*Local Government (Building Regulations) Act 1940.*

PROCLAMATION EXTENDING THE OPERATION OF THE  
UNIFORM BUILDING REGULATIONS.

PROCLAMATION

By His Excellency the Governor of the State of Victoria  
and its Dependencies in the Commonwealth of Australia,  
&c., &c., &c.

WHEREAS section 14 (2) of the *Local Government (Building Regulations) Act 1940* provides, *inter alia*, that the Governor in Council may, by Proclamation published in the *Government Gazette*, at the request of the council of any municipality (not being a city, or town) extend the operation of the Regulations made under that Act to the municipal district of such municipality, or any part thereof: And whereas the Councils of the municipalities of the Shires of Charlton and Wodonga have requested that the operation of the said Regulations be extended to parts of the municipal districts of such municipalities: Now, therefore, I, the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, by this, my Proclamation, do hereby extend the operation of the Regulations made under the *Local Government (Building Regulations) Act 1940* to parts of the municipal districts of the Shires of Charlton and Wodonga, as set out hereunder:—

*Shire of Charlton.*

Township of Charlton.

*Shire of Wodonga.*

- (a) The whole of the Wodonga Water Trust Area, as published in the *Government Gazette* of the 8th October 1897.
- (b) The whole of Crown allotment 1 of section J, Crown allotments 4 and 8 of section 5, and Crown allotment 1 of section 4, all in the Parish of Wodonga.
- (c) The whole of the area comprised within the boundaries of the Township of Wodonga on the east side of the Wodonga Water Trust Area to the western boundary of the Wodonga Pre-emptive Right.

And do further provide that the said Regulations (other than those contained in Parts I. and II. of Chapter 8 thereof) shall come into operation in the above-mentioned parts of the municipal districts of the said municipalities on publication of this Proclamation in the *Government Gazette*, and that the Regulations contained in the said Parts I. and II. of Chapter 8 shall come into operation therein on the first day of June, 1946.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this fifth day of March, in the year of our Lord One thousand nine hundred and forty-six, and in the tenth year of the reign of His Majesty King George VI.

(L.S.) WINSTON DUGAN.

By His Excellency's Command,

P. J. KENNELLY,  
Commissioner of Public Works.

GOD SAVE THE KING!

BANK HOLIDAY.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

IN pursuance of the provisions contained in Part III. of the *Banks and Currency Act 1928*, I, the Governor of the State of Victoria, in the Commonwealth of Australia, do by this my Proclamation appoint the day and date named hereunder a special day to be observed as a Bank Holiday at the place respectively mentioned, that is to say:—

*Bank Holiday:—*

WEDNESDAY, 27TH MARCH, 1946, at DROUIN.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twelfth day of March, in the year of our Lord One thousand nine hundred and forty-six, and in the tenth year of the reign of His Majesty King George VI.

(L.S.) WINSTON DUGAN.

By His Excellency's Command,

W. SLATER,  
Chief Secretary.

GOD SAVE THE KING!

Cemeteries Acts.

FOOTSCRAY PUBLIC CEMETERY.

RULES AND REGULATIONS.

IN pursuance of the powers conferred by the *Cemeteries Act 1928*, the Trustees of the Footscray Public Cemetery make the following Rules and Regulations, which shall come into force immediately after their publication in the *Government Gazette*.

All Rules and Regulations in force prior to the date of the coming into operation of these Rules and Regulations shall be and the same are hereby repealed, saving all existing rights.

PART I.

General.

1. All fees and charges shall be paid to the Trustees when applications are made or orders given, but any person who, so desires may, with the consent of the Trustees, lodge with the Trustees such sum of money as may be estimated to be sufficient to cover the amount of fees and charges likely to be incurred by him during a period of one month, and to the extent of the sum so lodged on account for such fees and charges will be rendered to him monthly. In default of payment within three days after the rendering of the account such deposit shall be used by the Trustees to pay such fees and charges, but without prejudice to the right of the Trustees to recover from such person any amount of fees and charges owing by him in excess of the sum so deposited.

2. That any person desiring ground within the cemetery for a private grave, vault, tomb, mausoleum, monument, cenotaph, tombstone, or other erection, or for any other purpose, shall apply to the Trustees therefor. If approved, the Trustees, on the payment of the required fees, shall issue to such person so applying a Certificate of Right of Burial in the form specified in Schedule "A."

3. No person being the owner of an exclusive right of burial shall transfer such right without the consent of the Trustees. Upon the Trustees having consented, and the transferor having delivered up the existing Certificate of Right of Burial, and paid the charge prescribed by the Trustees, a new certificate shall be issued.

The exclusive right of burial in any burial place within the cemetery shall be purchased before any interment therein (with the exception of those places in public sections), and the full name and address of such purchaser must be supplied.

4. Upon satisfactory evidence being produced to the Trustees that a Certificate of Right of Burial has been lost or destroyed, and upon the charge prescribed by the Trustees being paid a fresh certificate shall be issued by the Trustees.

5. That unless otherwise ordered the principal entrance of the cemetery shall be open daily from 8 a.m. to 6 p.m. on week days, and from 8 a.m. to 5 p.m. on Sundays and public holidays.

6. Breaking out of procession after entering the cemetery is forbidden. No motor vehicle shall proceed at a faster pace than 15 miles per hour, and no horse-drawn vehicle at faster than walking pace within the cemetery. No motor bicycle or push bicycle shall be ridden within the cemetery except by special permission.

7. All persons driving motor or other vehicles in the cemetery shall obey the directions of the secretary or other officer duly approved by the Trustees in every respect in regard thereto.

8. No person shall, without the consent in writing of the Trustees, enter or remain in the cemetery at a time when same is not opened to the public, as provided in Regulation 5 hereof.

9. No person shall, without the consent in writing of the Trustees, drive or propel any vehicle into or on any road or path within the cemetery unless same is shod with pneumatic tires.

10. No photograph shall be taken in the cemetery without the written authority of the Trustees being first had and obtained.

11. No child under ten years shall be admitted into the cemetery except in charge of a responsible person.

12. No person shall—

- (a) Affix any bill or stencil mark to any tree, seat, gate, post, fence, wall, pillar, railing, kerbing, or memorial erection in the cemetery or its approaches.
- (b) Cut, break, remove, or deface any of the statuary, trees, shrubs, plants, seats, gates, posts, fences, or erections in the cemetery.
- (c) Write upon any of the statuary, trees, shrubs, plants, seats, gates, posts, fences, or erections in the cemetery.
- (d) Cut, pluck, gather, take, or injure any of the plants, flowers, or fruit in the cemetery.
- (e) Interfere with or injure any of the grass plots, trees, shrubs, flowers, vases, labels, fish, birds, animals, or other property in the cemetery.
- (f) Do any injury or damage to any road or pathway in the cemetery.
- (g) Remove or interfere in any way with or injure any article whatsoever attached to the land or built or placed on or in any grave or burying place or land in the cemetery.
- (h) Climb any of the trees or shrubs in the cemetery, or climb or jump over any of the seats or fences therein, or stand or lie on any of the seats therein.
- (i) Behave in an improper or offensive manner, or use bad language, or commit any act of indecency within the cemetery.
- (j) Drive or cause to be driven any motor vehicle within the cemetery at a speed in excess of 15 miles per hour.
- (k) Ride or drive any animal or vehicle except on the defined main road of the cemetery.
- (l) Carry on within the cemetery any trade, business, or calling, or promote or advertise the same by any means whatsoever without written permission.
- (m) In the employ of the Trustees within the cemetery interfere in or suggest the engagement of any monumental mason or sculptor, stone-cutters, or others, to erect or repair monuments or to do any other work in the cemetery.
- (n) Other than relatives of the deceased therein interred or the owner for the time being of the Certificate or Right of Burial or his relatives, dress or decorate any grave within the cemetery without first obtaining the written authority of the Trustees so to do. Such authority shall be subject to such conditions as the Trustees shall direct, and be in the form set out in Schedule "C" or such other form as may from time to time be approved by the Trustees.
- (o) Sell or buy any article or thing in the cemetery.
- (p) Distribute any handbill, card, circular, or advertisement in the cemetery.
- (q) Disturb any funeral service at any grave.
- (r) Cause or permit or suffer any animal to trespass or stray or be at large within the cemetery.
- (s) Do any work near a grave where a burial service is being performed.
- (t) Employed under the Trustees, be permitted to accept any gratuity whatever in the discharge of his duty, nor shall he be allowed to be pecuniarily interested in any work in the cemetery other than that for which he received payment by the Trustees, and any person employed under the Trustees accepting any such gratuity or being pecuniarily interested in any such work shall be liable to be summarily dismissed.

