two pairs of tacks, fixed opposite, are sufficient for fixing lead flush pipes from cisterns.

*Section 106—Minimum permissible Gradients.*—The following are the minimum gradients to be adopted for soil and waste pipes:—

Diameter of Pipe.	Minimum Gradient.
1½ inch .. ..	1 in 18
1¾ inch .. ..	1 in 20
2 inches .. ..	1 in 24
2½ inches .. ..	1 in 30
3 inches .. ..	1 in 36
4 inches .. ..	1 in 40
5 inches .. ..	1 in 50
6 inches .. ..	1 in 60

*Section 107—Length of Unvented Waste Pipes.*—Waste pipes need not be ventilated unless they exceed 10 feet in inclined length or 18 feet in vertical length, provided that there is only one fixture attached to the waste pipe, and provided that the water seal of the trap is not reduced by siphonage or other cause. Where there is more than one fixture, or the water seal is reduced, a vent pipe shall be supplied to the fixture trap or traps.

**Section 108—Junctions.**—Where a waste or soil stack is branched into a graded waste, soil, or drain pipe, the branch fitting shall have an angle of not less than 45 degrees to the horizontal, and the length of the branch of the fitting shall be such that the vertical projection of the attached stack will be wholly outside the area of the junction with the graded pipe.

**Section 109—Sealing of Pipes.**—Wherever a fixture is abolished, the soil, waste, vent, and water supply pipes to such fixture shall be removed, or, if allowed by the Authority to remain, the ends of the pipes shall be sealed with water-tight imperishable materials.

**Section 110—Sheet Metal Bends and Offsets.**—All sheet metal bends and offsets for flush and vent pipes shall be bent or pressed. Mitred elbows will not be permitted.

**Section 111—Concealment of Pipes.**—All soil, waste, and main vent pipes and traps shall, except where passing through walls, partitions, and floors, be reasonably accessible at all times for inspection and convenience of repairing.

(a) In hospitals and similar institutions, all soil, waste, and main vent pipes, where practicable, shall be fixed on the outside of external walls or in pipe ducts having a minimum width of 2 feet and minimum area of 9 square feet (measured clear of all pipes or other obstructions) and shall be so arranged as to facilitate inspection and maintenance at all times. Such pipe ducts shall be provided with access doors so placed as to permit ready inspection of every straight line of waste or soil pipe or main vent pipe.

(b) In buildings other than hospitals and similar institutions, if soil, waste, or main vent pipes are concealed within pipe ducts or recesses in walls, such pipe duct or recess shall—

(i) be provided with approved means of access and have a width of not less than 2 feet and a minimum area of 9 square feet (measured clear of all pipes or other obstructions); or

(ii) have at least one of its sides constructed of woodwork, brickwork in lime mortar, terracotta, or gypsum blocks, plaster on expanded metal lathing, or other approved material, so constructed and fixed as to be capable of being removed independently of and without damage to any other part of the structure and provided with inspection openings so placed as to allow ready inspection and maintenance of every straight line of soil or waste or main vent pipe.

(c) Branch and anti-siphonage vent pipes may be concealed in hollow walls or may be built in lime mortar in wall-chases provided the pipes and fittings are made of cast-iron or wrought-iron or steel pipe, or of brass or copper of thickness not less than 12 gauge where screwed fittings are used, and not less than 16 gauge where compression fittings are used, with fittings to correspond, or when joints are brazed.

In no case, except by special permission, shall junctions be built into walls.

(d) All inspection or access openings to concealed pipes shall be finished throughout with smooth surfaces, and shall be of such size and shape as to permit the entrance of cleaning tools, as required, to the pipe.

For the purpose of this section a straight line of soil, waste, or main vent pipe shall be taken to include any offset or deviation from the straight line of not more than 45 degrees and not more than 3 feet in length.

**Section 112—Concealed Standing Wastes.**—Concealed standing wastes will not be permitted.

**Section 113—Painting.**—All external plumbers' work and all cast-iron cisterns and brackets, woodwork in connexion with plumbing installations, sheet-iron flush pipes and sheet-iron storage tanks and trays shall be painted, after inspection, to the approval of the responsible officer.

#### DIVISION 26.—JOINTS.

**Section 114—Stoneware, Cement, or Cast-iron Pipes.**—Joints of stoneware, cement, or cast-iron pipes shall conform with the requirements of Division 20.

**Section 115—Lead Pipe.**—All joints to lead pipe shall be plumber's wiped joints.

**Section 116—Wrought-iron Pipe.**—The screwed ends and sockets of each particular size of wrought-iron or wrought steel pipe shall be so formed and the threads so cut that the ends of the pipe will butt against each other when screwed home in the sockets: bends, junctions, and similar fittings

shall be similarly formed and screwed so that when the pipe ends are screwed home the bore will be continuously uniform, and without breaks or pockets. The burr shall be neatly filed off on the inner edge of all pipe ends. All screwed joints shall be made with approved jointing material.

**Section 117—Wrought-iron Pipe to Lead Pipe.**—All joints between wrought-iron and lead pipes shall be made by means of brass unions screwed to iron, and wiped to lead.

**Section 118—Brass or Copper Pipes.**—Joints of brass or copper pipes shall be made by means of screwed or compression fittings approved, tested, and stamped in accordance with the provisions of section 30, or by means of brazing or other approved method. All brazed work shall be inspected and approved by the Inspecting Officer before installation.

**Section 119—Lead Pipe to Cast-iron Pipe.**—The connexion of lead pipes or traps to cast-iron pipes shall be made by means of brass ferrules. The brass ferrules shall be lined with and connected to the lead pipe or trap by means of a wiped joint, and connected to the cast iron by inserting ferrule in socket thereof, and making the joint in the same way as in cast-iron pipe.

**Section 120—Sheet-iron Pipe to Cast-iron Pipe.**—All connexions of galvanized sheet-iron to cast-iron pipes shall be made with molten lead, lightly but tightly caulked in to cast-iron sockets, or with approved material.

**Section 121—Sheet-iron pipe to Wrought-iron Pipe.**—Galvanized sheet iron pipes shall be connected to wrought-iron pipes by means of brass unions or sleeves soldered to the sheet iron and screwed to the wrought-iron, or by means of a wrought-iron socket which is screwed to the wrought-iron pipe and into which the sheet-iron pipe is lightly but tightly caulked with molten lead.

**Section 122—Sheet-iron Pipe to Lead Pipe.**—Connexions of sheet-iron pipes to lead pipes shall be made by means of brass sleeves wiped to the lead pipe, and soldered to the sheet-iron pipe, or by means of a cast lead collar which is wiped to the lead pipe and into which the sheet-iron pipe is caulked as directed, or soldered and jacketed.

**Section 123—Concrete or Stoneware Pipe and Traps to Lead Pipe.**—Connexions of lead pipe to stoneware or concrete pipe shall be made by means of a brass ferrule connected to the lead pipe by means of a wiped joint, and connected to the stoneware or concrete pipe by inserting it in the socket thereof, and making a cement mortar joint.

The connexion of a stoneware or concrete trap to a lead pipe shall be by means of a cast lead or brass socket, and the joint made with bitumen or other approved material. The lead pipe shall be connected to the tail end of the brass or lead socket by means of a plumber's wiped joint.

**Section 124—Connexion of Closet Pan Traps to Soil Pipe or Drain.**—Connexion of a closet pan to a soil or drain pipe shall be made by means of a bituminous jointing material, consisting of a mixture of approved bitumen and finely graded inert mineral filler in equal proportions, filled in solidly into faucet of soil or drain pipe and neatly splayed off, or by other approved method. In the case of lead soil pipes, a cast-lead or brass faucet shall be used and connected to the lead pipe by means of a wiped joint.

**Section 125—Cistern Flush Pipe to Closet Pan.**—The flushing pipe from cistern shall be connected to the water-closet pan by a lead cap piece of not less than 4-lb. lead, packed with red lead or other approved material. The cap piece shall be jointed to galvanized sheet-iron, copper, brass, or drawn-steel pipe by means of a soldered joint. The connexion of the flushing pipe to cistern shall be by means of a brass union, wiped to lead pipe or soldered to sheet-iron pipe. Copper or brass pipe shall be connected to cistern by means of a brass ring, with nut brazed to pipe, or by other approved means.

**Section 126—Vent Pipe to Closet Pan.**—Vent pipe shall be connected to the vent horn of water-closet trap by a lead cap piece with red lead packing or by other approved methods. The cap piece shall be jointed to copper or brass pipe by means of a soldered joint and to lead flush pipe by a soldered or wiped joint.

**Section 127—Outlet Fittings to Fixtures.**—Connexions between outlet fittings and such fixtures as baths, sinks, basins, &c., when the latter are constructed of cast-iron, plate-iron, ceramic ware, or concrete, shall be made with lock nuts. The outlet fitting shall in all cases be connected to the waste pipe by means of a union.

When these fixtures are made of sheet-metal lighter than 20 gauge soldered connexions may be used in lieu of lock nuts.

**Section 128—Waste Pipes to Troughs.**—Connexions of waste pipes to wash troughs shall be made as under:—

(a) Cement troughs, unless otherwise approved, shall have cast-in outlets.

(b) Sheet-metal troughs shall be connected to the waste pipes in compliance with section 127.

(c) For wooden troughs, lead, copper, or brass waste pipes shall have flanges connected to the waste pipes in accordance with the provisions of this By-law, and fastened to the underside of the trough with round-head brass screws, and the waste pipe shall then be turned over inside the trough and the plug-casting bedded over it with red lead putty and screwed to trough with brass-wood screws.

Where wrought-iron or other screwed pipes are used the plug must be connected to the trough by means of a lock nut in lieu of flange.

#### DIVISION 27.—FIXTURE TRAPS.

**Section 129—Fixtures to be Trapped.**—Every fixture shall be effectively trapped unless otherwise permitted, in writing, by the Engineer. Separate traps shall be provided for each fixture, except lavatory basins, sinks, or troughs, which may be connected in pairs if abutting.

**Section 130—Omission of Traps.**—Baths, lavatory basins, wash troughs, and sinks may remain untrapped where they are fixed in the open air or in a detached out-building not used as a living room, workroom, or room for the preparation, cooking, or storage of food, and not connected directly, by openings, with the main building or residence, provided that the length of the waste pipe, measured from the furthest inlet to the waste pipe outlet, does not exceed 6 feet.

**Section 131—Position of Traps.**—Traps shall be placed as near the fixtures as possible, and nowhere shall a trap be more than 2 feet from its fixture, except as provided in section 180, unless otherwise specially permitted by the Engineer.

**Section 132—Materials of Traps.**—Traps for all fixtures other than water-closets, housemaids' slop sinks, and urinals shall be of copper, brass, or drawn lead.

**Section 133—Depth of Water Seal.**—Every trap shall have a water seal of not less than two inches.

**Section 134—Closet-pan Traps.**—Outlets from closet-pan traps shall be of not less than  $3\frac{1}{2}$ -in. nor more than 4-in. in diameter except for siphonic pans.

**Section 135—Sealed Disconnector Traps.**—Where approved by the Engineer, sealed disconnector traps may be fixed outside or inside the building or out-building, but in such cases breather pipes or fresh air inlets of the same diameter as disconnector traps shall be taken above the level of the lowest fixture, or to such other height as directed, and when the trap is inside shall be led to the outside of the building or out-building. The material for such breather pipes shall be the same as for waste pipes; sheet iron will not be allowed. Inspection openings to such traps shall be sealed with screwed plugs, or as otherwise approved by the Engineer.

**Section 136—Form of Trap.**—The "P" form of trap shall be used in preference to the "S" form where in the opinion of the Engineer, it is equally suitable for the situation.

**Section 137—Lead Traps.**—All lead traps must be of the weights specified in section 98 for lead pipes of the same diameter.

#### DIVISION 28.—GRATINGS.

**Section 138—Outlet Gratings.**—Incorrodible outlet gratings of approved design and material in accordance with the Australian Standard Specification No. B.38, "Metal Alloy Sanitary Fittings," shall be provided for all urinals and housemaids' slop sinks and for all fixtures discharging into waste pipes. If for the fixtures in question there is no Australian standard, the grating shall be to the approval of the Engineer.

#### DIVISION 29.—CLEANING EYES AND INSPECTION OPENINGS.

**Section 139—Provision for Inspection and Cleaning.**—Sufficient inspection and cleaning eyes shall be provided in such positions on soil and waste pipes as to be easy of access and easily opened for proper inspection and cleansing.

Traps for fixtures, other than water closets, urinals, and slop sinks, shall be provided with approved screwed brass plugs for cleaning purposes fixed under the water line of the trap, unless allowed otherwise by the Engineer.

**Section 140—Inspection Openings on Soil Pipes.**—In all cases where the vertical stack of soil pipe provides for closets 4 feet or more above the ground level, measured from floor level of water-closet to ground level at foot of stack, an inspection opening eight inches in length having a cover fixed to a flange with brass or bronze bolts or studs and fitted with an approved rubber or insertion gasket, shall be provided in such a position as directed by the responsible officer of the Authority.

#### DIVISION 30.—GREASE TRAPS.

**Section 141—Provision of Grease Traps.**—Every fixture or area from which grease or any other objectionable matter is likely to be discharged or conveyed into waste or soil pipes, or house drains, and every sink in all such places as food-packing houses, butchers' shops, lard-rendering establishments, hotels, restaurants, and boarding-houses, and such fixtures, areas, apparatus, or appliances as the responsible officer may direct, shall first discharge into an approved apparatus for preventing the objectionable matter from reaching the soil pipe or drain. Such apparatus shall be of such dimension, design, and construction, and in such positions as the responsible officer may in each case approve.

**Section 142—External Grease Traps.**—Every grease trap shall be fixed outside the premises whenever practicable and (if not portable) shall be constructed of glazed stoneware, or of concrete, or brick in cement, lined throughout with approved tiling or built of glazed brick with bronze gunmetal, Muntz-metal or galvanized mild steel baffles, and the outlet shall be connected to the drain through a disconnector trap. The grease trap shall be designed for the particular waste to be trapped both as to capacity and type. Every external grease trap shall be provided with a  $\frac{1}{2}$ -in. bib-tap connected with a  $\frac{1}{2}$ -in. water service and capable of discharging into the grease trap.

**Section 143—Internal Grease Traps.**—Wherever a grease trap is used inside a building or out-building it shall be so fitted as to be easily removable, and, if directed, fixed upon a tray. All internal grease traps shall be of copper tinned inside or other approved material, provided with a close fitting cover, and shall be independently ventilated as required by the responsible officer. An internal grease trap which is not removable may be permitted in special circumstances, provided the design permits easy access and cleansing, and special precautions over and above those required for external grease traps are taken.

**Section 144—Grease Trap Ventilation.**—Unless otherwise approved, every internal grease trap and all external grease traps which are within 30 feet of any door, window, or other opening into a building shall, unless fitted with an approved air-tight cover, have independent provision made for inlet and outlet ventilation.

Every such vent shall be carried not less than 6 feet above any window, door, or other opening into any building within a distance of 30 feet thereof, and in any case at least 2 feet above the eaves or coping, or to such additional height as may be necessary to prevent effectually the escape of foul air into any building within the vicinity.

In all cases there shall be a difference in height of at least 6 feet between the tops of the inlet and outlet vents.

The size of such vents shall be in compliance with the requirements for main vents in section 89, the diameter of waste pipe being taken as that of the outlet from the grease trap and the number of fixture units equivalent to the number represented by the sinks served by the grease trap.

**Section 145—Size of Grease Trap.**—The dimensions of the grease trap to be provided shall be such as to ensure the congealing and retention of all grease entering such trap.

**Section 146—Outlet Pipes.**—The outlet pipe from any grease trap must be at least one size larger than that size of pipe which has a cross sectional area equivalent to the total area of incoming waste pipes. In no case, except by special permission, shall the outlet pipe be less than 3-in. diameter for grease traps of copper or other approved metal and 4-in. for stoneware and other materials.

**Section 147—Maintenance.**—Every grease trap shall be maintained by the occupier at his own expense, and shall be cleaned daily, to ensure that such trap operates in an efficient and hygienic manner.

#### DIVISION 31.—WATER-CLOSETS AND FLUSHING APPARATUS.

**Section 148—Provision of Water-closets.**—(1) At least one water-closet, approved by the Authority, shall be provided for each house, building, out-building, or land required by notice from the Authority to be connected with a sewer of the Authority, and for each flat, as defined in this By-law.

(2) Every licensed victualler's property, restaurant, boarding-house, lodging-house, school, shop, factory, office, public building, or building used for public entertainment, shall be provided with water-closet accommodation in accordance with the requirements of the Health Acts and/or Factories and Shops Acts of the State of Victoria, or of any regulations under any of the said Acts, or of other relevant statutory requirements or regulations; provided that, in any property other than a house or flat, which is not provided for in any of the aforesaid Acts, separate water-closet accommodation shall be provided for males and females, one water-closet for each ten or portion of ten persons for whom water-closet accommodation is required.

(3) Water-closets shall be so placed, either within or outside the building, as to ensure the due observance of decency and to be easily accessible to the occupiers of such building.

