APOLLO BAY WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1951.

THE Apollo Bay Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of One shilling and six pence (1s. 6d.) in the pound of the annual municipal valuation of lands and tenements liable to be rated within the Apollo Bay Urban district.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Twenty-six shillings and eight pence (26s. 8d.), and in respect of any land on which there is no building less than Ten shillings (10s.).

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing the 1st day of January, 1951, and shall be payable on the 1st day of April, 1951, at the office of the said Trust.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the said Trust is hereby fixed at the quantity which, at a charge of One shilling and six pence (1s. 6d.) per 1,000 gallons, would produce an amount equal to the amount of the rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at One shilling and six pence (1s. 6d.) per 1,000 gallons.

Water supplied to cricket, tennis, or bowling clubs, and to Government departments, showgrounds, and similar properties, shall be charged for at the rate of One shilling and six pence (1s. 6d.) per 1,000 gallons, provided that the minimum quantity to be charged for shall not be less than 15,000 gallons.

The charge for water by measure shall be payable, on demand, at the office of the Trust.

Passed this 14th day of February, 1951.

(SEAL) C. S. SIMS, Chairman.
J. TRESEDER, Secretary.

Approved by the Governor in Council,
27th February, 1951.

A. MAHLSTEDT,
Clerk of the Executive Council.

SHIRE OF ARARAT WATERWORKS TRUST.

RATING BY-LAW FOR 1951.—No. 3.

THE Shire of Ararat Waterworks Trust, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make a rate for the supply of water for domestic purposes of Forty-eight pence in the pound on the annual municipal valuation of lands and tenements liable to be rated within the Willaura Urban District.

Provided that in no case shall the amount of rate payable per annum in respect of any tenement (other than land on which there is no building) be less than Sixty shillings, and in respect of any land on which there is no building less than Ten shillings.

Such rates are made and shall be levied upon the occupiers or owners of the said lands and tenements for the year commencing on the 1st day of January, 1951, and shall be payable on the 15th day of March, 1951, at the office of the said Trust, Shire Hall, Ararat.

The maximum quantity of water to be supplied in any one year without further charge to any property rated by the said Trust is hereby fixed at the quantity which, at a charge of Twenty pence per 1,000 gallons, would produce an amount equal to the amount of rate levied on such property for the said year.

The charge for water supplied by measure to any property rated by the said Trust in excess of such maximum quantity, computed as in the last preceding clause, is hereby fixed at Twenty pence per 1,000 gallons.

The charge for water supplied by measure shall be payable, on demand, at the office of the said Trust, Shire Hall, Ararat.

The charge for any water supplied to any property not rated by the said Trust shall be fixed by special agreement by the said Trust.

The Secretary of the said Trust for the time being is hereby authorized to demand, collect, and recover, on behalf of the said Trust, the rates and charges imposed by this By-law.

Passed this 12th day of January, 1951.

The common seal of the Shire of Ararat Waterworks Trust was hereunto affixed this 12th day of January, 1951, in the presence of—

Public Library, National Gallery and Museums Acts.

NATIONAL MUSEUM OF VICTORIA, 1950.

REGULATIONS.

IN exercise of the powers conferred by the Public Library, National Gallery, and Museums Acts the Trustees of the National Museum of Victoria do hereby make the Regulations following (that is to say):—