- (u) Carry firearms, pea rifles, or other offensive weapons.
- (v) No female may enter the enclosure set apart for exclusive use of males.
- (w) No male above the age of seven years may enter any enclosure set apart for the exclusive use of females.

13. Any workman or other employee, whether employed by the Trustees or by any other person, shall at all times while in the cemetery be subject to the supervision, directions, and control of the Secretary or other officer duly appointed by the Trustees, and shall obey all such directions, and may be removed from the cemetery upon any breach of the Regulations, or any refusal or neglect to comply with or obey any such directions.

14. When, in the opinion of the Trustees, any tomb, monument, tablet, gravestone, or other erection is, or is likely to become dangerous, the Trustees shall, where practicable, give notice in writing to the owner or person responsible, to repair, if his place of abode can be ascertained. If within reasonable time such repair is not effected, the Trustees may take down and remove such monument, tablet, gravestone, or other erection, and sell or otherwise dispose of the materials of which same was composed. The trustees shall not be required to account for the proceeds of such sale, or for such disposition of the materials. A notice sent by prepaid post to the address of such owner or person last known to the Secretary shall be sufficient notice under this regulation.

15. All memorial stones, iron railings, or other monumental appendages, and all decorations which have been allowed to fall into decay, and present a dilapidated and unsightly appearance, also all trees and shrubs, &c., which the Trustees may consider unsuitable, or may have become unsightly or overgrown, or appearing to cause injury to any erection, &c., may be removed altogether by the Trustees from the place of burial on which they have been erected or placed at any time after the expiration of thirty days after notification in writing has been given, as far as practicable, to the owner or person responsible for such grave. A notice sent by prepaid post to the address of such owner or person last known to the Secretary shall be sufficient notice under this regulation.

16. All rubbish is to be placed in the receptacles provided in the cemetery for that purpose.

17. All fees and other charges which the Trustees are by these Rules and Regulations authorized to impose may be sued for and recovered in any court of competent jurisdiction.

18. The Trustees may charge and receive the fees and charges provided in Schedule hereto.

19. Any person desiring to have a monument or place of burial kept in order in perpetuity may do so by depositing in the hands of the Trustees a sum of money which shall be determined by the Trustees in each case, and by executing an agreement with the Trustees containing such provisions and conditions as the Trustees think fit. The Trustees shall not be called upon to re-erect any vault, monument, or other structure which may fall or become damaged through defective work or other causes, and all work must be in thorough order and repair prior to the Trustees accepting responsibility for such maintenance.

20. The Secretary, or other proper officer duly appointed by the Trustees as referred to in these Rules and Regulations, means the person for the time being employed by the Trustees as the Secretary or other officer in charge of the cemetery, and such person shall, subject to the Trustees, exercise a general supervision and control over all matters pertaining to the cemetery, and to the carrying out and enforcement of these Rules, and subject to the provisions of the Cemeteries Act the direction of such person shall in all such matters, and for all purposes, be presumed to be and to have been the direction of the Trustees.

#### Interments.

21. Every application for interment in the cemetery shall be made at the office of the Trustees, and shall be accompanied with a Certificate of Right of Burial and such particulars as are set out in Schedule "C" to these Rules and Regulations, and no order for interment shall be issued until such particulars and all fees, costs, and charges as fixed by these Rules and Regulations are paid to the Trustees.

22. Every coffin shall have on the lid a lead, copper, or other approved plate, with the name of the deceased distinctly stamped or engraved thereon.

23. Every undertaker or person bringing a body for interment shall make such interment under the direction of the Secretary or Officer in Charge.

24. No body or portion of a body shall be buried in a grave except it be fully encased in a coffin of wood.

A stillborn child shall be suitably encased.

25. Any person desiring to reopen a grave or a vault for the purpose of an interment shall, not less than eight hours prior to the time fixed for each interment, remove the head and foot stones, kerbing slabs, and/or monuments necessary to permit of such interment, and shall immediately after the interment duly and properly replace same in the conditions in all respects (subject to the approval of the Trustees) in which the same were prior to removal.

26. Notwithstanding the last preceding regulation, and without being obliged so to do, the Trustees may, if they think fit, and upon due notice and payment of the costs and charges, undertake the removal and replacement of head and foot stones, kerbings, slabs, and monuments, &c., when graves or vaults are required to be opened, but shall not be responsible for any damage which may occur in the performance of such work. If due notice be not given, and the costs and charges are not paid as aforesaid, the Trustees will not undertake the re-opening of such grave or vault.

27. The Trustees shall cause all ordinary graves to be dug, but any person requiring a brick grave, vault, mausoleum, or other similar erection shall be permitted to construct the same under directions of the Secretary or other proper officer on payment of the required fees, and every coffin placed therein shall be bricked in, cemented, and covered by a slab of stone, slate, or iron.

28. The time appointed for any funeral to arrive at the cemetery shall be notified to the Secretary at least eight working hours before the time appointed for such arrival, and such time shall be punctually observed. An extra fee of 10s. 6d. for each half hour or portion thereof shall be charged in the event of arrival of any funeral after the time appointed therefor.

29. No coffin shall be allowed to be deposited in any vault in the cemetery unless such coffin shall have an inner leaden coffin, or casement of lead, and a certificate to that effect, duly signed by the undertaker supplying such coffin, shall have been furnished to the Secretary.

30. No interment shall be permitted in any private grave, vault, mausoleum, or other erection without the production of the Certificate of Right of Burial or other evidence to the satisfaction of the Trustees that the person desiring to bury therein is entitled to do so, except as provided for in the next rule.

31. In the case of an application for interment in any private grave, vault, mausoleum, or other erection to which during life the deceased had no claim, the written consent of the owner or the legal holder for the time being of the Certificate of Right of Burial shall be given with the application.

#### Masonry.

32. The Trustees may issue a licence to any qualified person desiring to be licensed as a monumental mason for the purpose of undertaking work in the cemetery. Every licence issued shall be the property of the Trustees, and shall be held by the licensee subject to the provisions of these Rules and Regulations, and shall be delivered up to the Trustees upon demand.

Where the Trustees have suspended or cancelled any licence, they may re-issue the same or a substituted licence subject to such conditions as the Trustees think fit.

A person holding a licence under these Regulations shall at all times comply with the provisions of these Rules and Regulations and with the terms of all authorities, orders, notices, and directions issued, given, or exhibited under the authority of these Rules and Regulations.

