Sections 14 (c) and 15 (1) (c) indicate that the midwife had completed the prescribed course of training and passed the prescribed examination.

Sections 15 and 16 (1) indicate that the midwife has been trained and registered in some part of His Majesty's Dominions in which there is in force an Act for the registration of midwives, or that she is enrolled or certificated by an Institution or Association in existence where the training and examination is, in the opinion of the Board, substantially equivalent to that prescribed under the Midwives Act, Victoria.

Any agreement made in accordance with this clause shall not be deemed to contravene any prescribed condition in the determination relating to wages or the starting or finishing times of any shift or weekly hours of employment. In the event of the said union withholding its approval, the proposed agreement may be dealt with by the Wages Board.

TERMS OF EMPLOYMENT.

19. (a) No employee shall be employed other than as a weekly time-work employee or a weekly piece-work employee, or a casual time-work employee or a casual piece-work employee.

(b) A weekly time-work employee to become entitled to payment of a weekly wage, shall perform such work as the employer shall from time to time require on the days and during the hours usually worked by such employee; but such work shall be of a similar class to the work usually performed by such employee.

(c) Any weekly time-work employee not attending for duty will lose his pay for the actual time lost unless he produces, or forwards within 28 hours of the commencement of such absence, evidence satisfactory to the employer or the Secretary for Labour that his non-attendance was due to personal ill-health necessitating such absence, but he shall not be entitled to payment for non-attendance on the ground of personal ill-health for more than six days in each year. Such year begins on the 1st day of June of each year. An employee is to be entitled to not more than six days' payment in any year under this clause of the determination, notwithstanding that he may be employed by different employers.

(d) A weekly piece-worker is a piece-worker engaged as a weekly employee. The following conditions apply to the employment of a weekly piece-worker:—

(i) On each working day or night of the week, the weekly piece-worker shall present himself for employment at the usual time for beginning work at the place of business of the employer, unless informed by the employer that his attendance on any day or on any night is not required, but in any case where an employer has no work for a piece-worker to do on the next following shift, he shall so inform the employee prior to his terminating work, and in any such case the employee shall not be obliged to present himself for work on the following shift.

(ii) If the weekly piece-worker begins work on any such day or any night, he shall (subject to the provisions of sub-clause (c) hereof) receive not less than four hours' continuous employment, or be paid for such four hours at the rate prescribed for a machine compositor on time work.

(iii) Subject to the provisions of sub-clause (c) hereof, a weekly piece-worker shall be guaranteed at least 30 hours' employment in any working week. If such employment is not provided for him in any week, and in such week he complies with the provisions of paragraph (i) hereof, and faithfully performs all work provided for him during that week, he shall be paid for any hours short of this guarantee at the rate prescribed for a machine compositor on time work, and this notwithstanding that any public holiday or holidays occur in such week.

(iv) For six days in any year, such weekly piece-worker will be excused for not presenting himself for employment at the proper time and place, and such non-attendance shall not disentitle such piece-worker to payment for such absence if within 28 hours of the commencement of any such absence he produces or forwards to the employer evidence satisfactory to the employer, or to the Secretary for Labour, that his non-attendance was due to personal ill-health necessitating such absence. The year begins on the first day of June of each year. A weekly piece-worker shall be entitled to the benefits of this sub-clause in respect of not more than six days during any such year, notwithstanding that he may be employed by different employers.

(v) A piece-worker shall be paid for five hours for each of the six absences provided for in this sub-clause at the rate prescribed for a machine compositor on time work. An employer shall be entitled to count such five hours in any week in which a piece-worker has been sick to make up the weekly guarantee of hours in any week in which a piece-worker has worked less than 30 hours.

(vi) In respect of each public holiday referred to in clause 20 hereof, which occurs in any week, and on which the weekly piece-worker is not required to work by the employer, he shall be paid for five hours at the rate prescribed for a machine compositor on time work.

(e) The employment of a weekly time-work or piece-work employee may be terminated by one week's notice on either side, and such notice may be given at any time during any week to take effect one week after the day on which it is given. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, and in such case wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot usefully be employed because of any strike of the said union, or any other union, or through the breakdown of machinery or any stoppage of work for any cause for which the employer cannot be held responsible.

(f) Where a weekly piece-work employee gives or receives one week's notice of the termination of his employment, he shall, during the week that such notice runs, be given the same amount of piecework as it has been customary for him to perform during the period of his employment.

(g) If an employee's services be terminated during the course of a week, he shall be paid all money due to him at the termination of his service, or all money due to such employee shall be forwarded to him by post within 24 hours thereafter.

