FREE PLACES AT THE UNIVERSITY OF MELBOURNE.

APPLICATIONS are invited from officers (other than teachers) in the permanent employment of the Government of Victoria for nominations during 1951 for free places in a course for a degree, diploma, or licence at the University of Melbourne.

The nominations will be made by the Minister of Education on the recommendation of a Committee consisting of the Chairman of the Public Service Board, as chairman, the Chief Inspector of Secondary Schools, and the Permanent Heads of the three Departments, other than the Education Department. The recommendations of the Committee will be based on the age, suitability, qualifications, and period of service of the applicants, on the reports and recommendations of their Departmental Heads, and, if considered necessary, on the result of a personal interview. Applicants must be qualified for admission to the course upon which they desire to enter, and should have been in the employment of the Government of Victoria for at least one year, and, except in special cases, such as applicants who are returned soldiers or who have already completed part of their course, should be not more than 25 years of age.

Each officer nominated for one of these free places will be admitted without fee to all lectures and examinations in the subjects of his course, and will be granted the necessary leave of absence to enable him to attend essential lectures, practical and other work, and examinations. He will not, however, be granted any allowance for books, materials, or other expenses involved in attending the University. He will be required to enter into an agreement with the Minister of Education and an approved surety that he will observe the conditions of tenure of his free place, that he will not relinquish the course of studies to which he has been admitted without the permission, in writing, of the Minister, that he will not discontinue service with the Government of Victoria for any cause within his control during the period of the said course, and that, if required, he will remain and continue in the employment of the said Government during the period of five years after the termination of his free place, and, if his free place extends over more than five years, during an additional year for each year by which the term of his free place exceeds five years.

The continuance of the free place will be dependent upon satisfactory reports by the Professional Board as to the officer's attendance, conduct, progress at the University, and by the Departmental Head as to the manner in which he performs his official duties.

Forms of application are obtainable at this office. Each application must be made on the prescribed form, and must be forwarded through the Permanent Head of the Department in which the applicant is employed, to reach the Secretary, Education Department, Melbourne, not later than 25th November, 1950.

IN pursuance of the powers conferred by the *Local Government Act 1946*, the President, Councillors, and Ratepayers of the Shire of Wannon order as follows:—

1. The Market shall be known as the "Corporation Cattle Market, Coleraine," and shall be held at the place and in the buildings and yards appointed to be used for the purpose of the Market, situated east of Robertson-street, Coleraine, and being part of Crown allotment 19, section 2, Parish of Coleraine, County of Dundas, and the Market shall be used for the sale of cattle as defined by section 3 of the *Local Government Act 1946*.

2. The Market shall be conducted under the superintendence of a Market Inspector (hereinafter called "the Inspector"), appointed by the Council of the Shire of Wannon, who shall carry out all directions from time to time issued by the Council.

3. The Market shall be open on every Tuesday from sunrise to sunset for the sale of cattle. With the exception of horses and pigs, cattle shall not be received at the Market after the hour of Twelve o'clock noon on any market day, provided that if any cattle shall arrive in Coleraine by train or transport on a market day they may be admitted to the Market after Twelve o'clock noon, if notice of their arrival shall be given to the Inspector immediately after the train or transport carrying the cattle shall have arrived.

4. Special sales may be held in the Market on days other than ordinary market days. Application to hold special sales shall be made to the secretary of the Shire of Wannon, and shall be subject to his approval. Each application shall be for one sale only, and a fee of One guinea shall be paid with each application for each sale. The fee shall be in addition to the usual market dues charged and payable, and shall not be refunded in the event of the special sale not being held.

5. The right to hold a special sale shall not be transferred to any other person, firm or corporation, nor to any date other than that for which the application is approved.

6. No person, firm or corporation shall be entitled, directly or indirectly, to book more than two special sales ahead of the last special sale duly held by him or it.

7. Any person, firm or corporation shall be entitled upon payment of a registration fee of Twelve pounds ten shillings to the secretary of the Shire of Wannon, to be registered as a selling agent in the Market until the thirty-first day of December next following, but no person, firm or corporation, unless registered as aforesaid, shall sell by auction in the Market.

