14. The Registrar, on receipt of any envelope containing a ballot-paper of any unenrolled voter, shall, without opening the envelope, or allowing any other person to do so, examine the declaration of the voter and, after making such inquiry as may be necessary, return the envelope, unopened, to the Returning Officer and report to him, in the place provided for the purpose on the envelope, whether in the Registrar's opinion the voter is or is not a person to whom paragraph (a) or (b) of sub-section (1) of section 241 of the Act applies.

15. Every Returning Officer shall preserve in his custody—

- (a) a book, in which he shall keep a record from time to time of the number of envelopes bearing declarations received by him from Electoral Registrars; and
- (b) a locked and sealed ballot-box marked "Unenrolled Voters," into which he shall forthwith place all such envelopes.

16. Upon the receipt from Registrars of envelopes containing ballot-papers of unenrolled voters the Returning Officer shall, in the presence of the scrutineers and poll clerk (if any), but of no other person, deal with the said envelopes and ballot-papers as follows:—

- (a) Open the ballot-box and produce all envelopes contained therein;
- (b) place in one parcel the unopened envelopes bearing the duly signed and attested declarations of persons who, according to the Registrars' reports, are persons to whom paragraph (a) or (b) of sub-section (1) of section 241 of the Act applies, and accept for further scrutiny the ballot-papers contained therein;
- (c) place in another parcel all of the remaining unopened envelopes bearing or purporting to bear the declarations of unenrolled voters, namely—
 - (i) those envelopes in respect of which the Registrars have reported that the persons concerned are not persons to whom paragraph (a) or (b) of sub-section (1) of section 241 of the Act applies; and
 - (ii) any other envelopes in respect of which the declarations thereon have not been duly signed and attested,

fasten and seal the parcel, endorse thereon the words "Unenrolled voters' ballot-papers rejected at the preliminary scrutiny", and add the name of his province or district, his signature, and the date:

Provided that a ballot-paper shall not be rejected at the preliminary scrutiny by reason only of the fact that—

- (i) the Deputy Returning Officer has omitted to attest the declaration if, before the declaration of the poll, the Deputy certifies that the omission was due to inadvertence, and that the declaration was, as a matter of fact, duly signed in such Deputy's presence; or
- (ii) there is an omission or an incorrect or insufficient description or a misdescription in respect of any of the particulars required by law to be contained in such declaration, if the Returning Officer is satisfied that the elector is entitled to vote;

- (d) place the envelopes containing the ballot-papers which he has decided to accept for further scrutiny before him on a table in such a manner that the face only of each envelope bearing the address of the Returning Officer shall be visible;
- (e) without further examining the declaration of any voter, or permitting any other person to do so, withdraw from each envelope the ballot-paper contained therein, and without inspecting or unfolding such ballot-paper, or allowing any other person to do so, forthwith deposit the folded ballot-paper in a locked and sealed ballot-box for further scrutiny; and
- (f) place the envelopes in a parcel endorsed with the words "Envelopes bearing unenrolled voters' declarations from which ballot-papers have been withdrawn for further scrutiny," fasten the parcel, add the name of the province (or district), his signature, and the date.

17. At the further scrutiny the Returning Officer shall open the ballot-box referred to in Regulation 16 (e), examine the ballot-papers contained therein, reject all informal ballot-papers, and count the first preference votes given for each candidate on all unrejected ballot-papers.

18. (1) The provisions of the Act in regard to the rejection of invalid ballot-papers shall apply to ballot-papers under this Part.

(2) A ballot-paper shall not be rejected as informal merely because the surname only of any candidate has been written thereon if no other candidate has the same surname or because of the entry of a wrong Christian name, or address, or occupation, or of any mistake in spelling where there is no doubt as to the identity of the candidate.

(3) A ballot-paper shall not be rejected as informal merely because of a formal defect therein through the name of the wrong province (or district) appearing thereon, or the omission of the name of the province (or district).

19. As soon as practicable after polling day, the Returning Officer shall enclose all ballot-papers, envelopes, and records in a sealed packet and comply with section 267 of the Act.

PART II.—ABSENT VOTING.

20. The exercise of the right of voting at a polling place as an absent voter is dependent upon the arrangements at the polling place at which the elector claims to vote as an absent voter, being such as to enable the vote to be recorded without interference with the rights of the electors enrolled for the subdivision for which the polling place is appointed.

21. The declaration of an absent voter pursuant to section 242 (4) (a) of the Act shall be in accordance with Form 100, and shall be printed on an envelope addressed to the Returning Officer for the province (or district) for which the elector declares that he is enrolled.

22. Before any person makes any declaration for absent voting, the Deputy Returning Officer shall warn him that if he personates any elector for the purpose of voting, or knowingly makes a false declaration, he will be guilty of a misdemeanour.

23. The ballot-paper of an absent voter shall be in accordance with Form 101, provided that the names of the candidates and the name of the province (or district) may be either printed or written thereon, and shall be marked, folded, and returned in strict accordance with the directions printed thereon.