LEAVE OF ABSENCE.

20. (a) Nothing in this clause has reference to absence occasioned by ill-health.

(b) In any daily newspaper office—

Every employee shall be entitled to and be allowed twenty working days' (excluding Christmas Day and Good Friday) leave on full pay in respect of each completed period of twelve calendar months' service, of which twenty working days, twelve such days at least shall be consecutive, during the continuance of this determination.

(c) In other than a daily newspaper office (including a commercial printing office)—

Every employee shall be entitled to and be allowed twelve working days' leave, and eight public holidays on full pay, in respect of each completed period of twelve calendar months' service during the continuance of this determination, such twelve working days' leave to be twelve consecutive working days, provided that by agreement between the Union and the employer the number of consecutive working days' leave may be reduced to meet special circumstances in the case of weekly newspapers, and provided further that the eight public holidays may be either public or local holidays as the employer and the employee may agree upon.

(d) In this determination, "public holiday" means the day observed in the State as any of the following days:—New Year's Day, Good Friday, Easter Saturday, Easter Monday, Eight Hours Day (or Labour Day), Christmas Day, Boxing Day, Australia Day, King's Birthday, Anzac Day, together with such district or local holidays as may be observed in the district or place in which an employee works.

(e) An employee, for his own purposes, and with the consent of the employer, may elect to take off an equivalent number of days in lieu of and substitution for one or more of the public holidays to which this clause entitles him.

(f) The period of twelve or six (as the case may be) consecutive working days prescribed in sub-clauses (b) and (c) herein shall include public holidays occurring within the period, but shall not include Sunday occurring within the period, or Good Friday or Christmas Day.

(g) Leave shall be taken at such time as the employer deems convenient, but within three months of such holidays becoming due. The employer may, at his option, allow an employee to

take such annual leave before the completion of such twelve calendar months' service. An employee shall be given at least two weeks' notice of the commencing date on which he will be required to take his leave.

(h) If the employment shall be terminated after any annual leave shall become due, and the annual leave not have been taken, the employee shall be entitled to the payment of two weeks' wages in lieu thereof, the wages to be calculated as of the date when the leave accrued due.

(i) If during any twelve months of his service the employment of an employee who has been employed for more than three calendar months is terminated, such employee shall be paid the proportion of fourteen days wages which the period of employment bears to twelve calendar months. For the purpose of this clause, "the period of employment" shall mean the period commencing with his first employment, or upon the expiration of any twelve months of his employment. Any employee, other than a casual employee, whose period of employment when terminated is less than thirteen weeks, shall have a day's pay granted to him for any holiday, worked by him falling within the period of employment unless a day's leave in lieu thereof has been given.

(j) The wages payable to a piece-worker under this clause shall be the wages fixed for a machine compositor on time-work.

(k) An employer shall not terminate the employment of a weekly employee for the purpose of evading payment for the holidays prescribed by this determination.

(l) If during any twelve months of his service an employee entitled under this clause to eight public holidays on full pay has not been allowed at least eight public holidays, he shall be paid, if a time-worker, an ordinary day's pay, or if a piece-worker, an ordinary day's pay for a time-work machine compositor, in respect of each public holiday (not exceeding in all the number of eight) on which he has been required to work, notwithstanding that for the week including such public holiday he has been paid his full weekly wage or piecework rate, as the case may be, and such amount may be claimed within nine months after the expiration of such twelve months.

(m) If in any twelve months of his service an employee entitled under this clause to leave on full pay as prescribed in sub-clauses (b) and (c) hereof, has not been allowed such leave, he shall be paid for each of the days mentioned, if a time-worker, at the full rate of payment, or if a piece-worker at the rate for a time-work machine compositor, notwithstanding that in respect of each of such days he has already received his wages or piecework payment, as the case may be, without deduction, and such amount may be claimed within nine months after the expiration of such twelve months.

(n) Payment under either of the above sub-clauses (l) and (m) hereof shall not excuse an employer for failure to allow an employee to take a holiday or leave to which he is entitled under this clause, and such failure shall be a breach of this determination, notwithstanding any agreement whereby the employee purports to waive the holiday or leave to which he is entitled.

TIME BOOK.

21. (a) Each employer shall keep a time and wages book, correctly and fully written up in ink, showing the name of each employee and his occupation, the hours worked (including overtime) each day or night, and the wages, overtime and allowances paid each week, provided that the employer may, at his option, use a mechanical clock in lieu of a time book for the purpose of recording the time of each employee. The book, or when a clock is installed the time cards, shall be open for inspection by a duly accredited official of the union during the usual office hours at the office or other convenient place.

