GEO. L. GOUDIE,
Commissioner of Public Works.

Melbourne, 5th May, 1943.

TENDERS FOR THE SERVICE, 1943-44.

PURCHASE AND REMOVAL OF RAGS.

TENDERS will be received until Eleven o'clock a.m. on Friday, 28th May, 1943, from persons willing to purchase Rags in such quantities as the contractor may be required to remove from the various Mental Hospitals and from the Penal Establishment at Pentridge, from 1st July, 1943, to 30th June, 1944.

Full particulars, forms of tender, and conditions of contract may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

The rate tendered must be at per cwt., and for the whole quantity from all of the institutions enumerated in the conditions of contract.

It is necessary that tenderers should possess a Noxious Trade Licence.

A deposit of £10, preferably by non-negotiable cheque, payable to the order of the Secretary to the Tender Board, must accompany each tender, and the deposit lodged by the successful tenderer will be retained as security for the due fulfilment of the contract. The deposit will be forfeited in the event of the tenderer withdrawing or attempting to

withdraw his tender before notification of acceptance of same or in the event of the successful tenderer failing to sign and complete his contract within the prescribed period. Deposits will be returned to unsuccessful tenderers within thirty days of acceptance of tenders, on their application.

The contract must be signed within five days of acceptance of the tender, failing which the service may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

The highest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, marked "Tender for Purchase of Rags," must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. Delivery of the Rags from Ararat, Ballarat, Beechworth, and Sunbury must be taken at Spencer-street Railway Station, and from Mont Park, Royal Park, Kew, and Pentridge at the respective institutions.

2. Bags, which must be returned by the contractor as soon as emptied, will be supplied by the institutions requiring the service.

3. The rags must be removed at such times as may be stated in the order issued to the contractor.

4. The contractor shall bear the cost of removing the rags, and of the return of the empty bags, from and to Spencer-street, Mont Park, Royal Park, Kew, and Pentridge; railway freight from the institutions will be covered by a Stores and Transport consignment note issued by the institution concerned when forwarding the rags.

5. The contractor shall be duly notified of each consignment, and shall bear any cost that may be incurred for demurrage, or for any delay in taking delivery of the rags consigned.

6. In the event of the contractor failing to remove the rags at the times directed, the officer of the Department ordering the removal is hereby empowered to send them to any store in Melbourne, there to be stored at the contractor's risk and expense, and, on report to the Tender Board, the amount will be deducted from the security money or added to any account that may be payable by the contractor.

7. Payment is to be made on the net weight of the rags. No allowance will be made for any foreign material that may be mixed with them. All practical care will, however, be exercised to keep them free from such impurity.

8. The contractor must make payment within one month of delivery to the officer of the Department ordering the removal of the rags. In the event of payment not being made within the prescribed period, the amount outstanding will be deducted from the security money.

9. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of two years from the date of such disqualification.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

Samples of the articles specified "to sample" required for the Mental Hospitals—Sunbury, Ararat, Ballarat, and Beechworth respectively—may be seen at the Institutions at the places named; for the Pleasant Creek Special School, Stawell, at the School; for the Gaols at Ballarat, Beechworth, and Castlemaine, at the Gaols; for Coorimungle, at the Prison Camp; for Aborigines, Lake Tyers, at the Police Stations at Bairnsdale and Lakes Entrance; for Greenvale and Gresswell, at the Sanatoriums; for Rutherglen, at the Farm; for School of Forestry, Creswick, at the School; for McLeod Settlement, at the Police Station, Lang Lang; and for institutions in the Melbourne and Mont Park Districts, at the offices of the Tender Board. Samples of all the above-mentioned articles specified in the schedules as "to sample" may be seen at the offices of the Tender Board.

Printed forms of tender and the conditions of contract may, in all cases, be obtained from the Secretary to the Tender Board, Gisborne-street, Melbourne; and for the respective districts from the Clerks of Courts at Ararat, Ballarat, Beechworth, Castlemaine, and Sale; for Sunbury, from the Medical Superintendent, Mental Hospital; for Greenvale and Gresswell, from the Medical Superintendents at the Sanatoriums; for Travancore, from the Medical Superintendent; for Coorimungle, from the Officer in Charge of Police, Timboon; for Aborigines, Lake Tyers, from the Police Stations at Bairnsdale and Lakes Entrance; for Rutherglen, from the Manager, Experiment Farm; for the School of Forestry, from the senior master, Creswick; for the McLeod Settlement, from the Officer in charge of Police, Lang Lang; and for the Pleasant Creek Special School, Stawell, from the Secretary—by whom also any information or explanation will be afforded to persons tendering.

