3. *Appointment of Commissioner.*—Any Commissioner appointed by the Governor in Council shall continue in office for the term for which he has been appointed (but such term shall not exceed four years) or until he dies, resigns, becomes disqualified, or is removed by the Governor in Council.

5. *Date of First and Subsequent Election of Commissioners.*—The first election of Commissioners under these Regulations shall be held on the sixth day of April, in the year 1950, and the subsequent ordinary election of Commissioners shall be held on the first Thursday in the month of April in each succeeding triennial year.

6. *Extraordinary Vacancies How Filled.*—Any vacancy in the office of Commissioner (not being a Commissioner appointed by the Governor in Council) occasioned by any cause whatever, other than the retirement of such Commissioner at the expiration of the period for which he was elected, shall be deemed an extraordinary vacancy, and shall within two months after the vacancy has occurred be filled by the election of a Commissioner to fill such vacancy.

The person elected to fill such vacancy shall hold the office of Commissioner during the unexpired portion of the term of office of the Commissioner whose seat shall have become vacant.

7. *Voter's List to be Prepared.*—For the purposes of the first election of Commissioners a voters' list shall be prepared in like manner to that provided by section 117 of the *Water Act* 1928, as amended by section 2 of the *Water Act* 1936, in so far as circumstances will admit, on or before the ninth day of March, 1950, by the Secretary of the Shire of Oxley as to that portion of the District which lies within the boundary of the municipality of Oxley, certified by him as correct, and by the Town Clerk of the Borough of Wangaratta for that portion of the District which lies within the boundary of the Borough of Wangaratta, certified by him as correct, and such lists together shall be the list of voters for the said election of Commissioners and shall be used at any subsequent election of Commissioners that may be held prior to a fresh voters' list being made as hereinafter provided.

and form part of the revenues of the Trust. And no person who shall not have been so nominated shall, within the provisions of these Regulations, be deemed to be a candidate at any election of Commissioners by ratepayers.

12. *Posting of Candidates.*—The returning officer shall, between the hours of Ten o'clock in the forenoon and Four o'clock in the afternoon upon each day between the giving, as hereinbefore provided, of public notice of any election, and the day of nomination named therein, keep posted outside the place as aforesaid named for the delivery of the nomination papers the name of all persons who have previously become candidates for such election.

13. *Qualifications of Commissioner.*—No person shall be eligible for election as a Commissioner unless he is liable to be rated under the River Improvement Act in respect of property within the District of the Trust.

14. *Where Number of Candidates Does Not Exceed Number of Commissioners to be Elected.*—If, at the expiration of the time limited as hereinbefore provided for the nomination of candidates, the number of persons who have become candidates as aforesaid does not exceed the number of Commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

16. *Retirement of Candidates before Polling Day.*—If, at any election, after a poll shall have been appointed as aforesaid any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than four days before the day of polling, a notice in the form of the Fourth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the District a copy of such notice, and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election shall on the day appointed for the election, declare the remaining candidates duly elected; and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election; and if such papers are already printed, shall strike out such name therefrom; and such person shall not be capable of being elected at such election.

17. *Polling Booth may be Hired.*—At any election the returning officer shall appoint a suitable place or places for taking the poll, and may, if necessary, cause to be hired and used as a polling booth any room which he may deem to be suitable at any place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

18. *Person to preside at Polling Booth.*—At each polling booth one person, hereinafter called the presiding officer, shall preside; and such person shall be the returning officer or his deputy or some one to be appointed by writing under the hand of the returning officer or his deputy.

19. *Scrutineers may be Appointed.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in each polling booth, and the said returning officer or his deputy, and the presiding officer and poll clerks (if any), and the said scrutineers and any voters, not exceeding four in number, actually engaged in voting, shall alone be permitted at any time to enter or remain in the polling booth.

20. *Pencils and Ballot-boxes to be Provided.*—The returning officer or his deputy shall provide pencils in each polling booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers, and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked and shall stand on a table opposite the presiding officer, who shall keep the key of such box.

21. *Mode of Voting.*—The presiding officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of the Third Schedule hereto, and initialed by the presiding officer and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer or his deputy or the presiding officer, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out, the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling booth shall be demanded and received by him at one and the same time; and no person having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

22. *Ballot-papers to be Checked Off.*—Before delivering any ballot-paper to the voter, the presiding officer or the poll clerk (if any) shall upon a copy of the voters' roll check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

23. *Plumping Prohibited—Informal Ballot-papers.*—At every such election every voter shall strike out from the ballot-paper the names of the candidates for whom he does not desire to vote, and if he suffers to remain on the ballot-paper a greater or less number of names not struck out than the number of Commissioners to be elected, the vote given on and by the ballot-paper shall be void and of no effect.

24. *What Question may be Asked.*—At any election of Commissioners, the presiding officer may, if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote both or either of the questions following:—

“Are you the person whose name appears as (A.B.) in the roll now in force for this Trust, being enrolled therein in respect of property described to be situated in (here specify the street or other place described in the roll)?”

“Have you already voted at the present election?”

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question or questions, or who shall not answer the first-mentioned question absolutely in the affirmative or the last-mentioned question absolutely in the negative shall receive a ballot-paper or be permitted to vote.