(b) A duly accredited official of the union shall mean any officer of such organization, or of the Victorian branch thereof who may be accredited in writing by the general secretary, or by the Victorian branch secretary, and shall include such branch secretary.

POWER TO ENTER.

22. The secretary of the Victorian branch of the Printing Industry Employees Union of Australia, or an officer of that branch accredited in writing by the general secretary, or the Victorian branch secretary, of the said union, shall, by arrangement with the employer or his representative in charge, have the right to enter and inspect during working hours any part of a printing factory or workshop and to interview the employees in working hours. The official shall exercise this right reasonably, and shall interfere with the work and duties of an employee as little as possible.

CASUAL EMPLOYEES.

23. (a) An employer when engaging a person for casual employment shall inform him then and there that he is to be employed as a casual. Except where this is done the employee shall be a weekly time-worker or weekly piece-worker. A casual employee after two weeks of continuous employment as a casual employee shall become a weekly time-worker or weekly piece-worker.

(b) Where a casual employee commences duty, or where the employer expressly agrees to employ a casual employee on any employment, and the casual employee, in pursuance of such agreement, actually attends for duty, such employee—

(i) If a time-worker engaged in the publishing department, shall be paid for three hours of employment at the least;

(ii) If a time-worker engaged as a machine compositor, shall be paid for four hours at the least;

(iii) If a time-worker engaged in any other work, shall be paid for four hours at the least;

(iv) If a piece-worker, shall be given four hours' work at the least or paid for four hours at the appropriate rate for a time-worker.

(c) The hourly rate for any work for which a weekly rate is prescribed by this determination is to be ascertained by dividing the weekly rate by the number of hours which constitute the employee's prescribed working week.

(d) A casual employee, other than a casual publishing employee, whether working at piecework or time-work and working on day shift, shall be paid for such work the piecework rate or the hourly rate prescribed for such work, with the addition of 10 per cent.

(e) A casual employee, other than a casual publishing employee, whether working at piecework or time-work, and whether working mixed day and night shift, or night shift, or on work extending to not later than 6 o'clock Sunday morning, shall be paid for such work the piecework rate or the hourly rate prescribed for night work, with the addition of 10 per cent.

(f) A casual publishing employee, working on day shift, shall be paid for such work the hourly rate of 2s. 4d.

(g) A casual publishing employee, whether working mixed day and night shift, or night shift, shall be paid for such work the hourly rate of 2s. 7d.

(h) A casual employee, when working overtime shall have his rate of pay as a casual employee increased by the same proportion (e.g., one half, or double, as the case may be) as the weekly worker's rate applicable to the class of work done by the casual employee is directed to be increased under this determination for work done on overtime with the addition of 10 per cent.

PROBATIONERS ON TYPE-CASTING OR SLUG-CASTING MACHINES

24. An employer shall not employ an employee as a probationer on the keyboard of a type-casting or slug-casting machine unless such employee is a compositor who has served a full term of apprenticeship or is an apprentice who has served three years' apprenticeship as a compositor.

PIECEWORK.

25. (a) No work shall be performed by any employee by contract or sub-contract or other similar system.

(b) No piecework shall be performed by an employee other than in respect of work done in connexion with machine composition in a newspaper office in Hamilton, and in any other newspaper office where four or more slug-casting machines are in use, as may be agreed upon between the union and an employer or, failing agreement, as fixed by an amendment of this determination.

(c) (i) Subject to adjustments pursuant to clause 42 of this Determination, in conformity with increases or decreases in the basic wage, the minimum piecework rates payable to an employee by an employer shall be the rates prescribed in Schedule A of this Determination.

(ii) The said Schedule A is hereby incorporated in this Determination.

(d) At the end of each working week the aggregate earnings of a pieceworker employed upon work covered by Schedule A shall be ascertained for such week according to the provisions of this Determination, and where such pieceworker (when employed in Grade A as defined in clause 3 of this Determination) has worked on each and every day ordinarily worked in such week, such aggregate earnings shall be increased by the sum of 6s. (representing an increase of 6s. per week allowed by this Determination to time work employees in the said Grade A): but where such pieceworker has not worked in such week, then the aggregate earnings of such pieceworker shall be increased by a part of such 6s. proportionate to the number of days worked, calculated to the nearest penny.

CALL CLAUSE.