24. Before issuing an absent voter's ballot-paper the Deputy Returning Officer shall on the front thereof initial the ballot-paper in the space provided for the purpose, and (if not already printed thereon) write in the name of the province (or district) for which the elector declares he is enrolled, and the surnames and Christian (or other) names of all the candidates for that province (or district), and, if the surnames and Christian (or other) names of two or more candidates are the same, shall distinguish them by the addition of their residences and occupations.

25. The Deputy Returning Officer shall make a record of the full name of each elector who has voted at his polling place as an absent voter, together with the name of the province (or district) and subdivision for which the elector declares that he is enrolled, and the name of the polling place at which the vote is polled, as indicated on the form of

declaration, and at the close of the poll shall sign and forward the record to the Returning Officer for the province (*or* district) in respect of which the Deputy Returning Officer is appointed.

26. (1) The Deputy Returning Officer who is authorized under the provisions of the Act to open the ballot-box shall forthwith without opening any envelopes containing absent voters' ballot-papers enclose such envelopes in a separate parcel, endorse such parcel with a description of the contents thereof, sign and date such endorsement, and forward such parcel, together with the sealed parcels required to be transmitted by the Act, to the Returning Officer for the province (*or* district) in respect of which the Deputy Returning Officer is appointed.

(2) The Returning Officer shall advise the Returning Officers for other provinces (*or* districts) by telegraph of the number of absent votes polled for those provinces (*or* districts) within the province (*or* district) for which the first-mentioned Returning Officer acts, and shall transmit to the said Returning Officers in separate parcels and by the first available mail the envelopes containing the absent votes so polled.

27. Every Returning Officer shall preserve in his custody—

- (a) a book in which he shall record from time to time the number of envelopes bearing absent voters' declarations received by him from Returning Officers of other provinces (*or* districts); and
- (b) a locked and sealed ballot-box marked "Absent Voters' Ballot-box" into which he shall forthwith place all envelopes bearing absent voters' declarations received by him from such Returning Officers.

28. Upon the receipt by a Returning Officer of envelopes containing absent voters' ballot-papers, the Returning Officer shall, in the presence of the scrutineers present and poll clerk (if any), but of no other person, deal with the said envelopes and ballot-papers as follows:—

- (a) open the ballot-box and produce the envelopes therein;
- (b) place in one parcel the unopened envelopes bearing the duly signed and attested declarations of those persons who he is satisfied are enrolled for and entitled to vote in respect of his province (*or* district), accept for further scrutiny the ballot-papers contained therein and place a mark opposite the name of each of such persons, on a certified copy of the roll to be used by him for the purposes of the scrutiny;
- (c) place in another parcel the unopened envelopes bearing the declarations of those persons who he is satisfied are not enrolled or are not entitled to vote in respect of his province (*or* district), or whose declarations are not duly signed and attested, fasten and seal the parcel, endorse thereon the words "Absent Voters' Ballot-papers rejected at the preliminary scrutiny", and add the name of his province (*or* district), his signature, and the date:

Provided that an absent voter's ballot-paper shall not be rejected at the preliminary scrutiny by reason only of the fact that—

- (i) the Deputy Returning Officer has omitted to attest the declaration of the elector, if before the declaration of the poll the Deputy Returning Officer certifies that the omission was due to inadvertence and that the declaration was as a matter of fact duly signed in such Deputy Returning Officer's presence; or
 - (ii) there is an omission or incorrect or insufficient description or misdescription in respect of any of the particulars required by law to be contained in such declaration if the Returning Officer is satisfied that the voter is entitled to an absent vote;
- (d) place the envelopes containing the ballot-papers which he has decided to accept for further scrutiny before him on a table in such a manner that the face only of each envelope bearing the address of the Returning Officer shall be visible;

- (e) without further examining the declaration of any voter, or permitting any other person to do so, withdraw from each envelope the ballot-paper contained therein, and without inspecting or unfolding such ballot-paper, or allowing any other person to do so, forthwith deposit the folded ballot-paper in a locked and sealed ballot-box for further scrutiny; and
- (f) place the envelopes in a parcel endorsed with the words, "Envelopes bearing absent voters' declarations from which ballot-papers have been withdrawn for further scrutiny", fasten the parcel, add the name of the province (*or* district), his signature, and the date.

29. At the further scrutiny the Returning Officer shall open the ballot-box referred to in Regulation 28 (e), examine the absent voters' ballot-papers contained therein, reject all informal ballot-papers, and count the first-preference votes given for each candidate on all unrejected ballot-papers.

30. (1) The provisions of the Act in regard to the rejection of invalid ballot-papers shall apply to absent voters' ballot-papers.

(2) An absent voter's ballot-paper shall not be rejected as invalid merely because the surname only of any candidate has been written thereon if no other candidate has the same surname, or of the entry of a wrong Christian name or address, or occupation, or of any mistake in spelling, where there is no doubt as to the identity of the candidate.

(3) An absent voter's ballot-paper shall not be rejected as informal merely because of a formal defect therein through the name of the wrong province (*or* district) appearing thereon, or the omission of the name of the province (*or* district).

31. As soon as practicable after polling day the Returning Officer shall enclose all ballot-papers, rolls, envelopes, and records relating to absent voting in a sealed packet and comply with section 267 of the Act.

PART III.—COMPULSORY VOTING.
