The maximum quantity of water to be supplied in any one year, without further charge to any property rated by the Council, is hereby fixed at the quantity which, at a charge of One shilling and three pence per one thousand gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

GRAIN ELEVATORS BOARD, VICTORIA.

BY-LAW RELATING TO THE CONDITIONS OF EMPLOYMENT OF STAFF.

THE Grain Elevators Board, in the exercise of the powers conferred upon it by the Grain Elevators Acts, hereby, subject to the approval of the Governor in Council, makes the following By-law:—

BY-LAW No. 6.

Definitions. Officers shall mean officers of the Board, either male or female, who were in the employ of the Board at Head Office on 30th November, 1941, or who are appointed by specific resolution of the Board to be members of the Board's Head Office staff.

Operating Officers shall be such officers, male or female, whom the Board appoints to carry out the duties in connexion with the receipt and handling of wheat either at a terminal elevator, country elevator, intermediate storage, weighbridge, or for the purpose of any other duties whatsoever in connexion with the receiving and handling of wheat and in the maintenance of the Board's elevators, storages, weighbridges, &c.

Temporary Officers shall be such officers, male or female, whom the Board appoints, or who are appointed by the Chairman and General Manager under authority delegated to him by the Board, and who are—

- (1) Appointed for the purpose of performing clerical and/or other office duties incidental to the Board's activities.
- (2) Appointed to perform work in connexion with the construction of elevators, maintenance of elevators, weighbridges, or other appurtenances associated with the Board's undertakings.

The following conditions of employment shall apply to all officers of the Board's Head Office staff, and shall apply to all such officers with such force and effect as if they had been gazetted on 1st February, 1935, but shall not, however, be applicable to operating officers and temporary officers.

Rights of appointment and dismissal. The Board reserves the right to appoint or dismiss any officer of the staff at any time, subject to the provisions of the Grain Elevators Act.

Hours of business. The hours of attendance to be observed by officers shall, unless otherwise ordered by the Chairman and General Manager, be from Nine o'clock a.m. to Five o'clock p.m., except on Saturdays, when the ordinary hours of attendance shall be from Nine o'clock a.m. to Twelve o'clock noon. One hour will be allowed daily to every officer for luncheon.

Public holidays. Head Office staff shall be entitled to all Victorian gazetted public holidays, for which payment shall be made.

Payment of salaries. (a) Salaries shall be fixed at a weekly rate. Wherever it becomes necessary to calculate an hourly rate, the rate shall be ascertained by dividing the weekly salary by the number of hours in the normal working week. The daily rate shall consist of the hourly rate multiplied by the number of hours normally worked for that day of the week.

(b) Payment of salaries shall be made weekly. The date of payment shall be the Friday of each week and the period for which payment is made shall be inclusive of the following Saturday.

Should a public holiday fall on a fixed pay day payment shall be made upon the last preceding day on which the Board's offices are open for business.

Payment of salary, &c., which will ordinarily be made during the period of his absence may, however, be made to an officer who has been granted leave of absence on the last day of his attendance on duty prior to commencing his leave.

Overtime. *Tea Money.*—An allowance to procure a meal shall be paid to officers who are required to work after office hours at the under-mentioned rates:—

- 2s. 6d. to officers receiving £7 or over per week.
- 2s. to officers receiving less than £7 per week.

Provided that no payment shall be made unless an officer works after Five o'clock p.m. for at least two hours in addition to the interval of one hour taken for tea, and provided that the Board may at its discretion vary such allowances.

Rates of Payment.—Overtime at the rate of time and one-half shall be paid to male members of Head Office staff for any time authorized by the Chairman and General Manager to be worked after 5 p.m. on week days or after 12 noon on Saturdays, and at double time after

the expiration of twelve hours actual work on duty, not including meal intervals, and also for Sunday work. For holiday work conditions shall be determined by the Board.

The rate per hour for overtime for male members of Head Office shall be arrived at by dividing the prescribed weekly working hours into the normal salary of the officer concerned for that period.

Overtime payment to female members of the Head Office staff shall be on the same basis and at the rates prescribed therefor in the Public Service Regulations for officers receiving equivalent rates of pay.

Overtime shall not be payable to any officer receiving over £10 7s. per week unless authorized by the Board.