(4) After the date fixed by notice from the Authority to the owner of any house, building, or land, requiring him to connect the same with a sewer of the Authority, or after such further time as shall be allowed by the Authority for the purpose of such connexion, no privy closet, other than a water-closet approved by the Authority, shall be used in such house or building, or upon such land.

**Section 149—Airlocks for Water-closets.**—(1) Except as provided in sub-section (2) hereunder, no water-closet or urinal compartment within a building shall be entered directly from any room used for human habitation or for the manufacture, preparation, or storage of food for human consumption, or used as a factory, workshop, or work place.

In cases where otherwise such closet or urinal compartment would be directly entered from any such room, an airlock shall be provided, having a floor area of not less than twenty square feet, and lighted and ventilated in accordance with the provisions of section 151.

In private residences a hall, passage, lobby, or stair-case may be considered as an airlock, provided it has a floor area of not less than twenty square feet and complies with the requirements of sections 151 and 152.

(2) The airlock may be omitted where a water-closet, within any building, is intended solely for the private use of not more than two persons and opens off a room normally occupied by those persons only, provided that such room is not used for the manufacture, preparation, storage, or consumption of food, or as a factory, workshop, or work place.

(3) No airlocks will be required where ventilation, in accordance with section 153, is provided to water-closet or urinal compartments.

**Section 150—Lighting and Ventilation of Water-closets.**—Except as provided in section 152, every water-closet or urinal compartments within a building shall comply with the following conditions:—

(a) One of its sides shall be an external wall of such building, abutting on to a street or lane, or an open space within the property, having a width of not less than four feet and an area not less than the following:—

	sq. ft.
For first story above floor level of open space .. .. .	36
For second story above floor level of open space .. .. .	72
For all other stories above floor level of open space .. .. .	100

Each water closet or urinal compartment shall be provided with a window in such external wall having a clear light area of not less than three square feet per closet pan and capable of being opened.

(b) Each water-closet or urinal compartment shall be provided with direct ventilation to the open air from a point near ceiling level and a floor vent. Such ventilation shall be provided by a vent, or vents, carried as direct to the open air as is practicable, and boxed throughout, and having a minimum clear area at any point of not less than 27 square inches per closet pan.

(c) Glazed louvres may be used in lieu of windows and ventilators, subject to their providing a clear light area of not less than three square feet per closet pan and a clear ventilating area of not less than 27 square inches per closet pan.

**Section 151—Lighting and Ventilation of Airlocks.**—(1) Each airlock shall be:—

(a) Provided with a window made to open or glazed louvres on an external wall, having a clear area of not less than 3 square feet for each 100 square feet, or part of 100 square feet of floor area of airlock; and

(b) separately lighted by electricity and provided with a switch within the airlock.

(2) Except as provided in sub-section (3) of this section, every airlock shall be provided with direct ventilation to the open air from a point near ceiling level.

Such ventilation shall be provided by a vent, or vents, carried as direct to the open air as is practicable, and boxed throughout, and having a minimum clear area at any point of not less than 27 square inches for every 100 square feet, or part of 100 square feet of floor area of airlock.

(3) In private residences, the requirements of sub-section (2) of this section may be omitted, provided:—

(a) That the floor area of the airlock is not less than 20 square feet, and that the doors of water-closets are fitted with approved self-closing devices, or

(b) that other provisions are made to the approval of the Engineer.

**Section 152—Alternative Methods of Lighting and Ventilating Water-closets and Airlocks.**—(1) Subject to the approval of the Engineer first obtained, in writing, water-closet or urinal compartments, and airlocks in buildings, other than hospitals and similar institutions, may be ventilated by one of the following methods, instead of by the method set out in sections 150 and 151:—

(a) (i) In buildings up to four stories in height (measured from the floor of the lowest water-closet or urinal compartment to be so ventilated) the water-closet and urinal compartments and airlocks may abut on to a ventilating shaft, open to the sky and carried to such height as may be necessary to prevent the deflection of wind currents down the shaft by neighbouring structures.

No rooms, other than water-closet and urinal compartments, airlocks, and bathrooms, may open on to such shaft.

The area of such ventilating shafts, and the maximum number of water-closets or urinals to be served by any one such shaft, shall be as shown in the following table:—

Height of Ventilating Shaft in Stories.	Minimum Area of Ventilating Shaft.	Maximum Permissible Number of Closet Pans or Urinals on any Vent Shaft.
1 or 2 .. .. .	16 square feet .. .. .	4
3 or 4 .. .. .	1st and 2nd stories—16 square feet 3rd story—20 square feet Top story—24 square feet	10

No dimension of such ventilating shaft shall be less than 4 feet.

(ii) In buildings in which such ventilating shaft is three or four stories in height, a ventilating duct having a clear area of not less than two square feet, shall be carried from the bottom of the ventilating shaft to an external wall, and shall be boxed throughout.

(iii) Every water-closet or urinal compartment or airlock which abuts on to a ventilating shaft as afore-mentioned shall have a window, capable of being opened to such shaft, with an effective glass area at least equal to one-fifth of the floor area of the compartment, with a minimum of four square feet, and shall be provided with ventilating openings to the ventilating shaft, having a total clear area at any point of not less than 50 square inches per closet pan.

(iv) Where water-closets or urinals are situated in a basement or cellar, in addition to the above-mentioned requirements, there shall be provided a ventilating duct, carried through the roof, and fitted with an approved cowl designed either to give a positive up draught or down draught in the duct, at the option of the owner. Such ventilating duct and cowl shall be capable of changing the air in each water-closet or urinal compartment or airlock served by it, at least six times per hour, when subject to a wind velocity of four miles per hour, the inside and outside temperatures being equal.

Ventilating ducts serving different compartments may be combined, but the minimum area of any ventilating duct shall be 25 square inches for each closet pan or urinal served by the said duct.

(b) The water closet or urinal compartment may be ventilated by a mechanical system of exhaust ventilation in compliance with the requirements of section 153.

(2) Every water-closet or urinal compartment permitted by the Authority to be ventilated in accordance with this section shall be separately lighted by electricity and provided with a separate switch within the compartment.

**Section 153—Mechanical Ventilation.**—(1) Every system of mechanical ventilation shall be approved by the Engineer and be capable of changing the air contents of the water-closets served at least six times per hour.

(2) In every case, the ventilating fan and the power unit operating same shall be in duplicate, unless the main air shaft shall, in the opinion of the Engineer, be designed to act as an efficient natural vent in the event of the mechanical equipment failing.

(3) Upon completion, the owner or his representative shall carry out such tests of the ventilating system as the Authority may deem necessary.

(4) Such mechanical system shall be operated continuously and maintained in good working order and condition, under the direction of a properly qualified person.

(5) Any such mechanical system shall be open to inspection by the officers of the Authority at all reasonable times, and shall be subject to such tests as the Authority shall from time to time direct.

(6) Subject to the requirements of section 111, air shafts may be used also as pipe shafts.

(7) The failure, for a period longer than 48 hours, of any such ventilating system, to operate efficiently, or to fulfil the requirements of this section, shall be an offence against this By-law.

**Section 154—Construction of Water-closets.—**

- (a) Each closet apartment shall be not less than 3 feet wide and 5 feet long, inside measurements, and the walls shall be at least 7 feet high at the lowest part.
- (b) The floors of all internal water-closet apartments shall be constructed of concrete of not less than 4 inches thickness or of other approved impervious material and graded as directed, or they shall be provided with safes of lead or other approved material in accordance with the requirements of sections 185, 186, and 187.
- (c) The floors of all external water-closets shall be constructed of concrete not less than 4 inches thick, and graded as directed.
- (d) In wooden water-closets the bottom plates and plinths shall be of approved timber and the frame shall be securely fastened to the floor and made rigid, without attachment to fences.
- (e) Where repairs to wooden closet buildings are required, the studs shall be cut back to sound timber and new plates fixed to the sound ends and bedded and secured to dwarf concrete or brick walls extending up to such a height as is necessary to give the required height from the floor to the level of the top wall plates.

External closet doors shall be saw-toothed on top, and a space of 3 inches shall be left between bottom of door and floor, or other approved means of ventilation provided.

**Section 155—Fixing Closet Pan.**—On concrete floors, or floors of tiles set in concrete, the closet pan shall be securely bedded upon concrete or cement mortar and fixed with brass screws to approved lead dowels set in the floor. Where the floor is of timber covered with an approved impervious material the closet pan shall be secured to the timber by means of brass screws as directed or by other approved means.

**Section 156—Closet Pans.**—Every water-closet shall be furnished with a pan of non-absorbent material of such shape, capacity, and construction as approved by the responsible officer. Water-closet pans and fittings thereto shall be entirely open to inspection and without any enclosure. Vent horns shall be provided on pans where directed, even if no anti-siphonage vent is required. If not used for a vent such vent horn shall be sealed with a lead disk, bituminous filler, and a lead cap piece, or by other approved method.

**Section 157—Closet Pan Seats.**—All closet pan seats must be of the flap or hinged tip-up type. Except as approved by the responsible officer, all seats shall not be less than 1 inch in thickness and constructed of approved material. When constructed of wood, four-piece seats shall be glued and either doweled or bolted, and one-piece seats shall be reinforced with two wood or brass slips let in flush on the underside. To prevent fouling of pan, the closet seat openings must not be larger than 10½-in. x 9-in., and seats with holes so large as to cause fouling of the pan must not be used, provided that open front seats of approved design may be used. Pans must measure at least 12 inches between the lower edge of the front and back faces of flushing rims. Water-closet seats must be provided with approved buffers to prevent damage to the pan, and an approved buffer clip must be fixed to the flush pipe at a suitable height from the pan.

**Section 158—Flushing Apparatus.**—Approved apparatus shall be provided for the effective application of water to the pan of the water-closet and for the efficient flushing and cleansing of the pan and effective removal therefrom of any solid or liquid matter which may from time to time be deposited therein. Such apparatus shall have a flushing capacity of not less than 2½ gallons, and shall be so constructed, fitted, and placed as to supply water for use in the pan without any direct communication with any service water pipe upon the premises.

**Section 159—Flushing Cisterns.**—Flushing cisterns shall be of cast iron, glass enamelled porcelain, stoneware or other material approved by the Engineer, and shall be fixed at such height as will effectively flush the pan; but, except by special permission, no cistern shall be fixed at a less height, measured from top of seat to bottom of cistern, than 5 feet, where 1½-in. flush pipe is used, or 4 ft. 6 in. where 1¼-in. flush pipe is used. There shall be a distance of at least 9 inches between top of cistern and ceiling of closet.

No. 231.—9921/41.—2

Every cistern shall be provided with an approved ball tap and shall have a separate stop-tap and an overflow of ½-in. internal diameter, and shall be fixed to cistern boards not less than 12 inches deep and 1½ inch thick, or fixed in other approved manner.

Water supply pipes to cisterns shall be adequate to fill any cistern at the rate of not less than 1 gallon per minute.

**Section 160—Flush Pipes.**—Flush pipes to closet pans shall be of brass, copper, 6-lb. lead, galvanized-iron of not less than 22-gauge, or other approved material, and shall have a minimum diameter of 1½-in.

**Section 161—Flushing Apparatus other than Cisterns.**—Notwithstanding anything contained in this By-law, closet pans in any building may be flushed by means of any apparatus which—

- (a) automatically controls the amount of water used, and/or
- (b) is approved by the Authority.

**Section 162—Storage Tanks.**—Except where otherwise allowed by the Authority, on request, in writing, by the owner accepting all responsibility in the matter, internal water-closets shall be provided with storage tanks capable of holding 6 gallons of water for each occupant of the building, with a minimum of 60 gallons per closet for all buildings except private residences, which shall have a minimum capacity of 30 gallons, and flats with separate external entrances, which shall have a minimum capacity of 30 gallons per tenement. These tanks may be of 22-gauge galvanized sheet iron or 24-gauge galvanized corrugated iron.

Unless otherwise directed by the responsible officer, the storage tanks may be placed in the water-closet compartment itself, on the roof over a flat or gutter, or in an accessible place between the ceiling and the roof, in which latter case a safe of galvanized-iron, lead, or other approved impervious material, with over-flow, shall be fixed under the storage tank.

**Section 163—Venting Closet Pans.**—Unless otherwise directed or permitted, every closet pan on an upstairs floor shall discharge into a soil-ventilator pipe, except that any closet pan on a floor which is not more than 8 feet in height from the ground surface level may be ventilated by an anti-siphonage vent only, in accordance with the requirements of sections 75 and 89, and discharge into a soil pipe without extension as a ventilator pipe; provided that no fixtures at a lower level are connected to such soil pipe.

Any closet pan where ordered, and, also, unless otherwise directed, every internal closet pan which is more than 4 feet from a fully vented soil-pipe drain as measured along the axis of the pipe between the centre of soil pipe and centre of pan, shall be ventilated by an anti-siphonage vent in accordance with the requirements of section 89, sufficiently close to prevent siphonage, and in no case more than 18 inches from the trap. Notwithstanding the above, all "S" trap pans must be provided with anti-siphonage vents.

**Section 164—Grouped External Closets.**—Where there are two or more external water-closet pans grouped on the ground floor or in the yard of any premises special provision to prevent siphonage may be ordered by the Engineer.

**DIVISION 32.—URINALS AND FLUSHING APPARATUS.**

**Section 165—Urinals, General.**—In every licensed victualler's property, restaurant, boarding-house, lodging-house, school, shop, factory, office, public building, or building used for public entertainment, urinal accommodation shall be provided in accordance with the requirements of the Health Acts and/or Factories and Shops Acts of the State of Victoria, or of any regulation under any of the said respective Acts or of other relevant Acts.

**Section 166—Internal Urinals.**—The positions, approaches, arrangement of lighting, ventilation, &c., for urinals shall comply as nearly as possible with the provisions set out in this By-law as to internal water-closets.

**Section 167—Details of Construction, &c.**—Except by special permission, only round-backed stall type urinals of approved impervious material shall be used. The soil pipe shall be of lead, stoneware, or glass, enamelled or coated cast-iron, or other approved material, shall be kept as short and free from bends as possible, and shall be trapped. Inspection openings shall be provided on soil pipes as directed, with clamped covers. The urinals shall be provided with approved flushing apparatus, and a hose tap shall be provided in a suitable position for hosing down.

**Section 168—Treatment of Floors.**—The floor in front of a urinal shall be covered with approved impervious material for a width of not less than 2 feet, or, if raised above floor level of urinal compartment, not less than 1 ft. 6 in., and graded to drain to urinal.

**Impervious Materials.**—The following materials will be considered impervious:—

- (a) For urinals: glazed fire clay or salt-glazed stoneware.
- (b) For floors in front of urinals: approved tiles set in cement mortar (composed of equal parts of cement and sand), concrete 4 inches thick rendered with 1-in. thick cement mortar, slate, marble, or asphaltum.

**Section 169—Flushing Apparatus.**—Pull and chain flushing cisterns or other approved apparatus operated by hand shall be fixed on all urinals except where automatic flushing cisterns are permitted or directed by the Engineer.

**Section 170—Flushing Cisterns.**—The discharge from a cistern shall be equal to 1 gallon for each urinal stall, except where otherwise allowed by the Authority, but in no case shall more than three stalls be served by a single-flushing apparatus.

The height of a cistern shall, unless otherwise allowed by special permission, be at least 6 ft. 6 in. from the floor to the bottom of the cistern. The cistern shall be so fixed that the ball tap is accessible.

A separate stop tap shall be provided for each urinal cistern.

**Section 171—Flush Pipes.**—Flush pipes for urinals shall be of brass or copper with gunmetal fittings, and shall have a minimum diameter of 1½-in., except that flush pipes for automatic flushing cisterns generally shall not exceed—

For 1-gallon cistern, ¾-in. internal diameter.

For 2-gallon cistern, 1-in. internal diameter.

For 3-gallon cistern, 1½-in. internal diameter, with branches as directed by the responsible officer of the Authority.

#### DIVISION 33.—SLOP SINKS.

**Section 172—General.**—Slop sinks shall be made in one piece of approved impervious material and provided with approved flushing apparatus of 2½-gallon capacity.

**Section 173—Ventilation, Light, &c.**—Slop sinks shall be so placed and ventilated as to comply with the requirements for internal water-closets as set out in this By-law.

**Section 174—Bibcock over Slop Sink.**—A bibcock shall be fixed directly over a slop sink, and at least 18 inches above such sink. A pedestal pan must be used wherever combined water-closet, slop sink, and internal urinals are required, and in such case must be provided with hinged tip-up seat. A lead safe of suitable area must be fixed under the pan.

#### DIVISION 34.—WASH TROUGHS.

**Section 175—General.**—Every wash trough shall be of approved pattern and material, securely fixed and graded to outlet pipe, fitted with brass strainer sunk to level of bottom of trough.

**Section 176—Support for Lead Waste Pipe.**—Where the distance between outlets on troughs exceeds 21 inches and lead waste pipe is used, the pipe shall be supported either by a lead tack wiped on the top of the pipe or by a wooden block screwed to the bottom of the trough and clamped to the pipe.

**Section 177—Troughs Abutting Against Brick Wash Copper.**—Wherever the end of a wash trough abuts against the brick-work of a wash copper, the space between the end of trough and the brick-work shall be filled with approved water-proof material, and made water-tight.

