NOTICE OF MAKING BY-LAW No. 128, IN RELATION TO ABATTOIRS AND MEAT SUPERVISION.

NOTICE is hereby given that the Council of the City of Ballaarat has made and passed under the Health Acts and the Local Government Acts By-law No. 128, for the following purposes:—

- Prescribing the conditions on which animals may be received into or supplied or removed from abattoirs.
- Fixing the rates of fees or dues payable under Part XIII, *Health Act 1928*.
- Prescribing times for slaughtering animals at public abattoirs.
- The feeding, watering and tending, and the preventing of cruelty to and overcrowding of animals in abattoirs, and the milking of milch animals at abattoirs.

The By-law has been submitted to the Commission of Public Health, and approved by the Governor in Council. It repeals Regulations Nos. 42 and 43 of the City of Ballaarat, and Regulations Nos. 21 and 22 of the Town of Ballaarat East. It provides that the municipal abattoirs of the city shall be a public abattoir and the meat inspection depot for the Ballaarat meat area. It fixes the days on and the hours between which animals may be brought to the abattoirs and gives directions as to when particular animals are to be slaughtered and as to the removal of animals received into the abattoirs and not slaughtered or otherwise dealt with in accordance with the By-law and Meat Supervision Regulations. Persons bringing animals to the abattoirs are required to provide them with water and to make provision for sufficient feeding. The number of animals to be placed in pens, stalls, yards, or standings is to be as directed by the Superintendent. The causing of unnecessary suffering in slaughtering and cruelty to animals in the abattoirs are offences against the By-law. All milch cows are to be milked as directed by the Superintendent of the abattoirs. Animals shall not be slaughtered before examination at the abattoirs. Subject to examination, the By-law provides for the slaughter of animals and the flaying and dressing of carcasses, and for the securing of cleanliness of person and dress of those engaged in slaughtering, dressing, and tending, and of all appliances used in the abattoirs, and gives the Superintendent of the abattoirs

authority to order any person to leave the abattoirs if such person fails to comply with the By-law in regard to cleanliness of person and of the appliances used by him. It provides for the notification by every person engaged in slaughtering of any disease observed by him in any animal. It provides the time within which offal and skins produced at the abattoirs and carcasses must be removed from the abattoirs. It prohibits persons affected with dangerous communicable disease handling any animal, carcass, or meat in the abattoirs. It gives the Superintendent power to request persons handling carcasses or meat and whom he believes to be affected with a dangerous communicable disease to submit themselves for medical examination at the expense of the Council. It provides for the removal or destruction of animals dying at the abattoirs before slaughter. It prescribes in detail the fees and dues which the Council may demand and receive—

- (a) for the use of any abattoir of which it is the owner for the slaughtering of animals;
- (b) for the examining of animals;
- (c) for the examining and branding of carcasses and meat pursuant to the Health Acts;
- (d) for giving certificates as to examinations made by meat inspectors;
- (e) for examining any animal and examining and branding any carcass of or meat derived from animals slaughtered at the approved private abattoirs or meat works mentioned in the By-law;

and provides that owner of all animals placed in the abattoirs shall be responsible for the payment of fees and dues at the municipal offices of the Council, at the Town Hall, Ballarat, before the 14th day of the month following the month in which liability shall have been incurred. It provides against waste and use to excess of water at the abattoirs, and that no person other than a butcher, slaughterman, or person having lawful business at the abattoirs shall enter on or remain in the abattoirs if directed to leave by the Superintendent or his deputy. All persons using the abattoirs or any of the plant or equipment are to observe directions issued by the Superintendent and not to resist or obstruct the Superintendent or Meat Inspectors or other officers in the discharge of their duties. Animals must not be released or removed from one part of the abattoirs to another without the consent of the Superintendent. The By-law provides against the wilful breaking, injuring, or damaging of any part of the abattoirs premises and against unseemly or indecent conduct. In addition to carrying out duties defined and prescribed in the Health Acts and in the Meat Supervision Regulations, the Superintendent and Meat Inspectors are to have the powers and carry out the duties respectively defined and prescribed for them in the By-law. Penalties are provided for wilful act or default contravening the provisions of the By-law. It contains a schedule describing the locality and area of the municipal abattoirs.

Notice is hereby further given that a copy of By-law No. 128 is open for inspection, free of charge, during office hours at the office of the Council, Town Hall, Ballarat.
