1. The rent shall be payable quarterly in advance, and the first quarter's rent must be paid at the time of the sale. (If the term of the lease be for longer than ten years, the rent shall be re-appraised at the end of every ten-year period.)
2. The lessee shall pay all taxes, rates, duties, charges, assessments, &c., payable in respect of the land and premises, and will be required to meet all municipal, health, factory, and other Local Government requirements.
3. The land shall not (unless with the consent of the Board of Land and Works (hereinafter called "the Board")) be used for any other purpose than that declared by the purchaser.
4. Plans of all buildings proposed to be erected on the land shall be submitted to the Board for its consideration, and work shall not be commenced until approval is given.
5. The buildings and other improvements shall be maintained throughout the term of the lease in good order and repair to the satisfaction of the Board.
6. No advertising matter or medium will be permitted on the land or premises or fencing, provided, however, that the Board may permit a sign or other advertisement which refers solely to the purpose for which the lease is granted.
7. The Board or its servants shall have the right of entry at any time for inspection purposes, and, in case of default with regard to maintenance, to make good any defects at lessee's expense.
8. The lessee shall keep all buildings insured in the name of the Secretary for Lands for an amount fixed by him, and the policy and the renewal receipts in respect thereof shall be deposited with the Secretary for Lands, Melbourne.
9. The site shall not be used for the storage of dynamite, gunpowder, kerosene, or other combustible or inflammable or explosive manufactured materials unless and until an application has been submitted and consented to by the Board.

14. The lessee shall at the expiry, or sooner determination of the lease, yield and deliver the land and premises to His Majesty, his heirs, and successors in good order and condition.

16. The land is subject to be resumed for mining purposes under section 168 of the *Land Act 1928*.
17. The Governor in Council has the right to resume the whole or any part of the land for public purposes on payment of compensation for the lessee's interest in the unexpired term of the lease in respect of the resumed area.
18. The lease shall be voidable for failure to use the land bona fide for the purpose for which it has been demised, or for non-payment of rent or interest on rent in arrear, or for breach of any condition, or if the affairs of the lessee be wound up, or in the event of bankruptcy of the lessee.
19. In the event of the lease being declared void, it shall be lawful for His Majesty, his heirs, or successors to enter into and take full possession of the land and premises.
20. The lessee shall, within the time specified hereunder, have erected buildings (the walls of which shall be of brick, concrete, or other material agreed to by the

Board) and/or other permanent improvements on the land of not less than the values stated hereunder, in accordance with plans and specifications approved by the Board.

21. No buildings or other structures shall be erected at a level lower than that required for proper and effective drainage of the leased land.

22. If the purchaser covenants to erect improvements substantially in excess of the minimum required, the term of the lease may be fixed by the Board for a longer term, to be determined by it within the provisions of the Land Acts.