1. These Regulations may be cited as the "National Museum of Victoria Regulations 1950" and shall come into operation on the publication thereof in the *Government Gazette*.
2. As from the date of coming into operation of these Regulations, the National Museums Regulations approved by the Governor in Council on the twenty-seventh day of May, 1946, and published in the *Government Gazette* of the twenty-ninth day of May, 1946, are hereby revoked.
3. (1) In these Regulations, unless inconsistent with the context or subject matter—
- "Chairman," "Deputy Chairman," and "Treasurer" mean the Chairman, Deputy Chairman, and Treasurer respectively of the Trustees of the National Museum of Victoria.
- "Secretary" means the Secretary to the Trustees of the National Museum of Victoria or any person for the time being discharging the duties of that office.
- "Trustees" mean the Trustees of the National Museum of Victoria.
- (2) Words importing the masculine gender include females and the singular the plural and the plural the singular.
4. (1) The Trustees shall at their last meeting before the thirtieth day of June in each year elect from amongst their members a Chairman, a Deputy Chairman, and a Treasurer, each of whom shall hold office for twelve months from the first day of July of such year.
- (2) Every Trustee elected to be Chairman, Deputy Chairman, or Treasurer shall be eligible for re-election.
- (3) If the office of the Chairman, Deputy Chairman, or Treasurer becomes vacant otherwise than by the retirement of the holder of such office at the expiration of his term of office, the Trustees shall as soon as practicable elect one of their members to fill the vacancy, and the person so-elected as Chairman, Deputy Chairman, or Treasurer (as the case may be) shall hold that office for the remainder of the term of office of the person in whose place he is so elected.
5. (1) The Chairman shall preside at every meeting of the Trustees at which he is present.
- (2) In the absence of the Chairman, the Deputy Chairman if present shall preside.
- (3) In the absence of both the Chairman and Deputy Chairman, the Trustees present at the meeting shall elect one of their members to preside at such meeting.
6. It shall be the duty of the Treasurer to ascertain the correctness of and sign all accounts, vouchers, and financial documents relating to the National Museum of Victoria Trustees Account.
7. (1) The Trustees shall meet for the transaction of ordinary business not less than nine times a year, on such days and at such time and place as the Trustees shall from time to time appoint.
- (2) If a quorum is not present within fifteen minutes after the time so appointed for any meeting the Trustees present or a majority of them, or any one Trustee if only one is present, or the Secretary if no Trustee is present, may adjourn such meeting. Provided that nothing herein contained shall be construed to prevent the adjournment of any meeting to a later hour on the day on which such meeting was appointed to be held.
8. (1) The Chairman may from time to time and shall forthwith upon receipt of a requisition in writing requiring him so to do, signed by at least two Trustees, convene a special meeting of the Trustees for any particular purpose.

Applicants for Apprenticeship to Apply for Certificate.

5. Applications by persons desiring to become apprentices in the said trades shall be in the form contained in the Third Schedule to General Regulations (No. 1) made under the Acts.

Applicants may be Examined.

6. Applicants for apprenticeship in the said trades may be required to submit themselves for examination at the time and place determined by the Commission to prove that they possess the preparatory educational qualifications required for entry into apprenticeship in such trades. Provided that any such applicant shall be exempted from such examination—

Exemptions.

(a) If he possesses any one of the following educational qualifications or, in the opinion of the Commission, the equivalent thereof:—

(i) The Intermediate Technical or Junior Technical Certificate of the Education Department of Victoria, the School Intermediate Certificate, or equivalent qualifications approved by the Commission.

(ii) The satisfactory completion, as certified by the school authority and approved by the Commission, of a three years' course of study in a Junior Technical School or equivalent qualifications approved by the Commission.

(b) If he satisfies the Commission, in accordance with sub-section (2) of section 18 of the Acts, that he has not had sufficient opportunity to obtain the preparatory educational qualifications prescribed for entry into the said trades.

Minimum Age for Entry into Apprenticeship.

7. The minimum age at which persons shall enter the said trades as apprentices or applicants for apprenticeship on probation shall be fifteen years.

Term of Apprenticeship.

8. The term of apprenticeship in the said trades shall be as follows:—

(a) in the case of a person who is less than sixteen years of age at the date of commencement of the term of apprenticeship, the term shall be six years;

(b) in the case of a person who is sixteen or more years of age at the date of commencement of the term of apprenticeship, the term shall be five years.

Form of Indentures of Apprenticeship—General Form.

9. The standard form of indentures of apprenticeship in each of the said trades, and the terms, covenants, and conditions thereof shall be in the form contained in the Second Schedule to General Regulations (No. 2) with the following modifications, alterations, and additions thereto:—

Variations and Additions to Covenants, &c., in General Form of Indentures of Apprenticeship.

EMPLOYER'S COVENANTS.

(1) In sub-clause (i) of clause (c), the words "or such other rates of wages as may for the time being be prescribed by Regulations made under the said Acts in respect of the aforesaid trade" shall be deleted, and the following words shall be substituted therefor:—"or such rates of wages as are prescribed for the time being and applicable to the employer and apprentice in respect of the aforesaid trade."

