EXAMINATION FOR LICENCE AS SHORTHAND WRITER.

It is hereby notified that the under-mentioned persons passed the examination held on the 24th June, 1944, for licence as shorthand writer under the Evidence Act 1928:—

ERICSON, RUTH KATRINA,
BROWN, JEANNE,
MERLO, HAZEL MAY, and
WALDON, THELMA ELAINE.

By order,
J. FRAZER,
Secretary.

Office of the Public Service Board,
Melbourne, 27th June, 1944.

Public Service Act 1928 (No. 3757), Sections 90 and 91.
EXEMPTIONS.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and upon the recommendation of the Public Service Board, has, by Orders made on the 27th day of June, 1944, exempted the officers specified hereunder from the provisions of sections 90 and 91 of the *Public Service Act 1928 (No. 3757)*:—

DEPARTMENT OF CHIEF SECRETARY.

Five (5) officers of the Children's Welfare Branch, who are required to work overtime—such exemption to be operative for the period from the 22nd May, 1944, to the 30th June, 1944, both dates inclusive.

Fourteen (14) female officers of the Office of the Government Statist who are required to work overtime—such exemption to be operative for a period of six (6) months from and inclusive of the 1st June, 1944.

C. W. KINSMAN,
Clerk of the Executive Council.
At Parliament House,
Melbourne, 27th June, 1944.

Cinematograph Films (Australian Quota) Act 1935.
EXEMPTION.

PURSUANT to the provisions of the above-mentioned Act, it is hereby notified that, being satisfied that compliance with the requirements of sections 4 (1) and 6 (1) respectively of the said Act is not commercially practicable by distributors and exhibitors generally by reason of the quantity of Australian films available, and acting upon the recommendation of the Films Adviser, I, Herbert John Thornhill Hyland, Chief Secretary of the State of Victoria, have exempted such distributors and exhibitors respectively from such requirements for a period of twelve months ending the 30th June, 1945.

H. J. HYLAND,
Chief Secretary.
Chief Secretary's Office,
Melbourne, 19th June, 1944.

Dairy Products Acts.
QUOTAS FOR BUTTER AND CHEESE.

BUTTER QUOTA.

I, NORMAN A. MARTIN, Minister of Agriculture in the State of Victoria, after consultation with the Victorian Dairy Products Board, and after ascertaining that the supply and distribution of butter at reasonable prices to consumers thereof in Victoria will be ensured, hereby determine a quota for butter as follows:—

The proportion shall be Ninety-eight per cent.

The period for which this quota is to operate shall be the month of July, 1944.

CHEESE QUOTA.

I, NORMAN A. MARTIN, Minister of Agriculture in the State of Victoria, after consultation with the Victorian Dairy Products Board, and after ascertaining that the supply and distribution of cheese at reasonable prices to consumers thereof in Victoria will be ensured, hereby determine a quota for cheese as follows:—

The proportion shall be Ninety-six and two-thirds per cent.

The period for which this quota is to operate shall be the month of July, 1944.

At Parliament House,
Melbourne, the 27th June, 1944.

WERRIBEE SHIRE COUNCIL WATER SUPPLY DISTRICT.
RATING BY-LAW FOR THE YEAR ENDING 30TH SEPTEMBER, 1944.

THE Werribee Shire Council, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Sixteen pence in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Werribee Water Supply District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Forty shillings, and in respect of any land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year ending on the 30th day of September, 1944, and shall be payable on the 5th day of July, 1944, at the office of the said local governing body, Shire Hall, Werribee.

(a) The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Council is hereby fixed at the quantity which, at a charge of Sixteen pence per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

(b) The charge for water supplied by measure to any property rated by the Council in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Two shillings per 1,000 gallons.

(c) The charge for water supplied by measure to any property not rated by the Council is hereby fixed at Two shillings per 1,000 gallons, and the minimum quantity of water to be charged for in cases where water is so supplied is hereby fixed at 30,000 gallons.

(d) The charge for water supplied by measure shall be payable, on demand, at the office of the Council.

Dated this 11th day of May, 1944.

(SEAL) W. BAILEY, Chairman
G. P. MUIRHEAD, Secretary.

Approved by the Governor in Council.
27th June, 1944.

ESTABLISHMENT OF A NEW BRANCH OF THE DEPARTMENT OF HEALTH.

WHEREAS by the Ministry of Health Act 1943 (No. 4988) it is provided that the Department of Health shall include the following branches:—

- (a) a General Health Branch, and
- (b) (on, from, and after the appointed date of transfer of the administration of the Mental Hygiene Acts to the Minister pursuant to the Act) a Mental Hygiene Branch:

And whereas by the said Act it is also provided that the Governor in Council by order may—

- (a) establish any additional branch;
- (b) abolish any branch; or
- (c) transfer any functions, powers, and duties from any branch to any other branch:

And whereas it is deemed expedient to establish an additional branch to be known as the Maternal and Child Hygiene Branch for the purpose of carrying out functions, powers, and duties relating to—

Pre-Natal Hygiene,
 Pre-School Child,
 Medical treatment of children and of infants or of wards of the Children's Welfare Department,
 School Medical and Dental Services, and
 Children's Court Clinic:

And whereas it is deemed expedient to transfer from the General Health Branch of the Department of Health to the said Maternal and Child Hygiene Branch of such Department the functions, powers, and duties relating to Infant Welfare:

And whereas it is also deemed expedient to transfer from the Mental Hygiene Branch of the Department of Health to the said Maternal and Child Hygiene Branch of such Department the functions, powers, and duties relating to the Child Psychiatric Clinic:

Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth order that on, from, and after the 1st day of

July, 1944, an additional branch to be known as the Maternal and Child Hygiene Branch of the Department of Health shall be and is hereby established for the purpose of carrying out the functions, powers, and duties above mentioned and doth further order that the functions, powers, and duties relating to—

- (a) Infant Welfare, and
(b) the Child Psychiatric Clinic,

shall be and are hereby transferred respectively from the General Health Branch and the Mental Hygiene Branch of the Department of Health to the said Maternal and Child Hygiene Branch of the said Department.

