(b) The total wage shall be calculated to the nearest sixpence, any fraction of sixpence in the result not exceeding threepence to be disregarded.

(c) Changes in rates shall be effective from the beginning of the first pay period to commence after the attainment of the prescribed age.

(d) Notwithstanding anything elsewhere in this clause contained, a junior female, after four years' experience in the industry covered by this Determination, shall be paid the rates prescribed for an adult female in the classification in which she is employed.

Proportion of Juniors.

(e) In any factory the proportion of juniors shall not exceed two to each employee receiving not less than the minimum adult rate. In determining the proportion of juniors to employees receiving the adult rate, each shift shall be taken into account separately. Provided that, in the full-fashioned department of the knitting section, the proportion of females shall be one junior female to each female receiving the adult wage, and the proportion of males shall be two junior males to each three males receiving the adult wage. Provided also that, in computing the proportion of juniors in the full-fashioned department of the knitting section, employees in the throwing department shall not be counted and the count for the remainder of the full-fashioned department shall be taken over all the shifts.