A person holding a licence under these Regulations shall forthwith from time to time when thereunto required by the Trustees furnish to the Secretary, in writing, true and accurate information of and concerning all works carried out by the licensee in the cemetery during the period or periods specified in the requisition of the trustees.

No person who is not licensed as a monumental mason under these Regulations shall undertake any work within the cemetery.

This regulation shall not apply to employees of the Trustees whilst engaged in their employment under instruction of the Trustees.

33. Any person desiring to erect any memorial or other erection within the cemetery or to kerb land in respect of which he is the holder of an exclusive right of burial shall make or cause to be made application for a permit, in writing, authorizing such work to be carried out.

34. In the case of erections and/or kerbing, renovations, alterations, the engraving of inscriptions or any other work permitted under these Rules and Regulations, all such applications shall be made by the holder of a licence issued by the Trustees as mentioned in Regulation 32 hereof, and the owner's consent, in writing, to the carrying out of such work shall be submitted with the application.

35. All applications shall be made in the form of Schedule "E" of these Regulations, and all information required by the Trustees as indicated on such Schedule shall be furnished by the applicant.

36. All applications shall be lodged with the Secretary or Sexton at his office.

37. A copy of every proposed inscription and drawing of every proposed memorial, erection and kerbing, drawn to scale or with figured overall measurements thereon, and a statement of the approximate weight of such memorial (on Schedule "E" as supplied by the Trustees) shall be submitted to the Secretary and approved of by him prior to the cutting or erection of the same.

38. Each application form and copy of proposed inscription shall be printed, typed, or completely written in ink, and the drawing tendered shall be drawn in ink, and every form, copy of inscription, or drawing not complying with this regulation, or which is soiled, unclean, or dilapidated, shall be rejected.

39. All information furnished by a monumental mason on the application form Schedule "C" shall be correct, and he shall sign the application form in verification of its correctness.

40. Every permit issued by the Secretary or Sexton for the erection or carrying out of work must be delivered to the Secretary or Officer in Charge, or lodged at the office before such work is commenced. If for any reason work which is commenced should be left incomplete, the site and surroundings must be left thoroughly clean and tidy to the satisfaction of the Officer in Charge.

41. All persons (other than employees of the Trustees) who have obtained a permit authorizing the carrying out of any work in the cemetery shall commence work not earlier than 8 a.m. on a working day (being Mondays to Saturdays, both inclusive, only, and not including Cemetery Employees' Award holidays) during which the cemetery is open, and shall work not later than 5 p.m. on Mondays to Fridays, and 11.30 a.m. on Saturdays.

42. All materials required in construction of any stone or other work shall be fully prepared before being taken into the cemetery.

43. No material with a fault of any description shall be used in any erection or construction within the cemetery.

44. No material of any description shall be delivered to the cemetery or placed on any portion therein by any person without the consent of the Secretary or Officer in Charge, and all materials so delivered shall be deposited only where directed by such Secretary or Officer in Charge, and such Secretary or Officer in Charge shall have the right to order the removal of any materials deposited on any site without such consent or contrary to such direction.

45. No memorial work shall be taken from the cemetery for the purpose of making alterations or additions thereto without the consent of the Secretary or Officer in Charge having first been obtained.

46. No stone or other material shall be rolled or levered along roads or pathways or over lawns, but must be moved upon a hand-truck, and where considered necessary by the Secretary or Officer in Charge the hand-truck must be drawn over planks.

47. If it is desired to unload stones from a vehicle on to a roadway, pads must be provided on to which the stones shall fall.

48. All refuse and other rubbish remaining after the execution of any work shall be removed immediately by the person who carried out such work, and he shall immediately repair and make good, to the satisfaction of the Secretary or Officer in Charge, all damage caused by him in the execution of such work.

49. The Trustees may, in such portions of the cemetery as they see fit, disallow the construction of concrete and granolite kerbs and headpieces, but in portions where such method of construction is permitted, the following rules as hereunder set out shall be strictly observed:—

- (a) Concrete to be composed of a mixture of four (4) parts bluestone or granite screenings of a grade not larger than 1 inch, two (2) parts clean sharp sand or stone dust, and one (1) part first quality cement.
- (b) Concrete or granolite to be finished with smooth plain face.
- (c) Foundations to consist of four (4) piers; such piers shall be carried to the bottom of the grave as directed by the Secretary or Officer in Charge.
- (d) Each and every kerbing shall be reinforced with No. 2 mild steel rods,  $\frac{1}{2}$  inch in diameter, the ends of which shall be properly lapped at the corners.
- (e) Headpieces shall be not more than 24 inches in height above the kerbing, and not less than 6 inches in thickness, with splayed central portion, the central portion to be filled with an inscription panel of natural stone, and such panel shall be of a thickness of not less than 1 inch.
- (f) Plain name panels of natural stone will be permitted to be set in the kerbing.

50. All work shall be erected on proper and substantial foundations constructed of concrete or first quality bricks set in cement mortar. Concrete shall be composed of a mixture as specified in clause 49 (a).

51. Foundations for all memorials on allotments 8 feet by 4 feet, or multiples thereof, shall be carried to the full depth of the grave.

52. Foundations for memorials on allotments other than 8 feet by 4 feet, or multiples thereof, shall be carried to the solid clay for single courses of kerbing or light work, and to the full depth of the grave for double courses of kerbing or heavy work weighing more than 3 tons.

Kerbings and posts erected on base course shall also be permanently affixed with mild steel dowels (two dowels to each kerbing), such dowels to be not less than  $\frac{1}{2}$  inch in diameter and 3 inches long.

53. The Officer in Charge may insist on deep foundations for all work in portions of the cemetery where the ground is unstable or where it is considered that ordinary foundations would be unsuitable.

54. The foundations for memorials or kerbings on single or double allotments shall consist of not less than four piers, the minimum size of any pier being 12 inches by 9 inches. Where a kerbing is constructed of more than four stones, one foundation pier not less than 12 inches by 9 inches shall be placed under each joint. If a borer is used the area of the pier shall be not less than an area 12 inches by 9 inches.

55. For monuments, mausoleums, vaults, or special designs, proper foundations constructed to suit the design shall be carried to the full depth of the grave.

56. Before any foundation work is commenced a decision must first be obtained from the Secretary or Officer in Charge as to the type and manner of construction of same, and such decision shall be faithfully obeyed in the execution of such work, which shall be carried out under the direction and supervision of the Trustees' officers.

57. Kerbings and memorials, including all projections, shall not project beyond the boundary of the allotment, and shall be set in line, plumb and level.

58. Rock-faced work shall not project more than  $1\frac{1}{2}$  inch beyond the arris or pitch line.

59. When a kerbing or memorial is erected the whole space between the new kerbing and the adjoining kerbings shall be filled with concrete to the satisfaction of the Officer in Charge. Concrete laid in the form of paving shall be not less than 3 inches thick, and shall be of the same specification as the concrete for foundations as specified in clause 49 (a).

60. The minimum thickness of any kerbing for allotments 8 feet by 4 feet or multiples thereof shall be 9 inches.

61. Plain kerbings up to 8 feet long shall be in one stone only, but kerbings for special designs may be in shorter stones providing that proper foundations as specified in clause 54 are placed under each joint.

62. All stones or kerbings, mountings, and memorials shall be securely dowelled together with not less than one dowel or cramp of  $\frac{1}{2}$  inch diameter mild steel to each joint. Dowels or cramps shall be properly grouted with liquid cement. The use of sulphur is strictly prohibited in the fixing of any work.

