In the case of the rejection or return of any supplies the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in clause 10.

10. In the event of the goods not being delivered within the time stated the Government Printer may, on giving the contractor twenty-four hours' notice, purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

11. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Government Printer to the Tender Board, to such mulct, not exceeding One hundred pounds, for each and every default, as the Treasurer may direct, and the amount may be deducted as set out in clause 10. It will also be in the power of the Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

13. In the event of any alteration in the duty of Customs or Telegraphic Transfer Exchange, which may affect any of the items included in the contract, the Government or the contractor, as the case may be, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, and the contractor shall, if called upon, submit such documentary evidence as may be required by the Government to permit of the calculation of any such allowance.

14. The contractor shall not insure the material against war risk. Provided the material is consigned on a separate bill of lading to the Government of Victoria, any loss or damage in transit occasioned by any war risks to which the material may be subject whilst on board ship shall be to Victorian Government account, subject to the production by the contractor of documentary evidence satisfactory to the Tender Board.

15. Each package shall be branded "O.H.M.S., The Government of Victoria, The Government Printer, Melbourne," and numbered consecutively, and each package shall also be marked with the number of the contract and contents of same for identification purposes.
