ADDITIONAL PAYMENTS.

3. An employee who is employed as first-aid man or woman and who holds a first-aid certificate shall be paid 5s. per week extra.

(b) An employee required to clean wool scouring pits which are in an unusually dirty or offensive condition shall be paid at double ordinary rate whilst employed in the cleaning of the pits.

(c) For picking over bales of wool waste or rags which are in an offensive or obnoxious condition an employee shall be paid 1s. per bale, in addition to his ordinary pay.

PIECE-WORK.

4. (a) Any employer may fix piece-work prices for any process provided such prices enable adult employees of average capacity to earn at least the minimum weekly rate prescribed for their respective classes with the addition of 15 per cent. A schedule of such piece-work prices shall be posted in the mill or factory and a copy thereof forwarded to the secretary of the local branch of the union.

(b) Piece-work prices now paid may be re-adjusted by employers to meet new circumstances created by this Determination before the expiry of six months from the date on which this Determination comes into force, but thereafter such prices shall not be altered except by mutual agreement between the employer and piece-workers concerned or by authority of the Secretary for Labour.

(c) Effect shall be given in piece-work earnings to alterations of the needs basic wage, and the minimum wage for adult females made in accordance with the provisions of clause 28 of this Determination. For that purpose, an employer may alter his piece-work rates in accordance with paragraph (b) of this clause, or he may observe the following provisions:—

At the end of each working week, the aggregate earnings of each piece-worker for such week shall be ascertained, and where such piece-worker has worked on each and every day ordinarily worked in such week, such aggregate earnings shall be increased or decreased—

(i) In the case of males, by the sum by which the needs basic wage has been increased or decreased in accordance with the provisions of clause 28; and

(ii) in the case of females by the sum by which the minimum wage for adult females has been increased or decreased in accordance with the provisions of clause 28,

but where the piece-worker has not worked on each and every day ordinarily worked in such week, then the aggregate earnings shall be increased or decreased by a part of such sum proportionate to the number of days worked, calculated to the nearest penny.

(d) If any groups of employees in any factory are dissatisfied with alterations made in piece-work rates, they shall have the right to refer the matter to the Secretary for Labour for investigation.

(e) Where an employee has worked part of the week on piece-work he or she shall be entitled to his or her earnings in full for the actual time worked on piece-work if the earnings are higher than the minimum rate for such time.

(f) Adults and juniors doing the same operations shall be paid the same piece-work prices.

(g) As far as practicable, different grades of work shall be equitably divided between piece-workers.

(h) A piece-worker who also instructs learners shall receive 10s. per week in addition to piece-work earnings for the first week, 7s. 6d. for the second week, and 5s. for the third week, but at the end of the third week, shall not be called upon to continue instructing a learner unless paid 5s. per week in addition to the piece-work earnings.

(i) Weavers on commencing a warp shall be provided with a ticket on which shall be entered particulars of class of work, the number of picks per inch, length of cut, speed of loom, and price per cut.

(j) A piece-worker (adult or junior) called upon to perform work before the usual starting time or after the usual finishing time on any day Monday to Saturday (inclusive), shall be paid, in addition to his or her normal piece-work price—

(i) for the first three hours on any one of such days—at a rate per hour equivalent to 1/38th of the weekly rate prescribed for an adult employee of the same sex employed on the same work; and

(ii) for any overtime extending beyond such three hours—at a rate per hour equivalent to 1/44th of the weekly rate prescribed for an adult employee of the same sex employed on the same work.

Youths under 18 years of age and females who work overtime extending over ten hours in any week shall for any overtime beyond such ten hours be paid the rate prescribed by paragraph (ii) above. Provided that in mills or factories where 44 hours are worked in five days Monday to Friday (inclusive), the maximum daily hours under this sub-clause for Saturday shall be four hours, before the increased overtime rate prescribed by paragraph (ii) shall operate.

(k) Piece-workers on the employer's premises, at the employer's request, ready and willing to work, shall for each pay period, receive at least the time rate prescribed for their occupations.