#### DIVISION 35.—SINKS, BATHS, LAVATORY BASINS, AND SHOWERS.

**Section 178—Sinks.**—All sinks shall be fixed on brackets, and traps and wastes left readily accessible.

**Section 179—Galvanized Sheet-iron Baths.**—The bottoms of galvanized sheet-iron baths shall be effectively supported. Such baths shall not be enclosed. Longitudinal joints in the bottoms of baths shall not be permitted. Where it is necessary to fix new wastes to galvanized-iron baths, the bottoms of which are unsupported, efficient supports for the bath must be provided before the wastes are fixed.

**Section 180—Bath Traps.**—Where a bath trap is fixed on the outside of a wall it shall in no case be more than 3 feet from the outlet of the bath, unless by special permission of the Engineer.

**Section 181—Baths Without Flashing.**—Where pedestal baths are fixed, and it is not desired to flash them, they shall be fixed with a space of at least 6 inches clear of walls.

**Section 182—Venting of Lavatory Basins.**—Except as hereunder all lavatory basins, placed singly, shall be provided with anti-siphonage vents. Where the length of waste pipe does not exceed 4 feet, measured from crown of trap to outlet end of waste pipe, and siphonage does not occur, the anti-siphonage vent may be omitted.

In ranges of lavatory basins, ventilation by means of a single vent pipe at the upper end of the range will be permitted provided that the vent and main waste pipe are sufficiently large to prevent siphonage.

**Section 183—Tip-up Basins.**—Tip-up lavatory basins shall not be permitted.

**Section 184—Showers.**—All shower compartments shall be provided with drainage in accordance with the requirements for baths, and the drainage outlet shall be fitted with brass grating.

The floors of shower compartments shall be well graded to the trapped outlet and shall be constructed of not less than 4 inches of concrete, trowelled smooth or covered with tiles set in cement mortar, or of other approved impervious materials, or if constructed of timber shall be covered with enamelled cast-iron, approved non-corrosive sheet-metal, or other approved material turned up at the edges and flashed, in accordance with the requirements of section 93.

The walls of shower compartments shall be constructed of brickwork or concrete, cement rendered to a smooth finish, or covered with tiles set in cement mortar, or of other approved impervious materials, or if constructed of timber shall be lined with approved non-corrosive sheet-metal or other impervious material, and with impervious joints.

#### DIVISION 36.—SAFES AND OVERFLOWS.

**Section 185—Safes, where Required.**—Safes of lead or other approved impervious material shall be fitted under slop sinks and internal water-closets, and in such other positions as directed, where there is not already an impervious waterproof floor, suitably graded and provided with a suitable drainage outlet.

**Section 186—Lead Safes in Water-closets, &c.**—All lead safes shall be laid with sheet-lead weighing not less than 5 lb. per square foot, and where the whole floor is not covered with lead the safe shall extend 12 inches beyond the sides and 15 inches beyond the front of the pan, measured from the outside of the basin, and shall extend back to and 3 inches up the wall and over-flashed, if directed. The roll of such safe shall be 2 inches wide and ¾ inch high, or as directed. In the case of baths, sinks, and lavatory basins, the lead or other approved impervious materials where directed shall extend 6 inches beyond the ends or sides, measured from the extreme edge of the fitting, and shall be carried back to and up the wall as for closets.

**Section 187—Safe Overflows.**—Unless otherwise permitted, every safe shall be drained by a separate 2-in. diameter pipe, provided at the inlet with a brass grating and at the outlet into the open air with a flap valve of brass or other approved metal, and shall not connect with any waste pipe, soil pipe, drain, or sewer.

**Section 188—Cistern Overflows.**—Every cistern supplied with water shall, unless otherwise approved, have an overflow pipe of adequate size discharging in a position where it will not cause damage, but where it will act as a warning pipe. On ground floors where cisterns are fixed over impervious floors graded to drain outside of the room, the overflow may discharge on to such floors, provided no damage is likely to arise therefrom.

**Section 189—Discharges from Overflows.**—Overflows may discharge into the open air above ground level only when the discharge, in the opinion of the responsible officer, will not cause any inconvenience or nuisance. In all other cases the pipes must be brought to the ground surface or be arranged to discharge where they will not prove a source of annoyance or inconvenience.

**Section 190—Steam Exhaust.**—No steam exhaust, blow-off condensate, or drip pipe shall be connected with any drain or any soil or waste pipe.

**Section 191—Existing Floors.**—Where necessary, in the opinion of the responsible officer of the Authority, every existing floor under a fixture shall be regraded and a proper waste pipe and, if directed, a flap valve fixed.

#### DIVISION 37.—EXISTING FIXTURES.

**Section 192.**—All existing fixtures, fittings, and appliances not in accordance with this By-law, which the owner may desire to remain unaltered, and which, in the opinion of the Authority, will be inoffensive, may at the distinct request, in writing of the owner, remain unaltered until such time as the Authority shall otherwise order. Existing fixtures, fittings, and appliances which, in the opinion of the Authority, are offensive shall be removed at once.

#### PART 6.—WATER SUPPLY.

##### DIVISION 38.—WATER SERVICES TO SANITARY FIXTURES.

**Section 193—Supply of Water to Fixtures.**—All water closets and other plumbing fixtures shall be provided by the owner with a sufficient supply of water for flushing purposes to keep them at all times in proper and cleanly conditions.

Every owner of property who desires, or has been ordered, to provide sanitary appliances for his own property and to connect his property with the sewers of the Authority, shall before or at the commencement of the work of making such connexion, provide piping approved of by the Authority for the conveyance of water, and shall cause the piping to be joined at the most convenient water supply main, or, with the permission of the responsible officer, to some pipe already joined to the main. Such piping shall be of sufficient capacity to supply all sanitary fittings on the property freely and

continuously, and convey to the flushing cistern, flushing tank, or other flushing apparatus of each water-closet on the property enough water to fill the same at a rate of not less than 1 gallon per minute, and the owner shall cause such piping to be connected with the cistern, tank, or other flushing apparatus before the completion of the work.

The water supply to any fixture shall be so arranged that there shall be an actual physical discontinuity between the water stored or used in any such fixture and that in the water service pipe. The water supply for water-closets or urinals shall not be taken from a storage tank serving a hot water service.

**Section 194—Material, Condition, Capacity, &c., of Water Supply Piping.**—The entire length of the water supply piping from its connexion with the water supply main to the water-closet flushing cistern, or other fixture, shall be such as is, in the opinion of the responsible officer, suitable in regard to material, condition, and capacity, to convey a sufficiency of water for the sanitary requirements of the particular tenement.

The owner shall keep the piping from becoming, whether by reason of corrosion or other cause, of insufficient capacity to fill the flushing cistern, storage tank, or other flushing apparatus at the rate of not less than 1 gallon per minute.

**Section 195—Fixtures Not Connected with Sewers.**—No water service pipe shall be laid to supply any fixture in any property in any sewerage area unless such fixture is connected with the sewers of the Authority, or unless special permission, in writing, has been previously given to lay such service pipe.

**Section 196—Storage Tanks.**—Water supply pipes to storage tanks for internal closets shall be not less than  $\frac{1}{2}$ -in. diameter, and be provided with stop taps and high-pressure ball valves, except where the water pressure at the storage tank is not sufficient to allow of high-pressure ball valves being used; in such cases the permission of the Engineer shall be obtained to fit low-pressure ball valves. Where the head of the water supply of the storage tank to the flushing cistern is less than 20 feet, a low-pressure ball valve shall be provided to the cistern. Except by special permission of the Engineer the head of water supply shall in no case be less than 10 feet, measured vertically from top water level of storage tank to the level of the point of discharge into the cistern, or to the flush valve, as the case may be.

The water supply pipes from storage tanks to cistern shall not be less than the following diameter:—

- For 1 to 2 cisterns,  $\frac{1}{2}$ -in. diameter.
- For 3 to 6 cisterns, 1-in. diameter.
- For 7 to 25 cisterns,  $1\frac{1}{2}$ -in. diameter.
- For 26 to 50 cisterns, 2-in. diameter.

Except by special permission of the Engineer, more than ten (10) cisterns shall not be subject to a head of less than 20 feet.

Where the number of water-closets or urinals served by any storage tank exceeds two in the case of private residences or flats, or one for any other building, a full-way gate valve shall be provided on the outlet from the storage tank.

The overflow pipe from a storage tank shall not be less than  $\frac{1}{4}$ -in. in diameter, and shall lead to a gutter or open drain outside the building or out-building. In all water-closets, a lead or annealed copper connexion not less than 12 inches in length shall be used between the flushing cistern and the supply pipe.

**Section 197—Supply Pipe Connexion with Flushing Cistern.**—In all water-closets, where directed, a piece of lead or annealed copper pipe not less than 12 inches in length shall be used between the flushing cistern and the stop-cock on the supply pipe.

The above By-law was made and passed by the Traralgon Sewerage Authority on the 4th day of June, 1941, and confirmed on the 16th day of July, 1941.

In witness whereof the common seal of the Authority was hereto affixed in the presence of—

(SEAL) W. E. CUMMING, Chairman.  
J. H. ROGERS, Member.  
E. M. WEST, Acting Secretary.

Approved by the Governor in Council,  
12th August, 1941.

C. W. KINSMAN,  
Clerk of the Executive Council.

#### Local Government Act 1928.

##### SHIRE OF WOORAYL.

##### ORDER FOR DEVIATION OF PUBLIC HIGHWAY.

IN pursuance of the powers conferred by sections 521 and 525 of the *Local Government Act 1928*, the Council of the Shire of Woorayl doth hereby order that the lands hereinafter described shall be a public highway from and after the date of the publication of this Order in the *Government Gazette*, namely:—

All that piece of land, being part of Crown allotments 11b and 11c, Parish of Nerrena, County of Buln Buln: Commencing at a point bearing N. 89 deg. 56 min. W. 4,559 links and S. 12 deg. W. 497.2 links from the north-east corner of the said allotment 11b; thence by lines bearing respectively S. 45 deg. 2 min. E. 3,005.4 links, S. 21 deg. 9 min. E. 270 links, S. 0 deg. 53 min. W. 947 links, S. 44 deg. 34 min. E. 135.2 links, N. 89 deg. 56 min. W. 196.3 links, N. 0 deg. 53 min. E. 1,025.2 links, N. 21 deg. 9 min. W. 229.4 links, N. 45 deg. 2 min. W. 2,460.9 links, N. 48 deg. 33 min. W. 441.7 links, N. 12 deg. E. 151.6 links to the point of commencement.

And the said Council doth hereby further order that the lands above described shall, from the date of the said publication in the *Government Gazette*, be a public highway in lieu of the lands hereinafter described, namely:—

All that piece of land, being part of a Government road in the Parish of Nerrena, County of Buln Buln: Commencing at the north-east corner of Crown allotment 11b, Parish of Nerrena; thence by lines bearing respectively N. 89 deg. 56 min. W. 7,540 links, N. 12 deg. E. 102.2 links, S. 89 deg. 56 min. E. 7,519 links, and S. 0 deg. 4 min. W. 100 links back to the commencing point.

Dated the twelfth day of March, 1941.

The common seal of the President, Councillors, and Rate-payers of the Shire of Woorayl was hereto affixed, in the presence of—

(SEAL) H. PERCY WILLIAMS, Councillor.  
G. HENDERSON, Councillor.  
C. H. LYON, Shire Secretary.

Confirmed by the Governor in Council,  
12th August, 1941.

C. W. KINSMAN,  
Clerk of the Executive Council.

##### SHIRE OF KORUMBURRA.

##### ROAD DEVIATION—PARISH OF KORUMBURRA.

IN pursuance of the powers conferred by sections 521 and 525 of the *Local Government Act 1928*, the Council of the Shire of Korumburra doth hereby order that the lands hereinafter described shall be a public highway from and after the date of publication of this Order in the *Government Gazette*, namely:—

All that piece of land, being part of Crown allotment 71A, Parish of Korumburra, County of Buln Buln: Commencing at a point on the eastern boundary of the said Crown allotment, distant south 0 deg. 4 min. west 958.1 links from the north-east corner of the said Crown allotment; thence bounded by lines bearing south 31 deg. 14 min. west 750.7 links, south 5 deg. 56 min. west 176.6 links, south 25 deg. 29 min. east 574.5 links, south 38 deg. 22 min. east 255 links, north 0 deg. 4 min. east 160.6 links, north 38 deg. 22 min. west 118 links, north 25 deg. 29 min. west 535 links, north 5 deg. 56 min. east 126 links, north 31 deg. 14 min. east 563 links, north 0 deg. 4 min. east 193.2 links to the commencing point.

And the said Council doth hereby further order that the land above described shall, from the said date of publication in the said *Government Gazette*, be a public highway in lieu of the following piece of land, namely:—

All that piece of land, being part of a 1-chain Government road, and commencing at the north-west corner of Crown allotment 71B, Parish of Korumburra, County of Buln Buln, and bounded by lines bearing south 31 deg. 14 min. west 193.2 links, south 0 deg. 4 min. west 1,182.1 links, south 38 deg. 27 min. east 160.6 links, north 0 deg. 4 min. east 1,473 links to the commencing point.

Dated at Korumburra the seventeenth day of July, One thousand nine hundred and forty.

The common seal of the President, Councillors, and Rate-payers of the Shire of Korumburra was hereto affixed, in the presence of—

(SEAL) J. A. COSTER, Shire President.  
A. J. RITCHIE, Councillor.  
F. P. HUNGERFORD, Shire Secretary.

Confirmed by the Governor in Council,  
12th August, 1941.

C. W. KINSMAN,  
Clerk of the Executive Council.

## SHIRE OF OXLEY.

## ROAD DEVIATION.

IN pursuance of the powers conferred by sections 521 and 525 of the *Local Government Act 1928*, the Council of the Shire of Oxley doth hereby order that the lands hereinafter described shall be a public highway from and after the date of publication of this Order in the *Government Gazette*, namely:—

Roads to be opened, coloured red on plan, bounded as follows:—

Commencing at north-eastern corner of Crown allotment 15, section 2, Parish of Whitfield South, County of Delatite; thence bearing S. 21 deg. 17 min. W. 1,180 links along western side of existing road; thence bearing S. 51 deg. 40 min. W. 170 2/10 links along said road; thence bearing N. 25 deg. 0 min. E. 1,329 5/10 links to point of commencement.

Commencing at north-eastern corner of Crown allotment 15a, section 2, Parish of Whitfield South, County of Delatite; thence bearing S. 20 deg. 23 min. W. 880 links along existing road; thence bearing S. 80 deg. 28 min. W. 504 links; thence S. 43 deg. 29 min. W. 810 links along existing frontage; thence bearing N. 17 deg. 41 min. E. 480 links; thence N. 67 deg. 59 min. E. 946 links; thence N. 24 deg. 49 min. E. 725 links to old road; thence along said road N. 51 deg. 40 min. E. 43 links to point of commencement.

Commencing at a point on a line bearing S. 6 deg. 33 min. W. and distant 615 links from the southern end of the area last mentioned; thence bearing on same line S. 6 deg. 33 min. W. 100 links; thence bearing S. 57 deg. 45 min. W. 100 links; thence bearing N. 32 deg. 8 min. E. 180 3/10 links to point of commencement.

Commencing at a point on a line bearing S. 57 deg. 45 min. W. and distant 860 links from southern end of area above mentioned; thence bearing S. 35 deg. 54 min. W. 2,211 links along existing frontage; thence bearing S. 61 deg. 13 min. W. 117 links along said frontage; thence bearing N. 35 deg. 54 min. E. 2,192 links; thence bearing N. 57 deg. 45 min. E. 134 3/10 links to point of commencement.

Commencing at south-western corner of Crown allotment 15b, section 2, Parish of Whitfield South, County of Delatite; thence bearing N. 55 deg. 15 min. E. 122 links; thence bearing N. 36 deg. 41 min. E. 40 4/10 links; thence bearing N. 89 deg. 6 min. E. 1,233 1/10 links; thence N. 36 deg. 46 min. E. 871 4/10 links to a point on existing frontage; thence bearing S. 28 deg. 54 min. W. 910 links to southern boundary of Crown allotment 15b; thence bearing S. 89 deg. 6 min. W. 1,439 links along said boundary to point of commencement.

And the said Council doth hereby further order that the land above described shall, from the said date of publication in the said *Government Gazette*, be a public highway, in lieu of the land hereafter described, that is to say:—

Road to be closed, coloured blue on plan, bounded as follows:—

Commencing at the south-western angle of Crown allotment 15b; thence bounded as follows: by a line bearing S. 89 deg. 6 min. W. 248 3/10 links across existing road to be closed; thence following north-western side of said road as follows: bearing N. 55 deg. 15 min. E. 142 links, N. 36 deg. 41 min. E. 5,166 links, N. 60 deg. 45 min. E. 1,838 links, N. 71 deg. 8 min. E. 1,189 links, N. 51 deg. 40 min. E. 789 8/10 links; thence crossing said road by a line bearing S. 24 deg. 49 min. W. 332 1/10 links; thence along south-eastern side as follows: S. 51 deg. 40 min. W. 519 links, S. 71 deg. 8 min. W. 1,201 links, S. 60 deg. 45 min. W. 1,793 links, S. 36 deg. 41 min. W. 5,117 6/10 links to point of commencement.

