(e) All such trade wastes shall be passed through such settling, screening, and/or neutralizing chambers and/or such other apparatus as ordered or approved by the Engineer of Sewerage to ensure that the resulting effluent shall comply with the requirements of the said permit and of this By-law.

(f) The occupier shall notify the Authority in writing of his desire to make any alteration which will in any way affect—

And all alterations or additions to the treatment apparatus shall in all things comply with the requirements of the said permit and of this By-law, but in no case shall any such alteration be made without the approval in writing of the Engineer of Sewerage.

- (i) any accident or damage, loss or injury, directly or indirectly arising out of or resulting from the discharge of the said trade waste from the said property into the Authority's sewer, and the occupier shall agree to hold harmless and keep indemnified the Authority against all claims and demands for such damage, loss, or injury of any description made and/or suffered by the workmen of the Authority or any other person or persons whomsoever; and
- (ii) all damage, loss, or injury occasioned or done to the Authority's sewer or any property belonging to the Authority or any company, person, or persons whomsoever by reason of such discharge failing to comply with the terms, conditions, and provisions of the said permit and/or of the Sewerage By-laws of the Authority, and the occupier shall agree to pay the cost of making good any such damage, loss, or injury.

(m) The Authority may from time to time and when thought necessary by the Engineer of Sewerage, without payment of any compensation thereof, exclude from its sewers all trade wastes from any property during the repairing, examination, or maintenance of the said sewers or the carrying out by the Authority of any works in connexion therewith.

(n) Such other conditions as may be required by the Engineer of Sewerage having regard to the special circumstances of the case.

4. (i) In any case in which the Authority has before the date of the coming into operation of this By-law granted to any person permission to discharge trade waste into any drain or into any sewer of the Authority or in any case in which any person has before the date of the coming into operation of this By-law been discharging trade waste into any drain or into any sewer of the Authority without the express permission of the Authority if after the said date such person continues so to discharge such trade waste, the Authority if it thinks fit and notwithstanding anything in clause 1 of this By-law contained, may by notice in writing direct such person wholly to cease from discharging such trade waste as aforesaid.

(ii) Every such notice shall specify a day not less than eight weeks from the date thereof as the day on and after which such person is directed to cease from discharging such trade waste.

(iii) If such person fails to comply with such direction he will be guilty of a breach of this By-law.

(iv) The foregoing provisions of this clause shall not operate to prevent the Authority from granting further permission to such person pursuant to the provisions of clause 3 hereof.

The foregoing By-law was made and passed by the Warragul Sewerage Authority at a special meeting held on the 8th day of October, One thousand nine hundred and forty-one, and confirmed at a subsequent special meeting of the Authority held on the 19th day of November, One thousand nine hundred and forty-one.