26. (a) In respect to newspaper work, two hours shall be paid for as a call to any employee brought in on any week-day to issue any special edition or do any work not in his ordinary working hours for that week. Such call, together with the time worked, shall be paid for at the rate of time and a half or rate and a half, except on Sundays. On Sundays, double time or double rate shall be paid for the call, and for the time worked, with a minimum of two hours. This clause shall only apply when an employee is not notified before he leaves work that he will be required for special duty. In any case where an employee is brought in without notice because

of another employee having unexpectedly absented himself from his work, the provisions of this clause shall not apply, but the employee so brought in to work shall be paid double time or double rate for the hours worked by him should such hours be outside his ordinary working hours for that week.

(b) In respect to commercial printing work, one hour's time at the least, in addition to the actual time worked and/or the time the employee is required to stand by for work, shall be paid for as a call to any employee brought in to do any work not in the ordinary working hours, such to be paid for at the rate of time and a half or rate and a half except on Saturday afternoon and Sunday, when double time or double rates shall be paid.

If such ten-hours' break is not allowed, the employee shall be paid overtime rates for the shift immediately following the change.

(h) No employee under 16 years of age shall be employed on overtime. No employee under 17 years of age, nor any female, shall be on duty in any event before 8 a.m. or later than 9 p.m. on any working day, subject to clauses (10) and (11) (a) hereof.

MEAL PERIOD.

(15) (a) The minimum time allowance for meals shall be three-quarters of an hour, and the maximum allowance one hour. Provided that an employer and a majority of not less than three-fourths of his employees may agree to a reduced period, but not less than half an hour.

(d) The lunch period of any employee shall be between the hours of noon and 2 p.m.

TERMS OF EMPLOYMENT AND SICK PAY.

(16) (a) No person shall be employed except as—

- (i) a weekly time-worker; or
- (ii) a weekly piece-worker; or
- (iii) a casual time-worker; or
- (iv) a casual piece-worker.

(b) A weekly time-worker, to become entitled to payment of a weekly wage, shall perform such work as the employer shall from time to time require on the days and during the hours usually worked by such employee.

(c) (i) A weekly time-worker not attending for duty shall lose his pay for the actual time lost unless he produces or forwards within 24 hours of the commencement of such absence evidence or a message satisfactory to the employer that his non-attendance was due to personal ill-health necessitating such absence, but notwithstanding that he may be employed by different employers he shall not be entitled to payment for non-attendance on the ground of personal ill-health for more than 44 hours in each year. Such year shall begin on the 23rd February.

(ii) A weekly piece-worker shall be excused from presenting himself for employment at the proper time and place each day because of personal ill-health, and shall be paid at the corresponding time-worker's wage for the period of ill-health in all respects as if during such period he had been a weekly time-worker employed on such days and during such hours as are usually worked by time-workers upon any day shift, and he shall comply with and be subject to the conditions for time-workers prescribed in paragraph (i) hereof.

(iii) If an employer within 48 hours after the receipt by him of a written message sent by (or on behalf of) an absent employee, alleging that his absence is due to personal ill-health, fails to despatch or give to the employee a written notice that he does not accept the message as satisfactory evidence of the facts alleged by it, it shall be deemed to be prima facie evidence that the absence of the employee was due to personal ill-health.

(iv) If an employer within 48 hours after the receipt by him of such message despatches, or gives to the employee a written notice that he does not accept such message as satisfactory evidence of personal ill-health, but requires further evidence, the employee must within a reasonable time furnish such further evidence. If the employer requires the employee to obtain a medical certificate or other proof of personal ill-health, he shall pay or refund any fee and incidental expenses necessarily paid or incurred by the employee. The employee shall submit to medical examination at the employer's expense if so required, and shall not obstruct or interfere with inquiries deemed to be necessary by the employer.

(v) If an employer rejects a claim for sick pay this Wages Board shall have power, upon application by the Printing Industry Employees Union of Australia, or by the employee concerned, to hear such claim, and to make such order thereon as it thinks appropriate; and the employee, if required to attend this Wages Board on the hearing of his claim, shall, if his claim succeeds, but not otherwise, be entitled to be paid by the employer for the time of his attendance, if a time-worker, at his usual rate, or if a piece-worker, at the corresponding time-worker's rate.

(vi) In any case where the period of 48 hours referred to in paragraphs (iii) and (iv) hereof expires after the finish of the last working day in the calendar week, or on a public

holiday, the period shall be deemed to extend to noon of the next ordinary working day, and in any case where illness commences after the finish of such last working day the said period of 48 hours shall be deemed to commence at the starting hour of the next ordinary working day.

(vii) A weekly employee shall not be entitled to the sick pay benefits of this clause until he has worked in the employment of his employer for a period of three working weeks.

