- (b) The steeplechase course and training track.
- (c) The plumption coursing enclosure and effects thereon and therein.
- (d) The car parking areas.

2. No person shall enter any part of the Reserve whatsoever without the permission of the Committee of Management or such body or persons as may be authorized by the said Committee.

3. Except when a race meeting, trotting meeting, or coursing meeting is held thereon, no person shall bring any racing horse, trotting horse, or coursing dog on any part of the Reserve without the consent, in writing, of the said Committee or such body or persons as may be authorized for that purpose by the said Committee. When a race meeting, trotting meeting, or coursing meeting is being held thereon, no person shall bring any racing horse, trotting course, or coursing dog without the consent, in writing, of committee of stewards of the body conducting galloping, trotting, or coursing on the day, or some person duly authorized, in writing, by such committee of stewards. Nothing herein contained shall be deemed to authorize the

holding of horse racing, trotting, or training of horses on any part of the Reserve on days when plumpton coursing is being held.

4. No person shall use the Reserve for the purpose of racing horses or for any other purpose whatsoever without the permission, in writing, of the Committee of Management being first obtained, and then only on such terms and conditions as may be considered reasonable and consistent with these Regulations. Upon such person being duly authorized, in writing, by the Committee of Management, the applicant shall pay a due proportion of the following fees:—

- (a) For each day's racing a fee not exceeding £35.
- (b) For each day's trotting a fee not exceeding £35.

The fee to exercise, train, or gallop horses on the course proper shall not be more than Five shillings (5s.) per horse per gallop, and each horse so using the course proper must be nominated by its owner or trainer. Such permission to train or exercise horses shall not be unreasonably or arbitrarily withheld by the Committee of Management or any body or persons duly authorized by the said Committee of Management, but such Committee, body, or persons may, by notice posted on the said Reserve, forbid the training or exercising of horses thereon on any day when, in the opinion of the said Committee or such body or persons, such use would be detrimental to the condition and maintenance of the training track, course proper, or other improvements, or when the Reserve or part thereof is required for other purposes.

6. The moneys received as fees for the permission to train, exercise, or gallop horses on the Reserve shall be applied in maintaining the said Reserve, improvements, training track, and course proper in a fit and proper condition, and in otherwise rendering the land suitable for racing, coursing, and recreational purposes.

7. No person shall carry on the business or calling of a bookmaker, except in and upon such portion of the Reserve as may be set aside for that purpose, and upon such stand as shall be allotted to him by the committee of stewards of the body conducting galloping or trotting races or plumpton coursing on the day and then only when he shall have complied with the following conditions:—

- (b) for permission to such racing club, trotting club, or Committee to construct at its own expense, buildings, and other improvements on the Reserve for the purpose of race meetings, trotting meetings, plumpton coursing meetings, and other incidental purposes, and for giving such racing club, trotting club, or Committee such rights to remove the same as may be agreed; and
- (c) for such other purposes consistent with these Regulations as may be considered by the Committee of Management to be reasonable for the

purpose of providing facilities for the holding of race meetings, trotting meetings, or plumpton coursing meetings, and for rendering the training track, race track, plumpton coursing enclosure and appurtenances suitable and convenient therefor.

9. No person shall use the buildings, yards, or enclosures in the Reserve, nor shall camp in the Reserve or in any buildings thereon, nor erect any booth or other structure without the permission, in writing, of the Committee of Management being first obtained.

14. No person shall bring into the Reserve any gun, rifle, or other firearm, or any dog without the consent, in writing, of the Committee of Management.

15. Persons renting or hiring any stand or building, erection, or enclosure on the occasion of any race meeting, trotting meeting, plumpton coursing meeting, or on any occasion whatever, may be required to deposit any sum which the Committee of Management may at any time determine, not exceeding £20, by way of guarantee that due care shall be taken of such stand, building, erection, or enclosure, and such Committee may, in its absolute discretion, make good any damage or other injuries sustained by such stand, building, erection, or enclosure, or anything contained therein during such occupancy or hiring, and deduct the cost of making good such loss or damage from the sum of money deposited by way of guarantee, and all persons renting or hiring shall abide by these Regulations and by any order given by the Committee of Management. If no money is deposited as aforesaid or if the money deposited is insufficient to recompense the damage, the Committee of Management may recover the amount of the damage or the deficiency, as the case may be, from the person committing any such damage as aforesaid.

16. No person shall cross or trespass upon the course, or any part of it, during a race meeting, trotting meeting, or plumpton meeting, or when the horses are prepared to start or are running for any race.

17. The Committee of Management reserves the right to collect all parking fees during any race meeting, trotting meeting, plumpton coursing meeting, or during any function whatsoever held on the Reserve. The maximum parking fee to be charged for any vehicle whatsoever shall not exceed Five shillings (5s.).

Every person who contravenes or fails to comply with these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, as enacted by section 9 of the *Land Act 1941*, for each offence be liable to a penalty of not more than Five pounds, and every person who contravenes or fails to comply with any such Regulation and who, after he has been warned by any Bailiff of Crown lands or by any member of the Police Force, does not desist therefrom may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds.

SHIRE OF FRANKSTON AND HASTINGS.

NOTICE is hereby given that the Council of the Shire of Frankston and Hastings has passed a resolution adopting a scheme, under section 594 of Act No. 5203, for the opening of new streets off Ebdale-street and Dandengong-road, Frankston (to be known as Box-grove and Renouf-grove), for widening Evelyn-street, Frankston, for the closing of Burnham-street, Frankston, for the purchase and compulsory taking of certain lands for that purpose and other lands situated in the neighbourhood thereof (all such lands being part of Crown allotment 5, section B, Parish of Frankston), for re-subdivision of such other lands into allotments complying with the requirements of the Uniform Building Regulations (Victoria) in order to improve the locality by providing allotments having not less than the minimum area and/or minimum depth and/or width of frontage prescribed by such Regulations, for other necessary incidental purposes, and for the resale of such allotments when so re-subdivided, pursuant to the provisions of Division 13 of Act No. 5203.

The estimated cost of carrying out the scheme is £10,000. It is not proposed to impose a betterment charge for the purpose of the scheme. Funds for carrying out the scheme will be provided from loan moneys; and it is anticipated that the proceeds of sale of the re-subdivided land will recoup the cost of carrying out the scheme.

A copy of the said scheme is deposited at the office of the said Council, Shire Offices, Davey-street, Frankston, and is open for inspection during office hours by any person, free of charge.

All persons affected by the said scheme are required to set forth, in writing, addressed to the Municipal Clerk, Shire Offices, Davey-street, Frankston, within 40 clear days from the publication of this notice in the *Government Gazette*, all objections which they may have to the scheme.

At the next ordinary meeting of the Council, after the expiration of the said 40 clear days, the Council will consider any objections to the scheme.
