REGULATIONS FOR THE ELECTION OF COMMISSIONERS.

WHEREAS, in pursuance of the provisions of the Water Acts, the Governor in Council is empowered to make Regulations for the election of Commissioners of Waterworks Trusts: Now therefore His Excellency the Lieutenant-Governor of the State of Victoria, acting by and with the advice of the Executive Council thereof, and in pursuance of the provisions of the now in part recited Acts, doth for the purposes aforesaid make the following Regulations for the election of Commissioners of the Benalla Waterworks Trust:—

1. *Interpretation of Terms.*—In these Regulations "the Trust" or "the said Trust" shall mean the Benalla Waterworks trust. "Minister" shall mean the Minister of Water Supply.

2. *Period for which the Commissioners shall hold Office.*—The period for which the Commissioners shall hold office shall be until the fourth Thursday in the month of October, in the third year after the year of their election.

3. *Extraordinary Vacancies, How Filled.*—Should any vacancy in the office of Commissioner be occasioned by death, disqualification, or any other cause whatever, the same shall be filled up by election under these Regulations, within two months after the vacancy has occurred, and the person elected to fill such vacancy shall hold the office of Commissioner during the unexpired portion of the term of office of the Commissioner whose seat shall have become vacant.

4. *Date of First and Subsequent Election of Commissioners.*—The first election of Commissioners under these Regulations shall be held on the twenty-fourth day of October, in the year 1946, and the ordinary election of Commissioners shall be held on the fourth Thursday in October in each succeeding triennial year.

5. *Voters' List to be Prepared.*—For the purposes of the first election of Commissioners, a voters' list shall be prepared in like manner to that provided by section 117 of the *Water Act 1928*, as amended by section 2 of the *Water Act 1936*, in so far as circumstances will admit, on or before the twelfth day of September, 1946, by the secretary of the Trust, certified by him as correct, and such list shall be the list of voters for the said election of Commissioners, and shall remain in force, and shall be used at any subsequent election of Commissioners that may be held prior to a fresh voters' list being made out as hereinafter provided.

6. *Voters' List to be Prepared Annually.*—Before the twelfth day of September in each year, a voters' list shall be made out in the manner prescribed by section 117 of the *Water Act 1928*, as amended by section 2 of the *Water Act 1936*, which shall, after the first revision, upon approval of the Commissioners under the common seal of the Trust, be the list of voters for the election of Commissioners for the twelve months next ensuing.

7. *Form of Voters' List.*—First Schedule.—Such voters' list shall be in the form in the First Schedule hereto, and shall contain in regular numerical sequence and alphabetical order of surname, the christian name or names, surname, and address (so far as these may be known) of every ratepayer within that portion of the municipal district of the Shire of Benalla included within the district of the Waterworks Trust.

In making out such list of voters, if the property in respect of which any ratepayer is entitled to vote is only in part within the waterworks district, then the number of votes of such ratepayer in respect of such property shall be reduced in the proportion which such part bears to the whole property of such ratepayer rated in the municipal district.

8. *Returning Officer.*—The returning officer shall be appointed by the Trust, or in default of such appointment shall be the secretary of the Trust. The returning officer may appoint a deputy to assist him or to act in his room at any election, and such deputy may do all things which the returning officer is hereby authorized or required to do.

9. *Notice of Election—Nomination of Candidates—Deposit—Second Schedule.*—Fourteen clear days before the election of Commissioners under these Regulations the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the Benalla township, and by such notice shall require all candidates at such election to be nominated at some place within the

said township to be named in such notice in manner hereinafter mentioned between the hours of Ten o'clock in the forenoon and Four o'clock in the afternoon on some day before a day (hereinafter called the day of nomination), not less than four nor more than seven days after the time of giving such notice and named therein, and every candidate at any such election shall before Four o'clock in the afternoon of the day next preceding the nomination day lodge with the returning officer at the place aforesaid a nomination paper in the form of the Second Schedule, or to the like effect, stating therein both his christian and surname, together with the other particulars required in and by the said schedule, and such nomination paper shall be signed by the candidate and by at least five persons entitled to vote at the election, and such candidate shall, together with such nomination paper, deposit with the returning officer the sum of Five pounds, which shall be returned to the candidate if he obtains at the election a number of votes equal to at least one-fifth of the votes given to the person declared elected who received the least number of votes, otherwise the said sum shall be paid into and form part of the revenues of the Trust.

And no person who shall not have been so nominated shall, within the provisions of these Regulations, be deemed to be a candidate at any election of Commissioners.

10. *Qualifications of the Commissioners.*—No person shall be eligible for election as a Commissioner unless he is liable to be rated under the Water Acts in respect of property within the district of the Trust.

