7. Such pan shall be cylindrical in shape and formed of galvanized iron of not less than 22-gauge or other approved material or materials, presenting on the inside and outside an impervious, hard, smooth, and durable surface, and those surfaces which come into contact with nightsoil shall also be free from any projections. (b) when required by an inspector effectually disinfect such pan-closet or urinal and/or the contents thereof, and effect any repairs thereto that such inspector may deem necessary.

12. 19. Immediately after the deposit of the nightsoil and washings in any trench, such trench shall be filled in with thoroughly disintegrated earth. The necessary filling shall be obtained by excavation of another trench in a position parallel to but not less than 12 inches from the aforesaid trench required to be filled in, and using the material so obtained as a covering over the nightsoil so deposited. Trenches shall be excavated and used and filled in in regular consecutive order.

20. Seed of grass or any forage or cereal crops, or other such form of vegetable life as the Council shall direct or approve, be seasonably planted or sown on any land into which nightsoil has been deposited, provided that vegetables or seeds of vegetables, capable of being eaten by human beings, shall not be planted therein or thereon until three months have elapsed since the last deposit of nightsoil in such land.

21. Every pan used for the reception or conveyance of nightsoil shall, immediately on being emptied, be thoroughly washed or otherwise cleansed. The resultant washings or other filth shall be disposed of in a similar manner as the nightsoil.

24. The contractor or person authorized or employed by the Council for the removal of nightsoil shall cause all vehicles used for the transport of pans to the depot to be properly constructed, kept clean, and disinfected daily at the depot, and maintained in a proper state of repair.

25. The proprietor or any other person shall not remove any nightsoil from any premises except in accordance with this By-law.

26. The proprietor, or any other person within the area defined by this By-law, shall not bury nor cause to be buried any nightsoil in any yard, garden, or other place not being a place set apart for such purpose by the Council.
