## GAS REGULATION ACT 1933.

*At the Executive Council Chamber, Melbourne, the  
fourteenth day of August, 1951.*

### PRESENT:

His Excellency the Governor of Victoria.  
Mr. Brose                      |                      Mr. White.

### REGULATIONS.

**WHEREAS** by a Proclamation dated the twenty-sixth day of May, 1950, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, declared that on and after the date of the publication in the *Government Gazette* of such Proclamation the provisions of section 33 of the *Gas Regulation Act 1933* should have effect: And whereas the said Proclamation was published in the *Government Gazette* of the twenty-sixth day of May, 1950: Now therefore His Excellency the Governor of the said State, by and with the advice of the Executive Council thereof, and in pursuance of the powers conferred by section 33 of the said Act, doth hereby make the Regulations following (that is to say):—

1. (1) These Regulations may be cited as the "Gas Regulation (Emergency Powers) Regulations (No. 103)," and shall apply to and have operation throughout the areas supplied with gas by the—

Gas and Fuel Corporation of Victoria, the Colonial Gas Association Limited (as to its Box Hill, Footscray, Frankston, and Oakleigh works), and the Mordialloc City Council Gas Works.

(2) These Regulations shall take effect on the fourteenth day of August, 1951.

#### 2. In these Regulations —

"Gas" means gas supplied by a Gas Undertaker, pursuant to the provisions of the *Gas Regulation Act 1933*.

"Gas Undertaker" shall have the same meaning as "Undertaker" as defined by the *Gas Regulation Act 1933*.

3. No person shall on any day in any week use gas for any purpose whatsoever, except between the hours specified (that is to say):—

#### *Mondays to Fridays (inclusive)—*

- (i) 7 a.m. and 8 a.m.
- (ii) 12 noon and 1 p.m.
- (iii) 5 p.m. and 6.30 p.m.

#### *Saturdays—*

- (i) 7 a.m. and 8 a.m.
- (ii) 11 a.m. and 1 p.m.
- (iii) 5.30 p.m. and 6.30 p.m.

#### *Sundays—*

- (i) 8 a.m. and 9 a.m.
- (ii) 11 a.m. and 1 p.m.
- (iii) 5.30 p.m. and 6.30 p.m.

4. The restrictions contained in clause 3 hereof shall not apply to persons using gas in connexion with (a) the conduct of hospitals, medical and dental services, rest homes, day nurseries, clinics, baby health centres, public charities, or institutions caring for the aged or sick, and schools; (b) pilot lights and by-pass flames on automatic appliances; (c) the baking of bread; or (d) after the hour of Five o'clock on the afternoon of Tuesday, the fourteenth day of August, 1951, any commercial, industrial, or manufacturing process or undertaking.

5. During the operation of these Regulations, and notwithstanding anything contained in the *Gas Regulation Act 1933*, one testing of gas on any day at any testing place shall be deemed to be a complete testing of the calorific value of the gas supplied at that testing place on that day.

6. It shall be lawful for any inspector or other person, upon producing an authority issued to him by a Gas Undertaker referred to in clause 1 hereof, to enter any premises to which gas is supplied by such Gas Undertaker for the purpose of determining whether the provisions of these Regulations are being observed.

7. No person shall obstruct any such inspector or other person in the course of his duties.

8. Any person who offends against these Regulations shall be liable to a penalty of not more than Fifty pounds (£50) and in the case of a continuing offence a further penalty of not more than Five pounds (£5) for each day on which any offence is continued after conviction or order of any court.

And the Honorable Keith Dodgshun, His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

A. MAHLSTEDT,  
Clerk of the Executive Council.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text suggests that organizations should implement robust systems to track every detail, from small expenses to major investments.

2. The second part of the document addresses the challenges of data management in a rapidly changing environment. It highlights the need for flexible and scalable solutions that can adapt to new technologies and evolving data requirements. The author argues that organizations must invest in training and infrastructure to ensure they can effectively handle large volumes of data while maintaining its integrity and security.

3. The third part of the document explores the role of technology in enhancing operational efficiency. It discusses various tools and platforms that can streamline processes, reduce errors, and improve overall productivity. The text also touches upon the importance of cybersecurity, noting that as organizations become more digital, the risk of data breaches and cyberattacks increases. Therefore, implementing strong security protocols is crucial for protecting sensitive information.

4. The fourth part of the document focuses on the importance of communication and collaboration within an organization. It stresses that clear and consistent communication is the foundation of any successful team or project. The author encourages the use of collaborative tools and platforms to facilitate information sharing and teamwork. Additionally, the text emphasizes the need for regular updates and reports to keep all stakeholders informed and engaged.

5. The fifth and final part of the document provides a summary of the key points discussed and offers some concluding thoughts. It reiterates the importance of maintaining accurate records, managing data effectively, leveraging technology, and fostering a culture of communication and collaboration. The author concludes by stating that these practices are not only essential for organizational success but also for long-term sustainability and growth.