And the Honorable Ian Macfarlan, His Majesty's Minister of Health for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

PRIVATE ADVERTISEMENTS.

NOTICE OF INTENTION TO APPLY FOR A LICENCE TO DIVERT WATER AND CUT RACES.

CORRECTION.

IN my notice of intention to apply for a licence to divert water from Gunbower Creek (Heppels Lagoon), at Torrumbarry, which was published in the *Victoria Government Gazette* and the *Riverine Herald* during August, 1941, the volume of water which I desired to divert was stated to be 250 acre-feet per annum. I now hereby give notice that the volume of water for which I am applying for a licence to divert is 300 acre-feet per annum.

Any objection to this application must be forwarded, in writing, to the State Rivers and Water Supply Commission, Melbourne, within 30 days of the date hereof.

APPLICATION FOR AN ORDER IN COUNCIL UNDER THE ELECTRIC LIGHT AND POWER ACT 1928.

NOTICE is hereby given that Sidney Francis Block (trading as Jeparit Electric Light and Power Station) intends to apply to the Governor in Council of the State of Victoria for an order under section 10 of the *Electric Light and Power Act 1928*, authorizing the said Sidney Francis Block (trading as above) to supply electricity for public and private purposes within an area comprising a circle having its centre at the Post Office, Jeparit, and a radius of 1 mile.

The applicant at present contemplates supplying electricity in those streets within the said area of supply in which supply is now available.

The said streets are indicated upon a plan of the locality, which plan is intended to be lodged with the application for order.

There are no tramways or railways which the applicant proposes to break up or interfere with in accordance with the special power to be inserted in that behalf in the proposed order.

Copies of the draft order, and of the order when made, can be obtained by any person at the price of Ten shillings each at the office of the applicant at Jeparit, and at the office of the State Electricity Commission of Victoria, at Nos. 22-32 William-street, Melbourne.

Notices of objection and other documents may be served at the office of the applicant as aforesaid.

Every council, company, person, or persons desirous of bringing before the State Electricity Commission of Victoria, by whom the *Electric Light and Power Act 1928* is administered, any objection respecting the application must do so within three months from the date of the *Government Gazette* containing this advertisement, by notice addressed to the Secretary, State Electricity Commission of Victoria, 22-32 William-street, Melbourne, marked on the outside of the cover enclosing it, "*Electric Light and Power Act 1928*." A copy of every such notice must also be forwarded to the applicant for the order.

Dated this fourteenth day of June, 1944.

S. F. BLOCK, Jeparit Electric Light and Power Station.

A. A. LEES, Acting Town Clerk.

BOROUGH OF WANGARATTA.

BY-LAW NO. 44.

A. By-law of the Borough of Wangaratta (hereinafter referred to as the "Municipality"), made under and in pursuance of sections 197 and 198 of the *Local Government Act 1928*, and any and all other Act or Acts in that behalf and numbered 44. for—

- (a) Repealing By-laws 32, 35, and 37 of the Municipality.
- (b) Regulating and restraining the erection and construction of buildings, erections, residential flats, and hoardings.
- (c) Requiring the pulling down and removal of buildings, erections, residential flats, and hoardings.
- (d) Authorizing the Council to pull down and remove buildings, erections, residential flats, or hoardings erected or constructed contrary to this By-law or not pulled down or removed as required by or under this By-law and to sell the materials and apply the proceeds in reimbursing the expenses of pulling down and removing such buildings, erections, residential flats, and hoardings and in paying into the municipal fund any fees or penalties due by the owner thereof.
- (e) Regulating and restraining the erection or re-erection of removed buildings.
- (f) Appointing fees which may be charged and received by the Council for any act done or to be done by any officers under this By-law and for any permit or licence to be issued by the Council.
- (g) Prescribing the minimum area and minimum depth and width of frontage of land on which any dwelling house or any shop or any dwelling house and shop combined may be erected.
- (h) Prescribing the area of open land which any dwelling house in future to be erected shall have attached thereto for the exclusive use of the occupiers thereof.
- (i) Prescribing the space to be provided between buildings.
- (j) Regulating the size of rooms and dwelling houses.
- (k) For other purposes provided for in the said sections.

IN pursuance of the powers conferred by the *Local Government Act 1928* and any and all other Acts in that behalf them thereunto enabling, the Mayor, Councillors, and Burgesses of the Borough of Wangaratta, with the approval of the Governor in Council, order as follows:—

Commencement.

1. This By-law shall come into operation on its confirmation by the Governor in Council and immediately after its publication in the *Victoria Government Gazette*. By-laws numbers 32, 35, and 37 of the Municipality are hereby each repealed, and any By-law of the Municipality in force which is contrary to or in any way inconsistent with this By-law is hereby repealed.

Definitions.