(2) The whole of sub-clause (ii) of clause (c) shall be deleted and the following sub-clause shall be substituted therefor:—

"(ii) pay to the apprentice such further rates for overtime worked and for proficiency as are prescribed for the time being and applicable to the employer and apprentice in respect of the aforesaid trade."

(3) After sub-clause (ii) of clause (c), the following sub-clause shall be added:—

"(iii) Make no deduction from the wages of the apprentice in respect of any time lost by reason of compulsory attendance at classes for instruction in the subjects of the apprenticeship course."

(4) The whole of clause (e) shall be deleted and the following clause substituted therefor:—

"(e) In the event of the employer dying or ceasing to carry on his business or ceasing to employ such number of journeymen as is necessary to maintain the prescribed proportion of apprentices to journeymen, he,

his executors, and administrators or assigns will within one month thereafter find and provide some other employer carrying on the same class of business within a radius of 3 miles from his or their place of business, but in the event of there being no such employer and of the apprentice so desiring he or they will find and provide, if possible, such an employer carrying on business beyond that radius, and will, subject to the approval of the Commission, and at his own expense and cost, assign this indenture of apprenticeship and transfer the apprentice to such employer upon and subject to the same or the like conditions and stipulations as are herein provided and in such manner that the apprentice shall not be in any way prejudiced in so doing, and so that the aggregate of the periods served under each employer shall be regarded as one continuous term, and so that the new employer shall accept the apprentice at the position he occupied under this indenture at the date he is accepted by the new employer."

(5) After clause (e), the following clauses shall be added:—

- "(f) not hold the apprentice responsible for any faulty work, or for any damage or injury done to materials, work, machinery, tools, or plant other than wilful damage or injury during the course of his work;
- (g) not require the apprentice, except where employed in daily newspaper offices or on weekly newspapers connected therewith, to work on any holiday or during other than ordinary working hours without his consent;
- (h) not keep more than two days' pay in hand;
- (i) so arrange the apprentice's duties that as he progresses in his knowledge and skill during his apprenticeship his duties shall be varied, and he shall be placed on higher or more skilful work from time to time;
- (j) not require the apprentice to perform duties outside those connected with learning the said trade;
- (k) not permit the apprentice, while under the age of seventeen years, to work on night shift."

MUTUAL AGREEMENTS.

(6) In clause (3), the following additional proviso shall be inserted:—

"Provided, further, that in computing the period of one year, all time worked as overtime or at other than ordinary business hours shall, if the apprentice so desires, either be allowed as a set-off against any time lost during that period or in reduction of the actual period of one year."

(7) In clause (9) the words "be faithfully observed" shall be deleted, and the following words shall be substituted therefor:—

"so far as applicable, be faithfully observed."

(8) After clause (9), the following clause shall be added:—

"(10) That the apprentice shall be paid the same allowances as are from time to time required to be paid by the employer to journeymen in the same trade for conveyances and other matters, or where such allowances are proportionate to the rates of pay received by journeymen the apprentice shall be paid only such proportion thereof as the rates of pay of the apprentice bear to such journeymen's rates of pay prescribed by any competent industrial authority or in any industrial agreement made pursuant to the *Commonwealth Conciliation and Arbitration Act 1904-1949*."

Rates of Pay of Apprentices.

10. The minimum rates of pay to be paid as wages to apprentices in the said trades in each year of their apprenticeship course shall be as follows:—

- (i) With respect to the term of apprenticeship of six years—
 - 1st year—at the rate of 51s. 6d. per week.
 - 2nd year—at the rate of 74s. 0d. per week.
 - 3rd year—at the rate of 85s. 6d. per week.

4th year—at the rate of 102s. 6d. per week.

5th year—at the rate of 125s. 6d. per week.

6th year—at the rate of 171s. 0d. per week.

(ii) With respect to the term of apprenticeship of five years—

1st year—at the rate of 74s. 0d. per week.

2nd year—at the rate of 85s. 6d. per week.

3rd year—at the rate of 102s. 6d. per week.

4th year—at the rate of 125s. 6d. per week.

5th year—at the rate of 171s. 0d. per week.