63. Headstones up to 2 inches thick shall be securely joggled into the kerbing, and headstones from 2 inches to 6 inches thick shall be either joggled into or securely dowelled to the kerbing, and such dowels shall be not less than  $\frac{3}{4}$  of an inch in diameter of mild steel, the length of which and the number required shall be determined by the Secretary or Officer in Charge.

64. No headstones shall be less than—

- 1 inch thick up to 2 ft. 6 in. high.
- $1\frac{1}{2}$  inch thick from 2 ft. 6 in. to 3 ft. 6 in. high.
- 2 inches thick from 3 ft. 6 in. to 4 ft. 6 in. high.
- 3 inches thick over 5 ft. 6 in. high to 6 ft. 6 in. high.

65. No ledger or covering slab shall be less than 2 inches thick.

66. Every ledger or covering slab shall have a bearing not less than 1 inch wide on the kerbing.

67. A continuous metal railing around an allotment shall have a continuous stone kerbing under it.

68. No wooden structure will be permitted.

69. Every new kerbing or memorial shall have the grave number clean cut and painted in block type figures 1 inch high on the foot kerb, and this shall also apply when permission is given for the renovation of any memorial or kerbing.

70. When graves are to be covered with concrete and chippings or pebbles such concrete covering shall be not less than 2 inches thick, and shall be composed of four parts bluestone or granite screenings, two parts clean sharp sand to one part first quality cement. A brick or concrete support shall be placed in each corner.

71. Concrete coverings shall be set within the kerbing and shall not be made in the form of ledges projecting above the kerbing.

72. All work shall be solidly and substantially built and properly finished to the satisfaction of the Secretary or the Officer in Charge. Notwithstanding anything in these Regulations, the Secretary or Officer in Charge may order the removal of any work which in his opinion is shoddy, flimsy, or in which inferior materials have been used, or where faulty workmanship has been performed.

73. A deposit of £1 shall be made by all masons, corporations, firms, or others contracting or authorized by the holders of a Certificate of Right of Burial to do any such work, which will be repaid to them upon their having complied with all the Rules, Regulations, and By-laws of the cemetery, and upon their having removed all surplus soil and refuse caused by the performance of such work, and made good to the satisfaction of the Officer in Charge any and all damage

caused by them, or in default of same the said sum shall be applied towards such purpose as far as it will extend, and the said mason and others shall be liable for any deficiency.

74. The designer's or mason's name and address may, with the owner's consent, be placed upon memorial work, providing that the lettering is not more than  $\frac{1}{2}$  inch size. In cases where firms have trade name plates of approved design the area of such plate shall not exceed 10 square inches.

75. When any vault, monument, tablet, gravestone, monumental inscription, kerbing, railing, or other erection has been erected, built, or placed in the cemetery contrary to these Regulations or without the order of the Trustees contrary to the terms and conditions of authority to erect, build, or place the same, the Trustees may take down and remove such vault, monument, tablet, gravestone, monumental inscription, kerbing, railing, or other erection.

76. Touting for business within the cemetery area is strictly forbidden, and cemetery employees are not permitted to act as agents for monumental masons, directly or indirectly, or to receive gratuities or commissions of any kind. Any employee of the Trust not complying with this regulation will be subject to summary dismissal.

77. No monumental mason or his employees shall enter the cemetery for business purposes on any Saturday after 1 p.m., or on any Sunday or holiday, unless he shall have notified the Secretary of the cemetery beforehand of a definite appointment with a client, or unless he shall have brought such client to the cemetery. The licence of any monumental mason failing to comply with this rule may be immediately cancelled.

78. No soil shall be taken from any portion of the cemetery for the purpose of dressing any grave except by permission of the Secretary or Officer in Charge.

79. All Certificates of Right of Burial shall be signed by not less than three of the Trustees and by the Secretary.

Dried Fruits Act.

APPOINTMENT OF INSPECTOR.

IN accordance with the provisions of section 14 (1) of the Dried Fruits Act, the person named hereunder is hereby appointed as an Inspector under the said Act:—

CLARENCE N. HALL.  
PARKER J. MOLONEY, Chairman,  
Victorian Dried Fruits Board.

Melbourne, 7th March, 1946.

RULES OF THE SUPREME COURT MADE UNDER THE MATRIMONIAL CAUSES ACT 1945 OF THE COMMONWEALTH.

IN pursuance of the powers conferred by the *Matrimonial Causes Act 1945* of the Commonwealth and all other powers hereunto enabling, the following Rules are made:—

1. These Rules shall come into force on the 1st day of February, 1945, and shall apply to all proceedings commenced on or after that date.
2. In these Rules—  
“The Act” means the *Matrimonial Causes Act 1945* (No. 22 of 1945) of the Commonwealth.  
“The State” means the State of Victoria.  
“The Court” means the Supreme Court of the State of Victoria.  
“Judge” means a Judge of the Supreme Court of Victoria.
3. These Rules shall apply to all proceedings instituted under the Act.
4. The forms in the Appendix, where they are applicable, and, where they are not applicable, forms of the like character, with such variations as circumstances may require, shall be used.
5. The Rules, practice, and mode of procedure now or hereafter in force in the Court in its Divorce and Matrimonial Causes Jurisdiction shall, as far as applicable, and where these Rules do not otherwise provide, be adopted and be in force in all proceedings instituted under the Act.
6. A claim for relief under the Act may be made alternatively with a claim for relief under the law of the State.
7. All applications for decrees of nullity of marriage, dissolution of marriage, judicial separation, declaration as to jactitation of marriage, or restitution of conjugal rights shall be made by petition.
8. There shall be filed with every petition an affidavit by the petitioner, and if necessary an affidavit or affidavits by some other person or persons verifying paragraph by paragraph the facts, acts, and conduct stated in the petition, distinguishing those within the personal knowledge of the deponent, and those which the deponent can verify only from belief, and in the latter case stating the grounds for such belief, and stating the grounds on which the allegation of the domicile of the petitioner and respondent is based, and also verifying fully and distinctly with dates and all other particulars so many of the following acts and circumstances as are applicable to each case, or assigning explicit reasons for omitting to do so:—  
(1) Age and place of birth of husband and wife respectively.  
(2) Domicile of petitioner and of respondent immediately before marriage and residence of each party since marriage.

- (3) Condition of life and means of livelihood of husband and wife respectively both before and after marriage.
- (4) Names, sexes, ages, and places of birth of living children, if any.
- (5) Cohabitation, tracing it clearly from marriage to last determination, showing fully when, why, and under what circumstances it ceased.
- (6) Separation or separations, if any, and causes thereof, and substance of deed of separation, if any executed.
- (7) Origin of acquaintance of adulterer or adulterers.
- (8) Fact and time of adultery.
- (9) All occasions on which, within the petitioner's knowledge, adultery has been committed.
- (10) The precise occasion when petitioner first suspected any improper or adulterous intercourse.
- (11) Reasons, if any, for not having sooner instituted proceedings.
- (12) Any other facts or circumstances within the petitioner's knowledge bearing on the petition.
- (13) Distinct and unequivocal denial of all collusion or connivance, past or present, direct or indirect, with the respondent or any person liable to be made respondent.

9. A respondent may include with his answer a petition for nullity of marriage, dissolution of marriage, judicial separation, declaration as to jactitation of marriage, or restitution of conjugal rights. Such petition shall bear a heading "Counter Petition," and shall be divided into paragraphs numbered separately from the paragraphs of the answer.

