*Period of Leave.*

10. (a) Except as hereinafter provided a period of fourteen consecutive days' leave shall be allowed annually to an employee after twelve months' continuous service (less the period of annual leave) as an employee in any one or more of the occupations to which this Determination applies.

*Seven-day Shift Workers.*

(b) In addition to the leave hereinbefore prescribed seven-day shift workers, that is shift workers who are rostered to work regularly on Sundays and holidays shall be allowed seven consecutive days' leave including non-working days.

Where an employee with twelve months' continuous service is engaged for part of the twelve-monthly period as a seven-day shift worker, he shall be entitled to have the period of fourteen consecutive days' annual leave prescribed in sub-clause (a) hereof increased by half a day for each month he is continuously engaged as aforesaid.

(c) Subject to this sub-clause the annual leave prescribed by this clause shall be exclusive of any of the holidays prescribed by clause 7 of this Determination, and if any such holiday falls within an employee's period of annual leave and is observed on a day which in the case of that employee would have been an ordinary working day, there shall be added to that period one working day for each such holiday falling as aforesaid.

Where a holiday falls as aforesaid and the employee fails without reasonable cause proof whereof shall be upon him to attend for work on the working day immediately preceding the first day or at his ordinary starting time on the working day immediately following the last day of the period of his annual leave, he shall not be entitled to be paid for any such holiday.

In cases of personal sickness or accident or absence with reasonable cause the employee to become entitled to the benefit of this sub-clause shall inform the employer in writing if practicable within 24 hours of the commencement of such absence of his inability to attend for duty and as far as practicable the nature of the illness injury or cause and the estimated duration of his absence. A notification given by an employee pursuant to clause 9 shall be accepted as a notification under this sub-clause.

Any absence from work by reason of any cause not being a cause specified in this sub-clause shall not be deemed to break the continuity of service for the purposes of this clause unless the employer during the absence or within fourteen days of the termination of the absence notifies the employee in writing that such absence will be regarded as having broken the continuity of service.

In cases of individual absenteeism such notice shall be given in writing to the employee concerned, but in cases of concerted or collective absenteeism notice may be given to employees by the posting up of a notification in the plant, in the manner in which general notifications to employees are usually made in that plant and by posting to the union whose members have participated in such concerted or collective absenteeism a copy of same not later than the day it is posted up in the plant.

The period of annual leave to be allowed under this sub-clause shall be calculated to the nearest day any broken part of a day in the result not exceeding half a day to be disregarded.

Where the employer is a successor or assignee or transmittee of a business if an employee was in the employment of the employer's predecessor at the time when he became such successor or assignee or transmittee the employee in respect of the period during which he was in the service of the predecessor shall for the purpose of this clause be deemed to be in the service of the employer.

#### *Calculation of Month.*

(g) For the purpose of this clause a month shall be reckoned as commencing with the beginning of the first day of the employment or period of employment in question and as ending at the beginning of the day which in the latest month in question has the same date number as that which the commencing day had in its month and if there be no such day in such subsequent month shall be reckoned as ending at the end of such subsequent month.

#### *Leave to be Taken.*

(h) The annual leave provided for by this clause shall be allowed and shall be taken and except as provided by sub-clauses (l) and (m) hereof payment shall not be made or accepted in lieu of annual leave.

(j) An employer may allow annual leave to an employee before the right thereto has accrued due, but where leave is taken in such a case a further period of annual leave shall not commence to accrue until after the expiration of the twelve months in respect of which annual leave had been taken before it accrued.

Where leave has been granted to an employee pursuant to this sub-clause before the right thereto has accrued due and the employee subsequently leaves or is discharged from the service of the employer before completing the twelve months' continuous service in respect of which the leave was granted the employer may for each one complete month of the qualifying period of twelve months not served by the employee deduct from whatever remuneration is payable upon the termination of the employment one-twelfth of the amount of wage paid on account of the annual leave, which amount shall not include any sums paid for any of the holidays prescribed by clause 7 of this Determination.

#### *Payment for Period of Leave.*

(k) Each employee before going on leave shall be paid two weeks' wages, except a seven-days' shift worker who shall be paid the amount of wage he would have received in respect of the ordinary time which he would have worked had he not been on leave during the relevant periods. For the purposes of this sub-clause and sub-clause (l) hereof, wages shall be at the rate prescribed by clause 2 of this Determination for the occupation in which the employee was ordinarily employed immediately prior to the commencement of his leave or the termination of his employment, as the case may be. Payment in the case of employees employed on piece or bonus work or any other system of payment by results shall be at time rates.

#### *Proportionate Leave on Dismissal.*

(l) If after one month's continuous service in any qualifying twelve-monthly period an employee lawfully leaves his employment or his employment is terminated by the employer through no fault of the employee, the employee shall be paid at his ordinary rate of wage for  $3\frac{3}{4}$  hours in respect of each completed one month of continuous service before the 1st January, 1946, and for  $7\frac{1}{2}$  hours at the same rate in respect of each completed month of continuous service after that date, the service in each case being service in respect of which leave has not been granted hereunder.

#### *Annual Close Down.*

(m) Where an employer closes down his plant, or a section or sections thereof, for the purposes of allowing annual leave to all or the bulk of the employees in the plant, or section or sections concerned, the following provisions shall apply—

- (i) He may by giving not less than one month's notice of his intention so to do stand off for the duration of the close down all employees in the plant or section or sections concerned, and allow to those who are not then qualified for two full weeks' leave, paid leave on a proportionate basis of one-sixth of a week's leave for each completed month of continuous service.
- (ii) An employee who has then qualified for two full weeks' leave, and has also completed a further month or more of continuous service shall be allowed his leave, and shall also be paid one-sixth of a week's wages in respect of each completed month of continuous service performed since the close of his last twelve-monthly qualifying period.
- (iii) The next twelve-monthly qualifying period for each employee affected by such close down shall commence from that day on which the plant, or section or sections concerned is re-opened for work.
- (iv) If in the first year of his service with an employer an employee is allowed proportionate annual leave under paragraph (i) hereof, and subsequently within such year lawfully leaves his employment or his employment is terminated by the employer through no fault of the employee, he shall be entitled to the benefit of sub-clause (l) of this clause subject to adjustment for any proportionate leave which he may have been allowed as aforesaid.

## NOTICE OF TERMINATION OF EMPLOYMENT.

12. That from any time not later than the expiry of the first week's employment, employment shall be by the week and shall be terminable forthwith at the expiry of any working week.

## TERMS OF EMPLOYMENT.

13. Where the employer terminates the employment of an employee, for reasons other than misconduct, within two weeks prior to a day or days on which a holiday or holidays occur, and such employee is re-engaged within a period of two weeks immediately after such holiday or holidays, the employee shall be paid for such holiday or holidays prescribed by this Determination, provided that such employee has been employed by the employer for a period of at least two months prior to the termination of employment.

## WATERPROOF CLOTHING.

14. When an employee is called upon to work in a wet department he shall be provided by the employer with a waterproof apron and waterproof covering for his legs and when using dyes or acids injurious to the skin shall be provided with rubber gloves.

15. The wages rates for males set out in clause 2 are based upon the following basic wage, and pursuant to and in accordance with the provisions of section 21 of the *Factories and Shops Act* 1934, the Board hereby determines that such rates shall be automatically increased or decreased by the same amount, and at the same time as such basic wage. Provided that the wages of apprentices, improvers, juvenile workers and of females, shall be adjusted proportionately to adjustments of the basic wage, such adjustments to be to the nearest 3d., half or less than half of 3d. to be disregarded.