Rates for Overtime Worked.

11. When an apprentice, except an apprentice employed in a daily newspaper office or on weekly newspaper work connected therewith, works under conditions for which, or at any time when, a journeyman employed at the aforesaid trades would be entitled to overtime or special rates for doing work under the same conditions or at the same time, then such apprentice shall be paid by the employer for any such work at a rate or rates of wages which shall bear the same proportion to the prescribed minimum rates of wages of such apprentice as the wages of such journeyman for such work would bear to the prescribed minimum rate of wages of such journeyman.

Standard of Proficiency.

12. Should the apprentice in any year other than the first year pass in the subjects prescribed for that year of his apprenticeship course and attain a standard as certified by the Commission of not less than an average of 75 per cent. of the possible marks allotted at the annual examinations approved by the Commission to the subjects of trade theory and practice prescribed for that year of such course, he shall be deemed to have attained the standard of proficiency for such year: Provided that an apprentice to the trade of Hand Composition or Hand and Machine Composition with instruction in the mechanism of slug-casting or type-casting machines or letterpress printing shall be deemed to have attained the standard of proficiency in any such year if he attains not less than an average of 70 per cent. of the possible marks allotted at the annual examinations aforesaid to the subjects of Theory and Practice.

Increased Rates of Pay for Proficiency.

13. When an apprentice attains in any year (other than the first year) the standard of proficiency prescribed for that year of his apprenticeship course, he shall—

- (a) for the first occasion on which he attains such standard be paid for the next succeeding year the sum of 5s. 0d. per week in addition to the prescribed weekly wage;
- (b) for the second occasion on which he attains such standard be paid for the next succeeding year the sum of 7s. 6d. per week in addition to the prescribed weekly wage;
- (c) for the third occasion on which he attains such standard be paid for the next succeeding year the sum of 10s. 0d. per week in addition to the prescribed weekly wage.

Proportion of Apprentices to Journeymen.

14. (1) Subject to the provisions of sub-clauses (2), (3), and (4) of this Regulation, the number of apprentices who may be employed by any employer at any time in each of the said trades shall not exceed the following proportions, as the case may be—

- (a) if three or more journeymen are permanently employed in the said trades, one apprentice may be employed in each trade to every three or fraction of three journeymen so employed in such trade.
- (b) If less than three journeymen are permanently employed in the said trades, one apprentice may be employed in any such trade in which at least one journeyman is so employed, provided that the Commission is satisfied that a proper vacancy exists for an apprentice in such trade.
- (c) For the purpose of ascertaining the number of apprentices who may be employed in accordance with paragraphs (a) and (b) of this sub-clause, an employer who works at any of the said trades for the full time prescribed for an ordinary week's work in such trades shall be deemed to be a journeyman.

(2) (a) The number of apprentices who may be employed by any employer in the trades mentioned in sub-clauses (xvi) to (xx), both inclusive, of clause 4 of these Regulations shall not exceed the following proportions:—

(i) From the 1st January, 1950, until 31st December, 1950—

<i>Where the Number of Journeymen Permanently Employed in the Employer's Business is—</i>	<i>Number of Apprentices who may be Employed.</i>
One	One in the trade in which the journeyman is employed.
Two	One only in the business in any trade in which at least one journeyman is employed.
Three	In any trade, one to every two or fraction of two journeymen employed in such trade, but not more than two in all.
Four or Five	In any trade, one to every two or fraction of two journeymen employed in such trade, but not more than three in all.
Six or more	In any trade, one to every two or fraction of two journeymen employed in such trade.

(ii) From 1st January, 1951, to 31st December, 1951, if two or more journeymen are permanently employed in an employer's business in which any or all of the above trades are carried on, one apprentice may be employed in any one of such trades to every two journeymen employed in such business.

(iii) On and after 1st January, 1952, if two or more journeymen are permanently employed in any one of such trades, one apprentice may be employed in any such trade to every two journeymen employed in such trade.

