For Order XVII there shall be substituted the following Order:—

PAYMENT INTO AND OUT OF COURT.

Order XVII.

1. (1) In any action for a debt or damages the defendant may at any time upon notice to the plaintiff pay into court a sum of money in satisfaction of the claim or (where several causes of action are joined in one action) in satisfaction of one or more of the causes of action; provided that if a defendant relies upon a defence setting up tender before action the sum of money alleged to have been tendered must be brought into Court.

(2) Where the money is paid into Court in satisfaction of one or more of several causes of action the notice shall specify the cause or causes of action in respect of which payment is made and the sum paid in respect of each such cause of action unless the Court or a Judge otherwise order.

(3) The notice shall be in Form 49 or 50 and shall state whether liability is admitted or denied and receipt of the notice shall be acknowledged in writing by the plaintiff within three days.

2. (1) Where money is paid into court under Rule 1 the plaintiff may within seven days of the receipt of the notice of payment into court, accept the whole sum or any one or more of the specified sums in satisfaction of the claim or in satisfaction of the cause or causes of action to which the specified sum or sums relate by giving notice to the defendant in Form 51; and thereupon he shall be entitled to receive payment of the accepted sum or sums in satisfaction as aforesaid.

(2) Payment shall be made to the plaintiff or on his written authority to his solicitor and thereupon proceedings in the action or in respect of the specified cause or causes of action (as the case may be) shall be stayed.

(3) If the plaintiff accepts money paid into court in satisfaction of his claim, or if he accepts a sum or sums paid in respect of one or more of specified causes of action, and gives notices that he abandons the other cause or causes of action, he may, after four days from payment out and unless the Court or a Judge otherwise orders, tax his costs incurred to the time of payment into court and forty-eight hours after taxation may enter judgment for his taxed costs.

(4) A plaintiff in an action for libel or slander, who takes money out of court may apply by summons to a Judge in chambers to make in open court a statement on terms approved by a Judge.

(5) This rule does not apply to an action or cause of action in or in respect of which a defence setting up tender before action is relied upon.

3. If the whole of the money in court is not taken out under Rule 2, the money remaining in court shall not be paid out except in satisfaction of the claim or specified cause or causes of action in respect of which it was paid in and in pursuance of an order of the Court or a Judge, which may be made at any time before, at or after trial.

4. (1) Money may be paid into court under Rule 1 by one or more of several defendants sued jointly or in the alternative, upon notice to the other defendant or defendants.

(2) If the plaintiff elects within seven days after receipt of notice of payment into court to accept the sum or sums paid into court he shall give notice as in Form 51 to each defendant.

(3) Thereupon all further proceedings in the action or in respect of the specified cause or causes of action (as the case may be) shall be stayed, and the money shall not be paid out except in pursuance of an order of the Court or a Judge dealing with the whole costs of the action or cause or causes of action (as the case may be).

5. A third party, or a defendant against whom relief is claimed by a co-defendant, or a plaintiff or other person made defendant to a counter-claim, may pay money into court in accordance with the foregoing Rules, with the necessary modifications.

6. Except in an action in which a defence setting up tender before action is relied on or in which section 7 of the *Wrongs Act* 1928, is relied on, no communication of the fact that money has been paid into court under the preceding Rules of this Order shall at the trial of any action be made to the Judge or jury until all questions of liability and amount of debt or damages have been decided, but the Judge shall, in exercising his discretion as to costs, take into account both the fact that money has been paid into court and the amount of such payment. Any party, either personally or by his practitioner committing a breach of this Rule may be ordered to pay such part of the opposite party's costs or be deprived of such part of his costs as the Court or a Judge thinks just.

7. Money paid into Court under an order of the Court or a Judge shall not be paid out of Court except in pursuance of an Order of the Court or a Judge. Provided, that where money has been paid into Court by the defendant pursuant to an order made under the provisions of Order XXII or under Part I of the *Instruments Act* 1928, he may (unless the Court or a Judge shall otherwise order) by notice in writing appropriate the whole or any part of such money, and any additional payment if necessary to the whole or any specified portion of the plaintiff's claim; and the money so appropriated shall thereupon be deemed to be money paid into Court pursuant to the preceding Rules of this Order relating to money paid into Court, and shall be subject in all respects thereto.

The provisions of this Rule shall apply to all actions in which damages are claimed or awarded to or recovered by or agreed to be paid to or for an infant or person of unsound mind under the *Wrongs Act* 1928, Part III.
