RATING BY-LAW No. 61.

**T**HE Murchison Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Act, doth hereby make a rate for the supply of water for domestic purposes of One shilling and six pence in the pound on the annual municipal valuation of land and tenements liable to be rated within the Murchison Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than One pound ten shillings, and in respect of any land on which there is no building less than Fifteen shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said land and tenements for the year commencing the first day of January, 1945, and shall be payable on the first day of January, 1945, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling and six pence per one thousand gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling per one thousand gallons.

The charge for water supplied by measure shall be payable on demand.