(d) A weekly piece-worker is a piece-worker engaged as a weekly employee. The following conditions apply to the employment of a weekly piece-worker:—

(i) On each working day or night of the week he shall present himself for employment at the usual time for beginning work at the place of business of the employer unless informed before leaving work by the employer that his attendance on any day or any night is not required.

(ii) If he has not been informed as provided in the foregoing paragraph, and actually presents himself on any such day or any such night he shall receive not less than four hours' continuous employment or be paid for such four hours (or any part of such four hours as would be non-working time) at the appropriate rate for a time-worker. Provided that a weekly piece-worker on day work working on a Saturday shall receive not less than three hours' work or be paid for such three hours (or any part of such three hours as would be non-working time) at the rate aforesaid, and his shift shall finish not later than noon.

(iii) (1) The provisions of this paragraph (iii) shall have full force and effect notwithstanding anything contained in this Determination, or in the Schedule thereto.

(2) In this paragraph the words "the corresponding time-worker" mean—

(a) As to an adult male, as defined by clause (33) (d) hereof—an adult male weekly time-worker employed in the same calling as the weekly piece-worker who is concerned;

(b) As to an adult female, as defined by clause (33) (d) hereof—an adult female weekly time-worker employed in the same calling as the weekly piece-worker who is concerned; and

(c) As to a male junior—a male junior weekly time-worker of the same age employed in the same calling as the weekly piece-worker who is concerned; and

(d) As to a female junior or any female of less than five years' experience—a female junior weekly time-worker of corresponding experience employed in the same calling as the weekly piece-worker concerned.

(3) For any week in which he has worked the full hours of duty, the weekly piece-worker shall be paid at least the corresponding time-worker's wage.

(4) For any week in which, though he has complied with the provisions of paragraph (i) hereof, he is not required to work the full hours of duty, he shall be paid for that week the corresponding time-worker's wage.

(5) If in any week there occurs a public holiday, as provided in clause (6) hereof, upon which the weekly piece-worker is not required to work, he shall be paid, in addition to his aggregate piece-work earnings for that week, a sum equivalent to that paid to the corresponding time-worker for such public holiday.

(iv) Notwithstanding anything in this Determination contained, lateness shall not, except as in this condition provided, affect the right of a piece-worker to the benefits of this sub-clause (d). A piece-worker's earnings shall not be subjected to deduction for lateness or lost time unless such lateness or lost time would cause an employer to make a payment which he otherwise would not be required to make. Subject to this condition, where a piece-worker is late or loses time on any day he shall be subject only to such a deduction from any moneys due to him as is proportionate to the time actually lost by him.

(e) (i) The employment of a weekly time-worker or piece-worker may be terminated by a week's notice on either side, or by the employer, at his option, by payment of a week's wages in lieu of notice, and such notice may be given on any day of the week, to take effect one week after the day on which it is given. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, and in such case wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot usefully be

employed because of any strike of the Printing Industry Employees Union of Australia, or any other union, or through any breakdown of machinery, or any stoppage of work for any cause for which the employer cannot be held responsible.

Provided always that the notice referred to in this paragraph shall not be given so as to take effect concurrently with any constant service leave to which the employee may be entitled, and such notice or payment in lieu of notice shall be additional to any bonus payable to the employee under clause (7) of this Determination.

(ii) In the event of work being temporarily stopped by a breakdown of machinery, or by any cause for which the employer cannot be held responsible, and the employee has lost at least two days' pay, the employee, whether a weekly time-worker or weekly piece-worker, may inform the employer of his intention to terminate his employment, whereupon the employment shall be terminated without the employee being required to give the week's notice mentioned in paragraph (i) hereof, and he shall be paid such moneys as are due to him under this Determination.

(f) Where a weekly piece-worker gives or receives a week's notice of the termination of his employment, he shall during the week that such notice runs, be given the same amount of piece-work as it has been customary for him to perform during the period of his engagement.

(g) If an employee's services be terminated during the course of the week, he shall be paid all money due to him at the termination of his service, or all money due to such employee shall be forwarded to him by post within 24 hours thereafter. (g) When piece-workers are kept waiting for work or any materials, all waiting time shall be totalled up when the day's work is finished, and paid for at not less than the corresponding time-worker's rate. A piece-worker shall be deemed to be waiting for work unless directed not to remain on the employer's premises for work.

(h) A weekly piece-worker of more than five years' experience in the branch of the industry in which he or she is employed shall not for any other reason than inefficiency be changed to time work (1) unless paid the corresponding time-worker's hourly rate with 12½ per cent. in addition; or (2) unless given one week's notice by the employer of his intention to require him or her to work as a time-worker.