Commencing at north-western angle of Crown allotment 15a, section 2, Parish of Whitfield South, County of Delatite; thence by a line bearing S. 21 deg. 17 min. W. 1,282 links along eastern side of existing road to be closed; thence bearing S. 51 deg. 40 min. W. 175 links; thence bearing N. 24 deg. 49 min. E. 1,435 5/10 links to point of commencement.

The common seal of the President, Councillors, and Rate-payers of the Shire of Oxley was affixed hereto, this 22nd day of May, 1941, in the presence of—

(SEAL) PERCY C. SNOWDON, President.  
J. H. DINNING, Councillor.  
D. REID, Secretary.

Confirmed by the Governor in Council,  
12th August, 1941.

C. W. KINSMAN,  
Clerk of the Executive Council.

## SHIRE OF TULLAROOP.

## ROAD DEVIATION.—ORDER CONFIRMED.

IN pursuance of the powers conferred by sections 521 and 525 of the *Local Government Act 1928*, the Council of the Shire of Tullaroop doth hereby order that the land next hereinafter described, which has been acquired by them, shall be a public highway from and after the date of the publication of this Order in the *Government Gazette*, viz.:—

All that piece of land commencing from a point four hundred and ninety-two links bearing south thirty-two degrees twenty-four minutes west from the north-east corner of Crown allotment thirty, section ten, Parish of Craigie; thence one hundred and eight links and eight-tenths of a link bearing south thirty-two degrees twenty-four minutes west; thence four hundred and ninety-four links and nine-tenths of a link bearing north eighty degrees forty-six minutes west; thence one hundred links bearing north eight degrees twenty-eight minutes east; thence five hundred and thirty-nine links and two-tenths of a link bearing south eighty degrees forty-six minutes east to the commencing point.

And the said Council doth hereby declare that the land above described shall, from the date of the said publication in the *Government Gazette*, be a public highway in lieu of the land hereinafter described, that is to say:—

All that piece of land commencing at the south corner of Crown allotment thirty, section ten, Parish of Craigie; thence by a line one thousand two hundred and twenty links and two-tenths of a link bearing north thirty-two degrees twenty-four minutes east; thence one hundred and eight links and eight-tenths of a link bearing south eighty degrees forty-six minutes east; thence one thousand four hundred and eighty-eight links and three-tenths of a link bearing south thirty-two degrees twenty-four minutes west; thence two hundred and forty-six links and five-tenths of a link bearing north eight degrees twenty-eight minutes east to the commencing point.

In witness whereof the President, Councillors, and Rate-payers of the Shire of Tullaroop have caused their seal to be hereunder affixed, this 12th day of November, One thousand nine hundred and forty.

The common seal of the Shire of Tullaroop was hereunto affixed, in pursuance of an Order of the Council made the 12th day of November, 1940, in the presence of—

(SEAL) N. A. BUCKNALL, President.  
J. NICOL, Shire Secretary.  
J. M. DILLON, Councillor.

Confirmed by the Governor in Council,  
12th August, 1941.

C. W. KINSMAN,  
Clerk of the Executive Council.

**DEPARTMENT OF LANDS AND SURVEY.**

At the Executive Council Chamber, Melbourne, the  
twelfth day of August, 1941.

**PRESENT:**

His Excellency the Governor of Victoria.

Mr. Dunstan

Sir George Goudie.

**LAND TEMPORARILY RESERVED FROM SALE.**

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, in pursuance of the provisions of the *Land Act* 1928, reserve, temporarily, and also except from occupation for mining purposes under any miner's right, the land hereinafter described:—

MARYVALE.—Site for Police and Court House purposes—3 roads 20 8/10 perches, Parish of Maryvale, County of Buln Buln: Commencing at a point bearing S. 89 deg. 53 min. W. 360 links from the south-eastern angle of the eastern portion of allotment 11b; bounded thence by allotment 11e bearing S. 89 deg. 53 min. W. 200 links; by a line bearing N. 0 deg. 4 min. W. 457 5/10 links; by a road bearing S. 80 deg. 11 min. E. 203 links; and thence by a line bearing S. 0 deg. 4 min. E. 422 7/10 links to the point of commencement.—(M.481<sup>(3)</sup>) (Rs.5254).

**UNUSED AND UNMADE ROAD CLOSED.**

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby direct that, in pursuance of the provisions of section 304 of the *Land Act* 1928, the unused and unmade road referred to hereunder be closed, viz.:—

City of Ballarat, Parish of Ballarat, County of Grenville, being the portion of Hamilton-crescent between Gregory-street and Howard-street.—(B.128<sup>(19)</sup>) (402/129).

And the Honorable H. J. T. Hyland, for and on behalf of His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the  
twelfth day of August, 1941.

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan

Sir George Goudie.

ORDER APPROVING OF A NEW MAIN ROAD IN THE  
SHIRE OF COLAC.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Warncoort-Birregurra road in the Shire of Colac should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All those pieces of land in the Parish of Birregurra, the boundaries of which are as follow:—

- (a) Commencing at a point on the northern boundary of allotment H, section 28, of the said parish, distant 111 deg. 6 min. 1,314.6 links from the north-western angle of the said allotment; thence by lines bearing respectively 111 deg. 8 min. 370 links, 139 deg. 58 min. 236 links, and 302 deg. 19 min. 588 links to the point of commencement.
- (b) Commencing at a point on the southern boundary of allotment A, section 22, of the said parish, distant 285 deg. 28 min. 1,117.8 links from the south-eastern angle of the said allotment; thence by lines bearing respectively 285 deg. 28 min. 413 links, 285 deg. 32 min. 469 links, 320 deg. 13 min. 492 links, 121 deg. 28 min. 899 links, and 109 deg. 50 min. 423.5 links to the point of commencement—

which said pieces of land are particularly delineated and shown coloured red on survey plan No. 4551, lodged in the office of the Country Roads Board.

DECLARATION OF THE NEW TYERS-ROAD IN THE  
SHIRE OF TRARALGON.

WHEREAS by section 21 of the *Country Roads Act 1928* (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the *Country Roads Act* has taken the land necessary for constructing a road or deviation it shall as soon as it thinks such road or deviation is fit to be used as a public highway by Resolution declare the road or deviation to be a main road or part thereof and that upon publication in the *Government Gazette* of the Order of the Governor in Council confirming such Resolution such road or deviation shall thereupon be a main road or part thereof within the meaning of the said Act: And whereas the said Board has by Resolution declared the road on the land described in the Schedule to such Resolution to be part of a main road: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for Declaration of a New Main Road under the  
*Country Roads Act*.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the *Country Roads Act* for the purpose of constructing such new road which new road has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as part of a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 21 of the *Country Roads Act 1928* doth by this Resolution hereby declare the said new road the course of which is described in the Schedule hereto with the commencing and terminating points thereof respectively specified to be part of the main road within the meaning and for the purposes of the *Country Roads Act*.

## SCHEDULE.

## Shire of Traralgon.

7. *Tyers-road* (16407).—All that piece of land in the Parish of Boola Boola, the boundaries of which are as follow:—Commencing at a point on the southern boundary of allotment 8A of the said parish, distant 145 deg. 35 min. 858 links and 125 deg. 52 min. 222.7 links from the north-western angle of the said allotment; thence by lines bearing respectively 107 deg. 41 min. 477.2 links, 260 deg. 7 min. 207.9 links, and 305 deg. 52 min. 308.3 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan No. 4425, lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this fourth day of August, One thousand nine hundred and forty-one, in the presence of—

(SEAL) L. F. LODER, Chairman.  
W. L. DALE, Member.  
R. JANSEN, Secretary.

ORDER APPROVING OF A NEW STATE HIGHWAY IN  
THE SHIRE OF BROADMEADOWS.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Hume Highway in the Shire of Broadmeadows should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new highway is proposed to be made and the cost of acquiring the land and constructing the said new highway: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new highway: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said highway being made, that is to say:—

All that piece of land in the Parish of Will Will Rook and being a road widening area 1 chain, more or less, in width, the eastern boundary of which commences at a point in Crown portion 13 of the said parish, distant 73 deg. 8 min. 60 ft. 1 in. from the intersection of the northern boundary of Barry's-road and the eastern boundary of the existing Hume Highway, the said intersection being at the south-western angle of the land comprised in certificate of title, volume 3864, folio 72756; thence north-westerly through the said Crown portion to a point therein distant 346 deg. 27 min. 265 ft. 9 in., 346 deg. 21 min. 795 ft. 6½ in., and 73 deg. 18 min. 66 ft. 10½ in. from the said intersection of the northern boundary of Barry's-road and the eastern boundary of the existing Hume Highway.

Also, all that piece of land in the Parishes of Will Will Rook and Wollert and being a road widening area 1 chain, more or less, in width, the eastern boundary of which commences at a point in Crown portion 13 of the parish first named, distant 164 deg. 37 min. 550 ft. 3 in., 72 deg. 58 min. 1 ft. 3 in., 164 deg. 33 min. 519 ft. 4 in., 166 deg. 29 min. 144 ft. 4 in., and 72 deg. 54 min. 71 ft. 5 in. from the intersection of the eastern boundary of the existing Hume Highway and the northern boundary of the said Crown portion; thence north-westerly through that Crown portion and Crown portions 1 and 6, Parish of Wollert, to a point on the northern boundary of the Crown portion last named distant 89 deg. 50 min. 64 feet from the intersection of the said eastern boundary of the Hume Highway and the said northern boundary of Crown portion 6.

Also, all that piece of land in the Parish of Will Will Rook, the boundaries of which are as follow:—Commencing at a point in Crown portion 13 of the said parish distant 164 deg. 37 min. 550 ft. 3 in., 72 deg. 58 min. 1 ft. 3 in., 164 deg. 33 min. 519 ft. 4 in., 166 deg. 29 min. 144 ft. 4 in., 252 deg. 54 min. 1 ft. 3 in., and 166 deg. 27 min. 263 ft. 3½ in. from the intersection of the eastern boundary of the existing Hume Highway and the northern boundary of the said Crown portion; thence by lines bearing respectively 73 deg. 22 min. 71 ft. 3 in., 166 deg. 45 min. 263 ft. 10 in., 253 deg. 21 min. 68 feet, and 346 deg. 2 min. 263 ft. 8 in. to the point of commencement.

NOTE.—The route of the portions of roadway above described is more particularly delineated and shown coloured red on survey plans Nos. 4552 and 4553, lodged in the office of the Country Roads Board.

**DECLARATION OF THE NEW TIMMS-ROAD IN THE  
SHIRE OF KORUMBURRA.**

**WHEREAS** by sections 21 and 78 of the *Country Roads Act* 1928 (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has taken the land necessary for constructing a road or deviation it shall as soon as it thinks such road or deviation is fit to be used as a public highway by Resolution declare the road or deviation to be a road or part thereof and that upon publication in the *Government Gazette* of the Order of the Governor in Council confirming such Resolution such road or deviation shall thereupon be a road or part thereof within the meaning of the Country Roads Act: And whereas the said Board has by Resolution declared the road on the land described in the Schedule to such Resolution to be part of a road: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

**Resolution for Declaration of a New Road under the Country Roads Act.**

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the Country Roads Act for the purpose of constructing such new road which new road has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by sections 21 and 78 of the *Country Roads Act* 1928 (No. 3662) doth by this present Resolution hereby declare the said new road the course of which is described in the Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a road within the meaning and for the purposes of the said Country Roads Act.

**SCHEDULE.**

**Shire of Korumburra.**

**Timms-road.**—All that piece of land in the Parish of Poowong, and being a roadway generally 1 chain wide, the eastern boundary of which commences at a point on the southern boundary of allotment 12 of the said parish distant 262 deg. 22 min. 33.6 links from an angle in the said southern boundary formed by the intersection of lines bearing 327 deg. 6 min. and 262 deg. 22 min.; thence north-easterly through the said allotment to a point on the eastern boundary thereof distant 180 deg. 0 min. 89.9 links from an angle in the said eastern boundary formed by the intersection of lines bearing 148 deg. 50 min. and 180 deg. 0 min.

**NOTE.**—The route of the portion of roadway above described is more particularly delineated and shown coloured red on survey plan No. 2800, lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this fourth day of August. One thousand nine hundred and forty-one, in the presence of—

(SEAL) L. F. LODER, Chairman.  
W. L. DALE, Member.  
R. JANSEN, Secretary.

**DECLARATION OF THE NEW HEDLEY RANGE-ROAD IN  
THE SHIRE OF SOUTH GIPPSLAND.**

**WHEREAS** by sections 21 and 78 of the *Country Roads Act* 1928 (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has taken the land necessary for constructing a road or deviation it shall as soon as it thinks such road or deviation is fit to be used as a public highway by Resolution declare the road or deviation to be a road or part thereof and that upon publication in the *Government Gazette* of the Order of the Governor in Council confirming such Resolution such road or deviation shall thereupon be a road or part thereof within the meaning of the Country Roads Act: And whereas the said Board has by Resolution declared the road on the land described in the Schedule to such Resolution to be part of a road: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

**Resolution for Declaration of a New Road under the Country Roads Act.**

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the Country Roads Act for the purpose of constructing such new road which new road has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by sections 21 and 78 of the

*Country Roads Act* 1928 (No. 3662) doth by this present Resolution hereby declare the said new road the course of which is described in the Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a road within the meaning and for the purposes of the said Country Roads Act.

**SCHEDULE.**

**Shire of South Gippsland.**

**Hedley Range-road.**—All that piece of land in the Parish of Toora, and being a roadway generally 1 chain wide, the western and northern boundary of which commences at a point on the northern boundary of the Midland Highway through allotment 29, section C, of the said parish, the said point being distant 179 deg. 31 min. 2,966.7 links and 297 deg. 3 min. 110 links from the north-eastern angle of the said allotment; thence generally north-easterly through that allotment and allotment 30 of the said section to a point on the northern boundary of the allotment last named distant 89 deg. 38 min. 1,674.4 links from the north-western angle thereof; thence north-easterly and generally northerly across a Government road and through allotment 34a to the northern boundary of that allotment; thence generally easterly and north-easterly through allotment 34A of the said section C to a point on the eastern boundary of the allotment last named distant 359 deg. 11 min. 248.7 links from the more easterly of the south-eastern angles of the said allotment 34A.

**NOTE.**—The route of the portion of roadway above described is more particularly delineated and shown coloured red on survey plan No. 2738, lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this fourth day of August, One thousand nine hundred and forty-one, in the presence of—

(SEAL) L. F. LODER, Chairman.  
W. L. DALE, Member.  
R. JANSEN, Secretary.

**ORDER APPROVING OF A NEW STATE HIGHWAY IN  
THE SHIRE OF KARKAROO.**

**WHEREAS** the Country Roads Board constituted under the *Country Roads Act* 1928 (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Henty Highway in the Shire of Karkaroo should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new highway is proposed to be made and the cost of acquiring the land and constructing the said new highway: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new highway: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said highway being made, that is to say:—

All those pieces of land in the Township of Goyura, Parish of Goyura, the boundaries of which are as follow:—

- (a) Commencing at the north-eastern angle of allotment 6, section 6, of the said township; thence by lines bearing respectively 180 deg. 0 min. 88.7 links, 347 deg. 24 min. 90.9 links, and 90 deg. 0 min. 19.8 links to the point of commencement.
- (b) Commencing at the south-western angle of allotment 1 of the said township; thence by lines bearing respectively 359 deg. 58 min. 485 links, 174 deg. 0 min. 487.6 links, and 269 deg. 57 min. 60.7 links to the point of commencement.

Also, all that piece of land in the Parish of Gama, the boundaries of which are as follow:—

Commencing at a point on the western boundary of allotment 28 of the said parish, distant 330 deg. 16 min. 2,309 links from the south-western angle of the said allotment; thence by lines bearing respectively 330 deg. 16 min. 1,569 links, 350 deg. 47 min. 561 links, 152 deg. 16 min. 91.7 links, 158 deg. 51 min. 224 links, 161 deg. 32 min. 481.6 links, 160 deg. 21 min. 299 links, 156 deg. 26 min. 273 links, and 153 deg. 18 min. 720.7 links to the point of commencement—  
which said pieces of land are particularly delineated and shown coloured red on survey plans Nos. 4557 and 4558, lodged in the office of the Country Roads Board.

And the Honorable Sir George Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## Water Acts.

## STATE RIVERS AND WATER SUPPLY COMMISSION.

*At the Executive Council Chamber, Melbourne, the  
twelfth day of August, 1941.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan | Sir George Goudie.

## TYRRELL WEST WATERWORKS TRUST.

## OUYEN URBAN DISTRICT—DISTRICT EXTENDED.

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council of the said State, on the recommendation of the State Rivers and Water Supply Commission, doth hereby declare, order, and direct as follows:—

That the Ouyen Urban District of the Tyrrell West Waterworks District be extended by adding to the same land set out and described in the schedule hereto, and as on and from the date of this Order such urban district shall be deemed to be so extended.

