*At the Executive Council Chamber, Melbourne, the  
thirteenth day of July, 1948.*

## PRESENT:

His Excellency the Governor of Victoria.

Mr. Dodgshun

Mr. Warner.

ADULT EDUCATION (OFFICERS' LEAVE OF ABSENCE)  
REGULATIONS.

PURSUANT to the powers conferred by the *Adult Education Act* 1946 and all other powers him thereunto enabling, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the following Regulations, that is to say:—

1. These Regulations may be cited as the "Adult Education (Officers' Leave of Absence) Regulations" and shall be read and construed as one with the Adult Education Regulations made on the 1st day of July, 1947, and published in the *Government Gazette* on the 9th day of July, 1947, and any Regulations amending the same.

2. (1) The Director may at such times as may be convenient grant to every officer leave of absence for recreation for any period or periods not exceeding in the whole fifteen working days in each year.

(2) In the year of his first appointment an officer may be granted recreation leave at the rate of one day and one quarter of a day for each completed calendar month of service subsequent to his appointment. Provided that in the case of any officer who was appointed on the 1st day of July, 1947, and who immediately prior to such appointment was a member of the staff of the University of Melbourne the service of such officer with the University shall for the purpose of this Regulation be counted as service with the Council and any recreation leave granted to him in respect of the year 1947 whilst in the service of the University shall be taken into account in calculating the leave of absence which may be granted to him under this Regulation.

(3) All recreation leave not taken in the year in which it falls due shall be forfeited unless the Director permits it to be taken in the next succeeding year.

3. Subject to these Regulations the Director may in cases of illness or other pressing necessity grant extended leave of absence to every officer.

4. In the case of illness of an officer the conditions under which the Director may grant leave of absence shall be as follows:—

(a) When leave with pay is approved, the basis for determining the amount which may be granted shall be ascertained by crediting the officer with the following periods, such leave to be cumulative:—

|  | <i>Leave on<br/>Full Pay.</i> | <i>Leave on<br/>Half Pay.</i> |
|--|-------------------------------|-------------------------------|
| On completion of six months' service .. .. .                                   | 16 days                       | 16 days                       |
| On completion of two years' service and each years' service thereafter .. .. . | 8 days                        | 8 days                        |

Provided that where an officer was immediately prior to his appointment an officer of the Public Service or a member of the Teaching Service such sick leave credits as the officer had accumulated with either of those Services shall stand to the officer's credit with respect to his entitlement to such leave under these Regulations:

Provided also that where any officer was immediately prior to his appointment a member of the staff of the University of Melbourne his period of service with the University shall for the purpose of this Regulation be deemed to have been service with the Council and there shall likewise be taken into account in assessing the amount of sick leave to which such officer may be entitled such sick leave taken by him whilst in the service of the University as disclosed by the University records.

- (b) To determine the leave for which an officer is eligible at any time all leave granted during his service at rates of full pay and half pay respectively shall be deducted from the appropriate period ascertained under the provision of the preceding paragraph.
- (c) After deduction has been made as provided in the preceding paragraph the period remaining at each rate of pay shall be the amount of leave for which an officer is eligible.  
Provided that, notwithstanding the amount of sick leave standing to the credit of any officer continuous leave with pay shall not be granted for any period longer than fifty-two weeks inclusive of any recreation leave which may be granted. Where an officer has had fifty-two weeks' continuous leave with pay, no further leave with pay shall be granted until such officer has completed a period of duty of not less than four weeks.
- (d) For each week an officer is absent on leave with full pay the amount of leave on full pay standing to his credit shall be reduced by five days.

For each week an officer is absent on leave with half pay the amount of leave on half pay standing to his credit shall be reduced by five days notwithstanding that his pay is reduced to half pay for seven days.

Where the absence exceeds one or more weeks but does not extend to a further week the number of weeks shall be recorded as hereinbefore provided and the remaining days shall be debited as a period of less than a week.