2. In this By-law, save where the context is inconsistent therewith—

- "Council" means the Municipal Council of the Borough of Wangaratta.
- "Surveyor" means the surveyor, engineer, or acting engineer for the time being of the said Council.
- "Town clerk" means the town clerk or acting town clerk for the time being of the said Council.
- "Dwelling house" means a building used or constructed or adapted to be used wholly or principally for human habitation.
- "Masonry" means stone, brick, terra cotta blocks, solid or hollow concrete blocks, or other similar building units, or a combination of them, laid up unit by unit and set in mortar.
- "Residential flats" mean a building which contains two or more flats.
- "Flat" means a room, or suite, or two or more rooms in any building, occupied as a home or residence of an individual, a family, or household, and for the sole use of the occupants of which there is provided a separate kitchen or kitchenette with bathroom and water closet.
- "Shop" means a building in which goods are regularly offered or exposed for sale, or in which meals or refreshments are regularly offered or provided for payment, and also includes saloons or shops, barbers or hairdressers, and offices of agents and auctioneers. A bona fide private house shall not be included in this definition by reason only of the fact that meals or refreshments are occasionally supplied to persons other than boarders.
- "Street" and "road" mean and include street and road, private street, and private road, and right-of-way as respectively defined by the *Local Government Act 1928*, section 3.

No Person to Build Contrary to By-law.

3. No person shall erect, build, construct, repair, pull down, remove, or make any alteration or addition to, or re-erect or cause to be erected; built, constructed, repaired; pulled down; removed, or made any alteration or addition to or re-erected any building contrary to the provisions of this By-law.

Fees.

4. No person shall commence or cause to be commenced any building or erection, or any addition or alteration to any building or erection, or the pulling down or removal of any building or erection until the following fees have been paid to the Council:—

	£.	s.	d.
New building or re-erected building or repairs, alterations, or additions to any building for every square of 100 feet of floor area or portion thereof	0	2	0
Maximum fee in the above case	2	2	0

(Decision of Council as to area of buildings, shall be final)			
Erection of tent	0	2	0
Hoardings, each	0	5	0
Removal of buildings. For the inspection by surveyor of a building or erection whether within or outside the Municipality whether removal is approved or not, but including the issue of permit, if approved	1	0	0
For travelling expenses, inspecting any building, per mile, distance to be calculated one way only	0	2	0
For permission to install septic tank	0	5	0

Plans and Specifications.

5. No person shall erect, build, or construct, or demolish or make any alteration or addition to, or commence to erect, build, construct, or demolish, or make any alteration or addition to or cause to be erected; built, or constructed, or made any alteration or addition to any building, erection, or hoarding without first obtaining the written permission of the Council. Notice in writing of intention to erect, build, construct, demolish, make alterations or additions, as the case may be, shall be given to the Council not less than seven clear days before any work or building is commenced. Such notice shall be left with the Town Clerk at the Town Hall, Wangaratta, and shall contain the following particulars:—

- (a) The situation of the proposed erection, building, hoarding, or addition specifying the number of the allotment, plan, of subdivision, or Crown allotment and giving the area and dimensions of the land on which it is proposed to build.
- (b) A plan, in duplicate, of the allotment and the proposed building, erection, hoarding, alteration, or addition, with dimensions marked thereon, and showing the ground plan, elevations, roads, and frontage and proposed drainage system.
- (c) A specification, in duplicate, giving particulars of all materials proposed to be used in the construction and finishing of all walls, partitions, verandahs, porches, windows, chimneys, outside doors, and roof.
- (d) In cases of the re-erection or reconstruction of, or alterations or additions to, old or existing buildings, or erections, a plan of the proposed re-erected and reconstructed building or erections and of the proposed alterations and additions shall be submitted to the Council for approval before such old or existing building or erection is re-erected, reconstructed, altered, or added to.
- (e) An estimate of the cost of the proposed work when finished.
- (f) Such other particulars, in writing, as may be necessary to enable the Council to determine if all the provisions of this By-law applicable thereto are being complied with. The Council's permit to erect, build, construct, or demolish, or make any alteration or addition to any building, erection, or hoarding obtained pursuant to this clause shall expire after twelve months from its grant, unless extended by resolution of the Council.

Minimum Area for Dwelling.

6. No person shall erect, build, construct, or cause to be erected, built, or constructed any building or erection to be used as a dwelling house only, or any tent except in conformity with the following:—

- (1) The site or curtilage of such building, erection, or tent shall have a superficial area of at least 5,000 square feet and have a frontage of not less than 50 lineal feet to a street or road, except in the case of land subdivided into allotments prior to the 20th May, 1930, which shall have a superficial area of at least 4,000 square feet and have a frontage of not less than 33 lineal feet to a street or road—but in the case of existing subdivisions of less than 100 feet frontage, and more than 66 feet, a further subdivision may be permitted by resolution of the Council of such block into not more than two allotments.

Every such building, erection, or tent hereafter erected shall have attached thereto for the exclusive use of the occupiers thereof an area of open land equal to not less than two-thirds of the total area of the allotment on which the dwelling house is erected except in the case of a building or erection erected upon a corner site fronting to two streets or roads, which shall have an area of open land equal to not less than three-fifths of the total area of the allotment upon which such building or erection is erected.

Minimum Area of Combined Shop and Dwelling.

7. No shop having a dwelling house or living apartments attached thereto shall be built on land having a frontage of less than 20 feet at the least or a depth of less than 125 feet and every such shop shall have attached thereto a yard or open space of 750 square feet. No passageway under 3 feet in width shall be computed as part of such open space. Provided that where any allotment of land smaller in area than hereinbefore prescribed was, in the opinion of the Council, owned by any person, prior to the coming into operation of this By-law, and in the opinion of the Council further land cannot be obtained to increase the area of such land the Council may, on application in writing, by a resolution carried by a majority of the whole of the number of the members of the Council at a meeting of which seven clear days' notice has been given, permit a shop having a dwelling house or living apartments attached thereto to be erected on such land.

No Allotment to be Reduced in Area.

