ADJUSTMENT OF BASIC WAGE.

16. (a) For the purposes of this Determination, the expression "Commonwealth Statistician's 'all items' retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting, to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician.

(b) Until the beginning of the first pay period to commence in May, 1947, the amounts of the Basic Wage shall be as prescribed in clause 15.

(c) During each future successive period beginning with the first pay period to commence in a May, an August, a November, or a February, the amount of the needs basic wage shall be adjusted by the following method, namely, by multiplying the last published Commonwealth Statistician's "all items" retail price index number by the factor .087 taken to one place of decimals, the resultant whole number being the amount of the basic wage expressed in shillings, but should the decimal number reach .5 or more the basic wage shall be taken to the next higher shilling.