Tenders must be accompanied by the preliminary deposit, as shown above, preferably by non-negotiable cheque payable to the order of the Secretary to the Tender Board. The amount and designation of the preliminary deposit enclosed must be clearly stated in the tender. Savings Bank deposit books, fixed deposit receipts, Commonwealth Treasury bonds, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits. Preliminary deposits will be returned within 30 days to unsuccessful tenderers on their application.

Security will be required either in Commonwealth Treasury bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and the contract signed within ten days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is satisfactory and the prices tendered are considered reasonable.

The lowest or any tender will not necessarily be accepted. In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that, if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that

of the individual and that, for a breach of this condition, the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for at" (as the case may be) written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. All the articles are to be of the best quality of the several kinds, in the best condition, and in conformity with the Health Acts, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

2. As the exact quantity of any article which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

The Government reserves the right to purchase otherwise than from the contractor any of the articles specified in the schedule in the event of emergency due to the war.

3. Supplies for country districts for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include places within a radius of 6 miles from the Elizabeth-street Post Office, with the exception of places for which separate contracts are provided; the Ararat, Ballarat, Beechworth, and Sunbury Districts will include the Mental Hospitals, Gaols, and Police Gaols at those places; and the Castlemaine District will include the Gaol. Delivery must be made at the places, institutions, &c., named in the schedules, or as directed by the officer ordering the supply.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the rate tendered, except butter boxes and soap boxes (not including fancy soaps), jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for; the empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under authorized inspection and supervision. Any infringement of this condition will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge. All other supplies will be ordered by the head of the Department concerned or any officer authorized by him, and shall be delivered as may be directed by the officer ordering the supply.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, who shall render his account as soon as possible after the delivery of the supplies, accompanied by the receipted delivery order. The rates or quantities quoted in the orders cannot be exceeded.

9. Where practicable, the contractor shall use the Railways for the transport of the goods. When a contractor is required to make delivery of goods at a railway station for transmission by rail, except for Commonwealth Departments, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in the triplicate and quadruplicate of the form as an authority for the Railways to act as agent for, and charge the freight to, the Stores and Transport Office. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be forwarded to the consignee and the quintuplicate retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which services the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 18 of these conditions.

10. Orders must receive prompt execution; in the event of the goods not being delivered at the time mentioned in the order or within such other time as the officer ordering the supply may specify for delivery, it will be competent for such officer, or the head of the Department to whom the goods are

to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk; and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

11. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions.

12. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his department and to the Tender Board.

13. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey composed of persons named by the Treasurer of the State for the time being; and the decision of the Board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 10.

14. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the person to whom the rations or stores are due or by the contractor in waiting for a Board of Survey, the head of the Department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which it, or any like supply suitable for the Service, will be obtained by the officer requiring it as in clause 10. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

15. If the Board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which it, or any like supply suitable for the Service, will be procured by the officer requiring it, and the expense charged as in clause 10.

16. In the case of supplies for Mental Hospitals, it will be competent for a Board of Survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being, such appeal to be made in writing within 24 hours of the rejection; but, pending such appeal, he must at once supply others of approved quality; failing which, the supplies required, or any like supplies suitable for the Service, may be obtained by the officer concerned, and the expense charged as in clause 10.

17. In the case of supplies for Mental Hospitals, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a Board of Survey will not be deemed to be necessary.

18. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in clause 10. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

19. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government. If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, the tender shall be in the name of the firm and not in that of the individual—then the Treasurer may, on the recommendation of the Tender Board, determine the contract, and forfeit the security money.

