NOTE.—All piecework prices shall be calculated on the basis of articles "Good from hand."

In this Determination the expression "Good from hand" shall mean free from maker's faults at the time the articles are approved by and taken possession of by the employer prior to burning.

Faults proved to be due to the use of defective moulds supplied by an employer shall not be deemed to be maker's faults.

An amount of 6s. per week of 44 hours or a pro rata amount for a lesser period shall be added to the earnings of pieceworkers as an emergency loading (non-adjustable).

## PIECEWORK WHICH MAY BE FIXED BY AN EMPLOYER.

17. The Board determines, under the provisions of Section 150 of the *Factories and Shops Act 1928* (No. 3677), that any employer may fix and pay piecework prices to any person employed in the glazed pipes and salt-glazed ware, general pottery, tile, and terra-cotta sections of the trade at work for which piecework prices have not been specified above, provided that any such employer shall base such piecework prices on the earnings of an average worker working under like conditions, and such piecework prices shall be fixed so that an average worker can earn not less than the wages rates that are fixed by the Board for such work.

18. PERIODICAL ADJUSTMENT OF WAGES.—The wages rates for males set out in clause 2 are based upon the following basic wage, and pursuant to and in accordance with the provisions of section 21 of the *Factories and Shops Act 1934*, the Board hereby determines that such rates shall be automatically increased or decreased by the same amount, and at the same time as such basic wage. Provided that proportionate adjustments to the rates for females, and for apprentices and improvers, and to the piecework prices, shall be made at the same time as follows:—

(a) The rates for females and for apprentices and improvers to the nearest 3d., half or less than half of 3d. to be disregarded.

(b) The piecework prices as set out in clause 16 to the nearest farthing.

The basic wage shown hereunder shall be adjusted as prescribed in clause 19.

19. ADJUSTMENT OF BASIC WAGE.—(a) Until the beginning of the first pay period to commence in August, 1943, the amount of the basic wage shall be as prescribed in clause 18.

(b) During each future successive period beginning with the first pay period to commence in an August, a November, a February, or a May, the amount of the basic wage shall be adjusted by the following method according to the position and fluctuations (if any) of the Commonwealth Statistician's "All Items" retail price index numbers.

For the purposes of this Determination the expression "Commonwealth Statistician's retail price index numbers" or any like expression, means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting, to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician:—