## SCHEDULE.

Commencing at the north-western angle of allotment 8A, Parish of Ouyen, County of Karkaroc; thence south-easterly by the north-eastern boundary of a road a distance of 11 chains; thence by lines bearing S. 65 deg. W. 9 chains and N. 27 deg. W. to the southern boundary of the Township of Ouyen; thence easterly by that boundary to the point of commencement.

The land described in the foregoing schedule is shown on a plan approved by the Governor in Council, and deposited in the office of the State Rivers and Water Supply Commission, Melbourne.—(Corres. 41/8508.)

## OMELO WATERWORKS TRUST.

## ADDITIONAL LOAN OF £735.

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby grant an additional loan of Seven hundred and thirty-five pounds (£735) to the Omeo Waterworks Trust for pipe mains and flumes, as set forth in the detailed statement bearing date the 2nd August, 1941, and verified under the seal of the State Rivers and Water Supply Commission.

The loan hereby granted shall be subject to the provisions of the Water Acts.

## COLAC WATERWORKS TRUST.

## ADDITIONAL LOAN OF £4,697.

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby grant an additional loan of Four thousand six hundred and ninety-seven pounds (£4,697) to the Colac Waterworks Trust for pipe mains, as set forth in the detailed statement bearing date the 9th August, 1941, and verified under the seal of the State Rivers and Water Supply Commission.

The loan hereby granted shall be subject to the provisions of the Water Acts.

And the Honorable Francis Edward Old, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## DEPARTMENT OF PUBLIC WORKS.

*At the Executive Council Chamber, Melbourne, the  
twelfth day of August, 1941.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan | Sir George Goudie.

## REVOCATION OF ORDER APPLYING COMPULSORY VOTING TO ELECTIONS OF COUNCILLORS OF THE MUNICIPALITY OF THE SHIRE OF DANDENONG.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, pursuant to the provisions of section 148 (3) of the *Local Government Act 1928* (No. 3720) and pursuant to the petition of the Council of the Shire of Dandenong in that behalf, doth hereby revoke the Order in Council dated the 29th July, 1939, in so far as it applies to the provisions of Division 20 of Part V. of *The Constitution Act Amendment Act 1928* (No. 3660) to the election of councillors for the municipality of the Shire of Dandenong.

And the Honorable Sir George Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## DEPARTMENT OF PUBLIC WORKS.

*At the Executive Council Chamber, Melbourne, the  
twelfth day of August, 1941.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan | Sir George Goudie.

## AMENDMENT OF VOTING BY POST PROVISIONS AT MUNICIPAL ELECTIONS.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the provisions of section 148 of the *Local Government Act 1928*, as amended by section 3 of the *Local Government (Secrecy of the Ballot) Act 1941*, doth hereby amend the Order in Council of the 28th day of July, 1941, and published in the *Government Gazette* of the 30th idem, by inserting in the preamble to the Order the expression "second day of November, 1936, sixth day of July, 1937, fourteenth day of March, 1939," after the expression "tenth day of March, 1936."

And the Honorable Sir George Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## FARMERS DEBTS ADJUSTMENT ACTS.

*At the Executive Council Chamber, Melbourne, the  
twelfth day of August, 1941.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan | Sir George Goudie.

## REAPPOINTMENT OF MEMBERS AND APPOINTMENT OF CHAIRMAN OF THE FARMERS DEBTS ADJUSTMENT BOARD.

IN accordance with the provisions of the Farmers Debts Adjustment Acts, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth by this Order hereby re-appoint Hugh Leslie Simpson and Henry Arthur Charles Corlett members of the Farmers Debts Adjustment Board and appoint Hugh Leslie Simpson chairman of the said Board, such re-appointment and appointment to be for the period from and inclusive of the thirteenth day of August, One thousand nine hundred and forty-one to and inclusive of the thirty-first day of March, One thousand nine hundred and forty-three.

And the Honorable Albert Arthur Dunstan, His Majesty's Treasurer for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## THE CONSTITUTION ACT AMENDMENT ACT 1928.

*At the Executive Council Chamber, Melbourne, the twelfth day of August, 1941.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan | Sir George Goudie.

## REVOCATION OF APPOINTMENT OF POLLING PLACE FOR ELECTORAL DISTRICT OF WARANGA.

IN pursuance of the provisions contained in *The Constitution Act Amendment Act 1928*, section 192, His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof, doth hereby revoke the appointment of

## HIGH CAMP WEST

as a Polling Place within and for the Heathcote Subdivision of the Electoral District of Waranga.

And the Honorable Henry Stephen Bailey, His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## MOTOR OMNIBUS ACT 1928 (No. 3742).

*At the Executive Council Chamber, Melbourne, the twelfth day of August, 1941.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan | Sir George Goudie.

## ORDER IN COUNCIL PRESCRIBING VARIATIONS IN RESPECT OF THE PRESCRIPTIONS OF CERTAIN METROPOLITAN MOTOR OMNIBUS ROUTES.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the powers conferred by the *Motor Omnibus Act 1928* (No. 3742), doth by this Order vary as set out hereunder, the prescriptions of certain metropolitan motor omnibus routes, and doth provide that the Order in Council approved by His Excellency the Governor in Council on 6th February, 1940, shall be deemed to be amended further accordingly, viz.:—

## Route No. 22 (Thornbury-Northcote).

Under the heading "Description of Route, including Commencing and Terminal Points", delete the words "Thornbury Railway Station, via Ethel-street, Miller-street, Dundas-street", and in place thereof insert "the corner of High-street and Dundas-street, Thornbury, thence via Dundas-street".

Under the heading "Sections (if any) on Route", delete Section (3) and all particulars relating thereto; amend "(4)" to read "(3)"; amend "(5)" to read "(4)"; delete the words "Thornbury Railway Station" in both instances in which they occur, and in place thereof insert, in both instances, the words "the corner of High-street and Dundas-street".

Under the heading "Fares to be Charged", delete "Section No. 3, 5d."; amend "4" to read "3"; amend "No. 5" to read "No. 4"; insert "Through fare, 5d.".

## Route No. 13A (Heidelberg-Croxton).

Under the heading "Description of Route, including Commencing and Terminal Points", delete the words "High-street, Kemp-street, Stott-street, to Croxton Railway Station, returning via Stott-street, Beaconsfield-parade", and in place thereof insert "to the corner of Darebin-street and High-street, Croxton; returning via"; delete the words "between Croxton Railway Station" and in place thereof insert "between the corner of Darebin-street and High-street".

Under the heading "Sections (if any) on route" delete the words "Croxton Railway Station" in both instances in which they occur, and in place thereof insert, in both instances, the words "the corner of Darebin-street and High-street".

Under the heading "Time tables to be Observed", amend "20" to read "30".

## Route No. 78A (Camberwell-Canterbury-East Kew).

Under the heading "Time tables to be Observed", amend "7 a.m." to read "7.30 a.m.".

Under the heading "Maximum number of Motor Omnibuses to be licensed on Route", amend "4" to read "2".

*Licensing Authority.*—Pursuant to the provisions of section 15 (1) (c) of the *Motor Omnibus Act 1928* (No. 3742), the Governor in Council by this Order confers upon the Licensing Authority full power and authority for carrying into effect by the said Licensing Authority of the foregoing provisions of this Order.

And the Honorable Sir George Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## Apprenticeship Acts.

## APPRENTICESHIP COMMISSION OF VICTORIA.

*At the Executive Council Chamber, Melbourne, the twelfth day of August, 1941.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan | Sir George Goudie.

## AMENDMENT OF BUTCHERING AND/OR SMALL GOODS MAKING TRADES REGULATIONS (No. 1).

IN pursuance of the powers conferred by the Apprenticeship Acts and the *Acts Interpretation Act 1928*, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the following Regulations (that is to say):—

1. Regulation 10 of the Butchering and/or Small Goods Making Trades Regulations (No. 1) shall be and the same is hereby rescinded as from the first pay period to commence in August, 1941.

2. Such rescission shall not affect any right accrued or accruing to any person or any liability of any person under the said rescinded Regulation before the commencement of these Regulations.

3. For the said rescinded Regulation substitute the following:—

10. The minimum rates of pay to be paid as wages to apprentices in the said trades in each year of their apprenticeship course shall be as follows, and shall commence as from the first pay period in August, 1941, on, from, and after which date all indentures of apprenticeship heretofore executed under the provisions of the Acts and the Regulations made in respect of the aforesaid trades shall be deemed to be amended accordingly:—

(a) With respect to the term of apprenticeship of five years—

- 1st year—at the rate of 20s. per week.
- 2nd year—at the rate of 30s. per week.
- 3rd year—at the rate of 44s. per week.
- 4th year—at the rate of 63s. per week.
- 5th year—at the rate of 83s. per week.

(b) With respect to the term of apprenticeship of four years—

- 1st year—at the rate of 22s. per week.
- 2nd year—at the rate of 38s. per week.
- 3rd year—at the rate of 63s. per week.
- 4th year—at the rate of 83s. per week.

And the Honorable Edwin Joseph Mackrell, His Majesty's Minister of Labour for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## AUDIT ACT 1928.

*At the Executive Council Chamber, Melbourne, the twelfth day of August, 1941.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dunstan | Sir George Goudie.

## GENERAL REGULATIONS RESPECTING PUBLIC ACCOUNTS.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby amend clause 61 of the General Regulations respecting Public Accounts by the insertion immediately after the words "Special Tax" appearing therein of the words "the Motor Car Act".

And the Honorable Albert Arthur Dunstan, His Majesty's Treasurer for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,  
Clerk of the Executive Council.

## APPROACHING LAND SALES.

SALES of Crown lands in fee-simple will be held at the under-mentioned places and dates, viz.:—

	No. of Gazette.
Camperdown.—Wednesday, 20th August, 1941	206

Lands and Survey Office, Melbourne

## PROPOSED REVOCATION OF TEMPORARY RESERVATIONS OF LANDS BY ORDERS IN COUNCIL.

IN pursuance of the provisions of the *Land Act* 1928, notice is hereby given that it is the intention of the Governor in Council to revoke the temporary reservation of lands by Orders in Council hereunder referred to, viz.:—

*The following Notice was published 1° on the 23rd July, 1941, pursuant to Order of the 21st July, 1941.*

AIRE.—The Order in Council of the 25th June, 1894, temporarily reserving 42 acres 1 rood 24 perches of land in the Parish of Aire as a Site for Public Recreation.—(A.176(5) (Rs.4471).)

A. E. LIND,  
Commissioner of Crown Lands and Survey.

*The following Notices were published 1° on the 30th July, 1941, pursuant to Order of the 28th July, 1941.*

GOROK.—The Order in Council of the 16th November, 1915, temporarily reserving 15 acres of land in the Parish of Goroke as a Site for a Supply of Gravel.—(G.214(4) (Rs.1011).)

The Order in Council of the 5th March, 1866, temporarily reserving 2 roods of land at Wehla (Jericho) as a Site for a Mechanics' Institute.—(W.281(2) (Rs.5126).)

The Order in Council of the 1st October, 1918, temporarily reserving 10 acres of land in the Township of Bonang as a Site for a Cemetery so far as regards the portion thereof hereinafter described, viz.:—5 acres, Township of Bonang, Parish of Bonang, County of Croajingolong: Commencing at the south-eastern angle of the site; bounded thence by the site bearing N. 88 deg. 26 min. W. 1,000 links, and N. 1 deg. 34 min. E. 500 links; by a line bearing S. 88 deg. 26 min. E. 1,000 links; and thence by a road bearing S. 1 deg. 34 min. W. 500 links to the point of commencement.—(B.724(5) (C.87512).)

FOLLETT AND NORMANBY.—The Order in Council of the 22nd May, 1888, temporarily reserving 177,500 acres, more or less, of land in the Counties of Follett and Normanby as a Site for the Preservation and Growth of Timber, as to part, by Orders in Council of the 11th September, 1893, 21st October, 1901, 22nd September, 1902, and the 13th February, 1940, is about to be revoked so far as regards the balance thereof, containing 176,186 acres, more or less.—(K.32(2) (Rs.5221).)

WERRIKOO.—The Order in Council of the 24th March, 1903, temporarily reserving 351 acres 2 roods 29 perches of land in the Parishes of Werrikoo and Wilkin as a Site for Water Supply, Camping, and Road purposes, so far as regards the portion thereof hereinafter described, viz.:—1 rood 39 perches, Parish of Werrikoo, County of Follett: Commencing at a point bearing S. 72 deg. 39 min. W. 315 links from the south-eastern angle of allotment 20 of section B, Parish of Wilkin: bounded thence by lines, Parish of Werrikoo, bearing S. 18 deg. 27 min. E. 29 5/10 links, S. 72 deg. 37 min. W. 997 5/10 links, N. 72 deg. 39 min. W. 638 links, and N. 18 deg. 0 min. E. 31 5/10 links; and thence by allotment 20 of section B, Parish of Wilkin aforesaid, bearing S. 72 deg. 39 min. E. 630 links and N. 72 deg. 39 min. E. 985 links to the point of commencement.—(W.333(3) (W.315(1) (Rs.622).)

H. J. HYLAND,  
for Commissioner of Crown Lands and Survey.

## PUBLIC HEARING BY A PERSON APPOINTED UNDER THE 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that at the time and place mentioned in the Schedule hereunder, applications for leases and licences under the Land Acts, objections to such applications, objections to proposed proclamations, alterations, additions, diminutions, revocations or unions of commons, and reasons against forfeiture of any leases or licences under the Land Acts deemed liable to forfeiture, will be publicly heard

by the person whose name is set opposite such place in such schedule, being the person appointed by me, the responsible Minister of the Crown administering the Land Acts, to hear the same and report thereon in writing to me.

A. E. LIND,  
Commissioner of Crown Lands and Survey, and  
President of the Board of Land and Works.

Department of Lands and Survey,  
Melbourne, 12th August, 1941.

## SCHEDULE.

MYRTLEFORD, Monday, 25th August, 1941, at Three p.m.,  
C. A. Gourlay, Land Officer.

## COMMITTEES OF MANAGEMENT OF RESERVES.

## APPOINTMENTS.

WHEREAS by section 184 of the *Land Act* 1928, it is provided that it shall be lawful for the Governor in Council or the Board of Land and Works to appoint and remove any number of persons, not less than three, or any municipal council, or the governing body of any corporation, to be a Committee of Management of any specified Crown land reserved either temporarily or permanently for any of the purposes set out in section 14 of the *Land Act* 1928, and not conveyed to or vested in trustees: Now therefore the Board of Land and Works doth hereby appoint the under-mentioned persons to be Members of the Committee of Management of the Reserves named:—

## "GRANYA RECREATION RESERVE."

William Henry Gard, A. J. Robinson, R. J. Lukins, Charles Lukins, William Henry Carlile, J. H. Webb, and Richard William Star as a Committee of Management, for a period of three (3) years, of the land temporarily reserved by Order in Council dated the 1st May, 1894, as a site for Public Recreation, at Granya, in the Parish of Bungil, and known as the "Granya Recreation Reserve."—(Corres. Rs.1756.)

## "HAMILTON RACECOURSE RESERVE."

William Joseph Balkin, William Norton Chute Ellis, and Philip Meagher, as a Committee of Management, for a period of three (3) years, of the land permanently reserved by Order in Council dated 26th January, 1874, for Racing and other purposes of Public Recreation in the Parish of Hamilton North, and known as the "Hamilton Racecourse Reserve."—(Corres. Rs.2942.)

## "WERRIMULL RECREATION RESERVE."

Leo Deegan, Herbert Nicholas Arnold, Wesley George Arney, Henry Cramp, Daniel Percival Le Poidevin, Richard Robert Adair, and Alfred Thomas Knight, as a Committee of Management, for a period of three (3) years, of the land temporarily reserved by Order in Council dated 5th August, 1929, as a site for Public Recreation in the Parish and Township of Werrimull, and known as "Werrimull Recreation Reserve."—(Corres. Rs.3887.)

## "STRATFORD RECREATION RESERVE."

William Stothers, William James Stothers, John George William Cecil Short, Arthur William Pye, and Leslie Herbert Webb, as a Committee of Management, for a period of three (3) years, of the land permanently reserved by Order in Council dated 24th June, 1902, as a site for Public Recreation in the Town of Stratford, and known as "Stratford Recreation Reserve."—(Corres. Rs.1046.)

## "ELLERSLIE AND BALLANCEIGH SOLDIERS' MEMORIAL PARK."

James Wynd, George Herbert Iver Gordon, Rickard Jennings, Richard Jennings Ormsby, and Roderick McRae, as a Committee of Management, for a period of three (3) years, of the land permanently reserved by Order in Council dated 26th October, 1926, as a site for a Public Park in the Parish of Ballanceigh, and known as "Ellerslie and Ballanceigh Soldiers' Memorial Park."—(Corres. Rs.3370.)

## "TUBBUT CAMPING AND WATERING PURPOSES RESERVE."

The Council of the Shire of Orbost, as a Committee of Management of the land temporarily reserved by Order in Council dated 3rd June, 1941, as a site for Camping and Watering purposes in the Parish of Tubbut, and known as the "Tubbut Camping and Watering Purposes Reserve."—(Corres. Rs.5204.)

