**T**HE Lieutenant-Governor, as Deputy for His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the powers conferred by the *Education Act 1928* and of all other powers thereto enabling, doth hereby make the following Regulation XXXVI. (B).—Consolidated Schools, viz.:—

*Establishment.*

1. Consolidated schools to provide suitable courses of instruction up to the standard of Proficiency Certificate may be established by the Minister in approved localities.

2. The courses of instruction in consolidated schools may, with the approval of the Minister, be extended for a further period of one year.

3. A consolidated school shall not be established unless the following conditions are complied with:—

(a) The number of pupils who will attend the school for full-time instruction shall exceed 200.

(b) The parents of pupils in the area shall be in favour of its establishment.

(c) An area of land of not less than 5 acres which in the opinion of the Minister is suitable as a site for a consolidated school shall be acquired and the title vested in the Minister.

4. Notwithstanding anything contained in clause 3 (a) above, a modified consolidated school may be established where the number of pupils who will attend the school for full-time instruction is, in the opinion of the Minister, sufficient to warrant it.

5. (a) When a consolidated school is established all State primary schools within a radius of 5 miles of the consolidated school shall be closed on and from a day to be determined by the Minister.

(b) The Minister may also close State primary schools which are in the proximity of the consolidated school but are outside a radius of 5 miles.

*Advisory Councils.*

6. (a) For each consolidated school the Governor in Council may appoint an advisory council which shall consist, unless otherwise determined by the Minister, of not less than nine or more than fifteen members.

(b) No person shall be appointed a member of an advisory council for more than three years, but any person appointed a member shall, on ceasing to be a member, be eligible for re-appointment except as provided in clause 7 (d) below.

(c) If, however, the triennial meeting held for the purpose of electing members to represent the parents or guardians of pupils, as referred to in clause 15 (a) below, is on a date after the third anniversary date of the previous triennial meeting, the members of the advisory council shall continue in office during such intervening period.

7. (a) Whenever, during the triennial period for which an advisory council is appointed, a vacancy occurs through death, resignation, forfeiture of seat, or other cause, the council may nominate some suitable person to fill such vacancy and, if the nomination is approved by the Minister, such person shall hold office until the end of such triennial period.

(b) The head teacher shall, as early as possible after the nomination has been made, notify the Education Department of the full name (including the full Christian names) of each person nominated under the provisions of sub-clause (a) of this clause for appointment to a vacancy on the advisory council.

(c) The Governor in Council may at any time remove any member of the advisory council and fill any vacancy on the council, however occurring.

(d) The removal by the Governor in Council of any member of the advisory council for misconduct shall render every such person ineligible for re-election and incapable of holding the position of a member of the advisory council for a period of three years from the date of such removal or for such further period as may be determined by the Minister.

8. (a) Each district supplying pupils to a consolidated school shall be, as far as is practicable, adequately represented upon the advisory council.

17. The advisory council may permit representatives of the mothers' club and other school organizations to attend its meetings at such times and for such periods as it may determine.

18. The Minister may place at the disposal of advisory councils annual allowances to be expended on school buildings under their supervision in accordance with the following conditions:—

(b) The expenditure shall not exceed the amount of the allowance placed at the disposal of an advisory council.

(c) No expenditure shall be incurred on leased buildings.

19. Work which involves structural alterations to departmental buildings shall not be undertaken unless the approval of the Minister has first been obtained.

21. (a) Payment of the whole or any portion of the allowance authorized under clause 18 above shall be made by the Education Department on the completion of the work and upon the presentation of claims setting forth clearly the nature of the work carried out.

(b) Claims for payment shall, immediately on completion of the work, be submitted, on the form prescribed for the use of advisory councils, by the person to whom payment is due, and shall be certified to by the chairman or secretary of the advisory council, provided that, when the advisory council has expended any sums, receipts for such expenditure shall accompany the claim, which shall be submitted by the secretary or treasurer of the advisory council and certified to by the chairman.

22. (a) To encourage advisory councils to assist in improving the condition of the school and grounds the Minister may, provided that moneys for the purpose are placed at his disposal by the Legislature, subsidize at a rate not less than £1 for £1 all moneys raised locally and expended wholly upon site works, or upon the erection of shelter pavilions or bicycle sheds, or upon such other improvements of the school property as may be approved.

(b) No subsidy shall be paid unless the Minister's sanction to the expenditure has been obtained prior to the carrying out of the works.

(c) All applications for such sanction shall include—

(i) full details (including a sketch plan) of the proposed works,

(ii) an estimate of their cost, and

(iii) an assurance that the local contribution towards the cost of the work has been raised.

23. No member of an advisory council shall, without the express approval of the Minister obtained beforehand, be directly or indirectly interested pecuniarily in any work in respect of which an allowance or subsidy is granted under clauses 18 and 22 above.

24. The advisory council shall not commit itself to any expenditure unless its ability to meet in full any liability is beyond doubt.

25. All minute books, correspondence, and other documents of the advisory council shall be the property of the Education Department, and shall be filed in the school building with other school records.

26. If, without good and sufficient reason, any advisory council fails to hold a meeting within a period of six months following on the last meeting, such council may be dissolved by the Governor in Council.