8. No land upon which any dwelling house or building or erection used as a dwelling house has been erected shall thereafter be reduced in area below the minimum area prescribed by this By-law.

Fireproof Area.

9. No person shall erect, build, or construct or make any alteration or addition to or commence to erect, build, or construct or make any alteration or addition to or cause to be erected, built, or constructed or made any alteration or addition to any building or erection within the area bounded as follows:—

From the intersection of Murphy, Docker, and Ryley streets and the entrance to the Public Reserve known as Merriwa Park; thence north-easterly and northerly along the north-west bank of the King River to its junction with the Ovens River; thence generally westerly along the southern bank of the Ovens River to the north-eastern railway bridge; thence south-westerly along the north-eastern railway line to its junction with the Whitfield railway line; thence along the northern boundary of the Whitfield Railway Reserve to its junction with Ryley-street; thence north-easterly along Ryley-street to the point of commencement: Provided all building allotments or sites fronting Ryley-street on its south-east side shall be within the said area—

unless the walls of such buildings shall be constructed of brick, stone, concrete, reinforced concrete, or other fireproof material approved by the Council in accordance with the provisions of this By-law.

Notwithstanding anything contained in this Regulation there may be the following exceptions, that is to say:—

In the case of existing buildings not fire-proof in the fire-proof area extensions may be allowed by the Council, and in similar material up to the extent of one-fourth of the floor area of same. In the case of existing buildings new partitions may be allowed by the Council in the fire-proof area constructed of material approved by the Council for the particular case in question.

No. 108.—6588/44.—2

Distance of Dwelling from Street Frontages.

10. No building which is intended to be used or which shall be used as a dwelling house, and no addition or verandah to any such building shall be built, constructed, or erected either wholly or in part within a distance of 15 feet measured horizontally from the building line of the street or road upon or to which abuts or fronts the allotment on which such building or addition stands.

Spaces Between Buildings.

11. Except as hereinafter provided no buildings or erection which is intended to be used, or which shall be used as a dwelling house, and no addition to any such building or erection shall be built, constructed, or erected—

- (a) Within a distance of 4 feet measured horizontally from land not in the same occupation or possession: Provided that the eaves of any building or erection under this sub-clause may be not less than 2 ft. 6 in. from any such land and not less than 5 feet from the eaves of any building erected on such land.
- (b) Within a distance of 8 feet measured horizontally from any other building or erection, provided that the eaves of any building or erection under this sub-clause may be not less than 6 ft. 6 in. from such other building and not less than 5 feet from the eaves of such other building:

Provided always that any such buildings, erection, or addition may be not less than 4 feet from land not in the same occupation or possession, or from a building or erection thereon existing prior to 1st December, 1930, used or intended to be used wholly or partially as a dwelling, if the external wall or walls which abut on or are within the prescribed distance of land not in the same possession or occupation, or building or erection, as the case may be, shall be of concrete of approved thickness or of brick or stone at least 8½ inches in thickness, or of other fireproof material of approved thickness, projecting in all cases at least 1 inch beyond the wood-work front and back, and at least 1 foot through the roof covering or gutter adjoining same:

Provided also that any building or erection or addition used or intended to be used wholly or partially as a dwelling may abut on the building line of any street, road, lane, or right-of-way at the side of such building, erection, or addition.

- (c) No stable, garage, outhouse, or outbuilding of any description shall be erected, built, or constructed except where indicated by the Council, and no such garage, outhouse, or outbuilding shall be built or constructed or altered or added to except with such material as shall be approved by the Council.

Open Space at Rear of Buildings.

12. Every building or erection used or intended to be used either wholly or partially as a dwelling (except a combined shop or dwelling) must have attached thereto for the exclusive use of the occupiers thereof an enclosed back yard, or open space at the rear of the building of at least 1,000 square feet, exclusive of the building thereon.

Drainage.

13. Proper provision shall be made and maintained for effectively removing storm water, sanitary, and house drainage away from every building. The materials and construction of such drains shall be such as shall be approved by the surveyor. A permit to build may be refused by the Council if drainage is not satisfactory, and if necessary, in the opinion of the surveyor, a grease trap of an approved design to be provided. This clause shall apply to existing buildings.

Land Without Proper Means of Drainage.

14. No building intended or adapted to be used wholly or partly for residential purposes shall be constructed upon land which cannot at all times be efficiently drained by gravitation into some adjoining street, channel, or drainage easement, on to, through, or over which, such drainage may lawfully be discharged.

Treatment of Ground Beneath Buildings.

15. The area to be covered by any building shall be sufficiently high to prevent storm water entering below floors. Where necessary land shall be filled and graded to surveyor's approval.

Excavations.

16. All excavations for footings shall be taken out to a solid bottom approved by the surveyor, and to an average depth of not less than 12 inches below the natural surface of the ground, except in cases where otherwise permitted by the surveyor. The bottom of all excavations shall have a layer of 2 inches of sand before laying bricks or pouring concrete.

Footings.

17. The width of the bottom of the footings of every wall shall be not less than 9 inches wider than the thickness of the wall standing thereon at the ground floor level, and such additional width shall extend equally on each side of such wall, but where an adjoining wall interferes with the same the projection on that side may be omitted to the extent of such interference.

The heights of such foundations shall be not less than the following:—

- 12 inches in height for a wall 11 inches or less in thickness.
- 15 inches in height for a wall 14 inches in thickness.
- 18 inches in height for a wall 18 inches or more in thickness.

Materials for Masonry.

18. In all buildings of brick, stone, or concrete the material and their compositions shall be subject to the approval of the surveyor.

Mortar and Concrete Materials.

