3. *Hours of Business.*—The hours of attendance to be observed by officers shall, unless otherwise determined, be from 8.45 a.m., to 5.6 p.m. on Monday to Friday inclusive.

Provided that any officer may be required to work on a Saturday morning from 8.45 a.m. to 11.45 a.m., in which case he shall be allowed equivalent time off duty during the following week, at the convenience of the Department.

Provided further that where the nature of the work will not admit of the general observance of these hours, the Permanent Head, with the approval of the Board, shall determine the hours of attendance of the officers concerned.

5. *Attendance books, when accessible.*—Attendance books shall be accessible for record and signature by officers up to 8.50 a.m. daily, when such books shall be withdrawn, and shall not be produced for recording departures until the proper time for ceasing work.

6. *Officers arriving late at their offices.*—Any officer arriving at his office after 8.50 a.m. shall report himself to the officer-in-charge or sub-charge, who shall record the time of his arrival in the attendance book.

9. *Time allowed for luncheon.*—Except as specified in Part IV., three quarters of an hour shall be allowed daily to every officer for luncheon from 12.45 p.m. to 1.30 p.m., or at such time as in departmental or public interest the Permanent Head or the Head of the Branch may determine.

The officer-in-charge of each room shall report to the Head of the Branch or of the Department all cases in which officers have not returned to duty after luncheon at the prescribed time.

11. *Tea Money.*—An allowance, to procure a meal, of two shillings and six pence may be paid to officers who are required to work after office hours, provided that no payment shall be made unless an officer works after 5.6 p.m. for at least two hours in addition to the interval taken for tea.

Such payment may, however, be made to Warders who are required to remain continuously on duty at the Law Courts later than 6.30 p.m.

PURSUANT to the powers in that behalf conferred by the State Electricity Commission Acts, the State Electricity Commission of Victoria, with the approval of the Governor in Council, doth hereby amend the Licensing of Electrical Mechanics Regulations in manner following, that is to say:—

1. Regulation 13 shall be deleted and the following Regulation substituted therefor:—

"Practical experience to be obtained before examination—
Grant of licences without examination—

13. (1) No person shall be eligible for examination by the Commission for a licence unless, at the date of examination, he has been engaged in electrical wiring work for the period respectively required under Regulation 7 or 9 for a licence of that grade.

(2) Notwithstanding anything in these Regulations contained, the Commission, at its discretion, and after such inquiries as it shall think fit—

(a) may grant exemption from its theory examinations—

(i) to any person who produces to the Commission proof that he has satisfactorily completed a course or passed an examination or examinations which are not listed in the Second Schedule to these Regulations, but which, in the opinion of the Commission, demand an equivalent or higher standard of technical knowledge and ability; and

(ii) to any person over the age of 45 years who satisfies the Commission's examiners by oral examination as to his knowledge of the theory of electrical wiring; and

(b) may grant a licence of the appropriate grade to any applicant who holds or who has held a licence in another State of the Commonwealth or in New Zealand, if the Commission's Chief Electrical Inspector certifies that to qualify for the licence held he was required to pass examinations of a standard not lower and to engage in electrical wiring work for a period not shorter than that prescribed under these Regulations for a licence of that grade."

(iii) a discharged member of His Majesty's Defence Forces, who had been engaged in the war and who has completed a vocational training course and a period of experience in electrical wiring work, which shall have been determined as appropriate by the Commission and a repatriation authority, shall be deemed to have been engaged in electrical wiring work for so much of the period of his service as a member of the said Forces as may be required to render him eligible for examination for a "B" Grade, a "B1" Grade, or an "A" Grade licence."