20. It will be competent for the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

21. The contract entered into under these conditions is not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat;

or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

22. Notwithstanding anything contained to the contrary in section 152 of the *Customs Act* 1901-36, it is hereby expressly provided that upon any alteration of the duty collected affecting the goods included in this contract, the contract price shall not be altered, and the contract may be terminated at the option of either party by two months' notice in writing from the first day of the calendar month next ensuing, and within the period for which the contract is made. The contract for the unaffected items shall remain in full force and effect. Any notice to be served under this condition shall be deemed to have been duly served if sent to the contractor in a registered letter to his last-known place of business or abode.

23. Under no circumstances other than those mentioned in clause 22 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

24. For the purposes of these contracts the word "Government" shall mean the Government of the State of Victoria; and the word "Treasurer" shall mean the Treasurer of the said State.

TENDERS FOR THE SERVICE, 1943-44.

CARTAGE OF GOODS AND PARCELS (METROPOLITAN).

TENDERS will be received until Eleven o'clock a.m. on Friday, 28th May, 1943, for the cartage and delivery in the Metropolitan Area of such goods and parcels, with the exceptions set out in clause 1 of the Conditions of Contract, as may be forwarded—(a) to and from the various Government Offices and Institutions, Railways, &c., by the Stores and Transport Office, and (b) to and from the Government Printing Office—for and on behalf of the Government of Victoria, from 1st July, 1943, to 30th June, 1944, as per Schedule No. 1.

Both services must be tendered for. Tenders not complying with this stipulation will be rejected as informal.

Tenders will be considered on the basis of the aggregate cost of both services for the contract period.

In the event of the contractor carrying out the service to the satisfaction of the Tender Board the contract may, at the option of the Board and with the consent of the contractor, be extended for a further period of twelve months from 1st July, 1944.

A preliminary deposit of £10, preferably by non-negotiable cheque, payable to the order of the Secretary to the Tender Board, must accompany each tender, such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of tender, or in the event of the successful tenderer failing to sign and complete his contract within the period specified. Deposits will be returned to unsuccessful tenderers within thirty day of acceptance of tender, on their application.

Security of £40 will be required either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

Full particulars, forms of tender, &c., may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne, or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The rates tendered shall be deemed to cover all descriptions of goods and parcels, with the exception of school books from Education Department to Victorian Railways,

Melbourne, office and school furniture, officers' furniture and effects, exhibits for show purposes, and such are not included in the contract.

2. No subletting shall be allowed; all work must be carried out by the contractor, and every person engaged in the cartage tendered for in this schedule shall be paid such wages and employed subject to such labour conditions as are or may be determined by any Federal Arbitration Court award or any State Wages Board determination, and a copy of such labour conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

3. Accounts shall be rendered fortnightly, and shall be subject to any deductions for goods or parcels lost or damaged whilst in the custody of the contractor.

4. No claims for detention shall be entertained, but should the contractor be subjected to unreasonable delay, the cause of delay, if reported, shall be investigated.

5. The contractor must have an office connected by telephone, and within a radius of 6 miles of the Melbourne (Elizabeth-street) Post Office. Thirty minutes will be deemed sufficient notice, and in the event of the contractor failing to supply the vehicles when ordered, and to the satisfaction of the officer requiring his services, such services will be performed at his risk and expense, and the extra expense incurred will be deducted as provided in clause 2.

6. No services performed under these contracts shall be deemed to be of a special nature, provided that the contractor be given 30 minutes' notice that his services shall be required, and no increase in the contract rates shall be permitted.

7. All vehicles in which the goods or parcels are carried must be fitted with good waterproof covers, be in thorough working order and, in general, suitable for requirements.

8. Vehicles as required must call at the Railway Goods Sheds not later than 8.30 a.m. daily, and at the Stores and Transport Office not later than 11 a.m. and 3.30 p.m. on week-days and 10.30 a.m. on Saturdays, for the necessary instructions, and on such other occasions, when notified, without extra payment. As regards the service for the Government Printing Office, the vehicle must call at that office not later than 9 a.m. and 2 p.m. on week-days and 9 a.m. on Saturdays, and, in addition, the contractor will be liable to be called upon to provide the vehicle after working hours, if specially required.

In the event of failure to provide vehicles as and when required, the service will be performed at the contractor's risk and expense and the amount deducted as provided in clause 2.

9. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

10. The contractor is not at liberty to transfer his contract under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will the contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. A refusal to execute orders, irregularity, or delay in delivering the goods or parcels as required, or failure to comply with the requirements of clause 3, or any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct as the Treasurer may direct, and the amount may be deducted as provided in clause 2. It will also be in the power of the said Treasurer upon such refusal, irregularity, or delay to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money, and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

13. In the event of any dispute arising as to matters or things contained in the contract or schedule the same shall be settled by the Tender Board, and the Board's decision shall be binding, final, and conclusive.

A. A. DUNSTAN,
Treasurer.

Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. Any infringement of this condition will render the contractor, on report by the Tender Board, to such fine as the Treasurer may direct, and the amount may be deducted from any account due to the contractor or from the security money.

6. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

7. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure, and may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

8. In the event of any dispute arising as to matters or things contained in the contract or schedule the same shall be settled by the Tender Board, and the Board's decision shall be binding, final, and conclusive.

A preliminary deposit of £5, preferably by non-negotiable cheque, payable to the order of the Secretary to the Tender Board, must accompany each tender, such deposit to be forfeited in the event of the tenderer withdrawing or attempting to withdraw his tender before notification of acceptance of tender or in the event of the successful tenderer failing to sign and complete his contract within the period specified. Deposits will be returned to unsuccessful tenderers within thirty days of acceptance of tenders, on their application.

Security of £10 for each Schedule will be required either in Commonwealth Treasury Bonds, or approved bank guarantee, fixed deposit receipt, Savings Bank deposit book, or non-negotiable cheque in favour of the Secretary to the Tender Board, as the tenderer may elect.

The security must be completed and the contract signed within five days of acceptance of the tender, failing which the service may be again advertised, or another tender accepted.

Tenders may be accepted for each schedule separately.

Tenderers failing to take up their accepted tenders may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

Full particulars, forms of tender, conditions of contract, &c., may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Tender Board Offices, Gisborne-street, Melbourne; or, if sent by post, postage must be prepaid, and tenders addressed to the Chairman of the Tender Board, Tender Board Offices, Gisborne-street, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. The rates tendered cover all charges, including labour, bags, hire of cranes or other appliances, and weighbridge charges required in the performance of the service. Bags must be removed by the contractor when empty, and if not removed within a reasonable time or within the time named by the officer requiring the service, no claim will be entertained for cost of same.

2. No subletting shall be allowed; all work must be carried out by the contractor, and every person engaged in the cartage tendered for in this schedule shall be paid such wages and employed subject to such labour conditions as are or may be determined by any Federal Arbitration Court award or any State Wages Board determination, and a copy of such labour conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

3. Accounts in all cases shall be rendered monthly to the Department requiring the service, and must be supported by weighbridge tickets or railway consignment notes, and in the case of coal, the mine consignment notes. In the event of a weighbridge ticket or consignment notes not being available or

obtainable, the weight vouched for by the Department requiring the delivery shall be accepted by the contractor as the weight of the particular consignment. Accounts shall be subject to any deductions for goods lost or damaged whilst in the custody of the contractor.

4. In the event of material forwarded by rail or steamer not being unloaded within reasonable time, and in accordance with the Railway Department or Harbor Trust Regulations relating to same, the contractor shall be held liable for such charges, including cost of demurrage, as may accrue, the amount thereof to be deducted as provided in clause 2.

5. The contractor shall take and make delivery within ordinary working hours. No claims for detention shall be entertained, but should the contractor be subjected to unreasonable delay, the cause of delay, if reported, shall be investigated.

6. The contractor must have an office connected by telephone and within a radius of 6 miles of the Melbourne (Elizabeth-street) Post Office.

7. Four hours will be deemed sufficient notice, and in the event of the contractor failing to perform the service when ordered, and to the satisfaction of the officer requiring same, such service will be performed at his risk and expense, and any extra expense incurred shall be deducted as provided in clause 2. No services performed under this contract shall be deemed to be of a special nature, provided that the contractor be given four hours' notice that his services shall be required, and no increase in the contract rates shall be allowed.

8. The vehicles in which the material is carried must be in thorough working order, and, if required, provided with good waterproof covers. Horses to be perfectly sound, and subject to the approval of the officer requiring the service.