10. A petition included by the respondent with his answer shall, as regards pleading and otherwise, be governed by the same rules as apply to petitions generally as far as they may be applicable, but, in respect to the affidavit or affidavits required to be filed with the petition, it shall be a sufficient reason for not verifying any of the acts and circumstances numbered (1), (2), (3), (4), (5), and (6) in Rule 8 of these Rules, or Rule 3 of the Rules of the Supreme Court 1916, Chapter II., as the case may be, that it has been truly and sufficiently verified by the affidavit or affidavits filed by the petitioner with his petition.

11. Where any proceedings instituted under the Act are pending in court any party interested may apply by summons to a Judge who may make such order continuing or staying the proceedings on such terms as he may think just.

12. Every petition or answer wherein any relief is asked against the petitioner shall bear an indorsement stating in accordance with the law of what State relief is asked for.

IN pursuance of the powers conferred on us by the Supreme Court Acts and any other powers hereunto enabling, the following Rules are made and shall take effect as from the 4th day of March, 1946:—

*Rules of Procedure on Appeals from Courts of Marine Inquiry under Section 375b of the Navigation Act 1912-1942.*

(1) Appeals from a Court of Marine Inquiry established under the *Navigation Act 1912-1942* shall, unless otherwise ordered, be heard by a Judge of the Supreme Court assisted by two assessors.

(2) Within fourteen days of the filing of the notice of appeal, or within such time as may be ordered by a Judge of the Supreme Court, the appellant shall file one and lodge three copies of the appeal book containing a record of the proceedings before the Court of Marine Inquiry, including the evidence, the exhibits, the findings, and the reasons of the Court, and shall within the time specified serve four copies of the appeal book upon the Registrar of the Court of Marine Inquiry and two copies thereof upon any other interested party to the appeal. The appeal books may be duplicated by the roneo or other approved duplicating process unless otherwise ordered by a Judge of the Supreme Court.

(3) Any party interested in the appeal may apply on summons supported by affidavit to a Judge of the Supreme Court for directions.

Dated this 4th day of March, 1946

## BEALIBA WATERWORKS TRUST.

RATING BY-LAW, 1946.

THE Commissioner of the Bealiba Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of One shilling and four pence in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Bealiba Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Thirty-six shillings and eight pence, and in respect of any land on which there is no building less than Five shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing 1st January, 1946, and ending on the 31st December, 1946, and shall be payable on the 15th March, 1946, at the office of the Trust, Dunolly.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling and four pence per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling and four pence per 1,000 gallons.

The charge for water supplied by measure to any property not rated by the Trust is hereby fixed at One shilling and four pence per 1,000 gallons, and the minimum quantity of water to be charged for in cases where water is so supplied is hereby fixed at 33,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the offices of the Trust, Dunolly.

Passed this 18th day of February, 1946.

(SEAL) W. K. CAMERON, Chairman.  
K. A. G. LOWE, Secretary.

## PORT FAIRY WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1946.

THE Port Fairy Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of One shilling and five pence in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Port Fairy Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Twenty-eight shillings and four pence, and in respect of any land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the first day of January, 1946, and shall be payable on the twentieth day of March, 1946, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the Trust is hereby fixed at the quantity which, at a charge of One shilling per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the Trust.

Passed this 20th day of February, 1946.

(SEAL) ALEX. G. HILL, Chairman.  
N. M. SIMMONS, Secretary.

## SHIRE OF TUNGAMAH WATERWORKS TRUST.

RATING BY-LAW FOR 1946 IN THE URBAN DISTRICT OF TUNGAMAH (BY-LAW No. 195).

THE Shire of Tungamah Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Thirty-one pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Tungamah Urban District.

Provided that in no case shall the amount of rate payable in respect of any tenement (other than land on which there is no building) be less than One pound six shillings and eight pence, and in respect of land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1946, and shall be payable on the 1st day of April, 1946, at the office of the Trust.

For every trough a minimum sum of Forty shillings per annum shall be charged.

The aforesaid charges shall be payable on demand.

Passed this 4th day of February, 1946.

The seal of the Trust was hereto affixed, this 4th day of February, 1946, in the presence of—

(SEAL) C. SAMPSON, Chairman.  
A. MULQUINEY, Commissioner.  
F. E. BARTLETT, Secretary.

## SHIRE OF TUNGAMAH WATERWORKS TRUST.

RATING BY-LAW FOR 1946 IN THE URBAN DISTRICT OF KATAMATITE (BY-LAW No. 197).

THE Shire of Tungamah Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Twenty-six pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Katamatite Urban District.

Provided that in no case shall the amount of rate payable in respect of any tenement (other than land on which there is no building) be less than Twenty shillings, and in respect of land on which there is no building less than Five shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1946, and shall be payable on the 1st day of April, 1946, at the office of the Trust.

For every water trough a minimum sum of Forty shillings per annum shall be charged.

The aforesaid charges shall be payable on demand.

Passed this 4th day of February, 1946.

The seal of the Trust was hereto affixed, this 4th day of February, 1946, in the presence of—

(SEAL) C. SAMPSON, Chairman.  
A. MULQUINEY, Commissioner.  
F. E. BARTLETT, Secretary.

The foregoing Rating By-laws, made by the Bealiba, Port Fairy, and Shire of Tungamah Waterworks Trusts, respectively, were approved by the Governor in Council on the 5th March, 1946.

J. C. MACGIBBON,

LIST OF CROWN LANDS AVAILABLE.

THE under-mentioned areas are available for application as provided by various sections of the *Land Act 1928*, and all applications received on or before Wednesday, 10th April, 1946, will be deemed to have been simultaneously made, but any application lodged after such date may be considered if received in time for inclusion in the advertisement of the cases to be heard at the Local Land Board. Applications on proper form, accompanied by 5s. duty stamp uncancelled (registration fee), may be delivered or forwarded by post to the Local Land Officer or to any Crown Lands Office in Victoria. Applicants may obtain from Local Land Officers, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a return ticket at concession fares to enable them to inspect available areas or to attend Local Land Boards. When an applicant is granted an allotment he may, if travelling by rail, obtain reduced fares for his family and also freight concessions in regard to some of his effects.

Subject to the approval of the Minister, when the survey fee exceeds £10, a deposit of £5 may be paid, and the balance over six years in half-yearly instalments. Marked plans of any particular area, application forms, and any further information may be obtained from the Enquiry Office, Lands Department, Melbourne, and Land Officers, Ballarat and Red Cliffs.

An indenture of apprenticeship has been prescribed by the Board.

### Improvers.

One improver to every four workers receiving not less than 123s. per week.

\* Note.—The War Loading shall not be taken into account in the calculation of overtime and other penalty rates prescribed by this Determination.

### HEAT ALLOWANCE.

3. Any employee required to work in the dry rendering section artificially heated to more than 18 degrees Fahr. above the outside temperature shall be paid a heat allowance of 3d. per hour: Provided that no heat allowance shall be payable if the outside temperature does not exceed 87 degrees Fahr.

Notwithstanding anything herein contained where eight or more melting pots are in operation the allowance of 3d. per hour shall be paid for the whole shift.

### CASUAL EMPLOYEE.

4. A "casual employee" shall be paid the ordinary rate with the addition of 12½ per centum. For the purpose of this clause a "casual employee" shall mean a person who works less than three full days in any one week.

### HOURS OF WORK.

5. The maximum number of hours to be worked, without payment for overtime, shall be—

(a) Day work.—(i) 44 hours per week;

(ii) 8 hours per day on Monday, Tuesday, Wednesday, Thursday, and Friday between the hours of 7 a.m. and 5.30 p.m., and 4 hours on Saturday between the hours of 7 a.m. and 12 noon.

