PRICES REGULATION ORDER No. 6.—MEAT.

**I**N pursuance of the powers conferred upon me by the *Prices Regulation Act 1948*, I, John Francis Waldron, Prices Decontrol Commissioner, hereby make the following Order:—

CITATION.

1. This Order may be cited as Prices Regulation Order No. 6.

REVOCATION.

2. Prices Regulation Order No. 2907 as amended by Prices Regulation Orders Nos. 2921, 2932, 3116, 3189, 3319 and 3341 made under Commonwealth National Security (Prices) Regulations is hereby revoked.

DEFINITIONS.

3. In this Order, unless the contrary intention appears—

“prevailing price” means, in relation to the sale of meat of any class or cut by any person, the price at which that person sold meat of that class or cut on the 16th day of September, 1948, upon substantially the same terms and conditions, or if no sale of meat of that class or cut was made by that person upon that date on substantially the same terms and conditions, then the last preceding date upon which a sale was made by that person of meat of that class or cut upon substantially the same terms and conditions;

“prevailing margin of gross profit” means, in relation to the sale by any person of meat of any class or cut, the actual amount in money of gross profit obtained by that person upon the sale of meat of that class or cut on the sixteenth day of September, 1948, upon substantially the same terms and conditions, or if no sale of meat of such class or cut was made by that person upon such date upon substantially the same terms and conditions, then the last preceding date upon which a sale of meat of that class or cut was made by that person upon substantially the same terms and conditions;

“Melbourne metropolitan area” means all that area comprised within a radius of 25 miles from the principal post office, Melbourne;

“Geelong” means all that area of Victoria comprised within a radius of 10 miles from the principal post office, Geelong;

“Ballarat” means all that area of Victoria comprised within a radius of 10 miles from the principal post office, Ballarat.

4. In this Order reference to the weight of any meat shall be construed as a reference to the dressed weight of that meat.

## SALES BY WHOLESALE (SCHEDULES).

5. (1) Subject to sub-paragraph 2 of this paragraph, I fix and declare the maximum price at which the classes of meat specified in the First and Second Schedules to this Order may be sold by wholesale in Victoria to be the prices specified in those Schedules.

(2) I fix and declare the maximum prices at which meat for which a delivered price is fixed for sales by wholesale may be sold by wholesale other than at a delivered price, to be such delivered price less an amount calculated at the rate of  $\frac{1}{4}$ d. per pound for every 25 miles or part thereof by which the purchaser's premises are distant from the seller's premises.

## PORTIONS OF A CARCASS OR SIDE.

6. Where any class of meat a maximum price for the sale of which is fixed by paragraph 5 of this Order is sold by wholesale in the form of portions or cuts of a carcass or side, the maximum price at which any portion or cut of that carcass or side may be sold shall be such amount that the price of that portion and the price of the other portions of the carcass or side in question when sold shall together be not greater than the maximum price fixed under this Order upon a sale of a like whole carcass or side, as the case may be.

## OTHER SALES BY WHOLESALE.

7. I fix and declare the maximum price at which meat of any class may be sold by any person by wholesale in Victoria where a maximum price is not fixed for such sale by paragraph 5 or 6 of this Order to be—

- (b) the cost to such person of such meat plus the prevailing margin of gross profit for sales of meat of that class by that person,

whichever is the lesser.

8. I declare that where a person (in this paragraph referred to as "the agent") purchases live stock as agent, or purported agent, for another person (in this paragraph referred to as "the principal") and processes or treats the live stock and delivers meat resulting from the processing or treatment to the principal, the carrying out of the agency (or purported agency) and the performance of the other services by the agent shall, for the purposes of Part II. of the *Prices Regulation Act 1948* and this Order, be deemed to be a sale by wholesale of the meat so delivered by the agent to the principal at a price equal to the sum of the amounts paid or payable by the principal to the agent in respect of the agency and services (including the price paid by the agent for the live stock purchased by him).

## SALES BY RETAIL.

9. I fix and declare the maximum price at which meat of the classes or cuts specified in the Third Schedule to this Order may be sold by retail in Victoria to be the prices specified therein:

Provided that the prices so specified for sales outside the Melbourne metropolitan area shall—

- (b) the delivery charge is separately recorded on a docket delivered in relation to the meat,

be subject in each case to the addition of a delivery charge of One penny per pound.

## OTHER SALES BY RETAIL.

10. I fix and declare the maximum price at which meat of any class or cut may be sold by any person by retail in Victoria, where a maximum price is not fixed for such sale by paragraph 9 of this Order, to be—

whichever is the lesser.

## GENERAL.

11. For the purpose of this Order if a person operates more than one place of business he shall in respect of each place of business be deemed to be a separate seller.

12. Notwithstanding anything contained in the foregoing provisions of this Order where a seller of any meat has customarily allowed any difference in price—

(a) to any person or to persons included in any class of persons; or

(b) in respect of sales of certain quantities of meat,

the maximum price fixed by or under this Order in respect of that meat shall, in the case of sales to any such person or persons or of such quantities, be reduced by the allowance of that difference:

Provided that in the case of any sale by retail it shall not be necessary to make any such allowance to a greater extent than One half-penny per pound.

13. For the purpose of this Order where any business, in the carrying on of which any class or cut of meat is sold, or the assets of that business are transferred (by sale or otherwise) after the date of this Order and the transferee carries on such business at the same place of business, then notwithstanding the foregoing provisions of this Order, I fix and declare the maximum price at which meat of such class or cut may be sold by the transferee in respect of such place of business to be the maximum price fixed by the foregoing provisions of this Order for the sale of that class or cut of meat by the transferor in respect of such place of business.

## NOTICE IN WRITING.

15. Notwithstanding the foregoing provisions of this Order—

- (a) I declare the maximum price at which meat of any class or cut specified in a notice in pursuance of this paragraph may be sold by any person to whom such notice is given to be such price as is fixed by the Prices Decontrol Commissioner by notice in writing to that person.
- (b) All notices given in pursuance of any Prices Regulation Order revoked by paragraph 2 of this Order other than notices which fix a retail price for any class or cut of meat specified in the Third Schedule to this Order greater than the price specified therein which are in force at the commencement of this Order shall be deemed to be given under this Order.

## EXHIBITION OF PRICE LISTS.

16. (1) Every trader who sells or has for sale any meat shall exhibit in a prominent place in his shop or, if he has more than one shop, in each of his shops a notice in the form approved by the Prices Decontrol Commissioner setting forth the maximum price fixed from time to time by or under the provisions of this or any subsequent Order for the sale by him of any class or cut of meat. I hereby approve of the following form of such notice, that is to say, a notice not less than 18 inches long and not less than 12 inches wide having printed thereon in clear printer's type all the classes or cuts of meat which that trader sells or has for sale and the maximum prices fixed by or under this Order in relation thereto.

(2) For the purpose of the last preceding sub-paragraph the amount added for delivery in pursuance of the foregoing provisions of this Order shall not be deemed to be part of the maximum price, but where any such charge is permitted in relation to the sale of meat by any person under those provisions the following shall be endorsed in clear printer's type at the foot of the notice referred to in the last preceding sub-paragraph:—