#### BONUS PAYMENTS.

5. (a) In all establishments in which tasks are set and employees are paid for extra production, the tasks shall be so set as to permit adults of average capacity and juniors of average capacity in receipt of wages in excess of 25s. per week to earn at least 15 per cent. above the rates prescribed for their occupations or so as to permit juniors of average capacity in receipt of wages between 17s. and 25s. per week to earn at least 20 per cent. in addition to the rates prescribed for their occupations.

(b) Particulars of the basis of bonus rates shall be supplied to the secretary of the local branch of the Union upon request being made to the employer for same.

(c) Adjustments of the bases of bonus rates shall be subject to mutual agreement between the employer and the bonus workers concerned, and if challenged, they may be reviewed by the Secretary for Labour.

(d) If the Union claims that any employer has wrongly based a bonus rate on the time rate for juniors, it may submit such claim to the Secretary for Labour.

#### MIXED FUNCTIONS.

6. An employee engaged for more than half of one day or shift on duties carrying a higher rate than his or her classification shall be paid the higher rate for such day or shift. If for less than half of one day or shift, he or she shall be paid the higher rate for the time so worked.

#### HOURS.

7. Forty-four hours shall constitute a week's work.

#### OVERTIME.

8. (a) Overtime shall be paid for work performed before the usual starting time and after the usual finishing time of each shift or after any employee has completed the ordinary hours of duty, at time and a half for the first three hours on any one day, Monday to Saturday inclusive, and double time thereafter:

Provided, however, that in mills or factories where the 44 hours are worked in five days, Monday to Friday inclusive, time worked on Saturday shall be paid for at time and a half for the first four hours and double time thereafter.

(b) The usual starting and/or finishing time in any factory or part thereof shall not be altered, except on seven days' notice to the union.

(c) Employees required to work overtime for more than one hour without being notified the day immediately before that they will be required to work shall either be supplied with a meal by the employer or paid 1s. 6d. each. If the notice is given and overtime is not worked (except as a result of a breakdown in machinery or plant) the tea money prescribed herein shall be paid.

(d) Juniors under eighteen years of age for each period of overtime worked shall be paid 6d. up to two hours and 3d. for each additional hour or part of an hour in addition to their overtime earnings and any tea money to which they might be entitled.

Provided that the said sums of 6d. and 3d. shall not be payable to piece-workers working overtime.

(e) Youths under eighteen years of age and females required to work overtime shall be paid overtime at the rate of time and a half to a maximum of three hours in any one day, Monday to Saturday inclusive, and ten hours in one week, and double time thereafter:

Provided that in mills or factories where the 44 hours are worked in five days, Monday to Friday inclusive, the maximum daily hours under this sub-clause for Saturday shall be four.

#### SHIFTS.

9. Shifts as hereunder set forth may be worked in the industry:—

(a) A day shift shall be a shift worked between the hours of 7 a.m. and 7 p.m. on Monday to Friday inclusive, and between the hours of 7 a.m. and noon on Saturday.

(b) A night shift shall be a shift worked between the hours of 7 p.m. and 7 a.m. on Monday to Saturday inclusive.

(c) By mutual arrangement between an employer and his employees, and, with the concurrence of the Union, the hours of duty prescribed herein for night-shift workers may be worked in four shifts without payment of overtime.

Under any such arrangement all hours of duty beyond ten hours, even if they come within the starting and finishing times of a shift, shall be paid for at overtime rates.

(d) Subject to the emergency provisions hereafter appearing, females shall be prohibited from working between the hours of 9 p.m. and 7 a.m. Male juniors under 18 years of age are prohibited from working after 9 p.m. Provided that for the duration of the war the following provisions shall apply:—

Female employees and male juniors under 18 years may be required to work between the hours of 6 a.m. and 9 p.m., subject to the following conditions:—

(i) 1s. per shift extra shall be paid for each short shift.

(ii) An additional 6d. per shift shall be paid for each shift commencing before 7 a.m.

(iii) Time and a half shall be paid for all time worked after noon on Saturday.