(b) Shift work.—(i) 44 hours per week or by mutual agreement between any employer and his employees 88 hours per fortnight, with a maximum of 48 hours in any one week;

(ii) 8 hours per day on Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday.

## OVERTIME.

6. All time worked in excess of the number of hours prescribed in clause 5 shall be paid for at the rate of time and a half.

## HOLIDAYS.

7. All weekly wage employees shall be granted the following holidays without deduction of pay:—New Year's Day, Australia Day, Good Friday, Easter Monday, Labour Day, Anzac Day, Melbourne Cup Day, Christmas Day, Boxing Day, and Butchers' Picnic Day, but if any other day be by Act of Parliament or Proclamation substituted for any of the abovenamed holidays in any place, all employees in that place shall be entitled to such day in lieu of the holiday for which it was substituted.

## ANNUAL LEAVE.

*Period of Leave.*

8. (a) A period of fourteen consecutive days' leave shall be allowed annually to an employee after twelve months' continuous service (less the period of annual leave) as an employee in any one or more of the occupations to which this Determination applies.

*Seven-day Shift Workers.*

(b) In addition to the leave hereinbefore prescribed seven-day shift workers, that is shift workers who are rostered to work regularly on Sundays and holidays shall be allowed seven consecutive days' leave including non-working days.

Where an employee with twelve months' continuous service is engaged for part of the twelve-monthly period as a seven-day shift worker, he shall be entitled to have the period of fourteen consecutive days' annual leave prescribed in sub-clause (a) hereof increased by half a day for each month he is continuously engaged as aforesaid.

*Annual Leave Exclusive of Public Holidays.*

(c) Subject to this sub-clause the annual leave prescribed by this clause shall be exclusive of any of the holidays prescribed by clause 7 of this Determination and if any such holiday falls within an employee's period of annual leave and is observed on a day which in the case of that employee would have been an ordinary working day there shall be added to that period one day for each such holiday falling as aforesaid.

Where a holiday falls as aforesaid and the employee fails without reasonable cause proof whereof shall be upon him to attend for work at his ordinary starting time on the working day immediately following the last day of the period of his annual leave he shall not be entitled to be paid for any such holiday.

*Broken Leave.*

(d) The annual leave shall be given and taken in a continuous period or, if the employee and the employer so agree, in two separate periods and not otherwise.

*Calculation of Continuous Service.*

(e) For the purposes of this clause service shall be deemed to be continuous notwithstanding—

- (i) any interruption or determination of the employment by the employer if such interruption or determination has been made merely with the intention of avoiding obligations hereunder in respect of leave of absence;
- (ii) any absence from work on account of personal sickness or accident or on account of leave lawfully granted by the employer; or
- (iii) any absence with reasonable cause proof whereof shall be upon the employee.

In cases of personal sickness or accident or absence with reasonable cause the employee to become entitled to the benefit of this sub-clause shall inform the employer in writing if practicable within 24 hours of the commencement of such absence of his inability to attend for duty and as far as practicable the nature of the illness injury or cause and the estimated duration of his absence. A notification given by an employee pursuant to clause 9 shall be accepted as a notification under this sub-clause.

Any absence from work by reason of any cause not being a cause specified in this sub-clause shall not be deemed to break the continuity of service for the purposes of this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the employee in writing that such absence will be regarded as having broken the continuity of service.

In cases of individual absenteeism such notice shall be given in writing to the employee concerned, but in cases of concerted or collective absenteeism notice may be given to employees by the posting up of a notification in the plant, in the manner in which general notifications to employees are usually made in that plant and by posting to the union whose members have participated in such concerted or collective absenteeism a copy of same not later than the day it is posted up in the plant.

A notice to an individual employee may be given by delivering same to him personally or by posting it to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

In calculating the period of twelve months' continuous service any such absence as aforesaid shall not, except to the extent of not more than fourteen days in a twelve-monthly period in the case of sickness or accident, be taken into account in calculating the period of twelve months' continuous service.

*Calculation of Service.*

(f) Service before the date of operation of this Determination shall be taken into consideration for the purpose of calculating annual leave but an employee shall not be entitled to leave or payment in lieu thereof for any period in respect of which leave or a payment in lieu thereof has been allowed or made under the clause hereby revoked. Provided however that in respect of service before the 1st January, 1946 the annual leave shall be allowed at the rate of 3  $\frac{1}{4}$  hours for each completed one month of continuous service and in respect of service after that date at the rate of 7  $\frac{1}{4}$  hours for each completed one month of continuous service. Any broken part of a month served before the 1st January, 1946, shall for the purposes of this clause be deemed to be service after the 1st January, 1946. The period of annual leave to be allowed under this sub-clause shall be calculated to the nearest day any broken part of a day in the result not exceeding half a day to be disregarded.

Where the employer is a successor or assignee or transferee of a business if an employee was in the employment of the employer's predecessor at the time when he became such successor or assignee or transferee the employee in respect of the period during which he was in the service of the predecessor shall for the purpose of this clause be deemed to be in the service of the employer.

*Calculation of Month.*

(g) For the purpose of this clause a month shall be reckoned as commencing with the beginning of the first day of the employment or period of employment in question and as ending at the beginning of the day which in the latest month in question has the same date number as that which the commencing day had in its month and if there be no such day in such subsequent month shall be reckoned as ending at the end of such subsequent month.

*Leave to be Taken.*

(h) The annual leave provided for by this clause shall be allowed and shall be taken and except as provided by sub-clause (l) hereof payment shall not be made or accepted in lieu of annual leave.

*Time of Taking Leave.*

(i) Annual leave shall be given at a time fixed by the employer within a period not exceeding three months from the date when the right to annual leave accrued and after not less than two weeks' notice to the employee.

*Leave Allowed Before Due Date.*

(j) An employer may allow annual leave to an employee before the right thereto has accrued due but where leave is taken in such a case a further period of annual leave shall not commence to accrue until after the expiration of the twelve months in respect of which annual leave had been taken before it accrued.

Where leave has been granted to an employee pursuant to this sub-clause before the right thereto has accrued due and the employee subsequently leaves or is discharged from the service of the employer before completing the twelve months' continuous service in respect of which the leave was granted the employer may for each one complete month of the qualifying period of twelve months not served by the employee deduct from whatever remuneration is payable upon the termination of the employment one-twelfth of the amount of wage paid on account of the annual leave, which amount shall not include any sums paid for any of the holidays prescribed by clause 7 of this Determination.

*Payment for Period of Leave.*

(k) Each employee before going on leave shall be paid two weeks' wages, except a seven-days shift worker who shall be paid the amount of wage he would have received in respect of the ordinary time which he would have worked had he not been on leave during the relevant periods. For the purposes of this sub-clause and sub-clause (l) hereof wages shall be at the rate prescribed by clause 2 of this Determination for the occupation in which the employee was ordinarily employed immediately prior to the commencement of his leave or the termination of his employment, as the case may be. Payment in the case of employees employed on piece or bonus work or any other system of payment by results shall be at time rates.

*Proportionate Leave on Dismissal.*

(l) If after one month's continuous service in any qualifying twelve-monthly period an employee lawfully leaves his employment or his employment is terminated by the employer through no fault of the employee, the employee shall be paid at his ordinary rate of wage for  $3\frac{1}{2}$  hours in respect of each completed one month of continuous service before the 1st January, 1946, and for  $7\frac{1}{2}$  hours at the same rate in respect of each completed month of continuous service after that date, the service in each case being service in respect of which leave has not been granted hereunder.

