3. The maximum scale of charges for admission to the Reserve and to any buildings, erections, or enclosures for the time being thereon on such days, not exceeding 26 in any one year, as the Reserve may be set apart for races, fêtes, sporting events, or holiday amusements shall be as follows:—

9. The Committee of Management shall have full power and authority to enter into agreements with any racing club—

If no money is deposited as aforesaid, or if the money deposited is insufficient to recompense the damage, the Committee of Management may recover the amount of the damage or the deficiency, as the case may be, from the person committing any such damage as aforesaid.

17. No person shall cross or trespass upon the course, or any part of it, during a race meeting or when the horses are prepared to start or are running for any race, or shall trespass upon the playing field during the progress of a cricket match, football match, or any sport or function.

Every person who contravenes or fails to comply with these Regulations shall, in accordance with the provisions of section 181 of the *Land Act* 1928, as re-enacted by section 9 of the *Land Act* 1941, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who contravenes or fails to comply with any such Regulation, and who, after he has been warned by any bailiff of Crown lands or by any member of the Police Force, does not desist therefrom, may be forthwith apprehended by such bailiff or member of the Police Force and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).