## "WILLENABRINA PUBLIC HALL."

Edward James England, Harold Robert Gilmour, Peter Walter Pendlebury, Walter Marshall Hand, Victor Francis Arthur Counzner, Roy Vivian Quick, and Jack Atkin Hand, as a Committee of Management, for a period of three (3) years, of the land temporarily reserved by Order in Council dated the 31st May, 1938, as a site for a Public Hall in the Parish and Village of Willenabrina, and known as the "Willenabrina Public Hall."—(Corres. Rs.4515.)

**"NOORINBEE PUBLIC HALL RESERVE."**

R. Bills, Charles Henry Rothe, E. R. Reilly, W. Foster, and E. W. Simpson, as a Committee of Management, for a period of three (3) years, of the land temporarily reserved by Order in Council dated the 2nd August, 1937, as a site for a Public Hall in the Parish of Noorinbee, and known as the "Noorinbee Public Hall."—(Corres. Rs.4709.)

**"NORTHCOTE CHILDREN'S PLAYGROUND RESERVE."**

The Council of the City of Northcote, as a Committee of Management of the land temporarily reserved by Order in Council dated 28th July, 1941, as a site for Public purposes (Children's Playground) in the City of Northcote, and known as the "Northcote Children's Playground Reserve."—(Corres. Rs.5247.)

**"MT. ECCLES MECHANICS' INSTITUTE."**

Charles Frederick Johnson, William George Holt, Robert Riseley, Robert Samuel Shandley, and Herbert John Roberts, as a Committee of Management, for a period of three (3) years, of the land permanently reserved by Order in Council dated the 17th April, 1917, as a site for a Mechanics' Institute and Free Library in the Parish of Allambee (Mt. Eccles), and known as the "Mt. Eccles Mechanics' Institute."—(Corres. Rs.1478.)

**"KILCUNDA RESERVE."**

Stanley William Cunningham, Allan Richard Hamilton, William McBride, Hardie Ronald Tilley, George John McNeil, Arthur George Churchill, and John Ramage, as a Committee of Management, for a period of three (3) years, of the land temporarily reserved by Order in Council dated the 20th January, 1914, as a site for purposes of Public Recreation in the Township of Kilcunda, and known as the "Kilcunda Reserve."—(Corres. Rs.119.)

In witness whereof the common seal of the Board of Land and Works was hereunto affixed this 8th day of August, One thousand nine hundred and forty-one, in the presence of—

(SEAL) H. J. HYLAND, Vice-President.  
W. MCILROY, Member.

**REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE RESERVE FOR WATER SUPPLY PURPOSES IN THE PARISH OF TARNAGULLA, AND KNOWN AS "THE LLANELLY RESERVOIR."**

**WHEREAS** by the 181st section of the *Land Act 1928* power is given to the Board of Land and Works to make rules and regulations for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works, in pursuance of the powers conferred as aforesaid, doth hereby make the following Regulations in respect of the land temporarily reserved by Order in Council of the 1st April, 1941, as a site for Water Supply purposes in the Parish of Tarnagulla, and known as "The Llanelly Reservoir."

**REGULATIONS.**

1. The Reserve shall be open to the public, free of charge, from sunrise to sunset.
2. No person shall deposit or cause to be deposited any waste paper, bottles, tins, or any other litter on any part of the Reserve.
3. No person shall, without the consent of the Committee of Management first obtained—
  - (1) gather, pick up, cut, pluck, dig up, remove, or have in his possession while in the Reserve, or take away therefrom any live or dead timber or the whole or any part of any tree, bush, shrub, flower, grass, fern, or other vegetation;
  - (2) ring-bark or strip or remove bark from any tree, bush, or shrub.
4. No person shall enter or remain in the Reserve who may offend against decency as regards dress, language, or conduct.
5. No person shall dig or remove soil or other material in or from the Reserve.
6. No person shall remove, displace, or damage any board, plate, pump, pipe, fitting, or written notice for the exhibition of any Regulations or notice fixed or set up by the Committee of Management in the Reserve.
7. No person shall carry firearms into or through the Reserve, or shoot, snare, or destroy any game or birds, or remove fish therefrom, except with the authority of the Committee of Management.
8. No person shall put into the Reserve any cattle, horses, sheep, goats, pigs, or other animals without the permission, in writing, of the Committee of Management first obtained. Provided always that the moneys received for agistment shall be expended in the maintenance and improvement of the Reserve, and that an account thereof shall be furnished annually to the Board of Land and Works.

9. The Committee of Management shall have full power and authority to impound any cattle found trespassing on the Reserve, and shall be taken to be the occupier of the Reserve (with all power incidental to that status) within the meaning of any law for the time being in force relating to the impounding of cattle. For the purposes of this clause "cattle" shall mean cattle as interpreted by section 3 of the *Pounds Act 1928*.

10. No organized picnic or gathering shall be held in the Reserve without the consent, in writing, of the Committee of Management.

11. No person in charge of any dog shall allow such dog to enter the dam.

12. No person shall play, practise, or engage in any organized sport, including rowing, swimming, tennis, football, cricket, foot racing, or any other games, except in those portions of the Reserve set apart for that purpose, and subject to such terms and conditions as the Committee of Management may determine.

13. No person shall obstruct, disturb, interrupt, or annoy any officer or employee of the Committee of Management in the proper execution of his work and duty.

14. No person shall break glass of any kind on the Reserve or leave thereon anything which will injure any person.

15. No fires shall be lighted except where directed by the Committee of Management, and no refuse material shall be burnt on the Reserve, except by a representative of the Committee of Management, and then only in places set apart for that purpose.

16. No person shall camp on any portion of the Reserve, except those set apart by the Committee of Management, and then only after obtaining a permit, subject to the payment of such fees and under such conditions as the Committee of Management may from time to time determine.

17. No person shall fish, swim, wade, or boat in any pool or pond enclosed for the purpose of holding fish or the growing of water lilies unless with the permission, in writing, of the Committee of Management first obtained.

18. No person shall swim, wade, boat, or otherwise enter any part of the dam set apart as a feeding or breeding place for water fowl or fish.

19. No person shall camp within a distance of 100 feet of any spring, dam, or watering place existing in the Reserve, or of any watering place constructed or improved by the Committee of Management.

20. No person shall damage or unlawfully remove or interfere with the beaching around the shore of the dam in the Reserve, nor shall any person dig or cut away any embankment, road, or earthwork, or any part thereof, in the Reserve.

21. No person shall disturb or destroy any bird, water fowl, or fauna in the Reserve without the permission, in writing, of the Committee of Management first obtained.

22. No person shall bring into, or use, or carry in the Reserve any firearm, catapult, or other weapon or device of any description capable of being used to kill any bird, water fowl, fish, or fauna in the Reserve, without the permission, in writing, of the Committee of Management first obtained.

23. No person shall bring into the Reserve any dog unless led by a chain or cord. Should any dog led by a chain or cord annoy any person or disturb any bird, fish, water fowl, or fauna in the Reserve, the person in charge of such dog shall, at the request of any member of the Police Force or authorized officer of the Committee of Management, immediately remove such dog from the Reserve, and shall not permit such dog to again enter the Reserve unless with the permission, in writing, of the Committee of Management first obtained.

The Council of the Shire of Bet Bet has been appointed a Committee of Management with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against any such Regulations, and who, after he has been warned by any bailiff of Crown lands or by any member of the Police Force, does not desist from so offending, may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

The common seal of the Board of Land and Works was hereunto affixed this 8th day of August, 1941, in the presence of—

(SEAL) H. J. HYLAND, Vice-President.  
W. MCILROY, Member.

(Corres. Rs.5186.)

## LIST OF CROWN LANDS AVAILABLE (INCLUDING MALLEE LANDS).

THE under-mentioned areas are available for application as provided by various sections of the *Land Act 1928*, and all applications received on or before Wednesday, 10th September, 1941, will be deemed to have been simultaneously made, but any application lodged after such date may be considered if received in time for inclusion in the advertisement of the cases to be heard at the Local Land Board.

Applications on proper form, accompanied by 5s. duty stamp uncancelled (registration fee), may be delivered or forwarded by post to the Local Land Officer or to any Crown Lands Office in Victoria.

Applicants may obtain from Local Land Officers, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a return ticket at concession fares to enable them to inspect available areas or to attend Local Land Boards. When an applicant is granted an allotment he may, if travelling by rail, obtain reduced fares for his family and also freight concessions in regard to some of his effects.

Subject to the approval of the Minister, when the survey fee exceeds £10, a deposit of £5 may be paid, and the balance over six years in half-yearly instalments.

Marked plans of any particular area, application forms, and any further information may be obtained from the Enquiry Office, Lands Department, Melbourne, and Land Officers, Bairnsdale and Ballarat.

Department of Crown Lands and Survey,  
Melbourne, 12th August, 1941.

H. J. HVLAND,  
for Commissioner of Crown Lands and Survey.

Tenders to be addressed to the Honorable the Commissioner of Public Works, and envelope containing tender marked "Tender for \_\_\_\_\_, due \_\_\_\_\_."

GEO. L. GOUDIE,

Commissioner of Public Works.

Melbourne, 13th August, 1941.

## TENDERS FOR THE SERVICE, 1941-42.

## PROVISIONS.

## BUTTER AND CHEESE.

**TENDERS** will be received until Eleven o'clock a.m. on Friday, 29th August, 1941, from persons willing to furnish the under-mentioned supplies, in such quantities as may be ordered by the Victorian Government during the twelve months commencing on 1st October, 1941, as per Schedule No. 20—delivery to be made at the institutions at the under-mentioned places.

The places and supplies for which tenders will be received and the amount of the preliminary deposit required are as follows:—

Schedule No. 20.—Preliminary Deposit, £10.

Melbourne, Mont Park, Ararat, Ballarat, Beechworth, and Sunbury Districts—Butter and Cheese.

Greenvale Sanatorium and Pleasant Creek Special School, Stawell—Butter.

The prices tendered must not include sales tax.

Schedule as above, with full particulars, may be obtained from the Secretary to the Tender Board, and for the respective districts from the Clerks of Courts at Ararat, Ballarat, Beechworth, and Stawell; for Sunbury, from the Medical Superintendent, Mental Hospital; for Greenvale, from the Superintendent at the Sanatorium, by whom also any information or explanation will be afforded to persons tendering.

Tenders must be accompanied by the preliminary deposit, as shown above, by bank draft or marked cheque in favour of the Secretary to the Tender Board. The amount of the preliminary deposit must be clearly written in and the designation stated, whether marked cheque or bank draft, as the case may be. Cheques, Savings Bank deposit books, fixed deposit receipts, Commonwealth Treasury bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits. Preliminary deposits will be returned within ten days to unsuccessful tenderers on their application.

Security will be required, as shown in the Schedule, either in bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and the contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual, and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for \_\_\_\_\_" (as the case may be) written thereon, must be deposited in the Tender Box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

The conditions of contract are those published in the *Victoria Government Gazette* of 23rd April, 1941, pages 1633 and 1634.

A. A. DUNSTAN,  
Treasurer.

The Treasury,  
Melbourne, 11th August, 1941.

#### TENDERS FOR THE SERVICE, 1941-42.

##### GENERAL STORES.

TENDERS will be received until Eleven o'clock a.m. on Friday, 5th September, 1941, from persons willing to supply the under-mentioned articles in such quantities as may be ordered by the Victorian Government during the twelve months commencing on 1st October, 1941:—

Schedule No.		Preliminary Deposit.
52. Tools (General)	.. ..	£ 3
68. Stamps, Rubber	.. ..	3

The prices tendered must not include sales tax.

Security.—Five per cent. of total amount of tender accepted, but in no case will security of less than £3 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

In all cases the total cost of each item must be extended in the columns provided.

Tenders must be accompanied by the preliminary deposit, as shown above, by bank draft or marked cheque in favour of the Secretary to the Tender Board. The amount of the preliminary deposit must be clearly written in and the designation stated, whether marked cheque or bank draft, as the case may be. *Cheques, Savings Bank deposit books, fixed deposit receipts, Commonwealth Treasury bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits.* Preliminary deposits will be returned within ten days to unsuccessful tenderers on their application.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), Commonwealth Treasury bonds, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The lowest or any tender will not necessarily be accepted.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual, and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for \_\_\_\_\_" (as the case may be) written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

The conditions of contract are those published in the *Victoria Government Gazette* on 22nd January, 1941, pages 235, 236, and 237.

A. A. DUNSTAN,  
Treasurer.

The Treasury,  
Melbourne, 11th August, 1941.

#### PRIVATE ADVERTISEMENTS.

NOTICE is hereby given that Paper Products (Victoria) Proprietary Limited has applied for a lease under section 125, *Land Act* 1928, for a term of 15 years from 15th September, 1941, of allotments 9, 9A, 10, 10A, section B, City of South Melbourne, as a site for Manufacturing and Stores. 9640

NOTICE is hereby given that Dane Taylor and Co. Proprietary Limited has applied for a lease, under section 125, *Land Act* 1928, for a term of 40 years, from 15th September, 1941, of allotments 89 and 89A, City of South Melbourne, as a site for offices, factories, and stores. 9652

#### IN THE MATTER OF THE METROPOLITAN GAS COMPANY'S ACTS 1878 AND 1920.

WE, Lionel Findon Miller, David York Syme, and John Irvine Crane, all of the City of Melbourne, gentlemen, do severally, solemnly, and sincerely declare as follows:—

First—We, the said Lionel Findon Miller and David York Syme, for ourselves, say that we are two of the directors of The Metropolitan Gas Company.

And next—I, the said John Irvine Crane, for myself, say that I am the secretary of the said company.

And next—We, the said Lionel Findon Miller, David York Syme, and John Irvine Crane, say—

That the nominal capital of the said company, as on the 30th day of June, 1941, was One million five hundred thousand pounds. The amount paid up thereon as on the 30th day of June, 1941, was One million four hundred thousand pounds, divided into Two hundred and eighty thousand shares of Five pounds each.

That the amount which the company is legally authorized to borrow on debentures is the sum of Two million three hundred and eighty-five thousand four hundred and twenty-eight pounds.

That the total amount raised by the company on debentures and unpaid does not exceed the amount which the said company is by The Metropolitan Gas Company's Acts 1878 and 1920 authorized to borrow.

That none of the debentures, bonds, and mortgages granted by the City of Melbourne Gas and Coke Company, The Collingwood-Fitzroy Gas and Coke Company, and The South Melbourne Gas Company referred to in the 55th section of the principal Act are now outstanding, the same respectively having been paid off.

And we severally make this solemn declaration conscientiously believing the same to be true, and by virtue of the provisions of an Act of the Parliament of Victoria rendering persons making a false declaration punishable for wilful and corrupt perjury.

Declared by the said Lionel Findon Miller, at Melbourne aforesaid, this seventh day of August, One thousand nine hundred and forty-one—

L. F. MILLER.

Before me—E. J. HAMILTON, Notary Public, Melbourne, Victoria.

Declared by the said David York Syme, at Melbourne aforesaid, this eighth day of August, One thousand nine hundred and forty-one—

D. YORK SYME.

Before me—E. J. HAMILTON, Notary Public, Melbourne, Victoria.

Declared by the said John Irvine Crane, at Melbourne aforesaid, this ninth day of August, One thousand nine hundred and forty-one—

J. I. CRANE.

Before me—E. J. HAMILTON, Notary Public, Melbourne, Victoria. 9990

NOTICE OF INTENTION TO APPLY FOR A LICENCE  
TO DIVERT WATER AND CUT RACES FROM THE  
GUNBOWER CREEK (TURNER'S LAGOON), AT

## CITY OF BRUNSWICK.

## BY-LAW No. 123.

A By-law of the City of Brunswick numbered 123, made under section 197 of the *Local Government Act 1928*, to alter By-law No. 63 of the said City as altered by By-laws Nos. 64, 65, 69, 70, 71, 72, 73, 77, 78, 80, 82, 84, 85, 88, 91, 93, 97, 98, 99, 100, 102, 103, 104, 105, 106, 107, 111, 113, 116, 119, 120, and 122.

IN pursuance of the powers conferred by the Local Government Acts, the Mayor, Councillors, and Citizens of the City of Brunswick order as follows:—

1. This By-law shall be read and construed as one with By-law No. 63 of the City of Brunswick and any By-law amending the same, all of which By-laws and this By-law may be cited together as the Residential Area By-laws.

2. After sub-clause 53 of By-law No. 122 there shall be added the following sub-clause No. 54:—

No. 54.—All that piece of land having the following boundaries:—Commencing at a point which is 200 feet south of a point on the south building line of Moreland-road, 481 ft. 2 in. west of the eastern building line of Hopetoun-avenue; thence westerly 184 ft. 3 in.; thence southerly 120 feet to the bank of Moonee Ponds Creek; thence along the creek to a point due south of the starting point; thence northerly 205 feet to the point of commencement.

In witness whereof the common seal of the Mayor, Councillors, and Citizens of the City of Brunswick was hereunto affixed this 26th day of May, 1941, in the presence of—

VIVIAN ADAMS, Mayor.

(SEAL.) C. C. FISHER, Councillor.

R. A. MCGREGOR DAWSON, Town Clerk.

The aforesaid By-law was passed by Special Order of the Council on the 28th April, 1941, and was confirmed on 26th May, 1941.—R. A. MCGREGOR DAWSON, Town Clerk.