8. On the afternoon of the day prior to the day on which sales shall be held at the Market the Inspector shall attend at the Shire Secretary's Office at Two o'clock and draw lots to determine the order of priority in which auctioneers and salesmen shall sell. All auctioneers and salesmen or their deputies may attend the drawing. Lots shall be drawn for each class of cattle in the same order in which the classes are required to be sold by the provisions of the next succeeding section. The Inspector shall post on the notice board at the Market not later than 9 a.m. o'clock on the market day the order of selling so determined, and all auctioneers and salesmen shall sell in this order.

9. On every market day the sales shall commence not later than One o'clock p.m. All auctioneers entitled to sell at the Market shall sell or offer for sale (in the order of priority determined in the last preceding section) all cattle in the following order:—

- Firstly—Pigs;
- Secondly—Sheep;
- Thirdly—Dairy, fat and store cattle;
- Fourthly—Horses;
- Fifthly—Other cattle;

but so that the whole of each class of cattle yarded at the sale shall be sold or offered for sale before any of the class next succeeding in the said order shall be sold or offered for sale, provided always that in the case of special circumstances the Inspector may at his discretion (but only after consultation with the Shire Secretary) vary the said order of sale.

10. The auctioneer or salesman first entitled to sell may summon his customers five minutes before the time appointed for commencing the sale. Each succeeding auctioneer shall commence to sell as soon as the auctioneer or salesman immediately preceding him in order of priority shall have concluded his sale or if the preceding auctioneer or salesman shall not have concluded his sale at the expiration of the time limit set by this section, then at the expiration of that time limit.

The limit of time allowed to each auctioneer or salesman in selling or offering for sale each of the various classes of cattle shall be as follows:—

- (a) For pigs—for single lots—one minute; for lots of two or more—two minutes.
- (b) For sheep—

- (ii) Fat cattle—two minutes for each lot.
- (iii) Store cattle—for a lot of ten or under—two minutes; for a lot exceeding ten—three minutes.

(d) For horses—three minutes for each lot.

(e) Other cattle—one minute for each lot.

No auctioneer or salesman in selling or offering for sale cattle in any particular class shall exceed in all the following maximum time limits from the time when he shall be entitled to commence selling or offering for sale cattle in that class:—

- For pigs—ten minutes.
- For all sheep—twenty minutes.
- For dairy, fat, and store cattle—twenty minutes.
- For horses—twenty minutes.
- For all other cattle—ten minutes.

Upon the expiration of the aforesaid maximum time limits in each class of cattle, or earlier if the auctioneer or salesman selling shall have concluded his sale prior to such expiration, the auctioneer or salesman next in priority in that class shall proceed to sell or offer for sale upon the like conditions and time limits and so on until all auctioneers or salesmen entitled to sell shall, subject to such conditions and limits and according to their respective priorities in that class, have disposed of all cattle of that class which they respectively have for sale.

The Inspector shall be the timekeeper, and in all cases the time shall be taken from his watch. The decision of the Inspector on all questions or disputes in relation to time shall be final.

11. Two minutes before the expiration of the time limit for selling any class of cattle, the Inspector shall give notice to the selling auctioneer or salesman of the time and shall, upon the expiration of the time limit, ring a bell. Thereupon the auctioneer or salesman selling shall forthwith cease to sell.

12. Before commencing to sell, each auctioneer or salesman shall declare to the Inspector the correct number and description of the lot or lots which he intends to offer, and the Inspector shall allot the times for selling such lot or lots.

13. All cattle brought to the Market for sale shall be placed in such pens or yards as the Inspector shall direct. Any pen or yard allotted which shall be unoccupied or unused after the hour of Twelve noon on the market day shall revert to the hands of the Inspector, who may re-allocate the same. All disputes arising as to the overcrowding of pens or yards or as to priority or occupancy or otherwise shall be decided by the Inspector, whose decision shall be final and binding on all persons concerned. The Inspector shall have authority to remove or to order the removal of cattle from one pen or yard to another or others, and any such order given by him accordingly shall be promptly carried out and obeyed by any auctioneer, salesman, or any other person placing or who has placed cattle in the pens or yards or any of them.

14. At any special sale on a day other than a market day the auctioneers and salesmen holding the sale may arrange and agree between themselves the time and order of selling. In default of such arrangement and agreement, the provisions of sections 9 and 10 of this By-law shall apply to the sale.

