1. This agreement shall not have any force or effect unless and until authorized or approved by the Parliament of the State.

2. In this agreement—

"financial year" means the period of twelve months ending on the thirtieth day of June;

"non-public ward" means a ward other than a public ward;

"public hospital" means a hospital (not being a tuberculosis hospital within the meaning of the *Tuberculosis Act 1945* of the Commonwealth) which—

4. The Commonwealth shall, subject to compliance by the State with the provisions of this agreement, pay to the State, by way of financial assistance, in respect of beds occupied by qualified persons in public and non-public wards in public hospitals amounts determined in accordance with this agreement.

5. The amount to be paid by the Commonwealth for any financial year in respect of beds in public wards in public hospitals shall be determined by multiplying the Commonwealth Hospital Benefit Rate for Public Wards by the number of daily occupied beds in public wards in that financial year.

6. 7. In respect of the period between the date of the commencement of this agreement and the thirtieth day of June, 1946, the amounts to be paid by the Commonwealth to the State under clauses 5 and 6 respectively shall be determined by multiplying the appropriate rate by the number of daily occupied beds in public wards and non-public wards (as the case requires) during that period.

8. (1) The State shall, out of the amount paid to the State for each financial year (or portion thereof) under clause 5, set aside the amount (if any) ascertained by subtracting from the amount so paid the aggregate of—

(a) the amount ascertained by multiplying the Commonwealth Hospital Benefit Expenditure Rate for Public Wards by the number of daily occupied beds in public wards in that financial year (or portion thereof); and

10. (1) The State shall pay all amounts set aside as provided by clause 8 into a Trust Fund to be established by the State.

(2) The State shall after the end of each quarter furnish to the Commonwealth a statement showing the number of daily occupied beds in public and non-public wards respectively in each public hospital during the quarter and shall within three months after the end of each financial year furnish to the Commonwealth—

(b) a statement certified by the Auditor-General of the State showing in detail the working operations of the public hospitals during the financial year in a form approved by the Treasurer of the Commonwealth.

11. (1) Subject to sub-clause (2) of this clause, the State shall ensure that no means test is imposed on any person who was ordinarily resident in Australia at the time of seeking admission to a public ward, and that no fees are charged to or in respect of, qualified persons occupying beds in public wards in public hospitals.

(2) The State may permit a public hospital to charge fees in respect of beds in a public ward which are temporarily used as non-public ward beds.

12. (1) The State shall ensure that the charges per day payable by qualified persons in respect of beds in non-public wards in public hospitals shall be reduced by the amount of the Commonwealth Hospital Benefit Rate for Non-public Wards.

(2) The State shall ensure that no increase in those charges is made without the concurrence of the Commonwealth, and that any such increase made after the first day of September, 1945, shall cease to be applied, as from the date of the commencement of this agreement, unless the Commonwealth concurs in the increase.

(3) The Commonwealth shall not refuse its concurrence under sub-clause (2) of this clause in respect of any increase of charges necessitated by increased costs.

(4) The State shall ensure that, except with the concurrence of the Commonwealth, no charge is made to qualified persons for services or comforts in public or non-public wards in public hospitals for which it was not customary to make a charge as at the first day of September, 1945.

13. The Commonwealth and the State, in conjunction with any other State which enters into an agreement with the Commonwealth in terms similar to the terms of this agreement, shall establish a Council, to be known as the National

Hospital Council, to advise the Commonwealth and the States with respect to any matter relating to hospitals which is referred to the Council by the Commonwealth or a State.