Approved by the Governor in Council, 28th July, 1941.—  
C. W. KINSMAN, Clerk of the Executive Council. 9943

## BOROUGH OF WANGARATTA.

## BY-LAW No. 39.

A By-law of the Borough of Wangaratta made under section 292 of the *Health Act 1928*, and numbered 39, for the purposes mentioned in the said section.

IN pursuance of the powers conferred by the *Health Act 1928*, the Mayor, Councillors, and Burgesses of the Borough of Wangaratta (hereinafter called the Council), with the approval of the Governor in Council, order as follows:—

## Management.

1. The land of the Council held for abattoir purposes, and all buildings and structures thereon and appurtenances thereto, hereinafter called the establishment, shall be under the charge, care, management, and direction of the Superintendent appointed thereto by the Council, with one or more assistants as the Council have appointed or shall appoint for that purpose.

## Assistant Manager, &amp;c.

2. During the absence of the Superintendent his duties shall devolve upon and be performed by the assistant or other person in the service of the Council then in charge of the establishment, and such assistant or other person shall for the time being have all power, authority, and duty of the Superintendent.

## Hours of Use.

3. The establishment shall be open for slaughtering every day not being Sunday, Good Friday, Easter Monday, Christmas Day, Boxing Day, New Year's Day, Foundation Day, Anzac Day, King's Birthday, or such other public holidays as may be determined by the Council, from half-past Seven o'clock in the forenoon until Five o'clock in the afternoon except on Saturdays, when the hours shall be from half-past Seven o'clock until Eleven o'clock in the forenoon, and at no other time except upon special occasions, and then only upon such special conditions as may be prescribed in writing under the hand of the Town Clerk of the Borough of Wangaratta.

## Use on Payment of Dues.

4. Every person who shall pay the dues and fees as hereinafter fixed shall be entitled to the use for a reasonable time of such portion of the establishment as shall be available and be assigned to him. No person shall use any portion of the establishment except for such purpose or at or for such time as the Superintendent shall approve; all such fees to be paid to the Superintendent on demand, and if any fees remain unpaid for a longer period than fourteen days the Superintendent shall not permit such person or any one on his behalf to slaughter stock on the premises.

## Stock to be Reported.

5. Every person who shall bring any animals to the establishment shall forthwith inform the Superintendent of the number and description thereof, together with the name and address of the owner thereof and the locality or district from

which the same were brought, and the Superintendent or assistant shall thereupon cause such particulars to be entered in a record book to be kept at the abattoirs, and every such person shall place such animals in such portion of the establishment as directed by the Superintendent or assistant, and in no case shall any animals once brought into the establishment be removed without the consent of the Superintendent. Provided that no animals shall be allowed to remain in the establishment after three hours' notice shall have been given by the Superintendent to the owner or person in charge thereof to remove same, and such owner or person in charge shall remove the same accordingly.

## Overcrowding of Stock.

6. All animals shall be placed in such numbers as the Superintendent shall direct in any of the pens, stalls, yards, or standings in the establishment, and every person failing to observe the directions of the Superintendent shall be guilty of an offence against the By-laws.

## Fees and Dues Payable.

7. The following fees and dues shall be payable to the Council for the use of the public abattoir:—

	Per head. s. d.
(a) For examining any—	
Bull, cow, heifer, ox, or steer ..	2 0
Sheep, lamb, or goat ..	0 9
Head of swine ..	1 6
Calf (under 200 lb.) ..	0 6
(b) For the use of the Abattoirs for slaughtering any—	
Bull, cow, heifer, ox, or steer ..	2 0
Sheep, lamb, or goat ..	0 6
Head of swine ..	1 0
Calf (under 200 lb.) ..	1 0
(c) For examining and branding any carcass or meat derived from any—	
Bull, cow, heifer, ox, or steer ..	1 0
Sheep, lamb, or goat ..	0 6
Head of swine ..	1 0
Calf (under 200 lb.) ..	1 0
(d) For giving any certificate as to examination made by a Meat Inspector of any—	
Bull, cow, heifer, ox, or steer ..	2 6
Sheep, lamb, or goat ..	2 6
Head of swine ..	2 6
Calf ..	2 6

8. No carcass or portion of any carcass shall remain in the establishment for a longer period than eighteen hours unless with the consent of the Superintendent.

## Food and Water for Stock and Milking Cows.

9. The owners of all animals placed in the establishment shall provide or cause them to be provided with a sufficient quantity of water, and also with good and sufficient food, at least once in every 24 hours, and shall milk or cause to be milked all milch animals at such time and place as the Superintendent shall direct; and, in case he shall fail to do so, the Council may do so, and such owner shall pay to the Council all expenses incurred in connexion therewith. No animals shall be allowed to remain in the establishment for a longer period than 48 hours.

## Reception of Animals into Establishment.

10. Animals intended for slaughter may be received into the establishment on any day except Saturday, Sunday, Good Friday, Anzac Day, and Christmas Day from the hour of half-past Seven a.m. till Five p.m., and on Saturdays from the hour of half-past Seven a.m. until Eleven a.m.

## Discarded Animals.

11. No animals visibly or known to be affected with any contagious or infectious disease shall be received into the establishment except with the express permission of the Superintendent.

## Lien.

12. The Council shall have a lien on all animals, carcasses, skins, hides, fat, and/or offal for the time being in the establishment of any person indebted to the Council; and if any person shall make default for seven (7) days in payment of any fees or sums due by him the Council may (without any demand or giving any notice) sell by public auction or private contract all or any part of such animals, carcasses, skins, hides, fat, and/or offal, and after deducting all fees and sums due to the Council shall pay the surplus thereof to the owner of such animals, carcasses, skins, hides, fat, and/or offal.

## Liability for Death, Injury, or Escape.

13. The Council will take all reasonable care of stock brought into the establishment for slaughter, but will not be responsible for any injury to or for the death or escape of any stock therefrom.

## Liability for the Loss of Carcass.

14. The Council will take all reasonable care of carcasses and offal while in its possession, but the Council will not be responsible for any loss thereof or any damage thereto.

*Liability for Bone Taint, Hides, and Skins.*

15. The Council will take no risk or responsibility with respect to carcasses, skins, hides, fat, and/or offal or animals slaughtered at the establishment, and the Council will under no circumstances whatever be responsible for bone taint or any other condition which may occur in carcass meat in the chilling chambers.

*Hours for Opening and Closing Chilling Chambers.*

16. The chilling chamber at the establishment shall be opened and closed daily at such time as the Superintendent shall direct and at no other times, and all persons doing business at the establishment in connexion with the chilling chambers shall conform to the direction of the Superintendent or other person on duty at the time.

*Carcass to be Examined and Passed before Removal.*

17. No person shall remove from the establishment any carcass of any animal slaughtered thereat until the same has been examined by the Superintendent and passed by him as fit for human food and branded by him with the regulation brand.

*Slaughtermen.*

18. No person shall be permitted to commence or continue to work at the establishment as a slaughterman unless he is licensed by the Council and entered in the Register of Slaughtermen hereby required by law to be kept by the Superintendent, and he shall have signed an undertaking to observe, comply with, and obey each and every one of the rules of the establishment under pain (apart from any other penalty) of having his name expunged from the Register of Slaughtermen.

*Slaughtering of Animals.*

19. All slaughtering shall be carried out in good and sufficient light, and no slaughtering shall be done during the last hour before the closing time hereinbefore prescribed except by permission of the Superintendent. The skins of all carcasses shall as far as practicable be kept from contact with blood or flushing water, and all carcasses, whether hung in the pre-cooling or in the chilling room, shall be so hung as not to touch any other carcass or any wall, door, or window of any such room. No sheepskin shall be removed from the establishment with the head attached.

*Removal of Offal, &c.*

20. Upon any animal being slaughtered in the establishment the slaughterman shall forthwith thoroughly cleanse of all hides, offal, blood, garbage, refuse matters, or manure the stall or place in which such animal was slaughtered.

*Diseased Animal to be Reported.*

21. Immediately any animal slaughtered is discovered to be diseased the slaughterman in charge shall immediately stop the work of dressing such animal for food and report the fact to the Superintendent, and shall not proceed further with such dressing until authorized to do so.

*Organs of Diseased Carcasses.*

22. It shall be the duty of slaughtermen to see that the organs of diseased carcasses are not mixed with the organs of healthy carcasses.

*Disfiguring Walls, &c.*

23. No slaughterman or other person shall—

(a) Write or soil or disfigure any of the walls, floors, ceilings, fittings, or fixtures of the establishment, or remove, deface, or disfigure any signboard or written or printed matter or notice on or in the establishment.

(b) Except with the permission of the Superintendent, interfere in any way with the electric light switches, motors, fans, ventilation arrangements, or the steam or water pipes or other appliances whatsoever in the establishment.

(c) No slaughterman shall leave the establishment attired in his slaughtering clothes. Every slaughterman shall keep such clothes when not in use in such part of the establishment as shall be made available and assigned to him for such purpose by the Superintendent.

*Mess Room for Meals.*

24. Every slaughterman or other person having meals at the establishment shall use the mess room provided for that purpose, and shall not use any other portion of the establishment for the purpose. Smoking is not permitted in any portion of the building except the mess room.

*Cruelty to Animals.*

25. No person shall ill-treat or unnecessarily frighten or irritate any animal or resort to unnecessary cruelty in slaughtering any animal at the establishment, and no person shall do any act or observe any forbearance towards any animal which act or forbearance involves cruelty.

*Dogs*

26. No dogs other than cattle or sheep dogs shall be brought upon or allowed to remain in the establishment, and every such cattle and sheep dog when not in use shall be securely tied up by the person in charge of such dog in such place as is assigned for that purpose by the Superintendent. All other dogs found at large in the establishment, whether in charge of any person or not, will be destroyed.

*Liabilities for Breakages, &c.*

27. Every person using the establishment who does any breakage, injury, damage, or destruction thereto or to any of the appliances used in connexion therewith, whether accidentally or otherwise, shall make good the same to the satisfaction of the Superintendent, and, if he shall have so acted wantonly or maliciously, he shall upon conviction be liable to a penalty not exceeding Twenty pounds.

*Directions of Superintendent or Assistant to be Obeyed.*

28. All persons doing business at the establishment shall conform to the directions of the Superintendent or the assistant or other person on duty at the time.

*Persons Illegally on the Premises.*

29. No person, unless having lawful business to transact at the establishment, shall enter thereon or remain therein, and if any such person does not leave immediately upon being requested to do so by the Superintendent or the assistant or other person in charge thereof for the time being he shall be guilty of an offence against this By-law, and he may be forcibly removed.

*Drunkenness, Offensive and Indecent Behaviour, &c.*

30. Any person who shall be drunk or who shall be guilty of profane swearing or of foul or abusive or offensive language or conduct or of obscenity or indecency, or who shall obstruct in the execution of his duty any Superintendent or other officer or person appointed by the Council to conduct or aid in the good management of the establishment, or who shall neglect or refuse to comply with any request of any such Superintendent, officer, or other person, shall be guilty of an offence against this By-law, and may be forcibly removed from the establishment.

*Deposit of Offal, &c.*

31. Any person who shall deposit or cause to be deposited any blood, offal, filth, or refuse matter upon any portion of the establishment or on any road or land abutting thereon save in the pits, bins, or receptacles provided for same, shall be guilty of an offence against this By-law. The Superintendent shall cause all heads, horns, shanks, hair, bristles, blood, and other offal to be removed from the establishment daily.

*Clean Clothing.*

32. The Superintendent, assistant, or other person in charge for the time being may refuse to allow any person not wearing clean clothing or clean overalls to load or handle any meat in the establishment.

*Penalty.*

33. Every person who does not do anything directed to be done, or does anything forbidden to be done, by or under this By-law, shall be guilty of an offence against this By-law. Every person guilty of an offence against this By-law shall be liable to a penalty of not more than Twenty pounds.

*Operation of By-law.*

34. This By-law shall apply to and have operation throughout the whole of the Wangaratta Meat Area.

Resolution for passing this By-law No. 39 agreed to by the Council the twenty-eighth day of April. One thousand nine hundred and forty-one, and confirmed the twenty-sixth day of May, One thousand nine hundred and forty-one.

The common seal of the Mayor, Councillors, and Burgesses of the Borough of Wangaratta was hereunto affixed the twenty-sixth day of May, One thousand nine hundred and forty-one.

J. F. DUNDAS, Mayor.

(SEAL.) WALTER J. SMITH, Councillor.

J. McDONNELL, Town Clerk.

Submitted to the Commission of Public Health on the 24th June, 1941.—J. WHITLOCK, Secretary to the Commission.

Approved by the Governor in Council, the 7th day of July, 1941.—J. MACGIBBON, Acting Clerk of the Executive Council.

9953

## SHIRE OF BEECHWORTH.

## CONTROL OF DOGS.

IN pursuance of the powers conferred by the Dog Acts, the Council of the Shire of Beechworth doth hereby order that the Shopping Areas in the Township of Beechworth set forth in the schedule to this order be specified as Shopping Areas for the purpose of section 4 of the Dog Act 1936, as amended by section 2 of the Dog Act 1939, in which no dog (other than a dog used in the droving of stock) is permitted, unless under the effective control of some person by means of a chain or cord or leash.

## SCHEDULE OF SHOPPING AREAS.

Ford-street, from its junction at the south-west end with Church-street to its junction at the north-east end with William-street.

Camp-street, from its junction at the north-west end with Loch-street to the north-west boundary of Spring Creek.

By order,

G. THOMPSON, Shire Secretary.

Shire Hall, Beechworth, 1st August, 1941.

9949

SHIRE OF BERWICK.  
DETENTION YARD, COCKATOO.

NOTICE is hereby given that Mr. Henry Woodbridge, of Cockatoo, has been appointed caretaker of the Cockatoo Detention Yard.

JAMES J. AHERN, Shire Secretary.

SHIRE OF ELTHAM.  
NOTICE OF INTENTION TO BORROW.

Loan No. 15.

NOTICE is hereby given that the Council of the Shire of Eltham proposes (subject to the approval of the Loan Council) to borrow the sum of £2,000 on the credit of the President, Councillors, and Ratepayers of the Shire of Eltham, in accordance with provisions of the *Local Government Act* 1928, and amendments.

The maximum rate of interest that may be paid shall be £3 15s. per centum per annum.

The said loan shall be liquidated by 30 equal half-yearly payments of principal and interest, on the fifteenth day of October and the fifteenth day of April in each year.

Such moneys shall be repayable at the Commercial Bank of Australia, Melbourne, or at the Council's bankers for the time being in the City of Melbourne.

The purpose to which the said loan shall be applied is as follows:—

"Construction of a steel and concrete bridge across the Plenty River on the Greensborough-Eltham road (Rattray-road), near Greensborough."

The plans, specifications, estimate of cost of the work referred to above, and a statement showing the proposed expenditure, are open for inspection at the office of the Council, Shire Hall, Eltham, on all days, and between the hours the said office is appointed to be open.

Dated this fourth day of August, 1941.

9932 C. L. TINGATE, Shire Secretary.

SHIRE OF TUNGAMAH.

NOTICE is hereby given that Charles Edward Beames, of Cobram, has been appointed prosecuting officer for the North-west Riding, and Alfred Norman Weston, of Tungamah, prosecuting officer for the Central, Southern, and South-west Ridings, of the Shire of Tungamah.

F. E. BARTLETT, Shire Secretary.

4th August, 1941. 9940

NOTICE is hereby given that the partnership previously existing between A. J. Harrison and A. M. Harrison, of 317 Collins-street, Melbourne, as executors of the estate of the late A. C. Harrison, and R. A. Escott, of 87 Barkly-street, Brunswick, carrying on the dairy farming business at "Rockfield" and "Jewell's" farms at Epping, has been dissolved by mutual consent as from 31st day of July, 1941.

The said R. A. Escott will, as from that date, continue to carry on the said business from 87 Barkly-street, Brunswick, in his own name, and will receive and pay all debts due to and owing by the said late firm.

9935

NOTICE is hereby given that the partnership heretofore subsisting between us, the undersigned Thomas Francis Cleary and Francis Vincent Cleary, carrying on business at McCrae-street, Bendigo, under the name of D. Cleary and Sons, has been dissolved as from the 30th day of June, 1941, so far as concerns the said Francis Vincent Cleary, who retires from the said firm.

Dated this 15th day of July, 1941.

THOMAS FRANCIS CLEARY.  
F. V. CLEARY.

9994

NOTICE is hereby given that the partnership heretofore subsisting between Charlotte Kelly and Lionel Charles James Winsor, carrying on the business of a cake shop and pastrycook, at 408 Bridge-road, Richmond, was dissolved by mutual consent on the 20th day of July, 1941. The said business will be carried on by the said Charlotte Kelly, who will pay all debts owing by the said business, and will receive all debts owing to the said business.

Dated this 21st day of July, 1941.

## THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 7d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the *Gazette*.

ADVERTISEMENTS are charged at the rate of EIGHT PENCE per line single column, and ONE SHILLING and FOUR PENCE per line double column.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines as a heading.

On an average, eleven words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and Five p.m. at double rates, on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are Six pence, posted Seven pence, each.