19. Sand used for mortar in any building shall be clean and sharp and free from loam, dirt, salt, or any organic matter.

Lime mortar shall be composed of freshly-burnt lime and sand in proportions of at least one part by measure of lime and not more than three parts by measure of sand. All lime intended to be used for mortar shall be thoroughly burnt, of good quality, and be properly slacked before being mixed with the sand.

Cement mortar shall be composed of good Portland cement or other cement of equal quality approved of by the surveyor mixed with clean sharp sand, in the proportions of at least one part by measure of cement and not more than four parts by measure of sand.

Concrete for foundations and solid walls shall be composed of one part Portland cement or other cement of equal quality, not more than three parts sand, and five parts broken stone, well-burnt brick or approved clinker of gauge dimensions of not more than 2 inches; or one part cement as above to seven parts of approved clean coarse gravel.

Damp Courses.

20. Every wall of brick or stone shall have two damp courses of asphalt or other impervious material at two brick courses apart for the full width of the walls.

Walls, Ceilings, and Floor Materials.

21. (a) The interior of all walls and ceilings of every building which is intended to be used, or shall be used, or may be used as a dwelling house shall be constructed of lath and plaster or approved wood or fire-resisting materials.

(b) Bricks used in any dwelling shall be good, hard, and well burnt. If old they shall be thoroughly cleaned before being used.

(c) All timbers used in any building shall be of good sound material, free from rot, large and loose joints, and knots, shakes, or other imperfections whereby the strength of the timber may be impaired. No timbers that shall have been used in any other previous construction or building shall be used unless approved of by the surveyor.

(d) The following conditions shall apply as to spacings and scantlings of timber to be used in any building or erection constructed under the provisions of this By-law:—

- (1) Stumps shall be of not less than the following dimensions, and shall be of red gum or other approved matured timber:—Sawn timber, not less than 4 in. by 4 in., fixed on 9 in. by 9 in. by 1½ in. soleplates spaced 4 feet centre to centre. Hewn timber not less than 6 in. by 6 in. spaced 4 feet centre to centre.
- (2) Ceiling joists and studs shall be of timber not less than 4 in. by 1½ in., spaced not more than 18 in. apart centre to centre properly braced, all studs to be checked into top and bottom plates, corner studs not less than 4 in. by 2 in., and for stud walls supported on stumps or brick piers, the lower and top plates shall be not less than 4 in. by 2 in. Where fibro cement or fibro-plaster sheets are used, studs may be 2 feet apart from centre to centre, and not of a smaller cross section than 4 in. by 2 in. Ceiling joists to have no greater span than 8 feet without support.

The studs, braces, and vermin plates of all buildings constructed of brick-veneer, or wire netting with cement plaster, for outer walls shall be of red gum, jarrah, Murray pine, or other approved ant-proof timber.

- (3) Rafters shall be not less than 5 in. by 1½ in., spaced 3 feet centre to centre for galvanized iron roofs. For tile and slate roofs rafters shall be 6 in. by 2 in., spaced 18 in. centre to centre. No rafter to have an unsupported span of more than 12 feet. Collar beam and tie beam construction is allowed for roofs in which no member has a span exceeding 18 feet where there is no possibility of strutting. Over 18 feet spans to be of truss construction. Both of these constructions must have their specifications first approved by the surveyor.

Where purlins are used they shall be 4 in. by 3 in. for tiled roofs, and 4 in. by 2 in. for iron roofs. Struts shall not be less than 4 in. by 2 in.

- (4) Floor joists to be of not less than 4 in. by 2 in., spaced 18 in. centre to centre on 4 in. by 3 in. bearers, spaced 5 feet apart, such floor joists to be of red gum, jarrah, Murray pine, or other approved ant-proof timber.
- (5) Vermin plates shall be provided in all walls to the satisfaction of the surveyor.
- (6) All wooden buildings or erections to be painted or oiled by at least two coats.
- (7) No external wall of brick shall be less than 8½ inches thick, or of concrete less than 4½ inches thick.

Height of External Walls.

22. The external walls of all wooden buildings or erections shall not exceed in height 15 feet, measured from floor level to top of wall plates.

Arches and Lintols.

23. (a) Arches shall be constructed of masonry or reinforced concrete and shall be well built and keyed, and shall have good and sufficient abutments.

(b) Lintols shall be of stone, reinforced concrete or reinforced masonry, or of iron or steel of approved sections.

(c) Where steel angles are used for lintols in external walls, the masonry shall bear at least 2½ inches on such angles.

(d) Lintols over openings not exceeding 3 feet in width shall have a bearing on the wall at each end measured in the direction of their length of not less than 4½ inches. Openings exceeding 3 feet in width shall have a bearing on the wall at each end of not less than 9 inches.

(e) Reinforcement of concrete lintols shall be as follows:—

Length.	Courses Deep.	Rods.
4 ft.	3	1 x ½ inch to each 4½ inches of brickwork
6 ft.	3	2 x ½ inch to each 4½ inches of brickwork
Over 6 ft.	4	2 x ½ inch to each 4½ inches of brickwork
Continuous	4	4 x ½ inch in all

Materials for Roof.

24. The roof of every building which is intended to be or shall be used as a dwelling house shall be covered on the outside with incombustible and impervious coverings, and the walls shall be covered with sound impervious covering, and if of wood the material shall be sound weatherboards or block boarding.

Ventilation and Insulation of Roofs.

25. (i) Iron and other sealed roofs shall have 1 foot of ventilating ridge per 100 square feet of roof. Minimum 6 lineal feet, with ventilation every 10 feet in the soffits, if they be also sealed. If no horizontal ridging, small louvred gables of equal capacity shall be provided.

