UPPER YARRA YARRA RIVER.

HENLEY-ON-YARRA.

Notice to Boatmen and Others.

BOATMEN and others are hereby notified that permission has been granted to the Melbourne Amateur Regatta Association, in connexion with the Annual Regatta, to row races on the Henley Course on the Upper Yarra on the 22nd November, 1947, and that motor and other boats permitted to be on the river during the day must observe the following Regulations, viz.:—

Boat races must not be obstructed, nor public safety or order endangered.

Every motor boat must have a supply of dry sand, with shovel or scoop, and carry—

- a bucket with rope attached; and
- an approved chemical fire extinguisher.

for fire extinguishing purposes, and no inflammable oil or spirit shall be exposed.

All non-competing boats must be kept off the course during the racing programme.

No boats (except racing boats) will be allowed to land or take up passengers at the boat stagings (south bank), or from the bank along the Henley Reserve except at the landing stage.

Passengers on any boat overcrowded or incompetently managed may be ordered to disembark.

No boat deemed by the River Officer or his Deputy to be too large or deemed to be offensive, dangerous, unsuitable, or unsightly shall remain on the river along the course or adjacent waters.

The direction of the officers in charge of the course must be strictly attended to.

All boats (except racing boats) must move up stream along the right hand (south) bank, and must move down stream along the opposite (north) bank.

No advertisement or objectionable device will be permitted to be shown on any boat.

No fireworks or firearms will be allowed to be discharged from any boat, except where permission of the River Officer or his Deputy has been given.

All motor boats shall hold a permit from the River Officer to enter or remain on that part of the River Yarra between Prince's-bridge and the Punt-road bridge, between the hours of 10 a.m. and 12 midnight on Henley Day.

No motor or other boats will be allowed to ply for hire between Prince's-bridge and Punt-road bridge between the hours of 10 a.m. and 12 midnight on Henley Day except under special permit from the Board.

All motor boats shall be moored in the positions allotted to them by 12.30 p.m., and shall remain moored until the finish of the racing programme.

All motor boats on south bank must moor bow up stream, and all motor boats on north bank must moor bow down stream.

An applicant for permit must apply at the office of the River Officer, 110 Spencer-street, Melbourne, and furnish the name and dimensions of the boat for which a permit is required; also the name and address of the owner, and of the person taking charge of the boat on Henley Day. If the boat is unnamed, some identification number must be affixed to each bow of the boat.

No permit shall be given to a motor boat exceeding a length of 35 feet from stem to stern, or with a beam exceeding 9 feet over all, unless the River Officer shall see fit to do so. It is recommended that row boats be in attendance on large motor boats for transporting passengers, also that a gangway be provided for each motor boat to enable passengers to reach the bank.

No permit shall be given for boats burning other than liquid fuel.

A permit shall not be transferable by the holder or in respect of motor boats.

A limited number of moorings will be available along the Henley Reserve, and early application to the River Officer for same is invited. An applicant must give name and dimensions of boat, and must provide his own mooring ropes. Pegs will be supplied.

Acceptance of a permit shall be a guarantee that its holder and the boat it is issued for will observe the regulations, whether general or special.

Motor boats not moored along the Henley Reserve must use the mooring pegs provided on the north or south side of the river, and must moor at post bearing same number as shown on permit.

Mooring or holding on to the booms or buoys will be strictly forbidden.

After sunset on Henley Day motor boats shall exhibit a red light and go slow in the centre of the river only. Motor boats shall not tow any boat.

On Henley Day the length of oars used by any boat, other than racing boats, between Punt-road bridge and Prince's-bridge, shall not exceed 8 feet.

The use of paddles as a means of propulsion for rowing boats is preferred.

Boats over 25 feet in length or boats with jibbooms or other objectionable projections will not be permitted on the Yarra between Prince's-bridge and Punt-road bridge between the hours of 10 a.m. and 12 midnight on Henley Day.

Rowing boats and canoes shall exhibit a white light after sunset on Henley Day.