*Annual Close Down.*

(m) Where an employer closes down his plant, or a section or sections thereof, for the purposes of allowing annual leave to all or the bulk of the employees in the plant, or section or sections concerned, the following provisions shall apply—

- (i) He may by giving not less than one month's notice of his intention so to do stand off for the duration of the close down all employees in the plant or section or sections concerned, and allow to those who are not then qualified for two full weeks' leave, paid leave on a proportionate basis of one-sixth of a week's leave for each completed month of continuous service.
- (ii) An employee who has then qualified for two full weeks' leave, and has also completed a further month or more of continuous service shall be allowed his leave, and shall also be paid one-sixth of a week's wages in respect of each completed month of continuous service performed since the close of his last twelve-monthly qualifying period.
- (iii) The next twelve-monthly qualifying period for each employee affected by such close down shall commence from the day on which the plant, or section or sections concerned is re-opened for work.
- (iv) If in the first year of his service with an employer an employee is allowed proportionate annual leave under paragraph (i) hereof, and subsequently within such year lawfully leaves his employment or his employment is terminated by the employer through no fault of the employee, he shall be entitled to the benefit of sub-clause (l) of this clause subject to adjustment for any proportionate leave which he may have been allowed as aforesaid.

**SICK LEAVE.**

9. (a) Any employee, provided he has had at least three months' continuous service with the same employer and whose conditions of employment is on a weekly basis as provided for in clause 10 of this Determination, shall lose his pay for the actual time of such non-attendance unless he produces or forwards within 24 hours of the commencement of such absence evidence satisfactory to his employer that his non-attendance was due to personal accident arising out of and in the course of his employment or to personal ill-health necessitating such absence.

(b) Provided that an employee shall not be entitled to payment for non-attendance on the ground of personal accident or personal ill-health or both for more than six (6) days in each year of employment.

(c) If the full period of sick leave as prescribed above is not taken in any year, such portion as is not taken shall be cumulative from year to year up to a period not exceeding twelve days, which shall be the maximum amount of leave to which an employee may be entitled in any year without deduction of pay.

For the purposes of this sub-clause service prior to the 3rd June, 1943 shall be disregarded.

**TERMS OF ENGAGEMENT.**

10. Employment shall be by the week and any employee (other than casual employees as provided for in clause 4) willing and available to work shall in respect of each week of his employment be paid the full weekly wage fixed by this Determination; provided that such employee not attending for duty shall, except as provided by clause 9 of this Determination, lose his pay for the actual time of such non-attendance; provided further that this does not interfere with the right of the employer to dismiss an employee at any time without giving reasons and that such employee shall be paid up to the time of dismissal only.

**TEA MONEY.**

11. Employees required to work overtime for more than one and a half hours on any one day without having been notified on the preceding day that they would be required so to work shall be paid the amount of two (2) shillings in addition to any overtime payment to which they may be entitled.

**HANDLING OF CONDEMNED CARCASSES.**

12. The employer shall provide ample quantities of hot water, soap and disinfectant (such as cyllin, izal etc.) for the use of employees required to handle carcasses of animals condemned by meat inspectors as unfit for human consumption because of disease.

**KNIVES TO BE SUPPLIED.**

13. Knives, which shall remain the property of the employer, shall be supplied under the following conditions to carcass skimmers when necessary for the performance of their duties:—

- (1) They shall be returned to the employer on termination of the employment.
- (2) If such knives are not returned the employer shall be entitled to deduct their cost from any money owing to the employee.

**SPECIAL RATES.**

14. Double time shall be paid for all work done on Sundays and holidays specified in clause 7.

**PERIODICAL ADJUSTMENT OF WAGES.**

15. The wages rates set out in clause 2 are based upon the following basic wage and pursuant to and in accordance with the provisions of section 21 of the *Factories and Shops Act 1934*, the Board hereby determines that such rates shall be automatically increased or decreased by the same amount, and at the same time as such basic wage. Provided that the wages of apprentices and improvers shall be adjusted proportionately to adjustments of the basic wage, such adjustments to be to the nearest 1d., half or less than half of a 1d. to be disregarded.

The basic wage shown hereunder shall be adjusted as prescribed in clause 16.

TIME WAGES.

9. Any person employed on time wages for less than the number of hours fixed for an ordinary week's work shall for each hour worked up to thirty hours, be paid at the ordinary wages rate with an addition of thirty-three and a third per centum, and for each hour worked beyond the aforesaid thirty hours shall be paid the ordinary wages rate up to but not exceeding ordinary wages rates for an ordinary week's work.

TERMINATION OF EMPLOYMENT.

10. One week's notice of termination of employment shall be given by either employer or employee, or in lieu of such notice, one week's wages shall be paid or forfeited, as the case may be. The provisions of this clause shall not apply in any instance where an employee is dismissed for misconduct.

SICK LEAVE.

11. (a) No deduction shall be made from the wages of any employee unavoidably absent through illness for not more than four days in any year of service provided he has had at least three months' service with the employer and submits within 24 hours of the commencement of such absence satisfactory evidence that the same is not the result of his own misconduct.

(b) Notwithstanding the provisions of sub-clause (a) hereof, if the full period of sick leave as prescribed above is not taken in any year, such portion as is not taken shall be cumulative from year to year up to a period not exceeding twelve days, which shall be the maximum amount of leave to which an employee shall be entitled in any year without deduction of pay.

For the purpose of this sub-clause service prior to 27th September, 1944, shall be disregarded.

ANNUAL LEAVE.

Period of Leave.

12. (a) A period of fourteen consecutive days' leave shall be allowed annually to an employee after twelve months' continuous service (less the period of annual leave) as an employee in any one or more of the occupations to which this Determination applies.

Seven-day Shift Workers.

(b) In addition to the leave hereinbefore prescribed seven-day shift workers, that is shift workers who are rostered to work regularly on Sundays and holidays, shall be allowed seven consecutive days' leave including non-working days.

Where an employee with twelve months' continuous service is engaged for part of the twelve-monthly period as a seven-day shift worker, he shall be entitled to have the period of fourteen consecutive days' annual leave prescribed in sub-clause (a) hereof increased by half a day for each month he is continuously engaged as aforesaid.

Annual Leave Exclusive of Public Holidays.

(c) Subject to this sub-clause the annual leave prescribed by this clause shall be exclusive of any of the holidays prescribed by clause 8 of this Determination, and if any such holiday falls within an employee's period of annual leave and is observed on a day which in the case of that employee would have been an ordinary working day, there shall be added to that period one day for each such holiday falling as aforesaid.

Where a holiday falls as aforesaid and the employee fails without reasonable cause proof whereof shall be upon him to attend for work at his ordinary starting time on the working day immediately following, the last day of the period of his annual leave he shall not be entitled to be paid for any such holiday.

*Broken Leave.*

(d) The annual leave shall be given and taken in a continuous period or, if the employee and the employer so agree, in two separate periods and not otherwise.

*Calculation of Continuous Service.*

(e) For the purposes of this clause service shall be deemed to be continuous notwithstanding—

- (i) any interruption or determination of the employment by the employer if such interruption or determination has been made merely with the intention of avoiding obligations hereunder in respect of leave of absence;
- (ii) any absence from work on account of personal sickness or accident or on account of leave lawfully granted by the employer; or
- (iii) any absence with reasonable cause proof whereof shall be upon the employee.

In cases of personal sickness or accident or absence with reasonable cause the employee to become entitled to the benefit of this sub-clause shall inform the employer in writing if practicable within 24 hours of the commencement of such absence of his inability to attend for duty and as far as practicable the nature of the illness, injury or cause and the estimated duration of his absence. A notification given by an employee pursuant to clause 11 shall be accepted as a notification under this sub-clause.