25. *False Answer, Polling Twice, and Personation.*—Every person who shall wilfully make a false answer to the question or questions aforesaid or who shall poll more than once, or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling booth after having received a ballot-paper without having deposited the same in the ballot-box, as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these Regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

26. *Result of Polling—How Ascertained.*—Immediately on the close of the poll the presiding officer and poll clerks (if any) at each polling booth shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as choose to be present, but of no other persons, open the ballot-box and proceed to ascertain the number of votes for each candidate. The presiding officer shall

then certify a list of the number of such votes for each candidate verified as well by the signature of the presiding officer and poll clerks (if any) as by the signatures of such scrutineers as are present and consent to sign the same, and shall make out an account verified as aforesaid of the number of ballot-papers originally delivered to him the number thereof delivered to and used by voters and the number not so delivered or left unused, and shall make up in one parcel the ballot-papers which have been used at the said polling booth at the election, in another separate parcel the ballot papers which have remained unused, and in another separate parcel all copies of voters' rolls and papers used during the polling by the said presiding officer; and shall endorse such parcels with a description of the contents and the name of the polling booth and of the Trust; and shall transmit such list and such account and such sealed parcels to the returning officer. The returning officer shall as soon as practicable ascertain from the certified lists so submitted by the presiding officers the total number of votes cast for each candidate and shall publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected Commissioners of the Trust, and if two or more candidates have received an equal number of votes, the returning officer shall determine by lot the candidate to hold office.

27. *Ballot-papers, How Disposed of.*—The returning officer shall forthwith after the declaration of the poll cause all the sealed parcels of ballot-papers and voters' rolls to be sealed up in a packet, endorsed with a description of the contents thereof, signed by the returning officer and delivered to the secretary of the Trust, to be by him safely and secretly kept for six months then next ensuing; and the secretary shall then cause the same to be destroyed in the presence of three Commissioners of the Trust.

28. *Minister to Determine Question Arising Upon First Election.*—If any question arises as to the due election of any Commissioner at the first election, the returning officer shall, at the request of any voter or candidate, submit such question, in writing, to the Minister, who shall decide the same; and such decision shall be final and binding.

29. *Question Arising Upon Subsequent Election to be Determined by the Trust.*—If any question arises as to the due election of any Commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been so determined; and the majority of Commissioners whose election is not in dispute shall form a quorum.

30. *Appeal to Minister from Determination of Trust.*—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioner shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just; and such determination of the Minister shall be final and binding.

31. *Failure to Elect Deemed to Create Extraordinary Vacancies.*—If at any election of Commissioners any vacancies less than the whole number which should have been filled up at such election are not filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected or appointed to fill such vacancies shall go out of office as if elected at such election.

32. *Expenses of Election to be Paid by Trust.*—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the Trust.

33. *Penalty for Breach of Regulations.*—Any person guilty of a breach of any of the provisions of these Regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

7. Such pan shall be cylindrical in shape and formed of galvanized iron of not less than 22 gauge or other approved material or materials, presenting on the inside and outside an impervious, hard, smooth, and durable surface, and those surfaces which come into contact with nightsoil shall also be free from any projections. (b) when required by an inspector effectually disinfect such pan-closet and urinal and/or the contents thereof, and effect any repairs thereto that such inspector may deem necessary.

12. At least once a week, and in any case as often as may be necessary to prevent the level of the contents of such pan approaching within 2½ inches of the brim thereof, the pan in use shall be closed with a lid and removed by the contractor or person authorized or employed in that behalf by the Council with its contents from the premises and another pan thoroughly cleansed and in good order shall be left in its place.

13. Such contractor or person removing such pans shall report to the Council at the earliest available opportunity the discovery of any pan found to be overflowing or leaking and shall forthwith cause the place whereon the contents have been dropped or spilled to be properly cleansed.

14. The contractor or person authorized or employed by the Council for that purpose shall cause all pans to be removed in a suitable covered vehicle in such a manner as not to cause nuisance, danger to health, or offensiveness, and forthwith cause such vehicle to be removed to the approved depot.

18. Immediately after the deposit of the nightsoil and washings in any trench such trench shall be filled in with thoroughly disintegrated earth. The necessary filling shall be obtained by excavation of another trench in a position parallel to but not less than 12 inches from the aforesaid trench required to be filled in, and using the material so obtained as a covering over the nightsoil so deposited. Trenches shall be excavated and used and filled in in regular consecutive order.

19. Seed of grass or any forage or cereal crops or other such form of vegetable life as the Council shall direct or approve shall be seasonably planted or sown on any land into which nightsoil has been deposited, provided that vegetables or seeds of vegetables shall not be planted therein or thereon until three months have elapsed since the last deposit of nightsoil in such land.

20. Every pan used for the reception or conveyance of nightsoil shall immediately on being emptied be thoroughly washed or otherwise cleansed. The resultant washings or other filth shall be disposed of in a similar manner as the nightsoil.

21. Every pan after the disposal of its contents and after being cleansed in manner aforesaid and before it again leaves the depot or disposal ground shall on every such occasion be thoroughly cleansed and disinfected by—

(d) any other method approved in writing from time to time by the Commission.

22. The internal surface of every pan before it is first used shall be properly coated with well-boiled tar, crude creosote, or other approved material, and such coating shall thereafter be renewed when deemed necessary by the Council, but not less than once a month.

23. The contractor or person authorized or employed by the Council for the removal of nightsoil shall cause all vehicles used for the transport of pans to the depot to be properly constructed, kept clean, and disinfected daily at the depot and maintained in a proper state of repair.

24. The proprietor or any other person shall not remove any nightsoil from any premises except in accordance with this By-law.

25. The proprietor or any other person within the areas defined by this By-law shall not bury nor cause to be buried any night-soil in any yard, garden, or other place not being a place set apart for such purpose by the Council.

26. The inspector shall have full power to enter into or upon any premises, yards, or lands at any time for the purpose of inspecting closets, urinals, pans, receptacles, vehicles, plant, and all other things and places therein and thereon, and for the purpose of carrying out the provisions of this By-law.