Officers shall be entitled to three weeks' leave of absence each year **Annual leave.** for recreation, exclusive of public holidays, provided that, if in the opinion of the Chairman and General Manager, it is inconvenient to permit an officer to take recreation leave when due, such accrued recreation leave shall be taken at the time determined by the Chairman and General Manager; provided further that the Chairman and General Manager may grant recreation leave before the due date, if, in his opinion, it would suit the Board's convenience so to do.

Annual recreation leave shall accrue at the rate of $1\frac{1}{2}$ days per calendar month, and officers who have not completed twelve months' service may be granted such *pro rata* leave as the Chairman and General Manager may approve.

The Chairman and General Manager may grant an officer up to three consecutive days' leave of absence at any time, under extenuating circumstances, which leave shall not be deducted from his recreation leave.

In the case of illness of an officer, the conditions under which the **Sick leave.** Chairman and General Manager may grant leave of absence shall be as follow:—

When leave with pay is approved by the Chairman and General Manager the basis for determining the amount which may be granted shall be ascertained by crediting the officer with the following periods, such leave to be cumulative:—

| | Leave on Full Pay. | Leave on Half Pay. |
|---|--------------------|--------------------|
| On completion of six months' service .. | 16 days | 16 days |
| On completion of two years' service and each year's service thereafter .. | 8 days | 8 days |

To determine the leave for which an officer is eligible at any time, all leave granted during his service at rates of full pay and half pay respectively shall be deducted from the appropriate period ascertained under the provisions of the preceding sub-clause.

Any officer who shall have obtained extended leave of absence on account of illness or other pressing necessity shall not be entitled as a matter of right to receive any pay during his absence from duty. Nevertheless the Chairman and General Manager may make an order directing that the absent officer shall receive pay, and such order shall state specifically the period during which payment is to be made and whether it shall be full pay, half pay, or one-third pay.

Provided further that, notwithstanding the amount of sick leave standing to the credit of any officer, continuous leave with pay shall not be granted for any period longer than 26 weeks on full pay inclusive of any recreation leave which may be granted and 26 weeks on half pay. In the case of an officer who has had 52 weeks' continuous leave with pay, no further leave with pay shall be granted until such officer has completed a period of duty of not less than four weeks.

A week shall be deemed to comprise seven (7) days including a Sunday. (Leave granted for broken periods aggregating six (6) days without a Sunday must be recorded as a week.)

For each week an officer is absent on leave with full pay the amount of leave on full pay standing to his credit shall be reduced by seven days.

For each week an officer is absent on leave with half pay the amount of leave on half pay standing to his credit shall be reduced by seven days.

Where the absence exceeds one or more weeks but does not extend to a further week the number of weeks shall be recorded as hereinbefore provided and the remaining days shall be debited as a period of less than a week.

When an officer has been granted leave on half pay or without pay, restoration to full pay shall date from the day he actually resumes duty.

A public holiday observed between the first and last days of a period of leave of an officer shall be regarded as part of the leave.

A public holiday observed at the expiration of a period of leave shall not be regarded as part of the leave when the officer resumes duty immediately after such holiday.

For any period exceeding two days' continuous absence, a satisfactory certificate by a duly qualified medical practitioner shall be furnished setting out the cause of such absence. Provided that the Chairman and General Manager may require a medical certificate to be furnished with respect to any absence, and provided further that continuous leave with pay shall not be granted to an officer for any period exceeding thirteen weeks, unless a duly qualified medical practitioner certifies that the leave is necessary.

If any officer in the discharge of his duty sustains bodily injury of such a nature as to incapacitate him for all duty, and the Chairman and General Manager is satisfied that such injury was not contributed to by the officer's negligence or misconduct, such officer shall, notwithstanding the amount of sick leave standing to his credit, be granted leave on full pay during such incapacity less the amount paid by way of weekly compensation by the State Insurance Commissioner. Leave granted under the provisions of this sub-clause shall not be regarded as a debit against the Officer and shall not exceed a continuous period of 52 weeks inclusive of any other leave which may be granted with pay.

Defence leave. The provisions in force from time to time for the Victorian Public Service relating to defence leave shall apply to all permanent officers who enlist or are called up for service with the Defence Forces.

Travelling expenses of head office staff. Allowance for personal expenses shall be additional to the cost of conveyance.

