PROPORTION (within any factory).

The proportion of juniors employed shall not exceed two to each employee receiving not less than the minimum adult rate. In determining the proportion of juniors to employees receiving the adult rate each shift shall be taken into account separately.

Provided that, in the full-fashioned department of the knitting section, the proportion of females shall be one junior female to each female receiving the adult wage, and the proportion of males shall be two junior males to each three males receiving the adult wage.

Provided also that, in computing the proportion of juniors in the full-fashioned department of the knitting section, employees in the silk throwing department shall not be counted, and the count for the remainder of the full-fashioned department shall be taken over all the shifts.

The Board has prescribed a form of apprenticeship indenture.

(b) Changes in rates to be effective from the beginning of the first pay period to commence after the attainment of the prescribed age.

(c) A junior female, after four years' experience in the industry shall be paid the rates prescribed for an adult female in the classification in which she is employed.