(b) Notwithstanding anything hereinbefore provided, an employer who, on the 26th day of April, 1950, employed apprentices in excess of the proportion prescribed by sub-clause (2) (a) of this Regulation, but not in excess of the proportion prescribed by Regulation 14 of the Printing and Allied Trades Regulations as in force on the 28th day of August, 1950, may continue to employ such apprentices until their training as apprentices is completed or otherwise terminated, but such apprentices shall be included for the purpose of ascertaining the number of apprentices who may be employed in accordance with sub-clause (2) (a) hereof.

(c) For the purpose of ascertaining the number of apprentices who may be employed in accordance with sub-clause (2) (a) hereof, an employer who works at any of the said trades for the full time prescribed for an ordinary week's work in such trades shall be deemed to be a journeyman.

(3) The number of apprentices who may be employed by any employer at any time in each of the following trades, insofar as they are carried on in connexion with a daily newspaper office or weekly newspaper work connected therewith, shall not exceed the following proportions, as the case may be:—

(a) *Hand and Machine Composition with instruction in the mechanism of slug-casting or type-casting machines.*—One apprentice may be employed to every five or fraction of five Linotype machines in such office, irrespective of whether the office publishes a weekly newspaper or not, provided that not more than eight apprentices may be employed in such trade in any such office at any time.

(b) *Letterpress Printing.*—One apprentice may be employed to every three journeymen permanently employed on flat-bed machines, provided that not more than two apprentices may be employed in such trade in any such office at any time. Provided also, that no employer shall take into his employ another apprentice within a period of three years from the time

when he first employed an apprentice who is still employed by him at the time of the employment of that other apprentice.

(c) *Stereotyping and/or Electrotyping.*—One apprentice may be employed to every six or fraction of six journeymen permanently employed in such trades (both day and night shifts included), provided that not more than one apprentice may be employed on either day or night shift to each journeyman employed on such shift.

(d) *Linotype Mechanic.*—One apprentice may be employed to every six or fraction of six journeymen permanently employed in such trade.

(4) For the purposes of sub-clauses (1), (2), and (3) of this Regulation—

“Apprentices” means apprentices or probationers.

“Permanently employed” means continuously employed for a period of not less than six calendar months immediately preceding the time when, under this Regulation, the duration of the employment of a journeyman is to be calculated.

“Stereotyping and/or Electrotyping” shall be deemed to be one trade, and “Bookbinding and/or Guillotine Machine Operating” shall be deemed to be one trade.

Apprenticeship Course—Classes for Instruction.

15. The classes for instruction in the subjects of the apprenticeship course for the said trades shall be as set out in the Schedules hereto, but any apprentice or probationer who has the necessary qualifications may, subject to the approval of the Commission be permitted to enter the classes prescribed for any year of the said course.

Standard of Education to be Attained by an Apprentice.

16. The standard of education to be attained by an apprentice—

(i) in the subjects of the first, second, third, or fourth year of his apprenticeship course, as the case may be, in order that he may qualify to proceed to the classes for instruction prescribed for the next succeeding year, and

(ii) in the subjects of the final year of the apprenticeship course in order that he may qualify in respect to education for the final certificate of the Commission,

shall be not less than 50 per cent. of the possible marks allotted at the annual examinations approved by the Commission in each of the subjects prescribed for such year of the said course, or such average percentage of marks in all of the said subjects as is deemed by the Commission to be equivalent thereto.

Trade Experience Required of an Apprentice.

17. The trade experience to be obtained by an apprentice in his apprenticeship course shall include gradual and complete instruction to the satisfaction of the Commission in the following processes (as the case may be):—

(i) *Hand Composition.*—All phases of hand composition and all things incidental thereto, including tabular and jobbing work, the latter to cover the principles of design, bookwork, the casting-off of copy, the making up of pages, the allotting of margins, the lay-out of pages, and locking up and registering of formes, proof-reading and revising.

(ii) *Hand and Machine Composition, with Instruction in the Mechanism of Slug-casting or Type-casting Machines.*—All phases of hand composition and all things incidental thereto for the first three years, and in addition machine composition with instruction in the mechanism of slug-casting or type-casting machines during the last three years of apprenticeship when the period of apprenticeship is six years and during the last two years when the period is five years.

(iii) *Letterpress Printing.*—All phases of letterpress printing and all things incidental thereto, including making-ready, the mixing and use of inks, black and colour printing, and the care of cylinder letterpress printing machines, including instruction in the mechanism of such machines.