15. No auctioneer or salesman shall offer or attempt to offer any cattle for the second time on the same sale day, unless such cattle are offered in conjunction with another lot not previously offered.

16. Every person placing cattle in the Market for sale shall be responsible for all tolls, dues, and charges due or accruing due thereon. Not cattle shall be taken out of the Market until all tolls, dues, and charges payable in respect thereof shall have been first paid and satisfied.

17. Cattle which have been placed in any auctioneer's or salesmen's hands for sale shall not be taken from the Market without the production and delivery of a written authority from the auctioneer or salesman in whose hands they were placed.

18. All cattle not removed from the Market by the hour of Ten o'clock on the morning next after any sale day may be removed by the Inspector at the expense and risk of the owner of any such cattle.

19. In all matters not specially provided for in this By-law and relating to the conduct of sales and the control of the Market, the Inspector's decision shall be final and binding on all persons.

20. No person shall—

- (a) obstruct the Inspector in the performance of his duties;
- (b) on any day sell or offer for sale by auction in the Market any cattle before sunrise or after sunset;
- (c) hold any sale in the Market after One o'clock in the afternoon of any Saturday;

(f) within the Market or in the immediate approaches thereto cause any riot or disturbance or curse or swear or use any profane or indecent language or be guilty of any indecent or gross conduct.

21. By-law No. 22 of the Shire of Wannon is hereby repealed.

22. In this By-law, unless inconsistent with the context or subject matter, the word "cattle" shall mean and include horses, mares, fillies, foals, geldings, colts, bulls, bullocks, cows, heifers, steers, calves, asses, mules, sheep, ewes, wethers, rams, lambs, goats, and swine.

ADJUSTMENT OF BASIC WAGE.

2. (a) For the purposes of this Determination, the expression "Commonwealth Statistician's 'all items' retail price index numbers" or any like expression means the numbers stated to be such index numbers in any document purporting, and not proved to be wrongly so purporting to be printed by the Commonwealth Government Printer or to be signed by or on behalf of the Commonwealth Statistician.

(b) Until the beginning of the first pay period to commence in November, 1950, the amounts of the Basic Wage shall be as prescribed in clause 1 of this Part.

(c) During each future successive period beginning with the first pay period to commence in a November, a February, a May, or an August, the amount of the needs basic wage shall be adjusted by the following method, namely, by multiplying the last published Commonwealth Statistician's "all items" retail price index number by the factor .087 taken to one place of decimals, the resultant whole number being the amount of the basic wage expressed in shillings, but should the decimal number reach .5 or more the basic wage shall be taken to the next higher shilling.

3. (a) The amount of the weekly wages prescribed for employees classified under classifications (i) (f) and (ii) (f) in clause 1 of Part I. have been ascertained by the following method:—

	£ s. d.
Total basic wage	7 0 0
Margin for skill	2 6 0
War loading	0 6 0
Tool allowance	0 4 0
Disabilities loading	0 5 6
Total	10 1 6

The amount payable for a year would be £10 1s. 6d. × 52 = £523 18s. Allowing two weeks on account of time lost through public holidays, one week for absence through ill health, and further in respect of classification (i) (f) only one week for following the job; the weekly wage payable in respect of classification (i) (f) was ascertained by dividing the amount payable for a year by 48, and in respect of classification (ii) (f) by dividing such amount by 49.

Future adjustments of the wages mentioned are to be made by a similar method.

Remaining classifications in the said clauses are to retain their existing margins over classifications (i) (f) and (ii) (f) after adjustment.

(b) The hourly rates shall in respect of each classification be 1/40th of the weekly rate.

4. The rates for Apprentices wheresoever appearing shall be amended from time to time in order to conform with rates payable to Apprentices for the trade under the jurisdiction of the Apprenticeship Commission.

The resultant rates for Improvers from time to time shall therefore be—

1st year	The appropriate rate as amended for Apprentices plus	10s. 7d. per week.
2nd year	The appropriate rate as amended for Apprentices plus	9s. 11d. per week.
3rd year	The appropriate rate as amended for Apprentices plus	7s. 4d. per week.
4th year	The appropriate rate as amended for Apprentices plus	18s. 1d. per week.