When the period of leave granted to an officer with pay (whether full pay or half pay) does not extend to a week his appropriate credit shall, subject to the provisions of Regulation 6, be reduced by the number of days he would have been required to be on duty if he had not been absent on sick leave.

For the purposes of these Regulations, so far as they relate to sick leave, a week shall be deemed to be any period of seven consecutive days inclusive of Sunday.

- (e) In these Regulations, so far as they relate to sick leave, "service" means continuous service, inclusive of any period of absence on leave: Provided that, in determining at any time the amount of leave standing to the credit of an officer who has been absent on leave without pay (other than for the purpose of serving with the Commonwealth Defence Forces) continuously for a period extending beyond six months, such period as is in excess of six months shall not be counted as service.

5. (1) Where an officer whose normal working week is from Monday to Friday inclusive is absent through illness on a Saturday on which he is rostered to perform duty, such day shall not be deemed to be a day on which he is required to be on duty, and, in respect of such day, no debit shall be made against his sick leave credit, but, in the case of any such absence, the Director may require the production of a medical certificate.

(2) Where an officer, whose normal working week is from Monday to Friday inclusive, is granted sick leave for a period which includes a period during which he would but for such sick leave have been rostered off duty in respect of duty performed by him on a Saturday morning, he shall, after resuming duty from sick leave, be granted time off in lieu of any such duty performed before he commenced sick leave.

6. (1) A public holiday observed between the first and last days of a period of leave of an officer shall be regarded as part of the leave.

(2) After an absence on sick leave an officer shall be deemed to have resumed duty on the day he actually returns to duty: Provided that a public holiday observed at the expiration of a period of leave shall not be regarded as part of the leave when the officer resumes duty immediately after such holiday.

7. (1) For any period exceeding two days' continuous absence, a satisfactory certificate by a duly qualified medical practitioner shall be furnished setting out the cause of such absence: Provided that—

- (a) The Director may require a medical certificate to be furnished with respect to any absence, and
- (b) continuous leave with pay shall not be granted to an officer for any period exceeding thirteen weeks, unless the Government Medical Officer certifies that the leave is necessary.

(2) No leave shall be granted with pay on account of illness caused by the misconduct of the officer or in any case of absence from duty without sufficient cause. Where the Director has occasion for doubts as to the cause of illness or the reason for absence, he shall before accepting a medical certificate refer such certificate to the Government Medical Officer for report.

(3) If the number of days during which an officer is absent in any year without a medical certificate exceeds five days in the aggregate, the number of days absence in excess of five shall not be granted as sick leave, but shall be deducted from his annual recreation leave or be granted without pay.

8. (1) Where the Director is satisfied that the illness of an officer or employee with at least six months' service is directly attributable to or is aggravated by his service in the war which commenced in the year One thousand nine hundred and fourteen or in the year One thousand nine hundred and thirty-nine, such officer or employee may, apart from any sick leave which may be standing to his credit, be granted special leave with full pay up to but not exceeding eight days (or, within a period of three years from and inclusive of the date of discharge from the Defence Forces, twelve days) in the aggregate during any year of service. Such special leave shall be cumulative provided that the total of the accumulated leave standing to the credit of an officer or employee shall not at any time exceed sixty days.

(2) If any officer in the discharge of his duty sustains bodily injury of such a nature as to incapacitate him for all duty, and the Director is satisfied that such injury was not contributed to by the negligence or misconduct of the officer, such officer shall, apart from any sick leave which may be standing to his credit, be granted leave on full pay during such incapacity less the amount paid by way of weekly compensation by the State Insurance Commissioner. Leave granted under the provisions of this sub-regulation shall not be regarded as a debit against the officer and shall not exceed a continuous period of fifty-two weeks inclusive of any other leave which may be granted with pay.

(3) If any officer is certified by the Government Medical Officer to be suffering from pulmonary tuberculosis and to be probably curable, leave of absence may be granted on the following terms, viz., six months on full pay and three months on half pay; provided that such pay may be made conditional on the officer undergoing treatment in an approved sanatorium when so recommended by the Government Medical Officer. Any leave so granted in excess of the amount standing to his credit shall not be regarded as a debit against the officer.