(iv) No employee under the age of 16 years shall be employed before 7 a.m., provided that employees under 16 years of age at present employed may continue to be so employed.

(v) (1) No short shift of females under these emergency provisions shall be substituted for any existing afternoon or night shift carried on by male labour.

(2) Where two shifts of females are employed by virtue of these provisions as well as a night shift of males, at least one shift of females shall be dispensed with, if and when it is desired to work only two shifts.

(e) Except in the case of employees employed under the provisions of sub-clause (d) of this clause, shift-workers (adult and junior), whilst working intermediate or night shifts, shall for such shifts be paid at the rate of 10s. per week in addition to the rates payable to day shift workers.

(f) Short shifts of male employees over 17 years of age may be worked at the discretion of the employer. For work done on such shifts (other than between noon on Saturday and midnight on Sunday), payment shall be made at the rate of 10s. per week of 44 hours in addition to the rates payable to day shift workers.

(g) As far as practicable employees shall work shifts in rotation.

(h) Subject to the provisions of sub-clause (d) of this clause and except in the case of employees working in a continuous process in the production of wool tops, for all work done by a shift worker on Saturday afternoon, time and a half shall be paid until 5 p.m., and thereafter double time.

(i) An employee who is required to change from one shift to another without two days' notice of such change of shifts, shall be paid 3s. extra as compensation for change.

(j) Shift workers may be required to work until the completion of their shifts on holidays without the payment of holiday rates, provided they are not required to work on the night shift commencing on a holiday.

Where a holiday prescribed by this Determination is observed on a Monday, shift-workers may be given time off on the shift commencing on the Sunday night preceding a holiday, and in such event shall be required to work on the usual night shift commencing on the holiday, without additional pay.

Provided that where an employee works two complete shifts on a holiday, both shifts shall be paid for as holiday shifts.

## TERMS OF ENGAGEMENT.

10 (a) Engagement in the industry shall be on an hourly basis except that notice equivalent to 44 working hours shall be given on either side to terminate employment. Such notice may be given at any time. This shall not affect the right of the employer to stand down employees at any time when no work is offering, or to dismiss any employee without notice for malingering, inefficiency, neglect of duty or misconduct (in which case wages shall be paid up to the time of dismissal only), or to deduct payment for any day the employee cannot usefully be employed because of any strike by the Union or any other union, or through any breakdown of machinery, or any stoppage of work, or any cause for which the employer cannot reasonably be held responsible.

(b) In lieu of such 44 working hours' notice, except under circumstances referred to in sub-clause (a) hereof, the employer may pay 44 hours' wages, and vice versa, the employee leaving his or her employment without notice shall forfeit 44 hours' wages, which may be deducted from any wages due.

(c) Where the employer terminates the employment of an employee within two weeks prior to a day on which a holiday occurs, and such employee is re-engaged within a period of two weeks after such holiday or holidays, the employee shall be paid for such holiday or holidays prescribed by this Determination, provided that such employee has been employed by the employer for a period of at least two weeks prior to the termination of employment.

(d) Subject to the continuance of existing practices of the Weaving Section of the industry, an employee starting work shall be entitled to at least half a day's pay if ready and willing to work for same.

## MEAL HOURS.

11. (a) A meal interval of not less than 45 minutes and not more than one hour shall be allowed each day provided that by mutual arrangement between the employees and the employer a shorter meal time may be fixed, in which case it shall not be less than 30 minutes.

(b) Time and a half rates shall be paid to any employee required to work during his meal hour. No employee shall be compelled to work more than five hours without a break for a meal.

Provided, however, that where three shifts are worked in a continuous process, and it is mutually arranged, there shall be no break for meals, but employees may take their meals in the employer's time as opportunity offers.

(c) An employee engaged in the maintenance of plant shall, when breakdowns occur, work meal hours at the ordinary rates herein prescribed whenever instructed so to do.

(d) Meal intervals, having been fixed, shall not be altered, except on seven days' notice to the Union.

## HOLIDAYS AND SUNDAY WORK.