(ii) *Insulation.*—Refrigeroid or other equal insulating material shall be provided between ceiling joists in the roof to a depth of at least 4 inches.

Rooms.—Height of Walls.—Area.

26. (i) The main rooms in every building hereafter built or rebuilt shall be in every part not less than 9 feet in height from floor to ceiling, and no main room shall have a floor area of less than 80 square feet.

(ii) There shall be two rooms in every dwelling having an area of 140 square feet each, and where there is more than one floor the top story shall have walls of not less than 9 ft. 6 in. height. The minimum dimension of any room shall be 7 feet.

(iii) A wash house and/or bathroom shall be in every part not less than 8 feet in height from floor to ceiling. A skillion room shall be in every part not less than 9 feet in height from floor to ceiling.

Bathrooms.

27. Every dwelling and every residential flat shall have a bathroom with a minimum area of 36 square feet, fitted with an adequate bath and shower. Alternatively a shower recess of 20 square feet may be substituted where a hot-water service is provided and connected.

Kitchens.

28. Every dwelling shall be provided with—
- (a) (i) a room or annexe to be used as a kitchen, having one wall of such room or annexe an external wall.
 - (ii) Suitable facilities for the storage of food-stuffs.
 - (b) Every kitchen shall be provided with—
 - (i) A suitable appliance for the cooking of food, but no cooking appliance shall be placed in or upon any balcony, balconette, bathroom, portico, stair-landing, verandah, or passage-way, or any place other than a kitchen, kitchenette, or kitchen living room.
 - (ii) A sink fitted in position and having a water tap over it and a waste pipe leading from it to an impervious drain.

Windows.

29. Every main room and bathroom in a dwelling house shall have one or more windows in an external wall or walls. Net glass area of windows to be at least one-tenth of the floor area of the room. For the purpose of this clause the expression main room shall be deemed to mean and include rooms used or intended to be used as bedrooms, dining rooms, ordinary living rooms, and kitchens.

Half the area of these windows shall be constructed so that a portion equal to one-twentieth of the floor area can be opened. Such openings shall extend to at least 7 feet above floor level.

No sliding sash shall exceed 3 feet overall in width.

Ventilators.

30. All rooms shall be ventilated by ventilators, communicating directly with the outside air, placed near the ceiling of each room, and of a minimum area of opening of 6 square inches to each 1,000 cubic feet of room contents. Such ventilators shall be clear of all obstructions. The provisions of clauses 26 and 29 and of this clause in reference to height, lighting, and ventilation of main rooms in dwelling houses shall, as far as applicable, be extended to all shops.

Ventilation under Floors.

31. The space under the ground floor of every building shall have openings or ventilators of a clear $4\frac{1}{2}$ square inches in every 4 lineal feet of external foundations wherever practicable, with cross ventilation of equivalent area through intervening dwarf walls and foundations of partition walls. Such ventilators shall be of the "Melwire" type with $\frac{1}{2}$ -in. mesh, and shall not in any case be of terra cotta. Joists and bearers to be so placed that through ventilation will not be impeded from front to back, or from side to side of complete building, and an air space of at least 6 inches clear of all earth shall be provided, such height being determined by the surveyor.

Attic Rooms.

32. (i) Every room wholly or partly in the roof of any building shall be at least 8 ft. 6 in. in height from floor to ceiling throughout not less than one-half its area.

(ii) No attic wall shall be less than 5 ft. 6 in. in height.

Chimneys and Flues.

33. The inside of all chimneys and flues shall be thoroughly pargeted, and no wall plate, ceiling joist, rafter, or other roof timber shall be fixed or placed nearer than $4\frac{1}{2}$ inches from the inside of any such chimney or flue, nor shall any wooden plug be driven within $4\frac{1}{2}$ inches as aforesaid.

Laundries.

34. In every dwelling there shall be provided appurtenant thereto and for the sole use of the occupants thereof a laundry equipped with approved copper and troughs or other approved means of laundering.

Verandahs and Porticos on Streets.

35. No person shall erect or cause or permit to be erected any portico or verandah over the footway of any street in the Municipality without first obtaining the consent of the Council, in writing, and such portico or verandah shall be of the shape, figure, dimensions, and materials as set forth in the plan and specification for the time being adopted by the Council; but the lowest parts of such portico or verandah

and of the frieze or rail of such portico or verandah shall in no case be of less height than 8 ft. 6 in. above the level of the outer edge of the footway. No opening shall be made in the roof of any verandah for the purpose of affording light unless such opening be properly framed and glazed with rough-rolled plate glass, protected underneath with fine-mesh wire netting to the satisfaction of the surveyor.

All verandahs over footpaths for new brick buildings shall be of the cantilever type, and shall conform to the Council's adopted plan, except in such details as the surveyor may allow, in writing, when the plan to erect same is issued. No person shall erect or fix, or cause to be erected or fixed, under any verandah extending over the footpath in any street or road, any signboard, hanging lamp, or gas-pipe fixture unless the lowest part of such signboard, hanging lamp, or gas-pipe fixture is of a height not less than 8 ft. 6 in. above the level of the footpath over which it is fixed and unless a written permit or licence from the Council be first obtained.

Fowl Houses and Dog Kennels.

36. No fowl house, building, or yard used or designed for the use of poultry, and no dog kennel shall be erected, established, or constructed, and no such fowl house, building, yard, or dog kennel already erected, established, or constructed shall remain at a distance of less than 30 feet from any building used as a dwelling house or business premises on the same allotment or allotments adjoining. No building or erection of the description referred to in this clause of the By-law shall be erected, established, or constructed except at the rear of any dwelling house on the same allotment, and shall be at least 20 feet from any road or street.

