#### APPRENTICES.

An amended form of Indenture was prescribed by the Board on 12th July, 1950.

- 4. (a) Minors may be taken as indentured apprentices to one or more of the trades of-
  - (i) Smith, including coach smith, spring maker and spring fitter, wheelwright smith and general smith.
  - (ii) Trimmer (Production).
  - (iii) Axle maker.
  - (iv) Saw doctor.
- (b) Minors other than indentured apprentices shall not be kept at the following occupations:-
  - (i) Electrical fitter.
  - (ii) Electrical mechanic.
  - (iii) Electro-plater, first class.
  - (iv) Fitter and/or turner.
  - (v) Metal machinist, first class.
  - (vi) Pattern maker.
  - (vii) Welder (first class only).
  - (viii) Body maker, first class.
  - (ix) Painter (i.e., tradesman who mixes, matches and applies paint).
  - (x) Tradesman panel worker and panel beater (first class).
  - (xi) Trimmer, development and/or repair work.
  - (xii) Wood machinist (first class).
- (c) The proportion of apprentices that may be taken by any employer shall be one to three or fraction of three tradesmen in each section of the industry.

In the trade of electrical mechanic, the proportion of apprentices who may be taken by an employer shall not exceed one apprentice for every two or fraction of two tradesmen.

The number of tradesmen shall be deemed to be the average number working during the immediately preceding six months and in ascertaining such proportion an employer actually working in any workshop shall be deemed to be a tradesman.

- (d) The periods of apprenticeship shall be as follows:—

  If the apprentice when articled is under the age of 17, five years; if over the age of 17, four or five years at the option of the contracting parties.
- (e) Minors may be taken on probation for three months, and if apprenticed such three months shall count as part of their period of apprenticeship.

### Cancellation or Suspension of Indenture.

- (f) Subject to the approval of the Secretary for Labour, but not otherwise, an indenture of apprenticeship may be suspended or cancelled—
  - (i) by mutual consent:
  - (ii) if through lack of orders or financial difficulties an employer is unable to find suitable employment for an apprentice and a transfer to another employer cannot be arranged;
  - (iii) if in the opinion of the Secretary for Labour circumstances exist which render such suspension or cancellation necessary or desirable.

Any covenant in an indenture inconsistent with the provisions of this clause shall be null and void and of no force or effect while this Determination remains in force and applies to the parties to the indenture.

## Instruction in Welding.

(g) The training of apprentices to smithing, fitting, and turning or panel working shall include instruction in electric welding and/or oxy-acetylene welding as far as is practicable with the facilities available in the shop in which they are trained.

The training of apprentices to body making or electrical fitting shall include sufficient instruction in welding to enable them to perform the work of their trade in the shop in which they are trained.

The sum of 4s. per week shall be added to the above rates in the case of apprentice patternmakers.

Apprentices to body-making first class shall be supplied by their employers at the end of each quarter with an order for a sum equivalent to 2s. 6d. per week as a tool allowance.

(b) An employee who is under 21 years of age at the expiration of his apprenticeship and thereafter works as a minor in the occupation to which he has been apprenticed shall be paid at not less than the adult rate prescribed for that classification.

#### Sick Leave, Public Holidays, and Annual Leave.

(i) Apprentices shall be entitled to sick leave, public holidays, and annual leave as prescribed by clauses 8, 13, and 14 hereof.

#### Hours.

(j) The ordinary hours of employment of apprentices shall be the same in each workshop as those of journeymen.

#### Overtime and Shift Work.

- (k) Where practicable no apprentice under the age of 18 years shall be required to work overtime or shift work provided that no apprentice shall except in an emergency work or be required to work overtime or shift work at times which would prevent his attendance at technical school as required by any statute, Determination, or regulation applicable to him.
  - (1) No apprentice shall work under any system of payment by results.
- (m) Any apprentice who cannot complete his full term of apprenticeship before reaching his 21st birthday may with the approval of the Secretary for Labour and by agreement with his employer serve as an apprentice until he reaches the age of 23 years.
- (n) An apprentice at the end of the calendar period of any year in which he has actually given service to the employer upon less than the ordinary working days prescribed in the Determination for the trade or in which he has unlawfully absented himself without the employer's consent may for every day short of the said number of working days and for every day of such absence be required by his employer to serve one day in which case the calendar period of the succeeding year of his services shall not be deemed to begin until the said additional day or days shall have been served provided that in calculating the extra time to be so served the apprentice shall be credited with time which he has worked during the relevant year in excess of his ordinary hours.
- (o) No employer shall either directly or indirectly or by any pretence or device receive from any person or require or permit any person to pay or give any consideration in the nature of a premium or bonus for the taking or binding of any probationer or apprentice.
- (p) Apprentices attending technical colleges or schools for prescribed courses and presenting reports of satisfactory conduct shall be reimbursed all fees paid by them.
- (q) A person who is for a period not exceeding two years taking practical training in a workshop in continuance of a course of training for professional works shall not be taken into account in calculating the proportion of apprentices to journeymen.

### MALE JUNIOR WORKERS.

- 5. (a) For the duration of the present war, the system of calculating the wages of male junior workers on the basis of age plus experience shall be suspended.