11. *Where Number of Candidates does not exceed Number of Commissioners to be Elected.*—If, at the expiration of the time limited as hereinbefore provided for the nomination of candidates, the number of persons who have become candidates as aforesaid does not exceed the number of Commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

12. *Where Number of Candidates Exceeds the Number of Commissioners to be Elected—Third Schedule—Notice of Poll—Hours of Polling.*—If, at the expiration of the time limited for the nomination of candidates, the number of candidates exceeds the number of Commissioners to be elected, then the returning officer shall forthwith cause the ballot-papers to be printed with the christian names and surnames of all the candidates in full in the form of the Third Schedule hereto, and shall also give public notice by advertisement in some newspaper circulating in the Benalla township, stating the name of the persons so nominated and that a poll will be taken for the election of such Commissioners upon a day named in such notice at such place within the said township as the returning officer shall in and by such notice appoint; and such poll shall take place accordingly, and shall commence at Eight o'clock in the forenoon and close at Seven o'clock in the afternoon.

13. *Retirement of Candidates before Polling Day.*—If, at any election, after a poll shall have been appointed as aforesaid any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than four clear days before the day of polling, a notice in the form of the Fourth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the Benalla township a copy of such notice, and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election shall, on the day appointed for the election, declare the remaining candidates duly elected; and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election; and if such papers are already printed, shall erase such name therefrom; and such person shall not be capable of being elected at such election.

14. *Polling Booth may be Hired.*—At such election the returning officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

15. *Returning Officer to Preside at Polling Booth.*—The returning officer or his deputy shall preside at the polling booth for taking the poll.

16. *Scrutineers may be Appointed.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in the polling booth, and the said returning officer or his deputy, and the said scrutineers and any voters, not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling booth.

17. *Pencils to be Provided.*—The returning officer or his deputy shall provide pencils in the polling booth for the use of the voters, and also a locked box, to be called the ballot-box,

with a cleft or opening therein capable of receiving the ballot-papers, and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked and shall stand on a table opposite the returning officer or deputy returning officer, who shall keep the key of such box.

18. *Mode of Voting.*—The returning officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of the Third Schedule hereto, and initialled by the returning officer and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out, the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling booth shall be demanded and received by him at one and the same time; and no person having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

19. *Ballot-papers to be Numbered.*—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll, and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

20. *Plumping Prohibited—Informal Ballot-papers.*—At every such election every voter shall strike out from the ballot-paper the names of the candidates for whom he does not desire to vote, and if he suffers to remain on the ballot-paper a greater or less number of names not struck out than the number of Commissioners to be elected, the vote given on and by the ballot-paper shall be void and of no effect.

21. *What Question may be Asked.*—At any election of Commissioners the returning officer may, if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote the question following:—

“Are you the person whose name appears as (A.B.) in the roll now in force for this Trust, being enrolled therein in respect of property described to be situated in (here specify the street or other place described in the roll)?”

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

22. *False Answer, Polling Twice, and Personation.*—Every person who shall wilfully make a false answer to the question aforesaid or who shall poll more than once, or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling booth after having received a ballot-paper without having deposited the same in the ballot-box, as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these Regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

23. *Result of Polling—How Ascertained.*—Immediately on the close of the poll the returning officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as pleases to be present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before sealed up as herein provided; and the returning officer shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected Commissioners of the Trust, and if two or more candidates have received an equal number of votes, the returning officer shall determine by lot the candidate to hold office.

24. *Ballot-papers, How Disposed Of.*—The returning officer shall forthwith after the declaration of the poll endorse with a description of the contents thereof, and sign and seal parcel of ballot-papers, and forward the same to the secretary of the Trust to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of three Commissioners of the Trust.

25. *Minister to Determine Question Arising upon First Election.*—If any question arise as to the due election of any Commissioner at the first election, the returning officer shall, at the request of any voter or candidate, submit such question, in writing, to the Minister, who shall decide the same; and such decision shall be final and binding.

26. *Question Arising upon Subsequent Election to be Determined by the Trust.*—If any question arise as to the due election of any Commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been so determined; and the majority of Commissioners whose election is not in dispute shall form a quorum.

27. *Appeal to Minister from Determination of Trust.*—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just; and such determination of the Minister shall be final and binding.

28. *Failure to Elect Deemed to Create Extraordinary Vacancies.*—If at any election of Commissioners any vacancies less than the whole number which should have been filled up at such election are not filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected or appointed to fill such vacancies shall go out of office as if elected at such election.

29. *Expenses of Election to be Paid by Trust.*—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the Trust.

30. *Penalty for Breach of Regulations.*—Any person guilty of a breach of any of the provisions of these Regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

31. *Interpretation.*—In these Regulations words importing the masculine gender shall be deemed and taken to include females, unless there is something in the context repugnant to or inconsistent with this interpretation.

4. Satisfactory arrangements must be made with the Commission for payment of royalty prior to removal of the bark.