(iv) *Stereotyping.*—All phases of stereotyping and all things incidental thereto, including the making of stereo-metal and flog, moulding, packing and repairing moulds, casting, trimming, cutting, routing, sweating, anchoring, mounting and planing (metal and/or wood), all bench work, and the care, control, and use of all electrical apparatus and plant used in the process of nickelling stereos where such apparatus and plant are part of an employer's business.

- (v) *Electrotyping*.—All phases of electrotyping and all things incidental thereto, including preparing wax and/or matrix moulding lead, moulding, building up, black-leading, stopping out, oxidizing, attending bath, lifting shells, backing up, slabbing up, sweating, anchoring, mounting and planing (wood and/or metal), and all bench work, and the care, control, and use of all electrical apparatus and plant used in the process of coppering, nickelling, and the depositing of any other metal or alloy.
- (vi) *Bookbinding*.—All phases of bookbinding and all things incidental thereto and at least one of the following branches and all things incidental thereto:—Finishing, marbling, blocking, stamping, or indexing.
- (vii) *Guillotine Machine Operating*.—All phases of guillotine machine operating and all things incidental thereto.
- (viii) *Edge Gilding*.—All phases of edge-gilding, beveling and goffering, and all things incidental thereto, including the mixing and use of sizes.
- (ix) *Paper Ruling*.—All phases of paper ruling and all things incidental thereto, including making-ready, setting pens or discs on machines, mixing inks, ruling proofs, and care of ruling machines, including instruction in the mechanism of such machines.
- (x) *Lithographic Art and Dot Etching*.—All phases of lithographic art and dot etching and all things incidental thereto, including designing, sketching, drawing, aerographing, tracing, keying, reproducing, retouching and colouring photographs, stripping, imposing, opaquing, staging, dot reducing, retouching, colour correcting negatives and/or positives.
- (xi) *Lithographic Camera Operating*.—All phases of lithographic camera operating and all things incidental thereto, including the following operations, viz., making line, continuous tone and/or screen wet plate, dry plate, film and/or paper negatives and/or positives; photo-lithographic transfers making single and multiple negatives and/or positives; projection enlarging on glass, film, or lithographic metal plate; masking.
- (xii) *Photo-Lithographic Plate Making*.—All phases of photo-lithographic plate making and all things incidental thereto, including plate graining, step and repeat transferring, plate coating (i.e., whirling), sensitizing, developing, deep-etching, processing, rolling up, etching, proofing and preparing lithographic metal plates for lithographic printing.
- (xiii) *Lithographic Plate Making*.—All phases of lithographic plate making, and all things incidental thereto, including stone polishing and/or plate graining; manual and/or step and repeat transferring, plate coating (i.e., whirling), sensitizing, developing, deep-etching, processing, rolling up, etching, proving and preparing lithographic metal plates for lithographic printing.
- (xiv) *Lithographic Printing*.—All phases of lithographic printing and all things incidental thereto, including the mixing and use of inks; the texture of paper and all things affecting paper during or incidental to the printing process; the care of lithographic printing machines and automatic feeders including instruction in the mechanism of such machines.
- (xv) *Gravure Art*.—Designing, sketching, drawing, aerographing, retouching, and/or colouring photographs, lettering for reproduction, and all things incidental thereto.
- (xvi) *Gravure Retouching*.—Retouching, staging, opaquing, colour correcting and reducing, and all things incidental thereto.
- (xvii) *Gravure Planning*.—Making up or laying out negatives or positives, and the processes of registering, making margins, and positioning and all things incidental thereto.
- (xviii) *Gravure Camera Operating*.—All phases of gravure camera operating, including the process of making line, continuous tone and colour separation negatives on dry plate, film, or sensitized paper materials and/or making contact or projection negatives or positives for gravure printing-down processes, including instruction in connexion with colour correction and all things incidental thereto.
- (xix) *Gravure Plate Making*.—The process of sensitizing carbon tissue, printing down carbon tissue, polishing, mounting carbon tissue to plates, developing, painting out, mixing and preparing etching solutions, etching and finishing off, i.e., hand-engraving faults, charcoaling tones, and re-polishing, proofing and preparing ready for machines and all things incidental thereto.