Privies, &c.

37. No privy, closet, or urinal shall be erected at a less distance than 20 feet from the door or window of any dwelling house on the same allotment or allotments adjoining, or at a less distance from any street. Provided that in case there is a right-of-way abutting on such allotment any privy, closet, or urinal may be erected on the boundary between such allotment and right-of-way. Every privy, closet, or urinal shall be effectively screened from public view and shall be constructed according to type design supplied by the Council.

Tents and Sleep-outs.

38. No person shall erect or cause or permit to be erected any structure, tent, or building intended to be used as a sleeping-out room detached from the main dwelling unless the following conditions are complied with:—

- (a) No detached sleeping-out room or tent shall be erected on any land unless a dwelling house has already been erected thereon, and the area of land on which such dwelling house stands is not less than 4,000 square feet.
- (b) No sleeping-out room or tent shall be erected within 15 feet of any building or other allotment.
- (c) No sleeping-out room or tent shall be erected unless the area of the floor space thereof shall be not less than 50 square feet or not more than 500 square feet and shall have a minimum floor dimension in any one way of not less than 6 feet, with floors constructed of wood or material approved by the Council.
- (d) The height of the walls of such sleeping-out room or tent shall be not less than 4 feet measured vertically from the floor, and the outside walls shall be enclosed for at least half their height.
- (e) An air space for ventilation, either open or with a gauze covering, shall be provided along the top of each wall equal in area to one-third of the floor area.
- (f) Not more than one person for each 50 square feet of interior floor space shall be permitted to sleep in any sleeping-out room or tent.
- (g) In this clause sleeping-out rooms shall mean any room, building, or erection detached from any dwelling, and used for no purpose other than a sleeping apartment.

Projections.

39. No coping, cornice, string, course, fascia, window, window dressing, portico, balcony, balconette, connecting building, balustrade, architectural projection, or decoration shall project beyond the building line of any street, right-of-way, or alley unless it be of brick, stone, tile, artificial stone, slate, or cement, or fire-resisting material other than wood. No projection shall extend more than 3 inches beyond the building line at any height less than 8 feet from the level of the footway. Every porch, gangway, outside step, and outside landing shall be of fire-resisting material and shall not project beyond the building line of any street, right-of-way, or alley.

Hoardings.

40. Save as hereinafter provided, no person shall erect, alter, or allow to remain or add to any hoarding, house, signboard, or erection for advertising purposes without first obtaining the consent of the Council, and unless such hoarding, signboard, or erection is erected, built, constructed, altered, or added to in accordance with the plans and specifications prepared by such person and previously approved of by the Council. No hoarding, signboard, or erection shall be within a distance from the building line of any street or road equal to 3 feet more than the greatest height of such hoarding, signboard, or erection, and the lowest part of such hoarding, signboard, or erection, other than the main supports thereof, shall be not less than 3 feet from the level of the land. No signboard shall be fixed or erected on or over the roof of any verandah, or on the front or roof of any building, unless with the consent of the Council, and unless such signboard be of approved material and construction and properly secured to the satisfaction of the surveyor, and the vertical depth of such signboard shall not exceed 6 feet.

Private Right-of-Ways.

41. Provision of access to rear of premises must be made by a right-of-way from the street the said building fronts. Back right-of-ways will not be permitted unless with the special approval of the Council.

Fences.

42. (i) *Repairs to Fences.*—All fences abutting on or within 10 feet of any road, street, or other public highway in the Borough shall be kept and maintained in a complete state of repair, and every owner shall, upon notice from the Council, forthwith repair or renew or paint any fence as such notice shall require to the satisfaction of the Council.

(ii) *Fencing Vacant Land.*—The Council may require the fencing of vacant land when used as a dump or for any purpose creating an unsightly appearance in the opinion of the Council, such fence to be of an approved closed type, 6 feet in height.

Removal of Buildings.

43. No house or building may be removed from another municipality to this Borough unless application has been made in writing. Such application, accompanied by the prescribed fee, must be lodged at the Town Hall, Wangaratta, before such house or building is removed from such other municipality. The application must be accompanied by a certificate from the building surveyor of the municipality from which it is proposed to remove the house or building, stating that such house or building fulfils the municipality's requirements, together with a certificate from the Health Officer of the said municipality stating that the house or building is free from infectious disease.

Exemptions.

44. (i) This By-law shall not apply to any fence, greenhouse, fernery, or conservatory, or to any shed or building other than a dwelling on areas of more than 2½ acres used entirely for agricultural or gardening purposes, or to temporary offices and sheds used by builders during the construction of any building at or about the site of such building for a period not exceeding six months.

(ii) This By-law shall not apply to any building or erection of the Government of the Commonwealth of Australia or of the State of Victoria, or of the municipality.

Authority to Inspect.—Notices.

45. The surveyor and/or the Council's inspector, at all reasonable times during the progress and within fourteen days after the completion of any building or addition or alteration to any building affected by any of the provisions of this By-law, may, and is hereby authorized to enter and inspect such building or addition or alteration, and the owner or builder thereof shall produce to the surveyor or inspector the original plans and specifications approved by the Council.

