TENDERS are invited for the purchase and removal of sand from the hill on the north-east boundary of the Lloyd Park Public Reserve, in the Parish of Langwarrin, fronting the Cranbourne-road 4 miles from Frankston.

Tenders are to be lodged before noon on Wednesday, 24th August, 1949, addressed to Secretary for Lands, Melbourne, endorsed "Tender for Sand."

The highest or any tender will not necessarily be accepted.

CONDITIONS.

(a) Term during which removal shall be completed—ten years from date of licence.

(b) The licensee shall accept full liability for the safety of the sand face, including the responsibility to protect any portion which may constitute a danger to persons using the reserve.

(c) The licence, which will be issued in pursuance of section 129, *Land Act 1928*, will be for a period of one year from time of acceptance of tender, and will be renewable each year thereafter for nine years on satisfactory compliance with the licence conditions.

(d) The top soil shall not be sold but shall be put aside by the licensee, and thereafter used by the licensee for re-surfacing, as required, in the performance of the conditions hereinafter mentioned.

(e) Sand is not to be removed below a graded floor, which will be defined by the Lands Department Surveyor after consultation with the Shire Engineer, and which will not be lower than that of the playing field on the reserve. As the work of removal becomes completed this floor shall be cleared and surfaced with overburden or other approved material by the licensee at his own cost and to the satisfaction of the Department.

(f) The licensee shall, at his own cost, within twelve months from the date of the licence, form, grade, and surface with gravel or other approved material a vehicular track from the main road through the reserve along a route to be defined by the Department's Surveyor; this work to be done in consultation with the Department, and to its satisfaction.

(h) The sum tendered for the licence shall constitute the rental and shall be payable over the term covered by the removal of the sand. The yearly payment of such rental shall be one-tenth of the full amount tendered, payable at the commencement of each year of the licence, and a proportionate additional amount at the end of the year for any sand removed during that year in excess of one-tenth of the total quantity to be removed. Such additional amount shall be assessed by an officer appointed by the Secretary for Lands for the purpose, provided further that the balance of the amount tendered shall be payable in full immediately on removal of the full quantity of the sand.

(j) Each tenderer shall lodge with his tender the first year's rental, and shall also state fully the plant and facilities at his disposal wherewith to perform the work.