The rates set forth in these Regulations are fixed to cover the expenses of three meals a day and lodgings when an officer is necessarily absent from his headquarters overnight. The allowance for each meal and for bed shall be one-fourth of the daily rate. An allowance for breakfast, lunch, or tea shall not be granted until an officer commences travelling earlier than or is absent later than the time or times respectively prescribed hereunder:—

| | Time of Leaving. | Time of Returning. |
|-----------------|------------------|--------------------|
| Breakfast | 7 a.m. | 8.30 a.m. |
| Lunch | 12 noon | 2 p.m. |
| Tea | 6 p.m. | 7 p.m. |

No allowance shall be payable to an officer for being absent from his headquarters when he leaves and returns the same day; provided that any officer who is required to leave before 7 a.m. may be granted an allowance of 2s. 6d. for breakfast and that any officer who is not able to return until after 7 p.m. may be granted an allowance of 2s. 6d. for tea.

Personal Expenses.

The following shall be the scale for personal expenses:—

| | Full rate— per day. | One week but not more than 3 weeks at the same place—per day. | After 3 weeks at the same place— per day. |
|---|------------------------|--|---|
| | s. d. | s. d. | s. d. |
| (a) Officers whose salaries are more than £14 7s. 6d. per week | 16 0 | 14 6 | 11 6 |
| (b) Officers whose salaries are more than £9 4s. 4d. per week and not more than £14 7s. 6d. per week .. | 12 6 | 11 6 | 8 6 |
| (c) Officers whose salaries are not more than £9 4s. 4d. per week | 12 0 | 9 6 | 7 6 |

Where the duties of an officer are of such a nature that he cannot know beforehand that he will be detained one week or more at the same place, the Chairman and General Manager may allow payment at the full rate.

Personal expenses of Head Office staff.

Special Allowances.

Any officer who is required to travel with a senior officer, and is engaged in connexion with the same duty as such senior officer, may be granted expenses at the average of the rates prescribed for himself and the senior officer.

In any instance in which any necessary expenses which have been actually incurred by an officer whilst engaged in the performance of any special duty are in excess of the amount payable to him under the foregoing provisions of this regulation, an additional allowance may, with the sanction of the Chairman and General Manager, be granted according to the circumstances and the merits of the case, and in any instance in which the amount payable under the foregoing provisions of this regulation is materially in excess of the actual expenses, the Board may fix a special rate.

Mode of Travelling.

Officers shall travel by railway whenever practicable. Whenever travelling by railway is impracticable officers entitled to charge for cost of travelling shall be repaid the actual cost of the necessary and most economical means of conveyance upon furnishing receipts for such payments.

Travelling by Motor Car, Motor Cycle, or Bicycle.

Officers who use their own motor cars, motor cycles, or bicycles may, with the approval of the Chairman and General Manager, be paid a mileage rate as set out hereunder:—

| | For the first 5,000 miles in a financial year. | Mileage over 5,000 miles in a financial year. |
|---------------------------------------|---|--|
| Motor cars— | | |
| Over 9 h.p. | 5d. a mile | 4½d. a mile |
| 9 h.p. and under | 4d. a mile | 3½d. a mile |
| Motor cycles with side-cars | 2¾d. a mile | 2¼d. a mile |
| Motor cycles | 2d. a mile | 1¾d. a mile |
| Bicycles (irrespective of mileage)— | 1d. a mile. | |

NOTE.—H.P. means horse-power as registered in accordance with Regulations under the Motor Car Act.

Provided that, in any case where the Chairman and General Manager is satisfied that a mileage rate as above-mentioned paid to an officer should be increased, such increased rate may be allowed as the Chairman and General Manager shall determine.

Provided also that an officer shall not incur an expenditure in excess of £200 during any financial year either for the use of his own car on official business or for motor car hire or both, unless the Chairman and General Manager certifies that the expenditure is necessary in the interests of the efficient working of the Board.

The conditions of employment, rates of pay, and the granting of recreation and sick leave, payment of overtime and travelling expenses of operating officers or temporary officers shall be such as the Chairman and General Manager shall from time to time determine.

The Chairman and General Manager shall, during any anticipated absence from Head Office, have the right to delegate any or all of the powers conferred upon him by the foregoing provisions of this By-law.

Any officer who is dissatisfied with a ruling given by the Chairman and General Manager on any staff regulation shall have a right of appeal to the Board.