46. If any building or erection shall be partly or wholly built or erected, added to, or altered contrary to the provisions of this By-law, the Council or any officer thereof or other authorized agent may give to the owner or builder, or leave upon the site of such building fourteen days' notice, in writing, to bring such building or erection into conformity with the said provisions, or requiring the pulling down and/or removal of such building or erection and if default shall be made in complying with any such notice then, notwithstanding the imposition or recovery of any penalty, it shall be lawful for the said Council by its surveyor, officer, or other authorized agent to enter upon such building or erection and on the site thereof with a sufficient number of workmen, and for that purpose to break down any fence surrounding the land upon which such building or erection or any part or parts thereof is situated, and to demolish and pull

down the said building or erection or any part or parts thereof, and to do any other act that may be necessary for the purpose, and to remove the material thereof to some convenient place, and if the Council, in its discretion, thinks fit to sell the same in such manner as it thinks fit, and all expenses incurred by the Council, its officer, surveyor, or other authorized agent in demolishing and pulling down the said building or erection or any part or parts thereof or of removing the materials thereof and selling the same and in doing any other acts as aforesaid, and all fees and penalties due by the owner or builder thereof may be deducted and retained by the Council out of the proceeds of such sale, and the Council shall restore the surplus, if any, arising from such sale to such owner or builder or other person legally entitled thereto on demand.

47. Seven days' notice, in writing, shall be given by the owner or builder to the surveyor that the framing of any building, erection, or addition being erected under the provisions of this By-law is completed and ready for inspection. Such notice shall be addressed to the surveyor at the Town Hall, Wangaratta.

48. The owner of any building or addition, or alteration to any building affected by this By-law shall not use or occupy or suffer or permit any other person to use or occupy the same, or any part thereof, without first obtaining the approval thereto, in writing, of the Council.

Residential Flats.

49. The clauses and provisions of this By-law of the Borough of Wangaratta shall apply to the building, erection, and construction of residential flats, except in so far as the said clauses and provisions are inconsistent with this kind of building.

50. No person shall build, erect, or construct, or cause to be built, erected, or constructed, any residential flats except in accordance with the provisions of this By-law.

Area and Frontage.

51. The minimum area and the minimum width of frontage of land upon which any residential flats may be erected shall be as follows:—

For a two-flat building with one flat on the ground floor and one flat on the first floor—9,000 square feet and a frontage of not less than 70 feet.

For a two-flat building with both flats on the ground floor—10,000 square feet with an additional area of 1,000 square feet for each and every flat on the first floor, and a frontage of not less than 70 feet provided in all cases that not more than 40 per centum of the area of land shall be occupied by buildings, except in the case of a corner block where 50 per centum may be so occupied.

Height.

52. No residential flats shall exceed two stories in height or contain more than two residential flats on the ground floor.

Area of Rooms.

53. In every flat containing more than three habitable rooms there shall be at least two rooms each having an area of not less than 140 square feet, but every flat shall have at least one room having an area of not less than 140 square feet, and a separate kitchen or kitchenette—also a water closet.

Walls and Floors.

54. No residential flats shall be constructed of material other than brick or concrete. The walls between separate flats shall be constructed of brick at least 9 inches thick or cement concrete not less than 6 inches thick. All such walls shall be carried up to the underside of roof covering and shall have no door or connecting opening therein. Floors of residential flats, other than ground floors, shall be constructed as required by and to the satisfaction of the Council and of materials approved by the Council.

Entrance and Stairs.

55. Every flat shall have a separate entrance to the open air for the exclusive use of the occupants thereof. External stairways of the building shall be constructed of brick, stone, concrete, or other similar hard fire-resisting material approved by the Council. No stairs in residential flats shall be constructed with a greater rise than 7 inches or with a tread of less than 10 inches.

Attached Section of Residential Flats.

56. No residential flat shall be attached to any other residential flat on more than one side. Such attached portion shall be in one unbroken area, and such unbroken area shall not exceed in length one-half of the total length of the shortest main wall on the unattached side. All other portions of external walls on the attached side shall not be within a distance of 15 feet from the face of the external wall of the adjoining flat.

Bathrooms, &c.

57. The floor of every bathroom and water closet in residential flats shall be constructed of such impervious material as may be approved by the Council, and the provisions of clause 27 of this By-law shall apply in all respects to residential flats.

Laundries in Flats.

58. In every building constructed to contain flats there shall be provided appurtenant thereto at least one laundry equipped with approved copper and troughs or other approved means of laundering for every two flats in the building.

Where, in the opinion of the surveyor, adequate and satisfactory means of laundering are provided in each flat, the previous clause shall not apply.

Distances from Streets and Side Boundaries.

59. The distance of such residential flats from the building line of the street shall not be less than 20 feet and not less than 10 feet from any other boundary. Such distances shall be measured from the external walls of the building, providing that eaves shall not exceed eighteen inches in projection from walls.

Dwellings Altered into Flats.

60. Where dwellings have been converted into flats prior to this By-law coming into force, they shall be made to comply with the provisions of the By-law within six months after notice has been given by the Council or surveyor.

Dispensation.

61. Where the area of any site on which it is proposed to build or construct residential flats is equal to or exceeds the area prescribed by this By-law, but the frontage of such site is less than is so prescribed, the Council, on the written application of the owner of such site, may dispense with the compliance with the provisions of this By-law as to the frontage of such site, provided that such dispensation is agreed to by a resolution carried by a majority of the members of the Council at a meeting of which seven clear days' notice has been given stating that such resolution will be proposed.

Application of By-law.

62. This By-law shall apply to and have operation within the Borough of Wangaratta.

Penalty.

63. Any person who shall be guilty of any breach of any of the provisions of this By-law shall be liable for every offence to a penalty not exceeding Twenty pounds, and if such offence is continued, to a further penalty not exceeding Five pounds for each day such offence is continued.

Resolution for passing this By-law Number 44 was agreed to by the Council on the 20th day of December, 1943, and confirmed on the 17th day of January, 1944.

The common seal of the Mayor, Councillors, and Burgesses of the Borough of Wangaratta was hereunto affixed the seventeenth day of January, 1944—
