FRIDAY, AUGUST 10.

[1951

## GAS REGULATION ACT 1933.

At Government House, Melbourne, the tenth day of  
August, 1951.

## PRESENT:

His Excellency the Governor of Victoria.  
Mr. McDonald | Mr. Hyland.

## REGULATIONS.

WHEREAS by a Proclamation dated the twenty-sixth day of May, 1950, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, declared that on and after the date of the publication in the *Government Gazette* of such Proclamation the provisions of section 33 of the *Gas Regulation Act 1933* should have effect: And whereas the said Proclamation was published in the *Government Gazette* of the twenty-sixth day of May, 1950: Now therefore His Excellency the Governor of the said State, by and with the advice of the Executive Council thereof, and in pursuance of the powers conferred by section 33 of the said Act, doth hereby make the Regulations following (that is to say):—

1. (1) These Regulations may be cited as the "Gas Regulation (Emergency Powers) Regulations (No. 101)," and shall apply to and have operation throughout the areas supplied with gas by the—

Gas and Fuel Corporation of Victoria, the Colonial Gas Association Limited (as to its Box Hill, Footscray, Frankston, and Oakleigh works), and the Mordialloc City Council Gas Works.

(2) These Regulations shall take effect at Eight o'clock on the morning of the eleventh day of August, 1951.

(3) The "Gas Regulation (Emergency Powers) Regulations (No. 100)" are hereby revoked.

2. In these Regulations —

"Gas" means gas supplied by a Gas Undertaker, pursuant to the provisions of the *Gas Regulation Act 1933*.

"Gas Undertaker" shall have the same meaning as "Undertaker" as defined in the *Gas Regulation Act 1933*.

3. No person shall use gas for any purpose whatsoever between Eight o'clock on the morning of Saturday, the eleventh day of August, and Midnight on Monday, the thirteenth day of August, 1951, except during the hours following (that is to say):—

*Saturday, the eleventh day of August, 1951—*

- (i) 11 a.m. to 1 p.m.
- (ii) 5.30 p.m. to 6.30 p.m.

*Sunday, the twelfth day of August, 1951—*

- (i) 8 a.m. to 9 a.m.
- (ii) 11 a.m. to 1 p.m.
- (iii) 5.30 p.m. to 6.30 p.m.

*Monday, the thirteenth day of August, 1951—*

- (i) 7 a.m. to 8 a.m.
- (ii) 12 noon to 1 p.m.
- (iii) 5 p.m. to 6.30 p.m.

4. The restrictions contained in clause 3 hereof shall not apply to persons using gas in connexion with the conduct of hospitals, medical and dental services, rest homes, day nurseries, clinics, baby health centres, public charities, or institutions caring for the aged or sick, and schools.

5. During the operation of these Regulations, and notwithstanding anything contained in the *Gas Regulation Act 1933*, one testing of gas on any day at any testing place shall be deemed to be a complete testing of the calorific value of the gas supplied at that testing place on that day.

6. It shall be lawful for any inspector or other person, upon producing an authority issued to him by a Gas Undertaker referred to in clause 1 hereof, to enter any premises to which gas is supplied by such Gas Undertaker for the purpose of determining whether the provisions of these Regulations are being observed.

7. No person shall obstruct any such inspector or other person in the course of his duties.

8. Any person who offends against these Regulations shall be liable to a penalty of not more than Fifty pounds (£50) and in the case of a continuing offence a further penalty of not more than Five pounds (£5) for each day on which any offence is continued after conviction or order of any court.

And the Honorable John Gladstone Black McDonald, for and on behalf of His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

J. C. MACGIBBON,  
Acting Clerk of the Executive Council.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for ensuring transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable sources of information.

3. The third part of the document focuses on the analysis and interpretation of the collected data. It discusses the various statistical and analytical tools that can be used to identify trends, patterns, and relationships within the data.

4. The fourth part of the document discusses the importance of communicating the results of the analysis to the relevant stakeholders. It emphasizes the need for clear and concise reporting that provides a comprehensive overview of the findings and their implications.

5. The fifth part of the document discusses the various challenges and limitations associated with data collection and analysis. It highlights the need for a thorough understanding of the data and the importance of using appropriate methods and techniques to overcome these challenges.

6. The sixth part of the document discusses the various applications and uses of the collected data. It highlights the importance of using the data to inform decision-making and to identify areas for improvement and optimization.

7. The seventh part of the document discusses the various ethical considerations and privacy concerns associated with data collection and analysis. It emphasizes the need for a strong ethical framework and the importance of protecting the privacy and confidentiality of the data.

8. The eighth part of the document discusses the various legal and regulatory requirements that apply to data collection and analysis. It highlights the importance of staying up-to-date on the latest regulations and ensuring that all data collection and analysis activities are conducted in compliance with the law.

9. The ninth part of the document discusses the various best practices and guidelines for data collection and analysis. It highlights the importance of following a systematic and consistent approach to data collection and analysis and the need for regular monitoring and evaluation of the data collection and analysis process.

10. The tenth part of the document discusses the various future trends and developments in data collection and analysis. It highlights the importance of staying up-to-date on the latest technologies and techniques and the need for a strong focus on innovation and research in this field.