No GAZETTES prior to January, 1930, in stock.

\*\*\*ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.

Factories and Shops Acts.

## DETERMINATION OF THE WHARFS AND JETTIES BOARD.

NOTE.—This Determination applies to the following parts of Victoria, namely :—The Metropolitan District as defined in the *Factories and Shops Act 1928* and the Order in Council thereunder; such portions of the city of Sandringham as are not within the said district; the cities of Ballarat, Bendigo, Geelong, Geelong West, and Warrnambool; the town of Newtown and Chilwell; the boroughs of Eaglehawk and Sebastopol; and the Moorpanyal riding of the shire of Corio.

IN accordance with the provisions of the Factories and Shops Acts, the Wages Board, which since the 10th November, 1927, has had the power to "determine the lowest prices or rates which may be paid to any persons employed in the trade of constructing or demolishing wooden or concrete wharfs, piers, or jetties," has made the following Determination, namely :—

(1) That on the 14th August, 1941, the adjusted Determination of this Board which came into operation as from the beginning of the first pay period to commence in May, 1941, shall be revoked and replaced by this Determination.

(2)

(3) **HOURS.**—The number of hours to constitute an ordinary week's work shall be 44.

(4) **TERMS OF ENGAGEMENT.**—(a) Engagement may be by the week or by the hour. If by the week it shall be terminable on either side by a week's notice, which may be made to expire at any time during a week of the employment.

Provided that this clause shall not affect the employer's right to dismiss forthwith at any time an employee because of the latter's incompetence or misconduct, in which case the employee shall be entitled to payment in respect of wages only up to such time of dismissal.

(b) If an employee engaged by the week absents himself from work his wages shall be subject to a deduction for the time so absent.

Provided that he forwards or produces a certificate from a medical practitioner, or other evidence satisfactory to the management that his absence is reasonably justified by ill-health, his wages shall be free of such deduction for a period of four days in any one year.

(c) If engagement is by the hour, the rates of wages shall be increased by 6s. per week to cover payment for holidays and sick leave, but such amount shall not be taken into consideration when computing overtime, Sunday and holiday rates.

(5) **SHIFTS.**—That—

(a) The hour of beginning and the hour of ending each shift shall be as follows :—

Where one shift is worked—				Time of Beginning.	Time of Ending.
Monday to Friday (day shift)	..	..	..	8 a.m.	5 p.m.
Saturday (day shift)	..	..	..	7.45 a.m.	11.45 a.m.
Where two shifts are worked—					
Monday to Saturday (day shift)	..	..	..	6.30 a.m.	2.30 p.m.
" " (afternoon shift)	..	..	..	2.30 p.m.	10.30 p.m.

Any of the above times of beginning and ending may be varied on any job by mutual consent of the employer and the majority of the employees, but in no case shall the total length of any shift be increased.

(b) The higher rate to be paid for each hour or fraction of an hour worked by any employee before or after his shift shall be time and a half for the first four hours, and thereafter double time.

(6) HOLIDAYS.—(a) An hourly employee shall be entitled to receive the following holidays without pay :—New Year's Day, Australia Day, Labour Day, Good Friday, Easter Monday, Anzac Day, King's Birthday, Christmas Day, and Boxing Day, but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays the day so substituted shall be observed.

(b) An employee on weekly engagement shall be entitled to the above-mentioned holidays without deduction of pay.

(7) SPECIAL RATES.—All time worked on Sundays or on any of the holidays prescribed herein shall be paid for at the rate of double time.

"Rate of double time" for weekly employees shall mean as to the holidays set out an extra payment at the ordinary rate in addition to the rate ordinarily receivable.

(8) **ANNUAL LEAVE.**—(a) An employee who has been in the constant service of one employer for at least one year and who has not absented himself from employment without leave except because of illness of himself or bodily injury to himself from accident shall, for each complete year of such service, be entitled to leave of absence for a period equal to one week of the employment, the period to be reckoned in addition to any of the holidays prescribed herein, and shall in respect of that period be paid his rate of wage per week as if he had worked instead of taking leave.

(b) If the employee does not receive such leave he shall, in addition to any other monies payable to him under this determination, be paid a week's pay.

(c) An employee who has been for not less than six months in an employer's service, and whose engagement is terminated, shall receive one half-day's holiday payment for each month spent in such employer's service.

(9) **WET WORK RATE.**—Men who in the ordinary course of their work are—

- (i) Wetted from feet to knees .. .. } shall be paid 1s. per day or portion of a day extra, irrespective of whether rubber boots are worn or not.  
(ii) Working on rafting or staging awash .. .. }

(10) **MEAL ALLOWANCE.**—An employee required to work overtime for more than two hours without being notified the day before that he will be so required to work shall either be supplied with a meal by the employer or paid 1s. 6d., or if the work extends into a second meal hour, 2s. 6d. for the two meals, but such payment need not be made to employees living in the same locality as their work and who can reasonably return home for meals.

(11) **LIVING ALLOWANCE.**—Where employment necessitates the absence of an employee from his usual place of residence for more than a period of 24 hours he shall be entitled to an allowance of 25s. per week.

(12) **HOT WATER.**—The employer shall make provision where practicable for the supply of hot water during meal hours.

(13) **CHANGING TIME.**—When an employee, in the course of his work, falls or is knocked into water, not more than one hour without deduction of pay shall be allowed to enable him to change into dry clothing.

(14) **MIXED FUNCTIONS.**—Where an employee is required to do, and does on any one day for a time exceeding four hours in the aggregate, work for which a higher rate is prescribed than for other work done by him on that day, he shall be paid at not less than such higher rate for all work done by him on that day.

(15) **PERIODICAL ADJUSTMENT OF WAGES.**—The wages rates set out in clause (2) are based upon the following basic wage and pursuant to and in accordance with the provisions of section 21 of the *Factories and Shops Act 1934*, the Board hereby determines that such rate shall be automatically increased or decreased by the same amount, and at the same time as such basic wage. Provided that the wages of apprentices and improvers shall be adjusted proportionately to adjustments of the basic wage, such adjustments to be to the nearest 3d., half or less than half of 3d. to be disregarded.

The basic wage shown hereunder shall be adjusted as prescribed in clause (16).

(16) **ADJUSTMENT OF BASIC WAGE.**—(a) Until the beginning of the first pay period to commence in November, 1941, the amount of the basic wage shall be as prescribed in clause (15).

(b) During each future successive period beginning with the first pay period to commence in a November, a February, a May or an August, the amount of the basic wage shall be adjusted by the following method according to the position and fluctuations (if any) of the Commonwealth Statistician's "All Items" retail price index numbers.

For the purposes of this Determination the expression "Commonwealth Statistician's retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting, to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician:—

- (1) The index number set to be applied to a place is that assigned to Melbourne.
- (2) The index number for the calendar quarter next preceding the period of thirteen weeks for which the adjustment is made is to be ascertained.
- (3) The amount assigned in the following table (or in any extension thereof) to the index number division comprising that number is to be ascertained.
- (4) The basic wage shall be of that assigned amount during such successive period plus the additional constant loading as prescribed in clause 15.

Factories and Shops Acts.

## DETERMINATION OF THE COAL AND COKE BOARD.

NOTE.—This Determination applies to the whole of the State of Victoria.

IN accordance with the provisions of the Factories and Shops Acts the Wages Board which now has power to "determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in any business or occupation connected with the sale or distribution of coal or coke by any—

(a) coal importer,

(b) coalmine owner,

(c) gas company,

(d) agent or contractor who distributes coal or coke for any coal importer, coalmine owner, or gas company"—

has made the following Determination, namely:—

(1) That on the 15th August, 1941, the adjusted Determination which came into force as from the beginning of the first pay period to commence in May, 1941, shall be revoked and replaced by this Determination.

(2)

Improvers.*				Other Employees.			
WAGES PER WEEK.				WAGES PER WEEK.

19 " "	..	..	..	63	0	Persons trimming from the "Grab"	.. 128 4
20 " "	..	..	..	76	9	Other coal trimmers	.. 117 8
						Coal baggers or loaders	.. 121 0
						Persons employed loading by shovel or fork loose coal	..
						from vehicles to railway trucks	.. 139 8
						Coke stackers at wharf coal yards	.. 126 10
						Coke yard employees	.. 91 8
						Carters driving one horse	.. 92 0
						Carters driving two horses	.. 97 0
						Carters driving three horses	.. 100 0
						Carters driving four horses	.. 102 0
						Carters driving five horses	.. 103 0
						And 6d. extra per day for every additional horse	..
						Drivers of motor wagons having a carrying capacity of—	..
						(a) 25 cwt. or less	.. 97 0
						(b) over 25 cwt.; but not over 3 tons	.. 101 0
						(c) over 3 tons, but under 6 tons	.. 104 0
						Further tonnage—for each complete ton over 5 an	..
						extra 1s. per week	..
						All others	.. 110 4

\* NOTE.—The Board has determined, in accordance with Section 25 (1) of the Factories and Shops Act 1934, that the trade is so unskilled that no apprentices shall be taken in the trade.

(3) Hours:—

All persons other than carters and drivers .. 44 hours per week.

Carters and drivers .. 88 hours per fortnight provided that not more than 48 hours per week shall be worked without payment of overtime.

No. 233.—9722/41.

## (4) TIME OF BEGINNING AND ENDING WORK—

	Time of Beginning.	Time of Ending.	
		Five days in the week.	The Day the Half-holiday is Usually Observed.
Carters .. .. .	7 a.m.	5.45 p.m.	1 p.m.
All others .. .. .	8 a.m.	5 p.m.	12 noon

## (5) OVERTIME.—(a) The following rates shall be paid for all overtime worked:—

## (i) Outside the time of beginning and ending work as herein fixed—

Between 12 noon and midnight on the day on which the half-holiday is usually observed ..	Double time.
Between 5 p.m. and midnight on the other working days .. .. .	Time and a half.
Between midnight and 8 a.m. .. .. .	Double time.

(ii) Within the times of beginning and ending work in excess of the hours fixed in Clause (3).  
as a week's work—

First two hours .. .. .	Time and a half.
Thereafter .. .. .	Double time.

## (b) Special provisions relating to overtime:—

When overtime is to be worked casual employees shall where practicable be given preference. The foreman shall make the necessary arrangements for engaging casual employees during the times mentioned in clause (13) and shall inform casual employees so engaged of the actual time they are expected to commence work.

Should a casual employee be employed during the day and until 7 a.m. the following day by one employer, he shall not be required to continue after 7 a.m. if other labour is available.

Should a casual employee who has been employed all day be ordered back by the same employer to resume not later than 2 a.m. and continues until 7 a.m. he shall not be required to continue after 7 a.m. if other labour is available.

Should a casual employee's first start be midnight or later he shall if required continue working throughout that day until 5 p.m.

If a regular yard employee after completing a full day's work is called upon to work overtime until later than 11 p.m. he shall not be required to resume work next morning if other labour is available.

## (6) MINIMUM OF WORK.—Employees called on to work on any day shall be given four (4) hours' work, or alternatively, four (4) hours pay at ordinary rates.

## (7) BROKEN WORKING HOURS.—Any broken part of fifteen minutes at the completion of a day's work shall be paid for as for a full fifteen minutes.

## (8) TRANSPORT.—When work finishes between midnight and 6 a.m. transport (if obtainable) shall be provided to convey the employees to a point adjacent to Flinders-street in the City. This clause shall only apply to the Metropolitan District.

## (9) PAY DAY.—All wages due to 5 p.m. on Thursday in each week shall be paid on that day.

## (10) SMOKE-OH.—(a) Persons employed in trimming coal or coaling small vessels by means of baskets, shall be entitled to the following smoke-oh:—

DAY: 10 a.m. to 10.30 a.m., unless work ends at or before 10 a.m.
3 p.m. to 3.30 p.m. unless work ends at or before 3 p.m.
NIGHT: 9 p.m. to 9.30 p.m., unless work ends at or before 10 p.m.
3 a.m. to 3.30 a.m., unless work ends at or before 3 a.m.

## (b) Persons employed continuously feeding coal into any mechanical appliance or elevator shall be allowed 30 minutes smoke-oh during each morning and each afternoon.

## (11) WET WEATHER PROVISIONS.—(a) A committee consisting of a representative of employers appointed by the Commonwealth Steamship Owners Association and a representative of employees appointed by the Federated Fodder and Fuel Trades Industrial Union shall by agreement determine whether work at the South Wharf Coal Yards shall proceed or cease in the event of wet weather.

## (b) If the Committee agrees that rain is sufficiently heavy to justify a temporary cessation of work such work shall cease forthwith provided that wagons which have been loaded to at least half capacity shall be completed before work ceases.

## (c) During the temporary cessation of work employees shall hold themselves in readiness for work during ordinary hours of employment and shall be paid for the actual time of waiting as follows:—

For the first hour—ordinary rates.  
Thereafter at one-half ordinary rates.

## (d) When the Committee determines that the weather conditions are suitable employees affected shall immediately resume work.

## (e) In the event of a disagreement by the Committee as to whether the conditions are suitable for a resumption of work, lots shall be drawn to determine the matter.

## (f) If the employers' representative considers the weather justifying the cessation of work is likely to continue for a lengthy period, the payment of allowances set forth in paragraph (c) may be discontinued, and employees shall not be bound to hold themselves in readiness for a resumption of work.

## (12) MEAL MONEY.—Any person required to continue work until 5.30 p.m. or later shall be paid 1s. 6d. meal money.

## (13) PICKING-UP TIME.—The picking-up time for engagement of labour at the South Wharf shall be from 7.45 a.m. to 11 a.m. Mondays to Fridays inclusive, and 7.45 a.m. to 10 a.m. on Saturdays.

## (14) PLACE FOR ENGAGEMENT OF LABOUR.—The place for engagement of labour at the South Wharf coal yards shall be at the Harbor Trust shelter shed.

## (15) RIGHT OF ENTRY OF UNION OFFICIAL.—A duly accredited representative of the Federated Fodder and Fuel Trades Industrial Union shall have the right to enter the portion of any employer's establishment in which any of the classes of labour covered by this determination are employed, for the purpose of interviewing employees on legitimate union business.

## (16) DINING AND SANITARY ACCOMMODATION.—Proper dining and sanitary accommodation shall be provided by the employer for the use of employees.

## (17) SPECIAL RATES.—For all work done on Sundays and the undermentioned holidays the rates shall be—

	Coal Trade.	Coke Trade.
Sundays .. .. .	Double time ..	Time and a half.
Australia Day (26th January) .. .. .	Time and a half ..	"
New Year's Day .. .. .	" ..	"
Labour Day (21st April) .. .. .	Double time ..	"
Good Friday .. .. .	" ..	Double time.
Easter Saturday .. .. .	Time and a half ..	Time and a half.
Easter Monday .. .. .	" ..	"
Christmas Day .. .. .	Double time ..	Double time.
Boxing Day .. .. .	Time and a half ..	Time and a half.
King's Birthday .. .. .	" ..	"
Melbourne Cup Day .. .. .	" ..	"

but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, the special rate shall only be payable for work done on the day so substituted.

(18) **ANNUAL LEAVE.**—A regular employee shall be granted one week's annual leave without deduction of pay in respect of each twelve months' service, such leave to be given within three months of the completion of each twelve months' service. For the purposes of this clause, service prior to 1st December, 1940, shall not be taken into account.

A "regular employee" shall mean a person employed by the same employer for not less than 40 hours per week excepting for breaks caused by public holidays, wet weather, as provided for in clause (11) herein, or sickness not exceeding 4 days in any year, satisfactory proof of which must be supplied to the employer within 24 hours of such sickness.

(19) **PERIODICAL ADJUSTMENT OF WAGES.**—The wages rates set out in clause (2) are based upon the following basic wage and, pursuant to and in accordance with the provisions of section 21 of the *Factories and Shops Act 1934*, the Board hereby determines that such rates shall be automatically increased or decreased by the same amount, and at the same time as such basic wage. Provided that the wages of improvers shall be adjusted proportionately to adjustments of the basic wage, such adjustments to be to the nearest 3d., half or less than half of 3d. to be disregarded.

The basic wage shown hereunder shall be adjusted as prescribed in clause (20).

*Basic Wage.*

Place.	Basic Wage.	Index Number Set Assigned.

Within the area to which this Determination applies .. .. .	4 1 0	

**ADJUSTMENT OF BASIC WAGE.**

(20) (a) Until the beginning of the first pay period to commence in November, 1941, the amount of the basic wage shall be as prescribed in clause (19).

(b) During each future successive period beginning with the first pay period to commence in a) November, a February, a May, or an August, the amount of the basic wage shall be adjusted by the following method according to the position and fluctuations (if any) of the Commonwealth Statistician's "All Items" retail price index numbers.

For the purposes of this Determination the expression "Commonwealth Statistician's retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting and not proved to be wrongly so purporting, to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician.

- (1) The index number for the six capitals (weighted average) is to be applied.
- (2) The index number for the calendar quarter next preceding the period of thirteen weeks for which the adjustment is made is to be ascertained.
- (3) The amount assigned in the following table (or in any extension thereof) to the index number division comprising that number is to be ascertained.
- (4) The basic wage shall be of that assigned amount during such successive period.