Any absence from work by reason of any cause not being a cause specified in this sub-clause shall not be deemed to break the continuity of service for the purposes of this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the employee in writing that such absence will be regarded as having broken the continuity of service.

In cases of individual absenteeism such notice shall be given in writing to the employee concerned, but in cases of concerted or collective absenteeism notice may be given to employees by the posting up of a notification in the plant, in the manner in which general notifications to employees are usually made in that plant and by posting to the union whose members have participated in such concerted or collective absenteeism a copy of same not later than the day it is posted up in the plant.

A notice to an individual employee may be given by delivering same to him personally or by posting it to his last recorded address, in which case it shall be deemed to have reached him in due course of post.

In calculating the period of twelve months' continuous service any such absence as aforesaid shall not, except to the extent of not more than fourteen days in a twelve-monthly period in the case of sickness or accident, be taken into account in calculating the period of twelve months' continuous service.

*Calculation of Service.*

(f) Service before the date of operation of this Determination shall be taken into consideration for the purpose of calculating annual leave, but an employee shall not be entitled to leave or payment in lieu thereof for any period in respect of which leave or a payment in lieu thereof has been allowed or made under the clause hereby revoked. Provided however, that in respect of service before the 1st January, 1946, the annual leave shall be allowed at the rate of  $3\frac{3}{4}$  hours for each completed one month of continuous service and in respect of service after that date at the rate of  $7\frac{1}{4}$  hours for each completed one month of continuous service. Any broken part of a month served before the 1st January, 1946, shall for the purposes of this clause be deemed to be service after the 1st January, 1946. The period of annual leave to be allowed under this sub-clause shall be calculated to the nearest day, any broken part of a day in the result not exceeding half a day to be disregarded.

Where the employer is a successor or assignee or transferee of a business if an employee was in the employment of the employer's predecessor at the time when he became such successor or assignee or transferee the employee in respect of the period during which he was in the service of the predecessor shall for the purpose of this clause be deemed to be in the service of the employer.

*Calculation of Month.*

(g) For the purpose of this clause a month shall be reckoned as commencing with the beginning of the first day of the employment or period of employment in question and as ending at the beginning of the day which in the latest month in question has the same date number as that which the commencing day had in its month and if there be no such day in such subsequent month shall be reckoned as ending at the end of such subsequent month.

*Leave to be Taken.*

(h) The annual leave provided for by this clause shall be allowed and shall be taken and except as provided by sub-clause (l) hereof payment shall not be made or accepted in lieu of annual leave.

*Time of Taking Leave.*

(i) Annual leave shall be given at a time fixed by the employer within a period not exceeding three months from the date when the right to annual leave accrued and after not less than two weeks' notice to the employee.

*Leave Allowed Before Due Date.*

(j) An employer may allow annual leave to an employee before the right thereto has accrued due, but where leave is taken in such a case a further period of annual leave shall not commence to accrue until after the expiration of the twelve months in respect of which annual leave had been taken before it accrued.

Where leave has been granted to an employee pursuant to this sub-clause before the right thereto has accrued due and the employee subsequently leaves or is discharged from the service of the employer before completing the twelve months' continuous service in respect of which the leave was granted the employer may for each one complete month of the qualifying period of twelve months not served by the employee deduct from whatever remuneration is payable upon the termination of the employment one-twelfth of the amount of wage paid on account of the annual leave, which amount shall not include any sums paid for any of the holidays prescribed by clause 8 of this Determination.

*Payment for Period of Leave.*

(k) Each employee before going on leave shall be paid two weeks' wages, except a seven-days shift worker who shall be paid the amount of wage he would have received in respect of the ordinary time which he would have worked had he not been on leave during the relevant periods. For the purposes of this sub-clause and sub-clause (l) hereof, wages shall be at the rate prescribed by clause 2 of this Determination for the occupation in which the employee was ordinarily employed immediately prior to the commencement of his leave or the termination of his employment, as the case may be. Payment in the case of employees employed on piece or bonus work or any other system of payment by results shall be at time rates.

*Proportionate Leave on Dismissal.*

(l) If after one month's continuous service in any qualifying twelve-monthly period an employee lawfully leaves his employment or his employment is terminated by the employer through no fault of the employee, the employee shall be paid at his ordinary rate of wage for  $3\frac{3}{4}$  hours in respect of each completed one month of continuous service before the 1st January, 1946, and for  $7\frac{1}{4}$  hours at the same rate in respect of each completed month of continuous service after that date, the service in each case being service in respect of which leave has not been granted hereunder.

*Annual Close Down.*

(m) Where an employer closes down his plant, or a section or sections thereof, for the purposes of allowing annual leave to all or the bulk of the employees in the plant, or section or sections concerned, the following provisions shall apply—

- (i) He may by giving not less than one month's notice of his intention so to do stand off for the duration of the close down all employees in the plant or section or sections concerned, and allow to those who are not then qualified for two full weeks' leave, paid leave on a proportionate basis of one-sixth of a week's leave for each completed month of continuous service.
- (ii) An employee who has then qualified for two full weeks' leave, and has also completed a further month or more of continuous service shall be allowed his leave, and shall also be paid one-sixth of a week's wages in respect of each completed month of continuous service performed since the close of his last twelve-monthly qualifying period.
- (iii) The next twelve-monthly qualifying period for each employee affected by such close down shall commence from the day on which the plant, or section or sections concerned is re-opened for work.
- (iv) If in the first year of his service with an employer an employee is allowed proportionate annual leave under paragraph (i) hereof, and subsequently within such year lawfully leaves his employment or his employment is terminated by the employer through no fault of the employee, he shall be entitled to the benefit of sub-clause (l) of this clause subject to adjustment for any proportionate leave which he may have been allowed as aforesaid.

FIRST AID OUTFIT.

13. Each employer shall provide a properly equipped first aid chest. Such chest shall comply, as to its contents, with the requirements of the Factories and Shops Acts.

PERIODICAL ADJUSTMENT OF WAGES.

15. The wages rates set out in clause 2 are based upon the following basic wage and pursuant to and in accordance with the provisions of section 21 of the Factories and Shops Act 1934, the Board hereby determines that such rates shall be automatically increased or decreased by the same amount, and at the same time as such basic wage. Provided that the wages of improvers and apprentices set out in clause 2 shall be adjusted proportionately to adjustments of the basic wage, such adjustments to be to the nearest 3d., half or less than half of 3d. to be disregarded. Provided also that piece-work prices shall be increased or decreased by an amount of ¼d. per ton for every increase or decrease respectively of 1s. in the basic wage.

The basic wage shown hereunder shall be adjusted as prescribed in Clause 16.

ADJUSTMENT OF BASIC WAGE.

16. (a) Until the beginning of the first pay period to commence in May, 1946, the amount of the basic wage shall be as prescribed in clause 15.

(b) During each future successive period beginning with the first pay period to commence in a May, an August, a November, or a February, the amount of the basic wage shall be adjusted by the following method according to the position and fluctuations (if any) of the Commonwealth Statistician's "All Items" retail price index numbers.

For the purposes of this Determination the expression "Commonwealth Statistician's retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting, to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician:—

- (1) The index number set to be applied to a place is that assigned to Five Towns, Victoria.
- (2) The index number for the calendar quarter next preceding the period of or near a quarter for which the adjustment is made to be ascertained.
- (3) The amount assigned in the following table (or in any extension thereof) to the index number division comprising that number is to be ascertained.
- (4) The basic wage shall be of that assigned amount during such successive period plus the additional constant loading as prescribed in clause 15.