- (xx) *Gravure Cylinder Making*.—The process of sensitizing carbon tissue, printing-down carbon tissue, polishing, mounting carbon tissue to cylinders, developing, painting out, mixing and preparing etching solutions, etching and finishing off, i.e., hand-engraving faults, charcoaling tones and re-polishing and proofing and preparing ready for machines and all things incidental thereto.
- (xxi) *Gravure Depositing and Grinding and Polishing*.—All phases of these processes, including a knowledge of the formulae for copper depositing, in the correct preparation of depositing baths and in the proper care and use of the grinding and polishing machine.
- (xxii) *Photo Engraving Art and/or Photo Engraving Designing*.—Designing, sketching, drawing aerographing, tracing, keying, retouching, and colouring photographs and all things incidental thereto.
- (xxiii) *Photo-Engraving Camera Operating*.—All phases of photo-engraving camera operating and all things incidental thereto, including the coating, sensitizing, developing, fixing, reducing, and intensifying of wet plate negatives and positives, the exposure of fine and coarse screen half-tone and line, wet and/or dry plate or film negatives and positives, and the use and care of camera, lenses, screens, stops and filters, and other duties incidental to the process of camera operating, and in the last year at least of his apprenticeship, colour operating.
- (xxiv) *Photo-Engraving Photo Imposing on Metal*.—The preparation of and use of sensitizing and enamel printing solutions for copper, zinc, and other materials, and the polishing, graining, coating, whirling, exposing, and fixing under line and half-tone wet and dry plate or film negatives and positives on zinc, copper and other materials, and stripping, ruling, and ghosting of negatives and positives and the use and care of arc lamps and metal plate cutting guillotine. An apprentice must be taught all formulae of solutions used in printing zinc, copper, and other materials, the correct method of printing from negatives, line, half-tone, and dry plate, and other duties incidental to the photo-imposing section.
- (xxv) *Photo-Engraving Half-Tone Etching*.—The etching of coarse and fine screen half-tone zinc, copper, and other materials, and the use and care of acid and acid-etching baths and etching machines, engraving and other duties incidental to half-tone etching.
- (xxvi) *Photo Engraving Line Etching*.—The proper care and use of acids and acid-etching baths, and etching machines, ink rollers and slabs; the dusting and rolling methods of etching line on copper or zinc plates or other materials, plates, retouching and stopping out for tints, engraving and other duties incidental to line etching.
- (xxvii) *Photo Engraving Finishing*.—All phases of routing, mounting and proofing, and in the proper care and operation of machinery appropriate to the trade and all things incidental thereto and, in the last year of apprenticeship, colour proofing in premises where this class of work is carried out.
- (xxviii) *Linotype Mechanic*.—All phases of the mechanism of linotype machines, including attention, adjustment, and repairs, as the mechanical equipment of the employer's business will permit—
and the employer shall by the best means in his power teach and instruct or cause to be taught and instructed the apprentice in the said processes.

Payment of School Fees.

18. (a) The school fees of apprentices or probationers for attendance at the prescribed classes for instruction shall be paid by such apprentices or probationers, but on the receipt by the employer of a report from the Commission that any such apprentice or probationer has secured during the period covered by the report a record of not less than 80 per cent. of the possible attendances at the prescribed day and evening classes respectively, the employer shall refund to the apprentice or probationer the school fees paid by him for such period of instruction. Provided, however, that if such report states that the apprentice or probationer has, in the opinion of the Commission, failed to be diligent or has behaved in an indecorous manner while in attendance at the prescribed classes for instruction during such period, the employer shall not be required to make the refund as aforesaid.

(b) In cases where the apprentice or probationer is prevented from attendance at the said classes through illness or accident, such occasions shall not be included as possible attendances in determining the aforesaid percentage; provided that the employer may require the apprentice or probationer to produce a medical certificate as proof of such illness or accident, and in that case, if the apprentice or probationer fails to produce such certificate, such occasions shall be included as possible attendances in determining the aforesaid percentage.

(c) In the case of an apprentice or probationer undertaking a correspondence course, the working of 80 per cent. of the test papers shall be deemed to be equivalent to a record of 80 per cent. of attendances.
