- (ii) a weekly piece-worker; or
- (iii) a casual time-worker; or
- (iv) a casual piece-worker.

(b) A weekly time-worker, to become entitled to payment of a weekly wage, shall perform such work as the employer shall from time to time require on the days and during the hours usually worked by such employee.

(c) A weekly piece-worker is a piece-worker engaged as a weekly employee. The following conditions apply to the employment of a weekly piece-worker:—

(i) On each working day or night of the week he shall present himself for employment at the usual time for beginning work at the place of business of the employer unless informed before leaving work by the employer that his attendance on any day or any night is not required.

(ii) If he has not been informed as provided in paragraph (i) hereof, and actually presents himself on any such day or any such night he shall receive not less than four hours' continuous employment or be paid for such four hours (or any part of such four hours as would be non-working time) at the appropriate rate of a time-worker. Provided that a weekly piece-worker on day work working on a Saturday shall receive not less than three hours' work or be paid for such three hours (or any part of such three hours as would be non-working time) at the rate aforesaid, and his shift shall finish not later than noon.

(iii) (1) The provisions of this paragraph (iii) shall have full force and effect notwithstanding anything contained in this Determination or in any Schedule thereto.

(2) In this paragraph the words "the corresponding time-worker" mean:—

- (a) As to an adult male, as defined by clause 39 (f) hereof—an adult male weekly time-worker employed in the same calling as the weekly piece-worker who is concerned;
- (b) As to an adult female, as defined by clause 39 (f) hereof—an adult female weekly time-worker employed in the same calling as the weekly piece-worker who is concerned; and

(5) If in any week there occurs a public holiday, as provided in clause 7 hereof, upon which the weekly piece-worker is not required to work, he shall be paid, in addition to his aggregate piece-worker earnings for that week, a sum equivalent to that paid to the corresponding time-worker for such public holiday.

(iv) Notwithstanding anything in this Determination contained, lateness shall not, except as in this condition provided, affect the right of a piece-worker to the benefits of this sub-clause (d). A piece-worker's earnings shall not be subjected to deduction for lateness or lost time unless such lateness or lost time would cause an employer to make a payment which he otherwise would not be required to make. Subject to this condition, where a piece-worker is late or loses time on any day he shall be subject only to such a deduction from any moneys due to him as is proportionate to the time actually lost by him.

(d) (i) The employment of a weekly time-worker or piece-worker may be terminated by a week's notice on either side or by the employer at his option by payment of a week's wages in lieu of notice and such notice may be given on any day of the week to take effect one week after the day on which it is given. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty or misconduct, and in such case wages shall be paid up to the time of dismissal only, or to deduct payment for any day the employee cannot usefully be employed because of any strike or through any breakdown of machinery or any stoppage of work for any cause for which the employer cannot be held responsible.

Provided always that the notice referred to in paragraph (i) of this sub-clause shall not be given so as to take effect concurrently with any constant service leave to which the employee may be entitled and such notice or payment in lieu of notice shall be additional to any bonus payable to the employee under clause 10 of this Determination.

(ii) In the event of work being temporarily stopped by a breakdown of machinery, or by any cause for which the employer cannot be held responsible, and the employee has lost at least two days' pay, the employee, whether a weekly time-worker or weekly piece-worker, may inform the employer of his intention to terminate his employment, whereupon the employment shall be terminated without the employee being required to give the week's notice mentioned in paragraph (i) hereof, and he shall be paid such moneys as are due to him under this Determination.

(e) Where a weekly piece-worker gives or receives a week's notice of the termination of his employment, he shall during the week that such notice runs be given the same amount of piece-work as it has been customary for him to perform during the period of his engagement.

(f) If an employee's services be terminated during the course of the week, he shall be paid all money due to him at the termination of his service, or all money due to such employee shall be forwarded to him by post within twenty-four hours thereafter. Without prejudice to his liability to legal proceedings in respect of such non-observance, an employer not observing this provision shall pay such employee an extra full day's pay for each day after the employer's usual pay day upon which he applies at the employer's place of business for payment of the amount due to him, and does not receive it.

- (b) An employer who deems the evidence or message referred to in paragraph (a) hereof to be unsatisfactory may (within 48 hours from the receipt thereof) forward to the employee by registered post or by telegram or deliver to him a request for further evidence of the personal ill-health necessitating his absence. The employee shall reply within 48 hours from the receipt of the request. He may deliver his reply to the employer or send it by registered post or by telegram.

- (d) If an employer within 48 hours after receipt by him of the written reply referred to in paragraph (b) hereof does not accept such as satisfactory evidence of personal ill-health, he may require further evidence and the employee must within a reasonable time furnish such further evidence. If the employer requires the employee to obtain a medical certificate or other proof of personal ill-health, he shall pay or refund any fee and incidental expenses necessarily paid or incurred by the employee. The employee shall submit to medical examination at the employer's expense if so required and shall not obstruct or interfere with inquiries deemed to be necessary by the employer.
- (e) In any case where the period of 48 hours referred to in paragraphs (c) and (d) hereof expires after the finish of the last working day in the calendar week, or on a public holiday, the period shall be deemed to extend to noon of the next ordinary working day, and in any case where illness commences after the finish of such last working day the said period of 48 hours shall be deemed to commence at the starting hour of the next ordinary working day.
- (f) A weekly piece-worker shall be excused from presenting himself for employment at the proper time and place each day because of personal ill-health and shall be paid at the corresponding time-worker's wage for the period of ill-health in all respects as if during such period he had been a weekly time-worker employed on such days and during such hours as are usually worked by time-workers upon any day shift, and he shall comply with and be subject to the conditions for time-workers prescribed in paragraph (a) hereof.
- (g) A weekly employee shall not be entitled to the sick pay benefits of this clause until he has worked in the employment of his employer for a period of three working weeks.
- (h) Notwithstanding that he may be employed by different employers he shall not be entitled to payment for non-attendance on the ground of personal ill-health for more than 40 hours in each year. Such year shall begin on the first day of January of each year.
- (i) Wherever in this clause the words corresponding time-worker's rate of wages occur, they shall have the meaning assigned to them by sub-clause (c) (iii) of clause 19, any requirement in "writing" shall be deemed to be complied with where a telegram is received or dispatched.

CUMULATIVE SICK LEAVE.
