IN pursuance of the powers in that behalf conferred by the *Agricultural Colleges Act* 1944 (No. 5044), His Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby rescind the Regulations made under the provisions of the said Act on the 5th February, 1946, as amended, and doth make the following Regulations, that is to say:—

TERMS AND CONDITIONS UNDER WHICH STUDENTS MAY BE RECEIVED AT STATE AGRICULTURAL COLLEGES, AND QUALIFICATIONS FOR ADMISSION TO STUDENTS TO SUCH COLLEGES.

1. Boys of a minimum age of fifteen years in sound health and of suitable physique, who have been educated to the standard of School Intermediate Certificate of the University of Melbourne, may, on agreeing to observe the Regulations and the college rules, and on payment of the prescribed fees, be admitted to an agricultural college as resident students. Provided, however, that applicants for admission may be required to submit themselves for examination at the School Intermediate Certificate standard. Provided further that persons who comply with the conditions laid down for the admission of resident students and who satisfy the Director of Agriculture that they can make suitable arrangements for board and lodging may be admitted as non-resident students.

2. Each applicant must produce a satisfactory testimonial of character from his last teacher or employer; a dentist's certificate that he is not likely to require dental treatment for at least six months; and a certificate from a registered medical practitioner that he is in good health, and is physically fit for the work of the college. Any student except non-resident students may, on arrival or at any subsequent time, be required by the Principal to submit himself for examination by the college medical officer.

3. Each student is admitted on probation for one term. If, during any term, he proves to be unfitted for the college life from any cause whatsoever, or, if in the opinion of the Principal, his presence at the college is likely to be unprofitable to the student himself, injurious to other students, or his conduct prejudicial to the discipline or the reputation of the college, he may not be re-admitted.

4. If, to the exclusion of any other applicant, a student has failed to go into residence at the college within one month after the opening day, he may be considered to be disqualified and any fees paid on his behalf may be forfeited.

5. Until he can produce a certificate from a registered medical practitioner stating that he can do so with safety, no student will be permitted to go into residence at the college after living in a dwelling in which exists, or has recently existed, any contagious or infectious disease.

6. Provided that he otherwise complies with the conditions of entrance, an applicant who has attained the age of seventeen years may be admitted to the second year of the college course if—

(*a*) he has passed the School Leaving Examination of the University of Melbourne or its equivalent, and has completed a satisfactory course of training to the standard of the School Leaving Examination in chemistry and in one of the following subjects—physics, biology, geology, and

(*b*) he has satisfied the Superintendent of Agricultural Education that he possesses a knowledge of the rudiments of farm work and that he has worked on a farm for a period of not less than eight weeks.

7. Any student entering the college except at the beginning of the college year shall engage in such practical work and studies as the Principal may decide.

STUDENT'S FEES, &C.

8. All students' fees, deposits, and contributions are payable in advance to the Director of Agriculture, Melbourne, and must be paid by the date notified, otherwise the vacancy may be filled.

9. The academic year shall comprise two terms, each of aproximately five months duration.

10. The fee to be paid in respect of each resident student shall be £27 10s. per term. In addition, there shall be payable in respect of each student a contribution of 12s. 6d. per term for medical attention and one of £1 10s. per term for sports and social activities.

Contributions and charges, except such portion of the charges as is appropriately payable to the Consolidated Revenue, shall be paid into "Trust Fund—Agricultural Colleges Account" in the books of the Treasury.

With the first payment of fees a deposit of £5 shall be paid in respect of each student to meet charges for stationery, text books, college badge, magazine and other goods or materials supplied, and services rendered.

Stationery, text books, college badge and other goods or materials supplied, and services rendered to a student shall be charged to his account at the end of each term and shall be paid for within one calendar month, provided that in the final year of the college course all charges shall be debited against the deposit, and at the conclusion of the student's course of training the balance, if any, may be refunded from Trust Fund.

Fines and such moneys as are paid into "Trust Fund—Agricultural Colleges Account" without specific purpose and any surpluses accruing in such Trust Fund may be disbursed by the Principal in the procurement of goods, services, and amenities for the use, benefit, and enjoyment of students.

11. A student who enters the college after the expiry of one month from the beginning of any term shall be charged *pro rata* fees, but shall be required to pay the total contribution for medical attention and for sports and social activities.

A student who leaves the college before the expiry of any term shall not be entitled to receive any refund of his medical attention and sports and social contributions or any portion thereof.

12. The fees paid by or on behalf of any student cover only the period the college is in session. Students will be allowed to remain at the college during vacation only with the express permission of the Principal, and shall engage in any practical work assigned to them.

DISCIPLINE.

13. The Principal shall be responsible for the maintenance of discipline at the college, and, in the case of any student guilty of a breach of the rules and/or Regulations in force for the time being, may expel such student, or may impose a fine not exceeding Twenty shillings, or may inflict such lesser penalty as he considers fit. All fines collected under the terms of this Regulation shall be paid into "Trust Fund—Agricultural Colleges Account." A fine imposed for any breach of discipline shall be paid within ten days.

14. The introduction into the college or on to the farm of any spirituous or fermented liquors is strictly forbidden, and whilst students are resident at the college they must refrain from partaking of intoxicants. Any breach of this Regulation is punishable by expulsion.

SCHOLARSHIPS—GENERAL.

15. A full scholarship shall entitle the holder to free tuition and board and lodging.

16. The holder of any scholarship shall not hold any other scholarship concurrently.

17. The tenure of any scholarship may be determined at any time if, in the opinion of the Principal, the work or conduct of the scholar is unsatisfactory.

18. Should the holder of any scholarship fail to pass the prescribed examinations in any year, he may not be permitted to continue under the terms of the scholarship.

19. Five scholarships, tenable for three years at an agricultural college, will be made available annually to boys attending State and registered schools in Victoria.