(4) The provisions of Regulations 4, 5, 6, and 7, so far as they are applicable, shall be deemed to apply to leave under the provisions of this Regulation.

9. Where an officer is continuously absent from duty on account of illness beyond a period of thirteen weeks, he shall not be permitted to return to duty until the Government Medical Officer shall have certified that he is fit to resume work.

10. Leave of absence granted by the Director in cases of pressing necessity shall except as is elsewhere provided in these Regulations or in such cases as the Council on the recommendation of the Director otherwise directs be without pay.

11. The Director may grant leave of absence for two days on full pay and one day on half pay to any member on account of the death or serious illness of his wife, child, father, mother, brother, or sister, or in any other case where, in the opinion of the Minister, special circumstances exist.

Provided that more favorable terms may be granted by the Director if he is satisfied in any particular case that the leave authorized by this clause is inadequate.

12. (1) If the Director has reason to believe that an officer is in such a state of health as to render him a danger to his fellow officers, he may require such officer to obtain and furnish a report as to his condition from a duly-qualified medical practitioner, or may require him to submit himself for examination by a Government medical officer.

(2) Upon receipt of the medical report, the Director may direct the officer to absent himself from his duties for a specified period, or, if already on leave of absence, direct him to continue on leave for a specified period, and the absence of such officer shall be regarded as absence on leave owing to illness.

13. (1) Upon report by a medical officer of health that, by reason of contact with a person suffering from an infectious disease and through the operation of restrictions imposed by law in respect of such disease, an officer is unable to attend for duty, the Director may grant the officer special leave of absence.

(2) Leave of absence under the last preceding sub-regulation shall not be granted for any period beyond the earliest date at which it would be practicable for the officer to resume duty, having regard to the restrictions imposed by law.

14. The Director may grant any officer leave of absence with full pay for the purpose of attending examinations in subjects a knowledge of which would in the opinion of the Director increase the efficiency of such officer in the performance of his duties in the service of the Council.

15. Where an officer, who has been granted leave of absence without pay for a specified number of days, resumes duty on a Monday or the first working day of a week, pay shall be restored from and inclusive of the day following the last normal working day within the period of leave, except where the leave granted commences on a Monday and the last normal working day within the leave period is a Friday or a Saturday (as the case may be), in which case pay shall be restored from and inclusive of the Monday.

16. (1) Where in case of illness any officer who has received extended leave of absence for twelve months is not so far recovered as to be able to resume his duties the Council may grant such officer further leave of absence.

(2) No such further leave of absence shall be granted for more than six months in all and for such further leave of absence no salary or allowance shall be paid to such officer.

(3) The provisions of this Regulation shall be read and construed so as not to deprive any officer of any pension or benefit to which he is entitled under the Superannuation Acts.

17. (1) On the application of any officer the Council may for special reasons grant to him leave of absence for any period not exceeding twelve months subject to such terms and conditions as are prescribed or imposed by the Council in any particular case.

(2) In determining the seniority of any such officer the period during which he is absent on leave granted pursuant to this regulation shall not be included as part of such officer's period of service except in the case where such leave is granted for the purpose of acquiring any qualification or studying any subject which in the opinion of the Council is likely to increase the efficiency of such officer in the performance of his duties.

18. In these Regulations "Government Medical Officer" includes "Assistant Government Medical Officer."

19. The Adult Education Regulations as amended by the Regulations made on the 1st day of July 1947 and published in the *Government Gazette* on the 29th day of October 1947 are hereby amended as follows:—

(a) In Regulation 11 for the expression—

(b) leave of absence",

there shall be substituted the words—

"hours of duty and times of attendance of officers and employees"

and (b) Regulation 11A thereof is hereby revoked.

And the Honorable Wilfred Selwyn Kent Hughes, His Majesty's Minister of Public Instruction for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