9. The contract shall not be considered broken, infringed, or vitiated by the Government performing the service or arranging for the carrying out of the same otherwise than by the contractor in the event of urgency or emergency.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

12. A refusal to execute orders, irregularity or delay in delivering the material when required, or failure to produce weighbridge tickets or consignment notes on delivery in accordance with clause 3, or any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct as the Treasurer may direct, and the amount may be deducted as provided in clause 2. It will also be in the power of the said Treasurer upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

13. In the event of any dispute arising as to matters or things contained in the contract or schedule the same shall be settled by the Tender Board, and the Board's decision shall be binding, final, and conclusive.

IN accordance with the provisions of the *Factories and Shops Acts*, the Wages Board appointed in lieu of the Nightwatchmen's Board to "determine the lowest prices or rates which may be paid to any person or persons or classes of persons employed in the occupation of a watchman" has made the following Determination, namely:—

(1) That on the 1st March, 1943, the last previous Determination of this Board shall be revoked and replaced by this Determination.

(3) OVERTIME.—(a) Any time worked in excess of 48 hours in any one week shall be paid for at the rate of time and a half.

(b) For the purpose of computing overtime, all time actually worked on Sundays or public holidays as shown in Clause 5 herein shall be included and the overtime rate shall be paid in addition to the special rate.

(4) EMPLOYMENT FOR LESS THAN FULL WEEK.—Employees who are employed during any week for less than the working week of 48 hours shall be paid for the first 24 hours at the rate of time and a quarter, and for every hour thereafter ordinary time up to but not exceeding the ordinary wages rates for an ordinary week's work.

Provided that any person who is not engaged for a week who earns a sum in wages equal to the wages of an ordinary week's work may be required by the employer to complete the week's work without further pay, and if such person refuses to do so he shall forfeit his right to any payment for that week unless his refusal is caused by his illness, inability, or some other sufficient cause beyond his control.

(5) SPECIAL RATES.—Time and a half shall be the special rate for all work done on Sunday, New Year's Day, 26th January (Australia Day), Good Friday, Easter Monday, Labour Day (21st April), Anzac Day, King's Birthday, Christmas Day, and Boxing Day; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, the special rate shall only be payable for work done on the day so substituted:

Provided that a person who is directed by his employer to absent himself from duty on any of the days above mentioned shall, if he is unable to complete 48 hours' work in that particular week, be paid ordinary rates for any such day on which he is absent.

(6) **TRAVELLING TIME AND FARES.**—Any watchman employed on wharfs, ships, &c., away from the Melbourne wharfs and Victoria Dock shall be paid for travelling time at the ordinary rate together with all fares necessarily incurred by the most economical means of travel from and to the place of engagement to and from the place of employment.

(7) **EMPLOYEE PROVIDING OWN BICYCLE.**—Any patrol watchman required by his employer to provide his own bicycle shall receive 1s. per week extra.

(8) Any watchman called up for duty shall receive at least four hours' pay.

(9) **PAYMENT FOR MEAL TIMES.**—No deduction shall be made in an employee's time for a meal period unless he is permitted to leave his employer's premises for such meal.

(10) **MEAL ALLOWANCE.**—Where an employee is directed by the employer to work more than two hours into the next shift he shall be supplied by the employer with a meal or be paid a meal allowance of 2s., provided he was not notified the previous day that he would be required to work.

(11) **ANNUAL LEAVE.**—(i) Any employee who has been in the service of any employer for a period of not less than twelve months shall be granted twelve working days' holiday, exclusive of the holidays mentioned in clause (5), in each year on full pay, and such holiday shall be given within three months after the completion of twelve months' service.

If, after six months' continuous service in any qualifying twelve-monthly period, an employee leaves or is dismissed through no fault of his own, he shall be given or paid for holidays *pro rata* in accordance with the length of service, viz., one day for each complete month of service.

(ii) Each employee before going on leave shall be paid the wages due to him for the period for which he is entitled to leave.

(12) **SICK LEAVE.**—An employee, who has been in the service of an employer for not less than six months, shall be entitled to a maximum aggregate of four days' sick leave of absence with full pay during each subsequent twelve months' service provided he produces satisfactory evidence to his employer that such absence was caused by ill-health or an accident.
